GENERAL PROVISIONS

§36.4203 Eligibility of the veteran for the manufactured home loan benefit under 38 U.S.C. 3712.

(a) To be eligible for the manufactured home loan benefit a veteran must have loan guaranty entitlement for manufactured home purposes available for use. Notwithstanding the provisions of §36.4205(e), the Secretary may exclude the amount of guaranty entitlement used for any guaranteed manufactured home loan provided:

(1) The property which served as security for the loan has been disposed of by the veteran, or has been destroyed by fire or other natural hazard; and

(2)(i) The loan has been repaid in full or the Secretary has been released from liability as to the loan, or if the Secretary has suffered a loss on said loan, such loss has been paid in full; or

(ii) A veteran-transferee has agreed to assume the outstanding balance on the loan and consented to the use of his or her entitlement to the extent the entitlement of the veteran-transferor had been used originally, and the veteran-transferee otherwise meets the requirements of 38 U.S.C. chapter 37.

(3) In a case in which the veteran still owns a property purchased with a VA-guaranteed loan, the Secretary may, one time only, restore entitlement if:

(i) The loan has been repaid in full, or, if the Secretary has suffered a loss on the loan, the loss has been paid in full; or

(ii) The Secretary has been released from liability as to the loan and, if the Secretary has suffered a loss on the loan, the loss has been paid in full.

(4) The Secretary may, in any case involving circumstances deemed appropriate, waive either or both of the requirements set forth in paragraphs (a)(1) and (a)(2)(i) of this section.

(Authority: 38 U.S.C. 3702, 3712)

The Secretary may, in any case involving circumstances deemed appropriate, waive either or both of the requirements set forth in paragraph (a)(1) or (2) of this section.

(b) A veteran may use his or her remaining home loan guaranty entitlement for any purpose authorized by 38 U.S.C. 3710, 3711, or 3712 except that a veteran who has purchased a manufactured home unit may not purchase a second manufactured home unit until the unit which secured the first loan has been disposed of by the veteran or has been destroyed by fire or other natural hazard.

(c) The available entitlement of a veteran will be determined by the Secretary as of the date of receipt of an application for guaranty of a manufactured home loan or loan report. Such date of receipt shall be the date the application or loan report is date stamped into the Department of Veterans Affairs. Eligibility derived from the most recent period of service (1) shall cancel any unused entitlement derived from any earlier period of service, and (2) shall be reduced by the amount by which entitlement from service during any earlier period has been used to obtain a direct, guaranteed, or insured loan:

(i) On property which the veteran owns at the time of application; or

(ii) As to which the Secretary has incurred actual liability or loss, unless in the event of loss or the incurrence and payment of such liability by the Secretary the resulting indebtedness of the veteran to the United States has been paid in full.

Provided, That if the Secretary issues or has issued a certificate of commitment covering the loan described in the application for guaranty or in the loan report, the amount and percentage of guaranty contemplated by the certificate of commitment shall not be subject to reduction if the loan has been or is closed on a date which is not later than the expiration date of the certifi-

cate of commitment, notwithstanding that the Secretary in the meantime and prior to the issuance of the evidence of guaranty shall have incurred actual liability or loss on a direct, guaranteed, or insured loan previously obtained by the borrower. For the purposes of this paragraph, the Secretary will be deemed to have incurred actual loss on a guaranteed or insured loan if the Secretary has paid a guaranty or insurance claim thereon and the veteran's resultant indebtedness to the Government has not been paid in full, and to have incurred actual liability on a guaranteed or insured loan if the Secretary is in receipt of a claim on the guaranty or insurance or is in receipt of a notice of default. In the case of a direct loan, the Secretary will be deemed to have incurred an actual loss if the loan is in default.

Subtract from the manufacturer's invoice cost the manufacturer's invoice cost of any components (furnishings, accessories, equipment) removed from the unit by the dealer. To the remainder add the dealer's cost for any components added by such dealer. The sum so obtained shall be the figure to be multiplied by the specified percentage; and

(ii) One hundred (100) percent of the actual amount of fees and charges permitted in § 36.4232.

(2) A loan to purchase a lot upon which a manufactured home owned by the veteran will be placed is limited to the reasonable value of a developed lot or the reasonable value plus such amount determined by the Secretary to be appropriate to cover the cost of necessary site preparation for an undeveloped lot.

This certificate of commitment shall specify the discount to be paid by the veteran, and this discount may not be increased once the commitment has been issued without the approval of the Secretary;

(C) The discount has been determined by the Secretary to be reasonable in amount; and

(5) For a loan to refinance a purchase money lien on a manufactured home and to purchase a lot (38 U.S.C. 3712(a)(1)(G)) on which the manufactured home is or will be placed:

The certificate of commitment shall specify the discount to be paid by the veteran on the unit portion of the loan, and this discount may not be increased once the commitment has been issued without the approval of the Secretary; and

(C) The discount on the unit portion of the loan has been determined by the Secretary to be reasonable in amount.

(6) All powers of the Secretary under paragraphs (c) (4) and (5) of this section, except the authority to revise the discount after the commitment is issued, are hereby delegated to those officials designated by § 36.4221(b). The power of the Secretary to approve an increase in the discount on the unit portion of the loan after the commitment is issued is delegated to those officials designated by § 36.4220(a).

(d) The loan amount in an individual case shall not exceed the following:

(1) In the case of a loan to purchase a new manufactured home unit only, the loan amount shall not exceed the sum of the following:

(ii) 100 percent of the actual amount of fees and charge permitted in § 36.4232.

(2) In the case of a loan to purchase a new manufactured home unit plus the cost of necessary site preparation where the veteran owns the lot, the loan amount shall be limited to the amount determined in paragraph (d)(1) of this section plus such costs of necessary site preparation as are approved by the Secretary.

(3) In the case of a loan to purchase a new manufactured home unit plus the purchase of an undeveloped lot on

(4) In the case of a loan to purchase a new manufactured home unit plus the cost of a suitably developed lot on which to place such home, the loan amount shall be limited to the amount determined in paragraph (d)(1) of this section plus the reasonable value of the developed lot as determined by the Secretary.

(5) In the case of a loan to purchase a lot upon which will be placed a manufactured home owned by the veteran the loan is limited to the reasonable value of a developed lot or the reasonable value plus such amount as is determined by the Secretary to be appropriate to cover the cost of necessary site preparation for an undeveloped lot.

(6) In the case of a used manufactured home the maximum loan may not exceed the reasonable value as established by the Secretary, plus;

(i) Actual fees or charges for required recordation of documents;

(ii) The amount of any documentary stamp taxes levied on the transaction;

(iii) The amount of State and local taxes levied on the transaction; and

(i) The balance of the Department of Veterans Affairs loan being refinanced;

(ii) Closing costs as authorized by § 36.4232 or § 36.4254, as appropriate; and

(iii) Allowable discounts provided:

and this discount may not be increased once the commitment has been issued without the approval of the Secretary;

(C) The discount has been determined by the Secretary to be reasonable in amount; and

(D) All powers of the Secretary under this paragraph (d)(7) of this section, except the authority to revise the discount after the commitment is issued, are hereby delegated to those officials designated by § 36.4221(b). The power of the Secretary to approve an increase in the discount after the commitment is issued is delegated to those officials designated by § 36.4220(a).

(8) In the case of a loan to refinance a purchase money lien on a manufactured home and to buy a lot (38 U.S.C. 3712(a)(1)(G)) on which the manufactured home is or will be placed:

(i) The loan must be secured by the same manufactured home which must be owned and occupied by the veteran as the veteran's home; and

(ii) The amount of the loan may not exceed an amount equal to the sum of:

(A) The purchase price, not to exceed the reasonable value of the lot, as authorized by § 36.4252,

(B) The amount determined by the Secretary to be appropriate to cover the cost of necessary preparation of the lot,

creased once the commitment has been issued without the approval of the Secretary;

(C) The discount on the unit portion of the loan has been determined by the Secretary to be reasonable in amount; and

(D) All powers of the Secretary under paragraph (d)(8) of this section, except the authority to revise the discount after the commitment is issued, are hereby delegated to those officials designated by § 36.4221(b). (Authority: 38 U.S.C. 3712 (a)(1)(G), (a)(5) and (g))

EDITORIAL NOTE: At 58 FR 37858, July 14, 1993, the following paragraph (d) was redesignated from paragraph (b), effective August 13, 1993.

(d) A loan for any of the purposes described in paragraphs (a)(1) through (6) of this section may include an amount determined by the Secretary to be appropriate to cover the cost of necessary preparation of a lot already owned or to be acquired by the veteran, including the costs of installing utility connections and sanitary facilities, of paving, and of constructing a suitable pad for the manufactured home.

(e) The maximum permissible loan terms shall not exceed;

(1) 20 years and 32 days in the case of a loan to purchase a single-wide manufactured home or a single-wide manufactured home and lot;

(2) 15 years and 32 days in the case of a loan to purchase a lot on which to place a manufactured home already owned by the veteran;

(3) 23 years and 32 days in the case of a loan to purchase a double-wide manufactured home, or 25 years and 32 days in the case of a loan to purchase a double-wide manufactured home and lot; or

(4) In the case of a used manufactured home the maximum term set forth in paragraph (c)(1) or (3) of this section or the remaining physical life

expectancy of the unit as established by the Secretary, whichever is less.

(Authority: 38 U.S.C. 3712(a)(1) and (2), (d)(1), (e)(4)(B))

(f) An itemized list of all items included in the manufactured home loan as enumerated in § 36.4232 shall be provided to both the purchaser and the Secretary. At the time of loan origination an independent fee inspection shall be conducted to assure that all items included in the loan amount are accounted for and in place. A similar inspection will be conducted in the event of repossession immediately prior to repossession. The costs of the fee inspections may be included in the loan amount or the claim amount and charged to the borrower pursuant to the provisions of § 36.4232 (a) and (b).

(The information collection requirements contained in § 36.4204(f) were approved by the Office of Management and Budget under OMB control number 2900–0516)

(g) The cost of the transaction which cannot be paid from the proceeds of the loan must be paid by the veteran in cash from the veteran's own resources. Except for interest rate reduction refinancing loans pursuant to paragraph (a)(7) of this section or loans to refinance a manufactured home and to buy a lot pursuant to paragraph (a)(8) of this section, closing costs and prepaid items incident to the real estate portion of any manufactured home loan must be paid in cash and may not be included in the loan amount.

§ 36.4205 Computation of guaranty.

(a) The amount of guaranty in respect to a loan guaranteed under 38 U.S.C. 3712 shall be forty (40) percent of the original principal amount of the loan or \$20,000, whichever is less. With respect to a loan guaranteed under 38 U.S.C. 3712(a)(1)(F), the dollar amount of guaranty may not exceed the original dollar amount of guaranty on the loan being refinanced. With respect to a loan guaranteed under 38 U.S.C. 3712(a)(1)(G), the dollar amount of guaranty previously used to obtain a

manufactured unit loan may be transferred pursuant to § 36.4224(b) for use in refinancing the unit when simultaneously acquiring a lot.

(b) Subject to the provisions of paragraph (c) of § 36.4203, the following formulas will determine the amount of guaranty entitlement which remains available to an eligible veteran after prior use of entitlement:

(1) If a veteran previously secured a nonrealty (business) loan, the amount of nonrealty entitlement used is doubled and subtracted from \$36,000. The sum remaining is the amount of available entitlement for use not to exceed \$20,000 for manufactured home purposes.

(2) If a veteran previously secured a realty (home) loan, the amount of realty (home) loan entitlement used is subtracted from \$36,000. The sum remaining is the amount of available entitlement for use not to exceed \$20,000 for manufactured home purposes.

(3) If a veteran previously secured a manufactured home loan, the amount of entitlement used for manufactured home purposes is subtracted from \$36,000. The sum remaining is the amount of available entitlement for use for home loan purposes only. To determine the amount of additional entitlement available for manufactured home purposes, the amount of entitlement previously used for manufactured home purposes is subtracted from \$20,000. Except for manufactured home loans to be obtained pursuant to 38 U.S.C. 3712(a)(1)(F) or (G), the sum remaining is the amount of available entitlement for use for manufactured home purposes.

(c) For the purpose of computing the remaining guaranty benefit to which a veteran is entitled, manufactured home and manufactured home lot loans guaranteed prior to October 1, 1978, shall be taken into consideration as if made subsequent thereto, and the veteran's entitlement will be reduced by the amount of the Secretary's guaranty issued in the particular loan transaction.

(d) A guaranty is reduced or increased pro rata with any deduction or increase in the amount of the guaranteed indebtedness, but in no event will

Department of Veterans Affairs

§ 36.4206

the amount payable on a guaranty exceed the amount of the original guaranty or the percentage of the indebtedness corresponding to that of the original guaranty.

(e) The amount of any guaranty for a manufactured home or manufactured home lot loan shall be charged against the original or remainder of the borrower's guaranty benefit available for manufactured home purposes. Complete or partial liquidation, by payment or otherwise, of the veteran's guaranteed indebtedness does not increase the remainder of the guaranty benefit, if any, otherwise available to the veteran. When the maximum guaranty available legally to a veteran for manufactured home purposes shall have been granted, no further guaranty for manufactured home purposes shall be available to the veteran.

(f)(1) The amount of guaranty entitlement, available and unused, of an eligible unremarried surviving spouse (whose eligibility does not result from his or her own service) is determinable in the same manner as in the case of any veteran, and any entitlement which the decedent (who was his or her spouse) used shall be disregarded. A certificate as to the eligibility of such surviving spouse, issued by the Secretary, shall be a condition precedent to the guaranty or insurance of any loan made to a surviving spouse in such capacity.

(Authority: 38 U.S.C. 3701(a)(2), 3712(c)(4))

(2) For the purpose of obtaining an interest rate reduction refinancing loan pursuant to 38 U.S.C. 3712(a)(1)(F), an unmarried surviving spouse who was a co-obligor under an existing Department of Veterans Affairs guaranteed loan shall be considered to be eligible for the 38 U.S.C. 3712(a)(1)(F) benefit.

(Authority: 38 U.S.C. 3712(a)(4)(C))

(g) Any evidence of guaranty issued by the Secretary in respect to such loan shall be conclusive evidence of the eligibility of the loan for guaranty and of the amount of such guaranty. *Provided, however,* That the Secretary may establish against the original lender, defenses based on fraud or material misrepresentation and that the Secretary may by regulations in force at

the date of such issuance establish partial defenses to the amount payable on the guaranty.

§ 36.4206 Underwriting standards, occupancy, and non-discrimination requirements.

(a) Except for refinancing loans pursuant to 38 U.S.C. 3712(a)(1)(F), no loan shall be guaranteed unless the terms of repayment bear a proper relationship to the veteran's present and anticipated income and expenses, and the veteran is a satisfactory credit risk, as determined by use of the standards in § 36.4337 of this part.

(Authority: 38 U.S.C. 3712)

(b) Use of the standards in § 36.4337 of this part for underwriting manufactured home loans will be waived only in extraordinary circumstances.

(Authority: 38 U.S.C. 3712)

(c) The lender responsibilities contained in § 36.4337 of this part and the certification required and penalties to be assessed under § 36.4337A of this part against lenders making false certifications also apply to lenders originating VA guaranteed manufactured home loans under the authority of 38 U.S.C. 3712.

(Authority: 38 U.S.C. 3712)

(d) No loan shall be guaranteed pursuant to 38 U.S.C. 3712(a)(1) unless:

(1) The veteran certifies, in such form as the Secretary shall prescribe, that he or she will personally occupy the property as his or her home or, if the veteran is on active duty status as a member of the Armed Forces and is for that reason unable to occupy the property, the veteran's spouse must certify that he or she will personally occupy the property as his or her home. For the purposes of this section, the words *personally occupy the property as his or her home* mean that the veteran as of the date of his or her certification actually lives in the property personally as his or her residence or actually intends upon completion of the loan and acquisition of the manufactured home

to move into the home personally within a reasonable time and to utilize the home as his or her residence.

(2) The veteran certifies, in such form as the Secretary shall prescribe that:

(i) Neither the veteran, nor anyone authorized to act for the veteran, will refuse to sell or rent, after the making of a bona fide offer, or refuse to negotiate for the sale or rental of, or otherwise make unavailable or deny the dwelling or property covered by this loan to any person because of race, color, religion, sex, handicap, familial status, or national origin;

(ii) The veteran recognizes that any restrictive covenant on the property relating to race, color, religion, sex, handicap, familial status, or national origin is illegal and void and any such covenant is specifically disclaimed; and

(iii) The veteran understands that civil action for preventive relief may be brought by the Attorney General of the United States in any appropriate U.S. district court against any person responsible for a violation of the applicable law.

(1) A single-wide unit must be a minimum of ten (10) feet wide and have a minimum floor area of four hundred (400) square feet.

(2) A double-wide unit, when assembled, must be a minimum of twenty (20) feet wide and have a minimum floor area of seven hundred (700) square feet.

§36.4208 Manufactured home location standards.

(a) Any rental site on which a manufactured home to be purchased with a guaranteed loan will be placed must qualify as an acceptable rental site as follows:

(1) Be located within a manufactured home park or subdivision which is acceptable to the Department of Veterans Affairs; or

(2) Be a site which is not within a manufactured home park or subdivision provided that (i) the site is determined by the Department of Veterans Affairs to be an acceptable rental site, or (ii) in the absence of a determination by the Department of Veterans Affairs in respect to such site the manufactured home purchaser and the dealer certify to the Secretary as follows:

(A) Placement of the manufactured home on the site or lot is not a violation of zoning laws or other local requirements applicable to manufactured homes;

(B) The site or lot is served by water and sanitary facilities which are approved by the local public authority and which are acceptable to the Department of Veterans Affairs;

(C) The site or lot is served by an all-weather street or road;

(D) The site or lot is not known to be subject to conditions that may be hazardous to the health or safety of the manufactured home occupants or that may endanger the manufactured home; and

(E) The site is free from, and the location of the manufactured home thereon will not substantially contribute to, adverse scenic or environmental conditions.

(b) No manufactured home purchased with a guaranteed loan may be placed on a lot owned by an eligible veteran or on a lot to be purchased or improved

with the proceeds of a guaranteed manufactured home loan unless the lot owned or to be so purchased or improved is determined by the Department of Veterans Affairs to be an acceptable manufactured home site.

(c) A manufactured home park or subdivision which is not approved by the Federal Housing Administration will be acceptable to the Department of Veterans Affairs for the purpose of 38 U.S.C. 3712 if the Secretary determines that the park or subdivision, whether existing or proposed, (1) is designed to encourage the maintenance and development of manufactured home sites which will be free from, and not substantially contribute to, adverse scenic and environmental conditions, and (2) complies otherwise with the applicable standards for planning, construction, and general acceptability prescribed by the Secretary.

[36 FR 1253, Jan. 27, 1971, as amended at 55 FR 37472, Sept. 12, 1990; 56 FR 9855, Mar. 8, 1991]

§ 36.4209 Reporting requirements.

(a) Each loan proposed for guaranty under 38 U.S.C. 3712 shall, unless otherwise provided in the § 36.4200 series, be submitted to the Secretary for approval prior to closing. The Secretary upon determining any such proposed loan to be eligible for guaranty will issue a certificate of commitment.

(b) Except as provided in paragraph (c) of this section, a certificate of commitment shall entitle the holder to the issuance of the evidence of guaranty upon the ultimate actual payment of the full proceeds of the loan for the purposes described in the original report and upon the submission within 60 days thereafter of a supplemental report showing such fact and:

(1) That the loan conforms to the terms of the certificate of commitment;

(2) The identity of all property purchased therewith, including the itemized list required by § 36.4204(f);

(3) That all property purchased with the proceeds of the loan has been encumbered as required by the § 36.4200 series;

(4) In respect to any property purchased with the loan proceeds as to which the Secretary issued a certifi-

cate of reasonable value which was conditioned upon completion of any construction, repairs, alterations or improvements not inspected and approved subsequent to completion by a compliance inspector designated by the Secretary that such construction, repairs, alterations or improvements have been completed according to the plans and specifications upon which such reasonable value was based; and

(5) That the loan conforms otherwise to the applicable provisions of 38 U.S.C. chapter 37 and § 36.4200 series.

(c) A deviation of more than five (5) percent between the estimates upon which the certificate of commitment was issued and the report of final payment of the proceeds of the loan, or a change in the identity of the property acquired by the veteran with the loan proceeds will invalidate the certificate of commitment, unless such deviation or change is approved by the Secretary.

(d) Upon the failure of the lender to report in accordance with paragraph (b) of this section, the certificate of commitment shall have no further effect; *Provided, nevertheless*, That if the loan otherwise meets the requirements of this section, said certificate of commitment may be given effect by the Secretary, notwithstanding the report is received after the date otherwise required.

(e) Subject to compliance with the regulations concerning guaranty of manufactured home loans to veterans, the Certificate of Guaranty will be issuable within the available entitlement of the veteran on the basis of the loan reported, except for refinancing loans for interest rate reductions. No certificate of commitment shall be issued, and no loan shall be guaranteed, unless the lender, the veteran, and the loan are shown to be eligible; nor shall guaranty be issued on any manufactured home loan unless the Secretary determines that there has been compliance by the veteran with the certification requirements of 38 U.S.C. 3712(e)(5).

(Authority: 38 U.S.C. 3712(a)(4), (c)(2), (e)(5))

(f) Any amount of the loan that is disbursed for an ineligible purpose shall be excluded in computing the amount of guaranty.

(g) Approval by the Secretary pursuant to 38 U.S.C. 3712(c)(1) is required before a lender may close manufactured home loans or manufactured home lot loans on the automatic basis. Evidence of guaranty will be issuable if the loan closed on the automatic basis is reported to the Secretary within 60 days of full disbursement, and upon certification of the lender that no default exists thereunder which has continued for more than 30 days and that the loan complies with paragraphs (b)(2), (3), (4), and (5), (e), and (f) of this section. Upon the failure of the lender to report in accordance with this paragraph the loan will not be eligible for guaranty unless the lender submits with the report a certification that the loan is not in default and an explanation as to why the loan was not timely reported.

(Authority: 38 U.S.C. 3712 (c)(1) and (g))

(h) With respect to any loan for which a commitment was made on or after March 1, 1988, the Secretary must be notified whenever the holder receives knowledge of disposition of a manufactured home and/or lot securing a Department of Veterans Affairs guaranteed loan.

(1) If the seller applies for prior approval of the assumption of the loan, then:

(i) A holder (or its authorized servicing agent) who is an automatic lender must examine the creditworthiness of the purchaser and determine compliance with the provisions of 38 U.S.C. 3714. The creditworthiness review must be performed by the party that has automatic authority. If both the holder and its servicing agent are automatic lenders, then they must decide between themselves which one will make the determination of creditworthiness, whether the loan is current and whether there is a contractual obligation to assume the loan, as required by 38 U.S.C. 3714. If the actual loan holder does not have automatic authority and its servicing agent is an automatic lender, then the servicing agent must make the determinations required by 38 U.S.C. 3714 on behalf of the holder. The actual holder will remain ultimately responsible for any failure of its servicing agent to comply with the

applicable law and Department of Veterans Affairs regulations.

(A) If the assumption is approved and the transfer of the security is completed, then the notice required by this paragraph shall consist of the credit package (unless previously provided in accordance with paragraph (h)(1)(i)(B) of this section) and a copy of the executed deed, bill of sale, transfer of equity agreement, and/or assumption agreement as required by the VA office of jurisdiction. The notice shall be submitted to the Department of Veterans Affairs with the Department of Veterans Affairs receipt for the funding fee provided for in §§ 36.4232(e)(3) or 36.4254(d)(3) of this part.

(B) If the application for assumption is disapproved, the holder shall notify the seller and the purchaser that the decision may be appealed to the Department of Veterans Affairs office of jurisdiction within 30 days. The holder shall make available to that Department of Veterans Affairs office all items used by the holder in making the holder's decision in case the decision is appealed to the Department of Veterans Affairs. If the application remains disapproved after 60 days (to allow time for appeal to and review by the Department of Veterans Affairs) then the holder must refund \$50 of any fee previously collected under the provisions of § 36.4275(a)(3)(iii) of this part. If the application is subsequently approved and the sale is completed, then the holder (or its authorized servicing agent) shall provide the notice described in paragraph (h)(1)(i)(A) of this section.

(C) In performing the requirements of paragraphs (h)(1)(i)(A) or (h)(1)(i)(B) of this section the holder must complete its examination of the creditworthiness of the prospective purchaser and advise the seller of its decision no later than 45 days after the date of receipt by the holder of a complete application package for the approval of the assumption. The 45-day period may be extended by an interval not to exceed the time caused by delays in processing of the application which are documented as beyond the control of the holder, such as employers or depositories not responding to requests for verifications,

Department of Veterans Affairs

§ 36.4210

which were timely forwarded, or followups on those requests.

(ii) If neither the holder nor its authorized servicing agent is an automatic lender, the notice to the Department of Veterans Affairs shall include:

(A) Advice regarding whether the loan is current or in default;

(B) A copy of the purchase contract; and

(C) A complete credit package developed by the holder which the Secretary may use for determining the creditworthiness of the purchaser.

(D) The notice and documents required by this section must be submitted to the Department of Veterans Affairs office of jurisdiction no later than 35 days after the date of receipt by the holder of a complete application package for the approval of the assumption, subject to the same extensions as provided in paragraph (h)(1)(i) of this section. If the assumption is not automatically approved by the holder or its authorized agent pursuant to the automatic authority provisions, \$50 of any fee collected in accordance with § 36.4275(a)(3)(iii) of this part must be refunded. If the Department of Veterans Affairs does not approve the assumption, the holder will be notified and an additional \$50 of any fee collected under § 36.4275(a)(3)(iii) of this part must be refunded following expiration of the 30-day appeal period set out in paragraph (h)(1)(i)(B) of this section. If such an appeal is made to the Department of Veterans Affairs, then the review will be conducted at the Department of Veterans Affairs office of jurisdiction by an individual who was not involved in the original disapproval decision. If the application for assumption is approved and the transfer of the security is completed, then the holder (or its authorized servicing agent) shall provide the notice required in paragraph (h)(1)(i)(A) of this section.

(2) If the seller fails to notify the holder before disposing of property securing the loan, the holder shall notify the Secretary within 60 days after learning of the transfer. Such notice shall advise whether or not the holder intends to exercise its option to immediately accelerate the loan or whether an opportunity will be extended to the transferor and transferee to apply for

retroactive approval of the assumption under the terms of this paragraph

§ 36.4210 Joint loans.

(a) Except as provided in paragraph (b) of this section, the prior approval of the Secretary is required in respect to any manufactured home loan to be made to two or more borrowers who become jointly and severally liable, or jointly liable therefor, and who will acquire an undivided interest in the property to be purchased or who will otherwise share in the proceeds of the loan, or in respect to any loan to be made to an eligible veteran whose interest in the property owned, or to be acquired with the loan proceeds, is an undivided interest only. The amount of the guaranty shall be computed in such cases only on that portion of the loan allocable to the eligible veteran which, taking into consideration all relevant factors, represents the proper contribution of the veteran to the transaction. Such loans shall be secured to the extent required by 38 U.S.C. chapter 37 and the regulations concerning guaranty of manufactured home loans to veterans.

(b) Notwithstanding the provisions of paragraph (a) of this section, the joinder of the spouse of a veteran-borrower in the ownership of property shall not require prior approval or preclude the issuance of a guaranty based upon the entire amount of the loan. If both spouses be eligible veterans, either or both, within permissible maxima, may utilize available guaranty entitlement.

(c) For the purpose of determining the rights and the liabilities of the Secretary with respect to a loan subject to paragraph (a) of this section, credits legally applicable to the entire loan shall be applied as follows:

(1) Prepayments made expressly for credit to that portion of the indebtedness allocable to the veteran shall be

applied to such portion of the indebtedness. All other payments shall be applied ratably to those portions of the loan allocable respectively to the veteran and to the other debtors.

(2) Proceeds of the sale or other liquidation of the security shall be applied ratably to the respective portions of the loan, such portion of the proceeds as represents the interest of the veteran being applied to that portion of the loan allocable to such veteran.

§ 36.4211 Amortization—prepayment.

(a) To be eligible for guaranty under 38 U.S.C. 3712 a loan shall be amortized fully within the term of the loan in accordance with any generally recognized plan of amortization requiring approximately equal monthly payments. The loan shall not be payable on demand or at sight or presentation, or at a time not specified or computable from the language in the evidence of indebtedness, or on a renewal basis at the option of the holder. The first payment may be deferred not longer than 2 months from the date the loan is closed.

(b) No guaranteed loan security instrument shall contain any provision giving the holder a right to declare the loan due or otherwise to declare a default if the holder “shall feel insecure” or upon the occurrence of any similar condition at the holder’s option, without regard to any act or omission by the debtor.

(c) The debtor shall have the right, without penalty or fee, to prepay all or not less than one installment of the indebtedness at any time. Credit for any partial prepayment made on other than an installment due date may be postponed to the next installment due date. The holder and the debtor may agree at any time that any prepayment not previously applied in satisfaction of matured installments shall be reapplied for the purpose of curing or preventing any subsequent default. Any prepayment in full of the indebtedness (unpaid principal balance plus earned interest) shall be credited on the date received. In determining the amount re-

quired to prepay the indebtedness in full the holder of the loan shall exclude all unearned interest or discount.

(d) Subject to paragraph (a) of this section any amounts which under the terms of a loan do not become due and payable on or before the last maturity date permissible for loans of its class under the limitations contained in § 36.4204 shall automatically fall due on such date.

§ 36.4212 Interest rates and late charges.

(a) In guaranteeing or insuring loans under 38 U.S.C. chapter 37, the Secretary may elect to require that such loans either bear interest at a rate that is agreed upon by the veteran and the lender, or bear interest at a rate not in excess of a rate established by the Secretary. The Secretary may, from time to time, change that election by publishing a notice in the FEDERAL REGISTER. Provided, however, that the interest rate of a loan for the purpose of an interest rate reduction under 38 U.S.C. 3712(a)(1)(F) must be less than the interest rate of the VA loan being refinanced. This paragraph (a) does not apply in the case of an adjustable rate mortgage being refinanced with a fixed rate loan.

(Authority: 38 U.S.C. 3703, 3712)

(b) For loans bearing an interest rate agreed upon by the veteran and the lender, the veteran may pay reasonable discount points in connection with the loan. The discount points may not be included in the loan amount, except for interest rate reduction refinancing loans under 38 U.S.C. 3712(a)(1)(F).

(Authority: 38 U.S.C. 3703, 3712)

(c) The rate of interest in instruments securing the indebtedness for all loans may be expressed in terms of add-on or discount.

(Authority: 38 U.S.C. 3710, 3712)

(d) Interest in excess of the rate reported by the lender when requesting evidence of guaranty or insurance shall not be payable on any advance, or in the event of any delinquency or default; *Provided*, that a late charge not in excess of an amount equal to 4 percent of any installment paid more than

15 days after due date shall not be considered a violation of this limitation.

(Authority: 38 U.S.C. 3712)

(e) Adjustable rate mortgage loans which comply with the requirements of this paragraph are eligible for guaranty.

(1) *Interest rate index.* Changes in the interest rate charged on an adjustable rate mortgage must correspond to changes in the weekly average yield on one year (52 week) Treasury bills adjusted to a constant maturity. Yields on one year Treasury bills at "constant maturity" are interpolated by the United States Treasury from the daily yield curve. This curve, which relates the yield on the security to its time to maturity, is based on the closing market bid yields on actively traded one year Treasury bills in the over-the-counter market. The weekly average one year constant maturity Treasury bill yields are published by the Federal Reserve Board of the Federal Reserve System. The Federal Reserve Statistical Release Report H.15 (519) is released each Monday. These one year constant maturity Treasury bill yields are also published monthly in the Federal Reserve Bulletin, published by the Federal Reserve Board of the Federal Reserve System, as well as quarterly in the Treasury Bulletin, published by the Department of the Treasury.

(2) *Frequency of interest rate changes.* Interest rate adjustments must occur on an annual basis, except that the first adjustment may occur not sooner than 12 months nor later than 18 months from the date of the borrower's first mortgage payment. The adjusted rate will become effective the first day of the month following the adjustment date; the first monthly payment at the new rate will be due on the first day of the following month. To set the new interest rate, the lender will determine the change between the initial (i.e., base) index figure and the current index figure. The initial index figure shall be the most recent figure available before the date of mortgage loan origination. The current index figure shall be the most recent index figure available 30 days before the date of each interest rate adjustment.

(3) *Method of rate changes.* Interest rate changes may only be implemented through adjustments to the borrower's monthly payments.

(4) *Initial rate and magnitude of changes.* The initial contract interest rate of an adjustable rate mortgage shall be agreed upon by the lender and the veteran. The rate must be reflective of adjustable rate lending. Annual adjustments in the interest rate shall be set at a certain spread or margin over the interest rate index prescribed in paragraph (e)(1) of this section. Except for the initial rate, this margin shall remain constant over the life of the loan. Annual adjustments to the contract interest rate shall correspond to annual changes in the interest rate index, subject to the following conditions and limitations:

(i) No single adjustment to the interest rate may result in a change in either direction of more than one percentage point from the interest rate in effect for the period immediately preceding that adjustment. Index changes in excess of one percentage point may not be carried over for inclusion in an adjustment in a subsequent year. Adjustments in the effective rate of interest over the entire term of the mortgage may not result in a change in either direction of more than five percentage points from the initial contract interest rate.

(ii) At each adjustment date, changes in the index interest rate, whether increases or decreases, must be translated into the adjusted mortgage interest rate, rounded to the nearest one-eighth of one percent, up or down. For example, if the margin is 2 percent and the new index figure is 6.06 percent, the adjusted mortgage interest rate will be 8 percent. If the margin is 2 percent and the new index figure is 6.07 percent, the adjusted mortgage interest rate will be 8 $\frac{1}{8}$ percent.

(5) *Pre-loan disclosure.* The lender shall explain fully and in writing to the borrower, no later than on the date upon which the lender provides the prospective borrower with a loan application, the nature of the obligation taken. The borrower shall certify in writing that he or she fully understands the obligation and a copy of the signed certification shall be placed in

§ 36.4213

the loan folder and included in the loan submission to VA. Such lender disclosure must include the following items:

(i) The fact that the mortgage interest rate may change, and an explanation of how changes correspond to changes in the interest rate index;

(ii) Identification of the interest rate index, its source of publication and availability;

(iii) The frequency (i.e., annually) with which interest rate levels and monthly payments will be adjusted, and the length of the interval that will precede the initial adjustment; and

(iv) A hypothetical monthly payment schedule that displays the maximum potential increases in monthly payments to the borrower over the first five years of the mortgage, subject to the provisions of the mortgage instrument.

(6) *Annual disclosure.* At least 25 days before any adjustment to a borrower's monthly payment may occur, the lender must provide a notice to the borrower which sets forth the date of the notice, the effective date of the change, the old interest rate, the new interest rate, the new monthly payment amount, the current index and the date it was published, and a description of how the payment adjustment was calculated. A copy of the annual disclosure shall be made a part of the lender's permanent record on the loan.

§ 36.4215 Maintenance of records.

(a) The holder shall maintain a record of the amounts of payments received on the obligation and disbursements chargeable thereto and the dates thereof. This record shall be maintained until the Secretary ceases to be liable as guarantor of the loan. For the purpose of any accounting with the Secretary or computation of claim against the Secretary, any holder who fails to maintain such record shall be presumed to have received on the dates due all sums which by the terms of the contract are payable prior to date of claim, and the burden of going forward with evidence and of ultimate proof of the contrary shall be on such holder.

(b) The lender shall retain copies of all loan origination records on VA guaranteed loan for at least one year from the date of loan closing. Loan origination records include the loan application, including any preliminary application, verifications of employment and deposit, all credit reports, including preliminary credit reports, copies of each sales contract and addendums, letters of explanation for adverse credit items, discrepancies and the like, direct references from creditors, correspondence with employers, appraisal reports, reports on other inspections of the property, and all closing papers and documents.

(Authority: 38 U.S.C. 501, 3703(c)(1), 3712(g))

Any notice required by the § 36.4200 series to be given the Secretary must be in writing or such other communications medium as may be approved by an official designated in § 36.4221(b) and delivered, by mail or otherwise, to the VA office at which the guaranty was issued, or to any changed address of which the holder has been given notice. Such notice must plainly identify the case by setting forth the name of the original veteran-obligor and the file number assigned to the case by the Secretary, if available, or otherwise the name and serial number of the veteran. If mailed, the notice shall be by certified mail when so provided by the § 36.4200 series. This section does not apply to legal process. (See § 36.4282.)

§ 36.4218 Payment in full; termination of guaranty.

Upon full satisfaction of a guaranteed loan by payment or otherwise the instrument evidencing the guaranty shall be returned to the Department of Veterans Affairs office issuing the same with the holder's cancellation or endorsement of release thereon.

§ 36.4219 Incorporation by reference.

Department of Veterans Affairs regulations issued under 38 U.S.C. 3712, and in effect on the date of any loan which is submitted and accepted or approved for a guaranty thereunder, shall govern the rights, duties, and liabilities of the parties to such loan and any provisions of the loan instruments inconsistent with such regulations are hereby amended and supplemented to conform thereto.

§ 36.4220 Substantive and procedural requirements; waiver.

(a) Notwithstanding any requirement, condition, or limitation stated in or imposed by the regulations concerning the guaranty of manufactured home loans to veterans, the Under Secretary for Benefits, or the Director, Loan Guaranty Service, within the limitations and conditions prescribed by the Secretary, is hereby authorized, if the Under Secretary for Benefits or Director, Loan Guaranty Service finds

the interests of the Government are not adversely affected, to relieve undue prejudice to a debtor, holder, or other person, which might otherwise result, provided no such action may be taken which would impair the vested rights of any person affected thereby. If such requirement, condition, or limitation is of an administrative or procedural (not substantive) nature, any employee designated in § 36.4221 is hereby authorized to grant similar relief if the designated employee finds the failure or error of the lender was due to misunderstanding or mistake and that the interests of the Government are not adversely affected. Provisions of the regulations considered to be of an administrative or procedural (nonsubstantive) nature are limited to the following:

(1) The requirement in § 36.4209(b) that a lender originating a loan under a certificate of commitment report the loan for issuance of guaranty evidence within 60 days following actual payment of the full proceeds of the loan. In such cases it is not necessary that a finding be made that the loan is not in default.

(2) The requirements in § 36.4209(h) of this part concerning the giving of notice in assumption cases under 38 U.S.C. 3714.

(Authority: 38 U.S.C. 3714)

§ 36.4223 Interest rate reduction refinancing loan.

(a) A veteran may refinance [38 U.S.C. 3712(a)(1)(F)] an existing Depart-

ment of Veterans Affairs guaranteed loan to reduce the interest rate payable on the Department of Veterans Affairs loan provided the following requirements are met:

(1) The loan application must be submitted to the Secretary for prior approval unless the veteran is not charged a discount, in which case the loan application may be processed on the automatic basis;

(2) The loan must be secured by the same real property and/or personal property as the loan being refinanced and the veteran must own the manufactured home and/or manufactured home lot securing the loan; and

(i) Presently occupy or have previously occupied the manufactured home, a manufactured home on the lot securing the loan, or the manufactured home and the lot securing the loan as his or her home and must certify in such form as the Secretary shall prescribe that the veteran presently or has previously so occupied the manufactured home or a manufactured home on the lot; or

(ii) When a veteran is on Active Duty status as a member of the Armed Forces and is unable to occupy the manufactured home or a manufactured home on the lot securing the loan as a home because of such status, the veteran's spouse must occupy or must have previously occupied the manufactured home or a manufactured home on the lot as the spouse's home and must certify such occupancy in such form as the Secretary shall prescribe.

(3) The amount of the refinancing loan may not exceed an amount equal to the sum of the balance of the loan being refinanced and such closing costs as authorized in § 36.4232 or § 36.4254, as appropriate, and a discount not to exceed 2 percent of the loan amount;

(Authority: 38 U.S.C. 3703, 3712)

(4) The dollar amount of the guaranty of the 38 U.S.C. 3712(a)(1)(F) loan may not exceed the greater of the original guaranty amount of the loan being refinanced, or 25 percent of the loan; and

(Authority: 38 U.S.C. 3703, 3712)

(5) The term of the refinancing loan 38 U.S.C. 3712(a)(1)(F) may not exceed

the original term of the loan being refinanced.

(b) Notwithstanding any other regulatory provision, the interest rate reduction refinancing loan may be guaranteed without regard to the amount of guaranty entitlement for manufactured home purposes available for use by the veteran, and the amount of the veteran's remaining guaranty entitlement for manufactured home purposes shall not be charged for an interest rate reduction refinancing loan. The interest rate reduction refinancing loan will be guaranteed with the entitlement used by the veteran to obtain the loan being refinanced. The veteran's loan guaranty entitlement used originally for a purpose as enumerated in 38 U.S.C. 3712(a)(1)(A) through (E) or (G) and subsequently transferred for use on an interest rate reduction refinancing loan (38 U.S.C. 3712(a)(1)(F)) shall be eligible for restoration when the interest rate reduction refinancing loan or subsequent interest rate reduction refinancing loan on the same property meets the requirements of § 36.4203(a).

(c) Title to the security which is refinanced for the purpose of an interest rate reduction must be in conformity with § 36.4234, and/or § 36.4253, as appropriate.

§ 36.4224 Refinancing existing manufactured home loan including purchase of lot.

(a) A veteran may refinance (38 U.S.C. 3712(a)(1)(G)) an existing purchase money lien on a manufactured home owned and occupied by the veteran as his or her home in conjunction with a loan to acquire a suitable lot on which that manufactured home is or will be located provided the following requirements are met.

(1) The loan application must be submitted to the Secretary for prior approval;

(2) The loan must be secured by the same manufactured home which is being refinanced and the real property

on which the manufactured home is or will be located.

(3) The amount of the loan may not exceed an amount equal to the sum of the balance of the loan being refinanced; the purchase price, not to exceed the reasonable value of the lot, as authorized in § 36.4252; the costs of necessary site preparation of the lot as determined by the Secretary; a reasonable discount as authorized in § 36.4204(d)(8) with respect to that portion of the loan used to refinance the existing purchase money lien on the manufactured home, and closing costs as authorized in § 36.4232 or § 36.4254, as appropriate.

(b) If the loan being refinanced was guaranteed by the Department of Veterans Affairs, the portion of the loan made for the purpose of refinancing an existing purchase money manufactured home loan may be guaranteed without regard to the outstanding guaranty entitlement available for use by the veteran, and the veteran's guaranty entitlement shall not be charged as a result of any guaranty provided for the refinancing portion of the loan. For the purposes enumerated in 38 U.S.C. 3702(b) the refinancing portion of the loan shall be considered to have been obtained with the guaranty entitlement used to obtain the VA-guaranteed loan being refinanced. Guaranty for the refinancing loan shall be computed by first applying to the loan a combined total of the guaranty entitlement used to obtain the VA-guaranteed loan being refinanced and second any additional guaranty entitlement available to the veteran for manufactured home purposes, up to a maximum of \$20,000 or forty (40) percent of the original principal amount of the loan, whichever is less.

§ 36.4225 Authority to close manufactured home loans on the automatic basis.

(a) Supervised lenders of the classes described in 38 U.S.C. 3702(d) (1) and (2) are authorized by statute to process VA guaranteed manufactured home loans on the automatic basis. This category of lenders includes any Federal

land bank, national bank, State bank, private bank, building and loan association, insurance company, credit union or mortgage and loan company that is subject to examination and supervision by an agency of the United States or of any State or by any State.

(b) Nonsupervised lenders of the class described in 38 U.S.C. 3702(d)(3) must apply to the Secretary for authority to process manufactured home loans on the automatic basis. The following minimum requirements must be met:

(1) *Minimum assets.* A minimum of \$50,000 of working capital must be maintained. Working capital is defined as the excess of current assets over current liabilities. Current assets are defined as cash or other assets that could readily be converted into cash within 1 year on the normal accounting or business cycle. Current liabilities are defined as obligations that would be paid within a year on a normal accounting or business cycle. The lender's latest financial statements (profit and loss statements and balance sheets), audited and certified by a CPA (certified public accountant), must accompany the application. If the date of the financial statement precedes that of the application by more than 6 months, the lender-applicant must also attach a copy of its latest internal quarterly report. In addition, the lender-applicant must agree that if the application is approved, the applicant will provide within 120 days following the end of each of its fiscal years an audited financial statement to the Director, Loan Guaranty Service for review.

(2) *Experience.* The firm must have been actively engaged in originating manufactured home loans for at least the last 2 years. Alternately, each principal officer of the firm who is actively involved in managing origination functions must have a minimum of 2 recent years' total experience in the field of VA manufactured home mortgages in managerial functions in either the present company of employment or in companies other than that of his or her present employment. In either case, every principal officer (president and vice presidents) must submit a resume of his or her experience in the mortgage lending field. Should the sec-

retary and/or treasurer participate in the management of origination functions, they too must submit a resume and meet the minimum experience requirement if the company does not meet the experience requirement. Should the lender or any of its directors or officers ever have been debarred or suspended by any Federal agency or department or any of its directors or officers have been a director or officer of any other lender or corporation that was so suspended, or if the lender-applicant ever had a servicing contract with an investor terminated for cause, a statement of the facts must also be submitted. Lender-applicants will submit individual requests for each branch office they wish to have approved. The parent organization must agree to accept full responsibility for the actions of branch offices.

(3) *Underwriter.* If it is proposed that all loans to be made by the lender will be submitted to its home office for approval or rejection, the lender must have at least one full-time designated underwriter in its home office. If the loans will be approved or rejected by branch managers, the lender must have at least one full-time designated underwriter in each branch. In either event, the designated underwriters must be identified and a resume on each submitted to VA. The underwriters should have at least three years of experience in consumer installment finance. If changes in underwriting personnel occur, the lender must notify VA.

(4) *Lines of credit.* The identity of the source(s) of warehouse lines of credit must be revealed to VA and the applicant must agree that VA may contact the named source(s) for the purpose of verifying the information.

(5) *Secondary market.* If the lender-applicant customarily sells the manufactured home loans it originates, it must provide a listing of all permanent investors to whom the loans are sold, including the investor's address, telephone number and names of persons to contact.

(6) *Liaison.* The lender-applicant must designate one employee to act as liaison on its behalf with the VA. If possible, the lender-applicant should select employees other than VA approved underwriters to act as liaison. Officers

from branch or regional offices should also be appointed to act as liaison with local VA offices. The lender must notify VA of any changes in liaison personnel.

(7) *Courtesy closing.* The lender-applicant must certify to VA that it will not close loans on an automatic basis as a courtesy or accommodation for other mortgage lenders whether or not such lenders are themselves approved to close on an automatic basis. The lender must agree that the processing of forms other than the initial credit application will not be delegated to the dealer or developer.

(8) *Subsidiaries/affiliates.* A lender approved for automatic processing may not close manufactured home loans on the automatic basis involving any dealership or manufacturer in which it has a financial interest or which it owns, is owned by, or with which it is affiliated. This restriction may be eliminated for lenders that can provide documentation which demonstrates to VA's satisfaction that (i) the lender and the manufacturer and/or dealer are separate entities that operate independently for each other, and (ii) the percentage of all VA manufactured home loans originated by the lender during at least a one-year period on which payments are past due 90 days or more is no higher than the national average for the same period for all mortgage loans.

(9) *Lender agents.* A lender using an agent to perform a portion of the work involved in originating and closing a VA guaranteed loan on an automatic basis must take full responsibility by certification or corporate resolution for all acts, errors and omissions of the agent and its employees. Any such acts, errors or omissions will be treated as those of the lender and appropriate sanctions may be imposed against the lender and its agent.

(10) *Minimum use of automatic authority.* If approved, lenders must use their automatic authority to the maximum extent possible. Any lender with automatic authority who submits a loan on the prior approval basis will be required to submit an explanation from the designated underwriter as to why the loan was not closed automatically. Such a statement will not be needed

for loans that must be processed on the prior approval basis, e.g., joint loans.

(11) *Probation.* Lender-applicants meeting the requirements of this section will be approved to close loans on an automatic basis for a 1-year probationary period. Poor underwriting and/or consistently careless processing by the lender during the probationary period will be a basis for withdrawal of automatic authority.

(12) *Quality control system.* In order to be approved as a nonsupervised lender for automatic processing authority, the lender must implement a written quality control system which ensures compliance with VA requirements. The lender must agree to furnish findings under its system to VA on demand. The elements of the quality control system must include the following:

(i) *Underwriting policies.* Each office of the lender shall maintain copies of VA credit standards and all available VA underwriting guidelines.

(ii) *Corrective measures.* The system should ensure the effective corrective measures are taken promptly when deficiencies in loan originations are identified by either the lender or VA. Any cases involving major discrepancies which are discovered under the system must be reported to VA.

(iii) *System integrity.* The quality control system should be independent of the loan production function.

(iv) *Scope.* The review of understanding decisions and certifications must include compliance with VA underwriting requirements, sufficiency of documentation and soundness of underwriting judgments.

(c) A lender approved to close loans on the automatic basis who subsequently fails to meet the requirements of this section must report the circumstances surrounding the deficiency and the remedial action to be taken to cure it to VA.

(Authority: 38 U.S.C. 501, 1803(c)(1), and 1812(g))

(d) To participate in VA's automatic program nonsupervised lenders of the class described in paragraph 3702(d)(3) of title 38 U.S. Code shall pay fees as follows:

(1) \$500 for new applications;

Department of Veterans Affairs

§ 36.4226

(2) \$200 for reinstatement of lapsed or terminated automatic authority;

(3) \$100 for each underwriter approval;

(4) \$100 for each agent approval;

(5) \$100 for each regional underwriting office approval;

(6) A minimum fee of \$100 for any other VA administrative action pertaining to a lender's participation in ALP;

(7) \$200 annually for certification of home offices;

(8) \$100 annually for certification of regional offices; and

(9) \$100 annually for each agent renewal.

(e) Supervised lenders of the classes described in paragraphs (d)(1) and (d)(2) of 38 U.S. Code 3702 participating in VA's Loan Guaranty Program shall pay fees as follows:

(1) \$100 fee for each agent approval; and

(2) \$100 annually for each agent renewal.

(Authority: 38 U.S.C. 3712(g))

(f) Lenders participating in VA's Lender Appraisal Processing Program shall pay a fee of \$100 for approval of each staff appraisal reviewer.

§36.4226 Withdrawal of authority to close manufactured home loans on the automatic basis.

(a)(1) As provided in 38 U.S.C. 3702(e), the authority of any lender to close manufactured home loans on the automatic basis may be withdrawn by the Secretary at any time upon 30 days notice. The automatic processing authority of both supervised and nonsupervised lenders may be withdrawn for engaging in practices which are imprudent from a lending standpoint or which are prejudicial to the interests of veterans or the Government but are of a lesser degree than would warrant complete debarment or suspension of the lender from participation in the program.

(2) Automatic processing authority may be withdrawn for failure to meet basic qualifying criteria. For non-supervised lenders, this includes lack of a designated underwriter, failure to

maintain \$50,000 working capital and/or failure to file required financial statements. For supervised lenders this includes loss of status as an entity subject to examination and supervision by a Federal or State supervisory agency as required by 38 U.S.C. 3702(d). During the 1 year probationary period for newly approved automatic lenders, automatic authority may be withdrawn based upon poor underwriting or consistently careless processing by the lender, as determined by VA.

(3) Automatic processing authority may also be withdrawn based on any of the causes for debarment set forth at §44.305 of this title.

(b) Authority to close manufactured home loans on the automatic basis may also be temporarily withdrawn for a period of time under the following schedule.

(1) Withdrawal for 60 days:

(i) Automatic loan submissions show deficiencies in credit underwriting, such as use of unstable sources of income to qualify the borrower, ignoring significant adverse credit items affecting the applicant's creditworthiness, etc., after such deficiencies have been repeatedly called to the lender's attention;

(ii) Employment or deposit verifications are handcarried by applicants or otherwise improperly permitted to pass through the hands of a third party;

(iii) Automatic loan submissions are consistently incomplete after such deficiencies have been repeatedly called to the lender's attention by VA; or

(iv) There are continued instances of disregard of VA requirements after they have been called to the lender's attention.

(2) Withdrawal for 180 days:

(i) Loans are closed automatically which conflict with VA credit standards and which would not have been made by a lender acting prudently;

(ii) The lender fails to disclose to VA significant obligations or other information so material to the veteran's ability to repay the loan that undue risk to the Government results;

(iii) Employment or deposit verifications are allowed to be handcarried by applicant or otherwise mishandled, resulting in the submission of significant misinformation to VA;

(iv) Substantiated complaints are received that the lender misrepresented VA requirements to veterans to the detriment of their interests (e.g., veteran was dissuaded from seeking a lower interest rate based on lender's incorrect advice that such options were precluded by VA requirements);

(v) Closing documentation shows instances of improper charges to the veteran after the impropriety of such charges has been called to the lender's attention by VA, or refusal to refund such charges after notification by VA; or

(vi) There are other instances of lender actions which are prejudicial to the interests of veterans, such as deliberate delays in scheduling loan closings.

(3) Withdrawal for a period from one year to three years:

(i) The lender fails to properly disburse loans (e.g., loan disbursement checks returned due to insufficient funds); or

(ii) There is involvement by the lender in the improper use of a veteran's entitlement (e.g., knowingly permitting the veteran to violate occupancy requirements, lender involvement in sale of veteran's entitlement).

(4) A continuation of actions that have led to previous withdrawal of automatic authority justifies withdrawal of automatic authority for the next longer period of time.

(5) Withdrawal of automatic processing authority does not prevent a lender from processing VA guaranteed manufactured home loans on the prior approval basis.

(6) Action by VA to remove a lender's automatic authority does not prevent VA from also taking debarment or suspension action based on the same conduct by the lender.

(7) VA field facilities are authorized to withdraw automatic privileges for 60 days, based on any of the violations set forth in paragraphs (b)(1) through (b)(3) of this section, for nonsupervised lenders without operations in other stations' jurisdictions. All determinations regarding withdrawal of automatic authority for longer periods of time or multi-jurisdictional lenders must be made in Central Office.

(c) VA will provide 30 days notice of withdrawal of automatic authority in order to enable the lender to either close or obtain prior approval for a loan on which processing has begun. There is no right to a formal hearing to contest the withdrawal of automatic processing privileges. However, if within 15 days after receiving notice the lender requests an opportunity to contest the withdrawal, the lender may submit in person, in writing, or through a representative, information and argument in opposition to the withdrawal.

(d) If the lender's submission in opposition raises a dispute over facts material to the withdrawal of automatic authority, the lender will be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witnesses VA presents. The Under Secretary for Benefits will appoint a hearing officer or panel to conduct the hearing.

(e) A transcribed record of the proceedings shall be made available at cost to the lender, upon request, unless the requirement for a transcript is waived by mutual agreement.

(f) In actions based upon a conviction or civil judgment, or in which there is no genuine dispute over material facts, the Under Secretary for Benefits shall make a decision on the basis of all the information in the administrative record, including any submissions made by the lender.

(g) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact will be prepared by the hearing officer or panel. The Under Secretary for Benefits shall base the decision on the facts as found, together with any information and argument submitted by the lender and any other information in the administrative record.

(a) Incident to the origination of a guaranteed loan for the purchase or refinancing of a manufactured home unit only, no charge shall be made against, or paid by, the veteran-borrower without the express prior approval of the

Secretary except as provided in paragraph (e) of this section and as follows:

(1) Actual fees or charges for required recordation of documents;

(2) The costs of independent fee inspections for itemized items included in the manufactured home loan, as required by § 36.4204(f);

(3) The amount of any documentary stamp taxes levied on the transaction;

(4) The amount of State and local taxes levied on the transaction;

(5) The premium for customary physical damage insurance and vendor's single interest coverage on the manufactured home for an initial policy term of not to exceed one (1) year;

(6) The premium for insurance against loss for items missing at time of repossession and for repossession expenses, unless State law prohibits charging borrowers for this coverage, in which case the lender is required to pay for the coverage without reimbursement from the veteran;

(7) For the purposes of obtaining a refinancing loan for interest rate reduction or a refinancing loan to simultaneously refinance a unit and acquire a lot, the cost of a credit report and an appraisal; and

(Authority: 38 U.S.C. 3712 (a)(1)(b), (a)(4)(A) and (g)).

(8) The actual amount charged for flood zone determinations, including a charge for a life-of-the-loan flood zone determination service purchased at the time of loan origination, if made by a third party who guarantees the accuracy of the determination. A fee may not be charged for a flood zone determination made by a Department of Veterans Affairs appraiser or for the lender's own determination.

(Authority: 38 U.S.C. 3712; 42 U.S.C. 4001 note, 4012a)

(b) Any charge against the borrower properly made under paragraph (a) of this section may be included in the loan and paid out of the proceeds of the loan provided the total loan amount does not exceed 145 percent of the manufacturer's invoice.

(Authority: 38 U.S.C. 3712(g))

(c)(1) Costs of a credit report (except for 38 U.S.C. 3712(a)(1)(F) or (G) refinancing loans) such additional insurance as the veteran may desire, and any other expenses normally charged to a manufactured home purchaser under local customs may be paid by the borrower other than from the loan proceeds.

(2) For the purchase of a used manufactured home unit, the fee of a Department of Veterans Affairs appraiser and of compliance inspectors designated by the Department of Veterans Affairs, except appraisal fees incurred for the predetermination of reasonable value requested by others than veteran or lender, may be paid by the borrower from other than the loan proceeds.

(Authority: 38 U.S.C. 3712 (e)(4) and (g))

(d) Subject to the limitations set forth in this section, the following may be included in the loan made for the purchase of a new (not used) manufactured home unit and paid out of the proceeds of the loan:

(1) The actual cost of transportation or freight;

(2) Setup charges for installing the manufactured home on site not to exceed \$400 for a single-wide manufactured home or \$800 for a double-wide manufactured home.

(Authority: 38 U.S.C. 3712(g))

If the actual costs exceed the limitations in this section, the veteran must certify that any excess cost has been paid in cash from the veteran's own resources without borrowing.

(e)(1) Subject to the limitations set out in paragraph (e)(5) of this section, a fee must be paid to the Secretary. A fee of 1 percent of the total amount must be paid in a manner prescribed by the Secretary before a manufactured home unit loan will be eligible for guaranty. Provided, however, that the fee shall be 0.50 percent of the total loan amount for interest rate reduction refinancing loans guaranteed under 38 U.S.C. 3712(a)(1)(F). All or part of the fee may be paid in cash at loan closing or all or part of the fee may be included in the loan without regard to the reasonable value of the property or the computed maximum loan amount, as appropriate. In computing the fee,

the lender shall disregard any amount included in the loan to enable the borrower to pay such fee.

(Authority: 38 U.S.C. 3729(a))

(2) Subject to the limitations set out in paragraph (e)(5) of this section, a fee of one-half of one percent of the loan balance must be paid to the Secretary in a manner prescribed by the Secretary by a person assuming a loan to which section 3714 of chapter 37 of 38 U.S.C. applies. The instrument securing such a loan shall contain a provisions describing the right of the holder to collect this fee as trustee for the Department of Veterans Affairs. The fee must be transmitted to the Secretary within 15 days of receipt by the holder of notice of the transfer.

(Authority: 38 U.S.C. 3714, 3729)

(3) The lender is required to pay to the Secretary the fee described in paragraph (e)(1) of this section within 15 days after loan closing. Any lender closing a loan, subject to the limitations set out in paragraph (e)(5) of this section, who fails to submit timely payment of this fee will be subject to a late charge equal to 4 percent of the total fee due. If payment of the 1 percent fee is more than 30 days after loan closing, interest will be assessed at a rate set in conformity with the Department of Treasury's Fiscal Requirements Manual. This interest charge is in addition to the 4 percent late charge, but the late charge is not included in the amount on which interest is computed. This interest charge is to be calculated on a daily basis beginning on the date of closing, although the interest will be assessed only on funding fee payments received more than 30 days after closing.

(Authority: 38 U.S.C. 501)

(4) The lender is required to pay to the Secretary electronically through the Automated Clearing House (ACH) system the fees described in paragraphs (e)(1) and (e)(2) of this section and any late fees and interest due on them. This shall be paid to a collection agent

(Authority: 38 U.S.C. 3729(a))

(5) The fee described in paragraphs (e)(1) and (e)(2) of this section shall not be collected from a veteran who is receiving compensation (or who but for the receipt of retirement pay would be entitled to receive compensation) or from a surviving spouse described in section 3701(b)(2) of title 38, United States Code.

§ 36.4253 Title and lien requirements.

(1) A fee simple estate therein, legal or equitable; or

(2) A leasehold estate running or renewable at the option of the lessee for a period of not less than 14 years from the maturity of the loan, or to any earlier date at which the fee simple title will vest in the lessee, which is assignable or transferable, if the same be subjected to the lien; however, a leasehold estate which is not freely assignable and transferable will be considered an acceptable estate if it is determined by the Under Secretary for Benefits, or the Director, Loan Guaranty Service, (i) that such type of leasehold is customary in the area where the property is located, (ii) that a veteran or veterans will be prejudiced if the requirement for free assignability is adhered to and, (iii) that the assignability and other provisions applicable to the leasehold estate are sufficient to protect the interests of the veteran and the Government and are otherwise acceptable; or

(3) A life estate, provided that the remainder and reversionary interests are subjected to the lien; or

(4) A beneficial interest in a revocable Family Living Trust that ensures that the veteran, or veteran and spouse, have an equitable life estate, provided the lien attaches to any remainder interest and the trust arrangement is valid under State law.

The title to such estate shall be such as is acceptable to informed buyers, title companies, and attorneys, generally, in the community in which the property is situated, except as modified by paragraph (b) of this section.

(b) Any such property or estate will not fail to comply with the requirements of paragraph (a) of this section by reason of the following:

(1) Encroachments;

(2) Easements;

(3) Servitudes;

(4) Reservations for water, timber, or subsurface rights;

(5) Right in any grantor or cotenant in the chain of title, or a successor of either, to purchase for cash, which right by the terms thereof is exercisable only if:

(ii) The option price is not less than the price at which the then owner is willing to sell to another, and

(iii) Exercised within 30 days after notice is mailed by certified mail to the address of optionee last known to the then owner of the then owner's election to sell, stating the price and the identity of the proposed vendee;

(6) State and local housing agency deed restrictions provided that the veteran obtained the property under a State or local political subdivision program designed to assist low- or moderate-income purchasers, and as a condition the purchaser must agree to one or more of the following restrictions:

(i) If the property is resold within a time period as established by local law or ordinance, after the purchaser acquires title, the purchaser must first offer the property to the government housing agency, or a low- or moderate-income purchaser designated by such agency, provided the option to purchase is exercised within 90 days after notice by the purchaser to the agency of intention to sell;

(ii) If the property is resold within a time period as established by local law or ordinance, after the purchaser acquires title, a governmental agency may specify a maximum price for the property upon resale; or

(iii) Such other restriction approved by the Secretary designed to insure either that a property acquired under such program again be made available to low- or moderate-income purchasers, or to prevent a private purchaser from obtaining a windfall profit on the resale of such property, while assuring that the purchaser has a reasonable opportunity to dispose of the property

without undue difficulty at a reasonable price.

The sale price of a property under any of the restrictions of paragraph (b)(6) of this section shall not be less than the lowest of the following: The price designated by the owner as the asking price; the appraised value of the property; or the original purchase price of the property, increased by a factor reflecting all or a reasonable portion of the increased costs of housing or the percentage increase in median income in the area between the date of original purchase and resale, plus the reasonable value or actual costs of any capital improvements made by the owner, plus a reasonable real estate commission less the cost of necessary repairs required to place the property in saleable condition; or other reasonable formula approved by the Secretary. The veteran must be fully informed and consent in writing to the deed restrictions. A copy of the veteran's consent statement must be forwarded with the application for manufactured home loan guaranty or the report of a manufactured home loan processed on the automatic basis;

(Authority: 38 U.S.C. 3712(g)).

(7) A recorded restriction on title designed to provide housing for older persons, provided that the restriction is acceptable under the provisions of the Fair Housing Act, title VIII of the Civil Rights Act of 1968, as amended by the Fair Housing Amendments Act of 1988, 42 U.S.C. 3601 *et seq.* The veteran must be fully informed and consent in writing to the restrictions. A copy of the veteran's consent statement must be forwarded with the application for manufactured home loan guaranty or the report of a manufactured home loan processed on the automatic basis;

(Authority: 38 U.S.C. 501, 3703(c)(1), 3712(g))

(8) Building and use restrictions whether or not enforceable by a reverter clause if there has been no breach of the conditions affording a right to an exercise of the reverter;

(9) Violation of a restriction based on race, color, religion, sex, handicap, familial status, or national origin, whether or not such restriction provides for reversion or forfeiture of title

or a lien for liquidated damages in the event of a breach;

(10) Any other covenant, condition, restriction, or limitation approved by the Secretary in the particular case. Such approval shall be a condition precedent to the guaranty of the loan;

(c) The following limitations on the quantum or quality of the estate or property shall be deemed for the purposes of paragraph (b) of this section to have been taken into account in the appraisal of the manufactured home lot and determined by the Secretary as not materially affecting the reasonable value of such property:

(1) *Building or use restrictions.* Provided, (i) no violation exists, (ii) the proposed use by a veteran does not presage a violation of a condition affording a right of reverter, and (iii) any right of future modification contained in the building or use restrictions is not exercisable, by its own terms, until at least 10 years following the date of the loan.

(2) *Violations of equal opportunity restrictions.* Violations of a restriction based on race, color, religion, sex, handicap, familial status, or national origin, whether or not such restriction provides for reversion or forfeiture of title or a lien for liquidated damages in the event of a breach.

(3) *Violations of building or use restrictions of record.* Violations of building or use restrictions of record which have existed for more than 1 year, are not the subject of pending or threatened litigation, and which do not provide for a reversion or termination of title or condemnation by municipal authorities or a lien for liquidated damages which may be superior to the lien securing the guaranteed loan.

(4) *Easements.* (i) Easements for public utilities along one or more of the property lines and easements for drainage or irrigation ditches, provided the exercise of the rights thereof do not interfere with the use of the manufactured home or improvements located on the subject property.

(ii) Mutual easements for joint driveways located partly on the subject property and partly on adjoining property, provided the agreement is recorded in the public records.

(iii) Easements for underground conduits which are in place and which do not extend under any buildings in the subject property.

(5) *Encroachments.* (i) On the subject property by improvements on the adjoining property where such encroachments do not exceed 1 foot within the subjects boundaries, provided such encroachments do not touch any buildings or interfere with the use or enjoyment of any building or improvement on the subject property.

(ii) By hedges or removable fences belonging to subject or adjoining property.

(iii) Not exceeding 1 foot on adjoining property by driveways belonging to subject property, provided there exists a clearance of at least 8 feet between the buildings on the subject property and the property line affected by the encroachment.

(6) *Variations of lot lines.* Variations between the length of the subject property lines as shown on the plot plan or other exhibits submitted to the Department of Veterans Affairs and as shown by the record or possession lines, provided such variations do not interfere with the current use of any of the improvements on the subject property including the manufactured home and do not involve a deficiency of more than 2 percent with respect to the length of the front line or more than 5 percent with respect to the length of any other line.

(d) In a combination loan (loan to finance the purchase of a manufactured home and to finance the purchase of a lot and/or necessary site preparation) the total indebtedness of the veteran arising from such combination loan transaction must be secured by a first lien or the equivalent thereof on the estate of the veteran in the manufactured home lot, which real estate security interest shall be in addition to the manufactured home security interest required by § 36.4234.

(e) Tax liens special assessment liens, and ground rents shall be disregarded with respect to any requirement that loans shall be secured by a lien of specified dignity. With the prior approval of the Secretary, Under Secretary for

Benefits, or Director, Loan Guaranty Service, liens retained by nongovernmental entities to secure assessments or charges for municipal type services and facilities clearly within the public purpose doctrine may be disregarded. In determining whether a loan for the purchase or improvement of a manufactured home lot is secured by a first lien the Secretary may also disregard a superior lien created by a duly recorded covenant running with the realty in favor of a private entity to secure an obligation to such entity for the homeowner's share of the costs of the management, operation, or maintenance of property, services or programs within and for the benefit of the development or community in which the veteran's realty is located, if the Secretary determines that the interests of the veteran-borrower and of the Government will not be prejudiced by the operation of such covenant. In respect to any such superior lien created after June 6, 1969, the Secretary's determination must have been made prior to the recordation of the covenant.

(f) In the case of a combination loan or a loan to purchase a lot upon which a manufactured home owned by the veteran will be placed it shall be the responsibility of the lender that the veteran initially obtains or has an estate in the land constituting the manufactured home lot meeting the requirements of paragraph (a) of this section and to obtain and retain a security interest thereon meeting the requirements of paragraph (d) of this section.

(g) In the case of a combination loan to purchase a manufactured home lot and to refinance an existing purchase money loan on a manufactured home unit which is or will be located on the lot to be purchased, it shall be the responsibility of the lender to assure that the veteran obtains or retains an estate in the manufactured home and in the land meeting the requirements of paragraph (a) of this section and § 36.4234. The lender must also obtain and retain a first lien or the equivalent thereof on the estate of the veteran in both the manufactured home and in

the lot on which the manufactured home is located.

(a) Except as provided in § 36.4232 fees and charges incident to origination of a combination loan or a loan to purchase a lot upon which a manufactured home owned by the veteran will be placed which may be paid by the veteran shall be limited, with respect to the real estate portion of the loan, to reasonable and customary amounts for any of the following:

(1) Fees of the Department of Veterans Affairs appraiser and of compliance inspectors designated by the Department of Veterans Affairs, except appraisal fees incurred for the predetermination of reasonable value requested by others than veteran or lender,

(2) Recording fees and recording taxes or other charges incident to recording,

(3) Credit report,

(4) That portion of taxes, assessments, and other similar items for the current year chargeable to the borrower and an initial deposit (lump-sum payment) for any tax and insurance account,

(5) Survey, if required by lender or veteran,

(6) Title examination and title insurance, if any,

(7) The actual amount charged for flood zone determinations, including a charge for a life-of-the-loan flood zone determination service purchased at the time of loan origination, if made by a third party who guarantees the accuracy of the determination. A fee may not be charged for a flood zone determination made by a Department of Veterans Affairs appraiser or for the lender's own determination, and

(8) Such other items as may be authorized in advance by the Under Secretary for Benefits as appropriate for

inclusion under this paragraph as proper local variances.

(Authority: 38 U.S.C. 3712; 42 U.S.C. 4001 note, 4012a)

(b) A lender may charge and the veteran may pay a flat charge not exceeding one (1) percent of the amount of the loan less the portion thereof allocated to the manufactured home: *Provided*, That such flat charge shall be in lieu of all other charges relating to costs of origination not expressly specified and allowed in this schedule.

(c) Except for a refinancing loan pursuant to 38 U.S.C. 3712(a)(1)(F) or (G) fees and charges specified in this section may not be included in the loan.

(d)(1) Notwithstanding the provisions of paragraph (c) of this section and subject to the limitations set out in paragraphs (d)(4) and (d)(5) of this section, a fee must be paid to the Secretary. A fee of 1 percent of the total loan amount must be paid to the Secretary before a combination manufactured home and lot loan (or a loan to purchase a lot upon which a manufactured home owned by the veteran will be placed) will be eligible for guaranty. *Provided*, however, that the fee shall be 0.50 percent of the total loan amount for interest rate reduction refinancing loans guaranteed under 38 U.S.C. 3712(a)(1)(F). All or part of such fee may be paid in cash at loan closing or all or part of the fee may be included in the loan without regard to the reasonable value of the property or the computed maximum loan amount, as appropriate. In computing the fee, the lender will disregard any amount included in the loan to enable the borrower to pay such fee.

(Authority: 38 U.S.C. 3729(a))

(2) Subject to the limitations set out in paragraphs (d)(3) and (d)(4) of this section, a fee of one-half of one percent of the loan balance must be paid to the Secretary in a manner prescribed by the Secretary by a person assuming a loan to which section 3714 of chapter 37 of 38 U.S.C. applies. The instrument securing such a loan shall contain a provision describing the right of the holder to collect this fee as trustee for the Department of Veterans Affairs. The loan holder shall list the amount of this fee in every assumption statement

(Authority: 38 U.S.C. 3714, 3729)

(3) The lender is required to pay to the Secretary the fee described in paragraph (d)(1) of this section within 15 days after loan closing. Any lender closing a loan, subject to the limitations set out in paragraphs (d)(4) and (d)(5) of this section, who fails to submit timely payment of this fee will be subject to a late charge equal to 4 percent of the total fee due. If payment of the 1 percent fee is made more than 30 days after loan closing, interest will be assessed at a rate set in conformity with the Department of Treasury's Fiscal Requirements Manual. This interest charge is in addition to the 4 percent late charge, but the late charge is not included in the amount on which interest is computed. This interest charge is to be calculated on a daily basis beginning on the date of closing, although the interest will be assessed only on funding fee payments received more than 30 days after closing.

(Authority: 38 U.S.C. 501)

(4) The lender is required to pay to the Secretary electronically through the Automated Clearing House (ACH) system the fees described in paragraphs (d)(1) and (d)(2) of this section and any late fees and interest due on them. This shall be paid to a collection agent by operator-assisted telephone, terminal entry, or CPU-to-CPU transmission. The collection agent will be identified by the Secretary. The lender shall provide the collection agent with the following: authorization for payment of the funding fee (including late fees and interest) along with the following information: VA lender ID number; four-digit personal identification number; dollar amount of debit; VA loan number; OJ (office of jurisdiction) code; closing date; loan amount; information about whether the payment includes a shortage, late charge, or interest; veteran name; loan type; sale amount; downpayment; whether the veteran is a reservist; and whether this

is a subsequent use of entitlement. For all transactions received prior to 8:15 p.m. on a workday, VA will be credited with the amount paid to the collection agent at the opening of business the next banking day.

(Authority: 38 U.S.C. 3729(a))

(5) The fee described in paragraphs (d)(1) and (d)(2) of this section shall not be collected from a veteran who is receiving compensation or who but for the receipt of retirement pay would be entitled to receive compensation) or from a surviving spouse described in section 3701(b)(2) of title 38 U.S.C.

(Authority: 38 U.S.C. 3729(b))

(6) Collection of the loan fee in this paragraph does not apply to loans closed prior to August 17, 1984, between October 1, and October 15, 1987, inclusive, between November 16 and December 20, 1987, inclusive, nor to loans closed after September 30, 1989.

(1) The veteran will acquire title to such lot that conforms to the requirements of § 36.4253(a),

(2) The loan is secured as required by § 36.4253(d),

(3) The lot is determined by the Secretary to be an acceptable manufactured homesite pursuant to § 36.4208,

(4) The portion of the loan allocated to acquisition of the lot does not exceed the reasonable value of the lot as determined by the Secretary,

(5) The loan conforms otherwise to the requirements of the § 36.4200 series.

(b) The cost of lot acquisition which will not be paid from the proceeds of the loan must be paid by the veteran in cash from his or her own resources.

(c) For the purpose of this section, acquisition of a manufactured home lot includes:

(2) The refinancing of existing mortgage loans or other liens which are secured of record on a manufactured home lot owned by the veteran.

SERVICING, LIQUIDATION OF SECURITY
AND CLAIM

§ 36.4275 Events constituting default and acceptability of partial payments.

(a) Except as provided in paragraphs (a)(1), (a)(2) and (a)(3) of this section, the conveyance of or other transfer of title to property by operation of law or otherwise, after the creation of a lien thereon to secure a loan which is guaranteed in whole or in part by the Secretary, shall not constitute an event of default, or acceleration of maturity, elective or otherwise, and shall not of itself terminate or otherwise affect the guaranty.

(1) The Secretary may issue guaranty on loans in which a State, Territorial, or local governmental agency provides assistance to a veteran for the acquisition of a mobile home or lot. Such loans will not be considered ineligible for guaranty if the State, Territorial, or local authority, by virtue of its laws or regulations or by virtue of Federal law, requires the acceleration of maturity of the loan upon the sale or conveyance of the security property to a person ineligible for assistance from such authority.

(2) At the time of application for a loan assisted by a State, Territorial, or local governmental agency, the veteran-applicant must be fully informed and consent in writing to the housing authority restrictions. A copy of the veteran's consent statement must be forwarded with the loan application or

the report of a loan processed on the automatic basis.

(3) Any housing loan which is financed under 38 U.S.C. chapter 37 and to which section 3714 of that chapter applies, shall include a provision in the security instrument that the holder may declare the loan immediately due and payable upon transfer of the property securing such loan to any transferee unless the acceptability of the assumption of the loan is established pursuant to section 3714.

(i) A holder may not exercise its option to accelerate a loan upon:

(A) The creation of a lien or other encumbrance subordinate to the lender's security instrument which does not relate to a transfer of rights of occupancy in the property;

(B) The creation of a purchase money security interest for household appliances;

(C) A transfer by devise, descent, or operation of law on the death of a joint tenant or tenant by the entirety;

(D) The granting of a leasehold interest of three years or less not containing an option to purchase;

(E) A transfer to a relative resulting from the death of a borrower;

(F) A transfer where the spouse or children of the borrower become joint owners of the property with the borrower;

(G) A transfer resulting from a decree of a dissolution of marriage, legal separation agreement, or from an incidental property settlement agreement by which the spouse of the borrower becomes the sole owner of the property. In such a case the borrower shall have the option of applying directly to the Department of Veterans Affairs regional office of jurisdiction for a release of liability in accordance with § 36.4285 of this part; or

(H) A transfer into an inter vivos trust in which the borrower is and remains a beneficiary and which does not relate to a transfer of rights of occupancy in the property.

(ii) Any instrument evidencing the loan (i.e., the retail installment contract, promissory note and/or mortgage or deed of trust) shall bear in a conspicuous position in capital letters on the first page of the document in type at least 2½ times larger in height than

the regular type on such page the following warning: "THIS LOAN IS NOT ASSUMABLE WITHOUT THE APPROVAL OF THE DEPARTMENT OF VETERANS AFFAIRS OR ITS AUTHORIZED AGENT." Due to the difficulty in obtaining some commercial type sizes which are exactly $2\frac{1}{2}$ times larger in height than other sizes, minor deviations will be permitted based on commercially available type sizes nearest to $2\frac{1}{2}$ times the size of the print on the document. A similar warning in regular size type must appear on every assumption statement provided on a loan to which this paragraph applies.

(iii) On any loan to which 38 U.S.C. 3714 applies, the holder may charge a reasonable fee, not to exceed the lesser of (A) \$300 and the actual cost of any credit report required, or (B) any maximum prescribed by applicable state law, for processing an application for assumption and changing its records. A provision authorizing the collection by the holder of this fee shall be contained in the instrument securing the loan.

(Authority: 38 U.S.C. 3704 and 3714)

(b) The inclusion in the guaranteed obligation of a provision contrary to the provisions of this section or § 36.4211 shall not impair the right of the holder to payment of the guaranty provided that:

(1) Default was declared or maturity was accelerated under some other provision of the note, mortgage, or other loan instrument, or

(2) Activation or enforcement of such provision is warranted under § 36.4280, or

(3) The prior approval of the Secretary was obtained.

(c) If the title to real property or a leasehold interest therein which secures a manufactured home loan guaranteed after December 22, 1970, is restricted against sale or occupancy on the ground of race, color, religion, or national origin, by restrictions created and filed of record by the borrower subsequent to that date, such action, at the election of the holder, shall constitute an event of default entitling the holder to declare the unpaid balance of the loan immediately due and payable.

(d) The holder of any guaranteed obligation shall have the right, notwith-

standing the absence of express provision therefor in the instruments evidencing the indebtedness, to accelerate the maturity of such obligation at any time after the continuance of any default for the period specified in § 36.4280.

(e) If sufficient funds are tendered to bring a delinquency current at any time prior to repossession or foreclosure of the manufactured home the holder shall be obligated to accept the funds in payment of the delinquency, unless the prior approval of the Secretary is obtained to do otherwise.

(f) A partial payment is a remittance on a loan in default (as defined in § 36.4202(c)) of any amount less than the full amount due under the terms of the loan and security instruments at the time the remittance is tendered.

(1) Except as provided in paragraph (f)(2) of this section, or upon the express waiver of the Secretary, the holder shall accept any partial payment and either apply it to the obligor's account or identify it with the obligor's account and hold it in a special account pending disposition. When partial payments held for disposition aggregate a full monthly installment, including escrow, they shall be applied to the obligor's account.

(2) A partial payment may be returned to the obligor within 10 calendar days from date of receipt of such payment, with a letter of explanation only if one or more of the following conditions exist:

(i) The property is wholly or partially tenant-occupied and rental payments are not being remitted to the holder for application to the loan account;

(ii) The payment is less than one full monthly installment, including escrows and late charge, if applicable, unless the lesser payment amount has been agreed to under a written repayment plan;

(iii) The payment is less than 50 percent of the total amount then due, unless the lesser payment amount has been agreed to under a written repayment plan;

(iv) The payment is less than the amount agreed to in a written repayment plan;

(v) The amount tendered is in the form of a personal check and the holder has previously notified the obligor in writing that only cash or certified remittances are acceptable;

(vi) A delinquency of any amount has continued for at least 6 months since the account first became delinquent and no written repayment plan has been arranged;

(vii) Foreclosure and/or repossession has been commenced by the taking of the first action required for foreclosure/repossession under local law;

(viii) The holder's lien position would be jeopardized by acceptance of the partial payment.

(3) A failure by the holder to comply with the provisions of this paragraph may result in a partial or total loss of guaranty or insurance pursuant to §36.4286(b), but such failure shall not constitute a defense to any legal action to terminate the loan.

§36.4276 Advances and other charges.

(a) A holder may advance any reasonable amount necessary and proper for the maintenance or repair of the security, or for the payment of accrued taxes, special assessments or other charges which constitute prior liens, or premiums on fire or other hazard insurance against loss of or damage to such property and any such advance so made may be added to the guaranteed indebtedness. A holder may also advance the one-half of one percent funding fee due on a transfer under 38 U.S.C. 3714 when this is not paid at the time of transfer. All security instruments for loans to which 38 U.S.C. 3714 applies must include a clause authorizing an advance for this purpose if it is not paid at the time of transfer.

(Authority: 38 U.S.C. 3714)

(b) In addition to advances allowable under paragraph (a) of this section, the holder may charge against the proceeds of the sale of the security; against gross amounts collected; or, in the

computation of a claim under the guaranty, if lawfully authorized by the loan agreement and subject to §36.4284, any of the following items actually paid:

(1) Any expense which is reasonably necessary for preservation of the security,

(2) Court costs in a foreclosure or other proper judicial proceeding involving the security,

(3) Other expenses reasonably necessary for collecting the debt, or repossession or liquidation of the security, including a reasonable sales commission to the dealer or sales broker for resale of the security,

(4) Reasonable trustee's fees or commissions paid incident to the sale of real property,

(5) Reasonable amount for legal services actually performed not to exceed 10 percent of the unpaid indebtedness as of the date of the first uncured default, or \$850 whichever is less. In no event may the combined total of the amounts claimed for trustee's fees and legal services (paragraphs (b)(4) and (5) of this section) exceed \$850.

(6) The cost of a credit report(s) on the debtor(s), which is (are) to be forwarded to the Secretary in connection with the claim,

(7) Reasonable and customary costs of property inspections,

(8) Any other expense or fee that is approved in advance by the Secretary.

(Authority: 38 U.S.C. 3720(g))

(c) In claims filed under §36.4283(f)(4) of this part, the following costs and expenditures actually incurred and paid may be included in the computation of the indebtedness:

(1) Property preservation or repair costs incurred prior to the date of the liquidation appraisal, to the extent that they contributed to the minimum selling price of the property as determined by the Secretary, and subject to the limitation that they do not exceed the actual cost incurred by the holder, and,

(2) Costs of loan termination, including, but not limited to:

(i) The reasonable and customary expense of transporting the home to the site where it will be repaired and/or resold;

(ii) The cost of the liquidation appraisal;

(iii) A reasonable amount for legal services actually performed and trustee fees, not to exceed a total of \$700;

(iv) Court costs in a foreclosure or other judicial proceeding involving the security;

(v) Any other expenses reasonably necessary for repossession of the security or other termination of the loan; and,

(vi) Any other expense or fee that is approved in advance by the Secretary.

§ 36.4277 Release of security.

(a) Except upon full payment of the indebtedness the holder shall not release a lien or other right in or to property held as security for a guaranteed loan, or grant a fee or other interest in such property, without the prior approval of the Secretary, unless in the opinion of the holder such release does not involve a decrease in the value of the security in excess of \$500: *Provided*, That the aggregate of the reduction in the original value of the security resultant from such releases without the Secretary's prior approval does not exceed \$500.

(b) Except upon full payment of the indebtedness or upon the prior approval of the Secretary, the holder shall not release a lien under paragraph (a) of this section unless the consideration received for the release is commensurate with the fair market value of the property released and the entire consideration is applied to the indebtedness, or if encumbrance on other property is accepted in lieu of that released it shall be the holder's duty to acquire such lien on property of substantially equal value which is reasonably capable of serving the purpose for which the property released was utilized.

(c) Failure of the holder to comply with the provisions of this section shall not in itself affect the validity of the title of a purchaser to the property released.

(d) The holder shall notify the Secretary of any such release or substitution of security within 30 days after completion of such transaction.

(e) The release of the personal liability of any obligor on a guaranteed obligation resultant from the act or omission of any holder without the prior approval of the Secretary shall release the obligation of the Secretary as guarantor, except when such act or omission consists of

(1) Failure to establish the debt as a valid claim against the assets of the estate of any deceased obligor, provided no lien for the guaranteed debt is thereby impaired or destroyed; or

(2) An election and appropriate prosecution of legally available effective remedies with respect to the repossession or the liquidation of the security in any case, irrespective of the identity or the survival of the original or of any subsequent debtor, if holder shall have given such notice as required by § 36.4280 and if, after receiving such notice, the Secretary shall have failed to notify the holder within 15 days to proceed in such manner as to effectively preserve the personal liability of the parties liable, or such of them as the Secretary indicates is such notice to the holder; or

(3) The release of an obligor, or obligors, from liability on an obligation secured by a lien on property, which release is an incident of and contemporaneous with the sale of such property to an eligible veteran who assumed such obligation, which assumed obligation is guaranteed on his or her account pursuant to 38 U.S.C. 3712; or

(4) The release of an obligor or obligors as provided in § 36.4279.

(5) The release of an obligor, or obligors, incident to the sale of property which the holder is authorized to approve under the provisions of 38 U.S.C. 3714.

However, it must incorporate each of the provisions specified in paragraphs (b) through (l) of this section.

(ii) Toll-free telephone service or acceptance of collect telephone calls at an office capable of providing needed information.

(2) All borrowers must be informed of the system available for obtaining answers to loan inquiries, the office from which the needed information may be obtained, and reminded of the system at least annually.

(c) *Statement for income tax purposes.* Within 60 days after the end of each calendar year, the holder shall furnish to the borrower a statement of the interest paid and, if applicable, a statement of the taxes disbursed from the escrow account during the preceding year. At the borrower's request, the holder shall furnish a statement of the escrow account sufficient to enable the borrower to reconcile the account.

(d) *Change of servicing.* Whenever servicing of a loan guaranteed or insured by the Secretary is transferred from one holder to another, notice of such transfer by both the transferor and transferee, the form and content of such notice, the timing of such notice, the treatment of payments during the period of such transfer, and damages and costs for failure to comply with these requirements shall be governed

by the pertinent provisions of the Real Estate Settlement Procedures Act as administered by the Department of Housing and Urban Development.

(e) *Escrow accounts.* A holder of a loan guaranteed or insured by the Secretary may collect periodic deposits from the borrower for taxes and/or insurance on the security and maintain a tax and insurance escrow account provided such a requirement is authorized under the terms of the security instruments. In maintaining such accounts, the holder shall comply with the pertinent provisions of the Real Estate Settlement Procedures Act.

(f) *System for servicing delinquent loans.* In addition to the requirements of the Real Estate Settlement Procedures Act concerning the duties of the loan servicer to respond to borrower inquiries, to protect the borrower's credit rating during a payment dispute period, and to pay damages and costs for noncompliance, holders shall establish a system for servicing delinquent loans which ensures that prompt action is taken to collect amounts due from borrowers and minimize the number of loans in a default status. The holder's servicing system must include the following:

(1) An accounting system which promptly alerts servicing personnel when a loan becomes delinquent;

(2) A collection staff which is trained in techniques of loan servicing and counseling delinquent borrowers to advise borrowers how to cure delinquencies, protect their equity and credit rating and, if the default is insoluble, pursue alternatives to foreclosure;

(3) Procedural guidelines for individual analysis of each delinquency;

(4) Instructions and appropriate controls for sending delinquent notices, assessing late charges, handling partial payments, maintaining servicing histories and evaluating repayment proposals;

(5) Management review procedures for evaluating efforts made to collect the delinquency and the response from the borrower before a decision is made to initiate action to liquidate a loan;

(6) Procedures for reporting delinquencies of 90 days or more and loan terminations to major consumer credit bureaus as specified by the Secretary

and for informing borrowers that such action will be taken; and,

(7) Controls to ensure that all notices required to be given to the Secretary on delinquent loans are provided timely and in such form as the Secretary shall require.

(g) *Collection actions.* (1) Holders should employ collection techniques which provide flexibility to adapt to the individual needs and circumstances of each borrower. A variety of collection techniques may be used based on the holder's determination of the most effective means of contact with borrowers during various stages of delinquency. However, at a minimum, the holder's collection procedures must include the following actions:

(i) A written delinquency notice to the borrower(s) requesting immediate payment if a loan installment has not been received within 17 days after the due date. This notice must be mailed no later than the 20th day of the delinquency and state the amount of the payment and of any late charges that are due.

(ii) An effort, concurrent with the written delinquency notice, to establish contact with the borrower(s) by telephone. When talking with the borrower(s), the holder should attempt to determine why payment was not made and emphasize the importance of remitting loan installments as they come due.

(iii) A letter to the borrower(s) if payment has not been received within 30 days after it is due and telephone contact could not be made. This letter should emphasize the seriousness of the delinquency and the importance of taking prompt action to resolve the default. It should also notify the borrower(s) that the loan is in default, state the total amount due and advise the borrower(s) how to contact the holder to make arrangements for curing the default.

(iv) In the event the holder has not established contact with the borrower(s) and has not determined the financial circumstances of the borrower(s) or established a reason for the default or obtained agreement to a repayment plan from the borrower(s), then a face-to-face interview with the

borrower(s) or a reasonable effort to arrange such a meeting is required.

(2) The holder must provide a valid explanation of any failure to perform these collection actions when reporting loan defaults to the Secretary. A pattern of such failure may be a basis for sanctions under 38 CFR 36.4216.

(h) *Conducting interviews with delinquent borrowers.* When personal contact with the borrower(s) is established, the holder shall solicit sufficient information to properly evaluate the prospects for curing the default and whether the granting of forbearance or other relief assistance would be appropriate. At a minimum, the holder must make a reasonable effort to establish the following facts:

(1) The reason for the default and whether the reason is a temporary or permanent condition;

(2) The present income and employment of the borrower(s);

(3) The current monthly expenses of the borrower(s) including household and debt obligations;

(4) The current mailing address and telephone number of the borrower(s); and,

(5) A realistic and mutually satisfactory arrangement for curing the default.

(i) *Property inspection.* (1) The holder shall make an inspection of the property securing the loan whenever it becomes aware that the physical condition of the security may be in jeopardy. Unless a repayment agreement is in effect, a property inspection shall also be made:

(i) Before the 60th day of delinquency or before initiating action to liquidate a loan, whichever is earlier; and

(ii) At least once each month after liquidation proceedings have been started unless servicing information shows the property remains owner-occupied.

(2) Whenever a holder obtains information which indicates that a property securing a loan is abandoned, it shall make appropriate arrangements to protect the property from vandalism and the elements. Thereafter, the holder shall schedule inspections at least monthly to prevent unnecessary deterioration due to vandalism, or neglect. With respect to any loan more than 30

days delinquent, a property abandonment must be reported to the Secretary and appropriate action initiated under 36.4280(e) within 15 days after the holder confirms the property is abandoned.

(j) *Collection records.* The holder shall maintain individual file records of collection action on delinquent loans and make such records available to the Secretary for inspection on request. Such collection records shall show:

- (1) The dates and content of letters and notices which were mailed to the borrower(s);
- (2) Dated summaries of each personal servicing contact and the result of same;
- (3) The indicated reason(s) for default; and
- (4) The date and result of each property inspection.

(k) *Reporting to the Secretary.* A summary of collection efforts, the information obtained through such efforts and the holder's evaluation of the reason for the default and prospects for resolution of the default must be included in any notice provided to the Secretary pursuant to § 36.4280.

(l) *Quality control procedures.* No later than 180 days after the effective date of this regulation, each loan holder shall establish internal controls to periodically assess the quality of the servicing performed on loans guaranteed by the Secretary and assure that all requirements of this section are being met. Those procedures must provide for a review of the holder's servicing activities at least annually and include an evaluation of delinquency and foreclosure rates on loans in its portfolio which are guaranteed by the Secretary. As part of its evaluation of delinquency and foreclosure rates, the holder shall:

- (1) Collect and maintain appropriate data on delinquency and foreclosure rates to enable the holder to evaluate the effectiveness of its collection efforts;
- (2) Determine how its VA delinquency and foreclosure rates compare with rates in various reports published by the industry, investors and others; and
- (3) Analyze significant variances between its foreclosure and delinquency rates and those found in available re-

ports and publications and take appropriate corrective action.

(m) Holders shall provide available statistical data on delinquency and foreclosure rates and their analysis of such data to the Secretary upon request.

§ 36.4279 Extensions and reamortizations.

(a) Provided the debtor(s) is (are) a reasonable credit risk(s), as determined by the holder based upon review of the debtor's (s') creditworthiness, including a review of a current credit report(s) on the debtor(s), the terms of repayment of any loan may, by written agreement between the holder and debtor(s), be extended in the event of default, to avoid imminent default, or in any other case where the prior approval of the Secretary is obtained. Except with the prior approval of the Secretary, no such extension shall set a rate of amortization less than that sufficient to fully amortize at least 80 percent of the loan balance so extended within the maximum maturity prescribed for loans of its class.

(b) In the event of a partial prepayment pursuant to § 36.4211, the balance of the indebtedness may, by written agreement between the holder and the debtor(s), be reamortized, provided the reamortization schedule will result in full repayment of the loan within the original maturity, and provided the debtor(s) is (are) a reasonable credit risk(s), as determined by the holder based upon review of the debtor's (s') creditworthiness, including a review of a current credit report(s) on the debtor(s).

(c) Unless the prior approval of the Secretary has been obtained, any extension or reamortization agreed to by a holder which relieves any obligor from liability will release the liability of the Secretary under the guaranty on the entire loan. However, if such release of liability of an obligor results through operation of law by reason of an extension or other act of forbearance, the liability of the Secretary as guarantor will not be affected thereby,

Provided, The required lien is maintained and the title holder is and will remain liable for the payment of the indebtedness: *And further provided*, That if such extension or act of forbearance will result in the release of the veteran, all delinquent installments, plus any foreclosure expenses which may have been incurred, shall have been fully paid.

(d) The holder shall promptly forward to the Secretary an advice of the terms of any agreement effecting a re-amortization or extension of a guaranteed loan, together with cop(y)(ies) of the credit report(s) obtained on the debtor(s).

§ 36.4280 Reporting of defaults.

The holder of any guaranteed loan shall give notice to the Secretary within 15 days after any debtor:

(a) Is in default by reason of non-payment of two full installments; or

(b) Is in default by failing to comply with any other covenant or obligation of such guaranteed loan which failure persists for a continuing period of 60 days after demand for compliance therewith has been made, except that if the default is due to nonpayment of real estate taxes, the notice shall not be required until the failure to pay when due has persisted for a continuing period of 120 days.

(c) In the event any failure of the months or for more than 1 month on an extended loan, the holder may then or thereafter give the notice in the manner described in paragraph (e) of this section.

(d) The notice prescribed in paragraph (e) of this section may be submitted prior to the time prescribed in paragraph (c) of this section in any case where any material prejudice to the rights of the holder or to the Secretary or hazard to the security warrants more prompt action.

(e) Except upon the express waiver of the Secretary, a holder shall not begin proceedings in court or give notice of sale under power of sale, repossess the security, or accelerate the loan, or otherwise take steps to terminate the

debtor's rights in the security until the expiration of 30 days after delivery by certified mail to the Secretary of a notice of intention to take such action; provided, that immediate action as required under 38 CFR 36.4278(i) may be taken if the property to be affected thereby has been abandoned by the debtor, or has been or may be otherwise subjected to extraordinary waste or hazard.

(f) The notice required under subparagraph (e) of this paragraph shall also be provided to the original veteran-borrower and any other liable obligors by certified mail within 30 days after such notice is provided to the Secretary in all cases in which the current owner of the property is not the original veteran-borrower. A failure by the holder to make a good faith effort to comply with the provisions of this subparagraph may result in a partial or total loss of guaranty pursuant to VA Regulation 36.4286(b), but such failure shall not constitute a defense to any legal action to terminate the loan. A good faith effort will include:

(1) A search of the holder's automated and physical loan record systems to identify the name and current or last address of the original veteran and any other liable obligors;

(2) A search of the holder's automated and physical loan record systems to identify sufficient information (e.g., Social Security Number) to perform a routine trace inquiry through a major consumer credit bureau;

(3) Conducting the trace inquiry using an in-house credit reporting terminal;

(4) Obtaining the results of the inquiry;

(5) Mailing the required notices and concurrently providing the Secretary with the names and addresses of all obligors identified and sent notice; and

(6) Documentation of the holder's records.

§ 36.4281 Refunding of loans in default.

Upon receiving a notice of default the Secretary may at any time prior to the termination of the borrower's interest in the property require the holder upon

penalty of otherwise losing the guaranty to transfer and assign the loan and the security therefor to the Secretary or to another designated by him or her upon receipt of payment of the balance of the indebtedness remaining unpaid to the date of such assignment. Such assignment may be made without recourse but the transferor shall not thereby be relieved from the provisions of § 36.4286.

[36 FR 1253, Jan. 27, 1971, as amended at 55 FR 37474, Sept. 12, 1990]

§ 36.4282 Legal proceedings (notice of repossession).

(a) When the holder institutes suit or otherwise becomes a party in any legal or equitable proceeding brought on or in connection with the guaranteed indebtedness, or involving title to, or other lien on, the security, such holder, within the time that would be required if the Secretary were a party to the proceeding, shall deliver to the Secretary, by mail or otherwise, by making such delivery to the loan guaranty officer at the office which granted the guaranty, or other office to which the holder has been notified the file is transferred, a copy of every procedural paper filed on behalf of holder, and shall also so deliver, as promptly as possible, a copy of each similar pleading served on holder or filed in the cause by any other party thereto. Notice of, or motion for, continuance and orders thereon are excepted from the foregoing.

(b) A copy of a notice of sale under power by a holder or one acting at his or her behest (e.g., trustee or public official) shall be similarly delivered to the Secretary at or before the date of first publication, posting, or other notice, but in any event, except in emergency or when waived by the Secretary, not less than 10 days prior to date of sale. Copy of any other notice of sale served on the holder or of which he or she has knowledge shall be similarly delivered to the Secretary, including any such notice of sale under tax or other superior lien or any judicial sale.

(c) The procedure prescribed in paragraphs (a) and (b) of this section shall not be applicable in any proceeding to which the Secretary is a party, after

the Secretary's appearance shall have been entered therein by a duly authorized attorney.

(d) In any legal or equitable proceeding (including probate and bankruptcy proceedings) to which the Secretary is a party, original process and any other process prior to appearance, proper to be served on the Secretary, shall be delivered to the loan guaranty officer of the office of the Department of Veterans Affairs having jurisdiction of the area in which the court is situated. Within the time required by applicable law, or rule of court, the Secretary will cause appropriate special or general appearance to be entered in the cause by the Secretary's authorized attorney.

(e) After appearance of the Secretary by attorney, all process and notice otherwise proper to serve on the Secretary before or after judgment, if served on the Secretary's attorney of record shall have the same effect as if the Secretary were personally served within the jurisdiction of the court.

(f) If following a default the holder does not begin appropriate action within 30 days after requested in writing by the Secretary to do so, or does not prosecute such action with reasonable diligence, the Secretary shall have the option to intervene in, or begin and prosecute to completion any action or proceeding, in the Secretary's name or in the name of the holder, which the Secretary deems necessary or appropriate, and may fix a date beyond which no further charges may be included in the computation of the guaranty claim. The Secretary shall pay, in advance if necessary, any court costs or other expenses incurred by the Secretary, or properly taxed against the Secretary, in any such action to which the Secretary is a party, but may charge the same, and also a reasonable amount for legal services, against the guaranteed indebtedness, or the proceeds of the sale of the security to the same extent as the holder (see § 36.4276), or otherwise collect from the holder any such expenses incurred by the Secretary because of the neglect or failure of the holder to take or complete proper action. The rights and remedies herein reserved are without prejudice

to any other rights, remedies, or defenses, in law or in equity, available to the Secretary.

(g) The holder, no later than 10 days after it has repossessed a property, must advise the Secretary of such repossession. The holder shall proceed thereafter, within a reasonable time after repossession, to terminate the debtors' rights in the property. If it is a legal requirement or if the Secretary requires that the debtors' rights be terminated by public sale, the holder shall follow the procedures set forth in paragraph (b) of this section. Otherwise, the holder shall proceed in the manner set forth in § 36.4283(f).

[36 FR 1253, Jan. 27, 1971, as amended at 47 FR 12965, Mar. 26, 1982; 53 FR 34296, Sept. 6, 1988]

§ 36.4283 Foreclosure or repossession.

(a) Upon receipt by the Secretary of notice of a judicial or statutory sale, or other public sale under power of sale contained in the loan instruments, to liquidate any security for a guaranteed loan, the Secretary may specify in advance of such sale the minimum amount which shall be credited to the indebtedness of the borrower on account of the value of the security to be sold, subject to the provisions of paragraphs (a)(1), (2), (3), and (4) of this section:

(1) If a minimum amount has been specified in relation to a sale of the property and the holder is the successful bidder at the sale for an amount not in excess of such specified amount the holder shall dispose of the property in the manner set forth in paragraph (f) and the amount realized from the resale of the property shall govern in the final accounting for determining the rights and liabilities of the holder and the Secretary.

(2) If a minimum amount has been specified by the Secretary and:

(i) A third party is the successful bidder at the sale for an amount equal to or in excess of that specified, the holder shall credit to the indebtedness the net proceeds of the sale.

(ii) A third party is the successful bidder at the sale for an amount less than that specified, the holder shall credit to the indebtedness the amount

specified less expenses allowable under § 36.4276.

(iii) The holder is the successful bidder at the sale for an amount in excess of the specified amount the indebtedness shall be credited with the net proceeds of the sale or an amount established in accordance with paragraph (f) of this section, whichever is the greater, unless the bid in excess of the specified amount was made pursuant to paragraph (d) of this section.

(3) If a minimum amount has not been specified by the Secretary under paragraph (a)(1) or (2) of this section, and the Secretary advised the holder that it did not intend to specify an amount, and the property is purchased at the sale by a third party, the holder shall credit against the indebtedness the net proceeds of the sale except as provided in paragraph (d) of this section. However, if the property is purchased at the sale by the holder, the indebtedness will be credited with the net proceeds of the sale or an amount established in accordance with paragraph (f) of this section, whichever is greater.

(4) The holder shall notify the Secretary of the results of the sale within 10 days after the sale is completed.

(b) In the event that any real property which is security for a guaranteed loan is to be acquired by a holder in a manner other than as provided in paragraph (a) or (c) of this section (e.g., by strict foreclosure or by the termination without a public sale of the purchaser's interest in a land sale contract), the holder shall notify the Secretary of the acquisition within 15 days thereafter and account to the Secretary for the proceeds of the liquidation of the security in accordance with paragraph (f) of this section.

(c) When a debtor proposes to convey or transfer any property to a holder to avoid foreclosure or other judicial, contractual, or statutory disposition of the obligation or of the security, the consent of the Secretary to the terms of such proposal shall be obtained in advance of such conveyance or transfer. If the Secretary consents thereto, the holder may acquire the property and account to the Secretary for the

proceeds of the liquidation of the security in accordance with paragraph (f) of this section.

(d) If a minimum bid is required under applicable State law, or decree of foreclosure or order of sale, or other lawful order or decree, the holder may bid an amount not exceeding such amount legally required. If an amount has been specified by the Secretary and the holder is the successful bidder for an amount not exceeding the amount legally required, such specified amount shall govern for the purpose of this section.

(e) If the Secretary has specified an amount as provided in this section, and the holder learns of any material damage to the property occurring prior to the foreclosure sale or to the acceptance of a deed in lieu of foreclosure or prior to any other event to which such specified amount is applicable, the holder shall promptly advise the Secretary of such damage. Also, if the holder acquires or repossesses the property and the holder learns of any material damage to it, the holder shall promptly advise the Secretary of such damage.

(f) When the security for a guaranteed loan is acquired by the holder through foreclosure or otherwise, the holder shall resell the property within a reasonable time and may thereafter submit its claim under the guaranty. The Secretary, upon receipt of a notice of acquisition, shall determine the current reasonable value of the property and advise the holder of the minimum selling price that will be acceptable in any accounting with the Secretary upon liquidation of the security.

(1) If the holder resells the property for an amount at least equal to the minimum selling price, it shall credit the indebtedness with the proceeds of the sale.

(2) If the holder is unable to resell the property for an amount at least equal to the minimum selling price after exposure to the market for a reasonable period of time, the holder may submit to the Secretary a written advice setting forth the price, terms, conditions and expenses of any offer received. The Secretary shall thereupon:

(i) Assent to the resale of the property upon the terms of such offer, in

which event the holder will credit the indebtedness with the proceeds of the sale, or

(ii) Review the minimum selling price previously established and, if appropriate, provide the holder with a reduced minimum selling price at which the property shall be further exposed to the market.

(3) If the holder resells the property and finances the sale under the terms of a new security agreement and note, the Secretary may, pursuant to paragraph (f)(3)(iv) of this section, agree to indemnify the holder against loss on the new loan.

(i) The Secretary's maximum liability under the indemnity agreement shall be the percentage of the loan originally guaranteed applied to the indebtedness as of the date of claim computation as set forth in §36.4284(a), or the amount originally guaranteed, or the amount of the Secretary's liability under a preexisting indemnity agreement, whichever is less.

(ii) In the event the proceeds of sale are less than the total indebtedness, the Secretary may pay a partial claim for the difference between the indebtedness and the proceeds of sale and thereafter agree to indemnify the holder for the amount of the maximum liability as of the date of claim computation, less the amount of claim paid.

(iii) Subject to the limitation that the total amount payable under an indemnity agreement shall in no event exceed the Secretary's maximum liability, the remaining liability will be continued as a percentage of the new loan amount increasing or decreasing pro rata with any increase or decrease in the balance of the loan obligation.

(iv) The Secretary shall execute an indemnity agreement evidencing the amount and terms of the indemnity liability, provided:

(A) The Secretary has determined that resale of the security under an indemnity agreement is in the best interest of the Government, and the holder has obtained the prior approval of the Secretary;

(B) The terms of repayment of the proposed loan bear a proper relationship to the borrower's present and anticipated income and expenses, and the borrower is a satisfactory credit risk;

(C) The borrower executes an agreement establishing liability to the Secretary for the amount of any claim paid under the indemnity agreement;

(D) The term of the proposed loan does not exceed the maximum term allowable under § 36.4204(c)(4);

(E) The interest rate charged the borrower does not exceed the maximum rate allowable under § 36.4212 as of the date of closing pursuant to the indemnity agreement;

(F) The holder agrees to comply with VA manufactured home regulations as if the original loan had not been terminated.

(Authority: 38 U.S.C. 3712(g))

(4) If the holder has not resold the property, it may elect to submit its claim under Loan Guaranty within 60 days of the date of the Secretary's written advice of the minimum selling price.

(i) For purposes of computation of a claim submitted pursuant to this paragraph, and subject to the limitation that the maximum amount of claim payable shall in no event exceed the amount originally guaranteed, the amount payable on a claim for the guaranty shall be the percentage of the loan originally guaranteed applied to the indebtedness computed as of the date the holder acquired the security. Further:

(A) The minimum selling price determined by the Secretary and provided to the holder shall be credited to the indebtedness as proceeds of sale; or

(B) If no minimum selling price is provided then the current reasonable value of the property as determined by the Secretary and provided to the holder shall be credited to the indebtedness as proceeds of sale; and

The amount payable on the claim shall in no event exceed the remaining balance of the indebtedness.

(ii) Allowable post-acquisition expenditures or costs paid by the holder which may be included in the accounting with the Secretary are limited to those specified in § 36.4276(c).

(g) If at the end of 6 months from the date of acquisition the holder has been unable to resell the property and no claim has been filed pursuant to paragraph (f)(4) of this section, a claim may be submitted under the guaranty and the Secretary will pay to the holder upon submission of such claim:

(1) The difference between the appraised value of the property as determined by the Secretary and the indebtedness including those costs allowable under § 36.4276 and the costs of repossessing the manufactured home not to exceed \$100, plus any accrued and unpaid interest to the applicable cutoff date as set forth in § 36.4284(a) at the maximum rate allowable. For loans guaranteed prior to May 8, 1984, the Secretary will also pay accrued interest at a rate of 6 percent from such cutoff date to the date of claim but not to exceed 60 days. For loans guaranteed on or after May 8, 1984, the Secretary will pay accrued interest at a rate 4.75 percent below the contract interest rate from such cutoff date to the date of claim but not to exceed 90 days.

(Authority: 38 U.S.C. 3712(g))

(2) The amount of the guaranty payable on the total outstanding indebtedness as of the applicable cutoff date set forth in § 36.4284(a), whichever is less.

(h) If the property securing the guaranteed loan is acquired by a holder pursuant to paragraph (a), (b) or (c) of this section, or § 36.4282(g), the following provisions shall apply:

(1) The holder's notice to the Secretary after acquisition shall state the amount of the successful bid at public sale, or in the event of a repossession or a voluntary conveyance, the date of acquisition.

(2) The holder's notice after acquisition shall also provide complete occupancy data. Except with the prior approval of the Secretary the holder shall not rent the property to a new tenant nor extend the terms of an existing tenancy on other than a month-to-month basis.

(3) Except with the prior approval of the Secretary, any taxes or special assessments which constitute prior liens due and payable after acquisition of the property by the holder shall be paid by the holder sufficiently in advance of

the payment due dates to avoid penalties and to take advantage of any discounts. The holder also may include in its accounting with the Secretary any expenditures for repairs made that were reasonably necessary to properly maintain or refurbish the security property, not to exceed \$400. Expenditures in excess of \$400 shall not be made without the prior approval of the Secretary.

(4) As between the holder and the Secretary, the holder shall be responsible for any loss due to damage to or destruction of the property, ordinary wear and tear excepted, from the date of repossession or acquisition by the holder to the date the property has been liquidated.

(5) The holder shall include as credits in its accounting with the Secretary all rentals and other income collected from the property and insurance proceeds or refunds subsequent to the date of acquisition by the holder.

(i) Definitions: (1) The terms *date of sale* or *date of acquisition* as used in this section are defined as the date of the event (e.g., date of repossession, date of sale confirmation when required under local practice, date of acceptance of deed in case of voluntary conveyance, etc.) which fixes the rights of the parties in the property.

(2) The term *property* or *real property* as used in this section shall include:

(i) A leasehold estate therein which at the time of closing the loan was of not less duration than that prescribed by § 36.4253, and

(ii) The rights derived by the holder through a foreclosure sale of real estate whether or not such rights constitute an estate in real property under local law.

(j) A claim for the guaranty must include a copy(ies) of a current credit report(s) on the debtor(s).

(Authority: 38 U.S.C. 3712)

(k) The provisions of this section shall not be in derogation of any rights which the Secretary may have under § 36.4286. The Under Secretary for Benefits, or the Director, Loan Guaranty Service, may authorize any deviation from the provisions of this section, within the limitations prescribed in 38

U.S.C. chapter 37, which may be necessary or desirable to accomplish the objectives of this section if such deviation is made necessary by reason of any laws or practice in any State, Territory, or the District of Columbia: *Provided*, That no such deviation shall impair the rights of any holder not consenting thereto with respect to loans made or approved prior to the date the holder is notified of such action.

§ 36.4284 Computation of guaranty claims.

(a) Subject to the limitation that the maximum amount payable shall in no event exceed the amount originally guaranteed, the amount payable on a claim for the guaranty shall be the percentage of the loan originally guaranteed applied to the indebtedness computed as of the date of claim but not later than (1) the date of judgment or of decree of foreclosure; or (2) in non-judicial foreclosures, the date of publication of the first notice of sale; or (3) in cases in which the security is repossessed without a judgment, decree, or foreclosure, the date the holder repossesses the security; or (4) if no security is available, the date of claim but not more than 6 months after the first uncured default. Deposits or other credits or setoffs including any escrowed or earmarked funds legally applicable to the indebtedness on the date of the claim computation shall be applied in reduction of the indebtedness upon which the claim is based.

(b) Credits accruing from the proceeds of a sale or other disposition of the security shall be reported to the Secretary incident to such submission, and the amount payable on the claim shall in no event exceed the remaining balance of the indebtedness.

(c) Any allowable expenditures or costs, paid by the holder, and any accrued and unpaid interest to the applicable cutoff date as set forth in paragraph (a) of this section at the maximum rate allowable, may be deducted from the proceeds of the sale of the property, or may be included in the accounting to the Secretary on such loan. For loans guaranteed prior to May 8, 1984, the holder may also either deduct from sales proceeds, or include in the accounting, accrued interest at a rate of 6 percent from such cutoff date to the date of resale or other liquidation but not to exceed 60 days. For loans guaranteed on or after May 8, 1984, the holder may also either deduct from sales proceeds, or include in the accounting, accrued interest at a rate 4.75 percent below the contract interest rate from such cutoff date to the date of resale or other liquidation but not to exceed 90 days.

(Authority: 38 U.S.C. 3712(g))

(d) In computing the indebtedness for the purpose of filing a claim for payment of a guaranty, or in the event of a transfer of the loan under § 36.4281, or other accounting to the Secretary, the holder shall not be entitled to treat repayments theretofore made, as liquidated damages, or rentals, or otherwise than as payments on the indebtedness, notwithstanding any provision in the note, or mortgage, or otherwise, to the contrary.

(e) Appropriate computation of the guaranty, proceeds of liquidation, and allowable costs for claims filed under § 36.4283(f)(4) are specified in § 36.4276(c).

[36 FR 1253, Jan. 27, 1971, as amended at 49 FR 22082, May 25, 1984; 58 FR 37861, July 14, 1993]

§ 36.4285 Subrogation and indemnity.

(a) The Secretary shall be subrogated to the contract and the lien or other rights of the holder to the extent of any sum paid on a guaranty, which right shall be junior to the holder's rights as against the debtor or the encumbered property until the holder shall have received the full amount payable under the contract with the debtor except that where the holder has entered into a recourse and/or repurchase or indemnity agreement with

a dealer or servicer or other entity and the Department of Veterans Affairs pays a claim under guaranty to the holder the Department of Veterans Affairs will not be subrogated to any rights the holder may have under the recourse and/or repurchase or indemnity agreement. No partial or complete release by a creditor shall impair the rights of the Secretary with respect to the debtor's obligation.

(b) The holder, upon request, shall execute, acknowledge, and deliver an appropriate instrument tendered the holder for that purpose, evidencing any payment received from the Secretary and the Secretary's resulting right of subrogation.

(c) The Secretary may cause the instrument required by paragraph (b) of this section to be filed for record in the Office of the Recorder of Deeds, or other appropriate office of the proper county, town, or State, in accordance with the applicable State law.

(d) Any amounts paid by the Secretary on account of the liabilities of any veteran guaranteed under the provisions of 38 U.S.C. 3712 shall constitute a debt owing to the United States by such veteran.

(e) Whenever any veteran disposes of residential property securing a guaranteed loan obtained under 38 U.S.C. 3712, and for which the commitment to make the loan was made prior to March 1, 1988, the Secretary, upon application made by such veteran, shall issue to the veteran a release relieving him or her of all further liability to the Secretary on account of such loan (including liability for any loss resulting from any default of the transferee or any subsequent purchaser of such property) if the Secretary has determined, after such investigation as the Secretary may deem appropriate, that there has been compliance with the conditions prescribed in 38 U.S.C. 3713(a). The assumption of full liability for repayment of the loan by the transferee of the property must be evidenced by an agreement in writing in such form as the Secretary may require. Release of the veteran from liability to the Secretary will not impair or otherwise affect the Secretary's guaranty on the loan, or the liability of the veteran to the holder. Any release of liability

granted to a veteran by the Secretary shall inure to the spouse of such veteran. The release of the veteran from liability to the Secretary will constitute the Secretary's prior approval to a release of the veteran from liability on the loan by the holder thereof. This release will not result in the veteran being entitled to further loan benefits unless the requirements of § 36.4203 are met.

(Authority: 38 U.S.C. 3713, 3714)

(f) If, on or after July 1, 1972, any veteran disposes of residential property securing a guaranteed loan obtained by him or her under 38 U.S.C. 3712, without securing a release from liability with respect to such loan under 38 U.S.C. 3713(a) and a default subsequently occurs which results in liability of the veteran to the Secretary on account of the loan, the Secretary may relieve the veteran of such liability if the Secretary determines that:

(1) A transferee either immediate or remote is legally liable to the Secretary for the debt of the original veteran-borrower established after the termination of the loan, and

(2) The original loan was current at the time such transferee acquired the property, and

(3) The transferee who is liable to the Secretary is found to have been a satisfactory credit risk at the time he or she acquired the property.

(Authority: 38 U.S.C. 3713(b))

(g) If a veteran or any other person disposes of residential property securing a guaranteed or insured loan for which a commitment was made on or after March 1, 1988, and the veteran or other person notifies the loan holder in writing before disposing of the property, the veteran or other person shall be relieved of all further liability to the Secretary with respect to the loan (including liability for any loss resulting from any default of the purchaser or any subsequent owner of the property) and the application for assumption shall be approved if the holder determines that:

(1) The proposed purchaser is credit-worthy;

(2) The proposed purchaser is contractually obligated to assume the loan

and the liability to indemnify the Department of Veterans Affairs for the amount of any claim paid under the guaranty as a result of a default on the loan, or has already done so; and,

(3) The payments on the loan are current.

Should these requirements be satisfied, the holder may also release the selling veteran or other person from liability on the loan. This does not apply if the approval for the assumption is granted upon special appeal to avoid immediate foreclosure.

§ 36.4286 Partial or total loss of guaranty.

(a) There shall be no guaranty liability on the part of the Secretary in respect to any loan as to which a signature to the note, the mortgage or other security instrument is a forgery. Except as to a holder who acquired the loan instrument before maturity, for value, and without notice, and who has not directly or by agent participated in the fraud, or in the misrepresentation hereinafter specified, any willful and material misrepresentation or fraud by the lender, or by a holder, or the agent of either, in procuring the guaranty shall relieve the Secretary of liability, or shall constitute a defense against liability on account of the guaranty of the loan in respect to which the willful misrepresentation, or the fraud, is practiced: *Provided*, That if a misrepresentation, although material, is not made willfully, or with fraudulent intent, it shall have only the consequences prescribed in paragraphs (b) and (c) of this section.

(b) In taking security required by 38 U.S.C. 3712 and the § 36.4200 series, a holder shall obtain the required lien on real property the title to which is such as to be acceptable to prudent lending institutions, informed buyers, title companies, and attorneys, generally in the community in which the property is situated: *Provided*, That a title will not be unacceptable by reason of any of the limitations on the quantum or quality of the property or title stated in § 36.4253. If such holder fails in this

Department of Veterans Affairs

§ 36.4300

respect or fails to comply with any of the requirements of 38 U.S.C. 3712 and the § 36.4200 series with respect to:

(1) Obtaining and retaining a lien of the dignity prescribed on all property upon which a lien is required by 38 U.S.C. 3712 or the § 36.4200 series,

(2) Inclusion of power to substitute trustees,

(3) The procurement and maintenance of insurance coverage,

(4) Advice to Secretary as to default,

(5) Notice of intention to begin action,

(6) Notice to the Secretary in any suit or action, or notice of sale,

(7) The release, conveyance, substitution, or exchange of security,

(8) Lack of legal capacity of a party to the transaction incident to which the guaranty is granted,

(9) Failure of the lender to see that any escrowed or earmarked account is expended in accordance with the agreement,

(10) The taking into consideration of limitations upon the quantum or quality of the estate or property,

(11) Any other requirement of 38 U.S.C. 3712 or the § 36.4200 series which does not by the terms of said section or regulations result in relieving the Secretary of all liability with respect to the loan,

no claim on the guaranty shall be paid on account of the loan with respect to which such failure occurred, or in respect to which an unwillful misrepresentation occurred, until the amount by which the ultimate liability of the Secretary would thereby be increased has been ascertained. The burden of proof shall be upon the holder to establish that no increase of ultimate liability is attributable to such failure or misrepresentation. The amount of increased liability of the Secretary shall be offset by deduction from the amount of the guaranty otherwise payable, or if consequent upon loss of security shall be offset by crediting to the indebtedness the amount of the impairment as proceeds of the sale of security in the final accounting to the Secretary. To the extent the loss resultant from the failure of misrepresentation prejudices the Secretary's right of subrogation acceptance by the holder of the guaranty payment shall subordi-

nate the holder's right to those of the Secretary.

(c) If after the payment of a guaranty, or after a loan is transferred pursuant to § 36.4281, the fraud, misrepresentation, or failure to comply with the regulations concerning guaranty of loans to veterans as provided in this section is discovered and the Secretary determines that an increased loss to the Government resulted therefrom, the transferee or person to whom such payment was made shall be liable to the Secretary for the amount of the loss caused by such misrepresentation or failure.

§ 36.4287 Substitution of trustees.

In jurisdictions in which valid, any deed of trust or mortgage securing a guaranteed loan, if it names trustees or confers a power of sale otherwise, shall contain a provision empowering any holder of the indebtedness to appoint substitute trustees or other person with such power to sell, who shall succeed to all the rights, powers, and duties of the trustees, or other person, originally designated.

For purposes of determination of net value, *property improvement* is defined as any repair which must be completed to satisfy minimum property requirements for existing construction as prescribed by the Secretary. Costs other than property improvement will be estimated as a percentage of the fair market value. Each year VA will review the average operating expenses incurred for properties acquired under §36.4320 of this part which were sold during the preceding 3 fiscal years and the average administrative cost to the government associated with the property management activity. The cost items reviewed will be:

(1) *Property operating expenses.* All disbursements made for payment of taxes, assessments, liens, property maintenance and related repairs, management broker's fees and commissions, and any other charges to the property account excluding property improvements and selling expenses.

(2) *Selling expenses.* All disbursements for sales commissions plus any other costs incurred and paid in connection with the sale of the property.

(3) *Administrative costs.* An estimate of the total cost for VA of personnel compensation and overhead (including all travel, transportation, standards level user charges (SLUC), communication, utilities, printing, supplies, equipment, insurance claims and other services) associated with the acquisition, management and disposition of property acquired under §36.4320 of this

part. The average administrative costs will be determined by:

(i) Dividing the salary and benefits cost by the average number of properties on hand and adjusting this figure based on the average holding time for properties sold during the preceding fiscal year; then

(ii) Dividing part (i) by the VBA ratio of personal services to total obligations.

The three cost averages will be added and the sum will be divided by the average fair market value at the time of acquisition for properties which were sold during the 3 preceding fiscal years to derive the percentage to be used in estimating net value. (The Secretary may, when determining property management costs, group properties in incremental value brackets.) The calculation of net value will be based on the actual costs incurred over the last 3 years. Based on fiscal year 1989 data, the percentage to be used when calculating net value will be 11.45 percent. The fiscal year and the percentage will be updated annually through a notice in the FEDERAL REGISTER.

(e) Subject to the provisions of §36.4303(g), the following formulas shall govern the computation of the amount of the guaranty or insurance entitlement which remains available to an eligible veteran after prior use of entitlement:

(1) If a veteran previously secured a nonrealty (business) loan, the amount of nonrealty entitlement used is doubled and subtracted from \$36,000. The sum remaining is the amount of available entitlement for use, except that:

(i) Entitlement may be increased by up to \$14,750 if the loan amount exceeds \$144,000 and the loan is for purchase or construction of a home or purchase of a condominium; and

(ii) Entitlement for manufactured home loans that are to be guaranteed under 38 U.S.C. 3712 may not exceed \$20,000.

(2) If a veteran previously secured a realty (home) loan, the amount of realty (home) loan entitlement used is subtracted from \$36,000. The sum remaining is the amount of available entitlement for use, except that:

(i) Entitlement may be increased by up to \$14,750 if the loan amount exceeds \$144,000 and the loan is for purchase or construction of a home or purchase of a condominium; and

(ii) Entitlement for manufactured home loans that are to be guaranteed under 38 U.S.C. 3712 may not exceed \$20,000.

(3) If a veteran previously secured a manufactured home loan under 38 U.S.C. 3712, the amount of entitlement used for that loan is subtracted from \$36,000. The sum remaining is the amount of available entitlement for home loans and the sum remaining may be increased by up to \$14,750 if the loan amount exceeds \$144,000 and the loan is for purchase or construction of a home or purchase of a condominium. To determine the amount of entitlement available for manufactured home loans processed under 38 U.S.C. 3712, the amount of entitlement previously used for that purpose is subtracted from \$20,000. The sum remaining is the amount of available entitlement for use for manufactured home loan purposes under 38 U.S.C. 3712.

(Authority: 38 U.S.C. 3703, 3712)

(f) For the purpose of computing the remaining guaranty or insurance benefit to which a veteran is entitled, loans guaranteed prior to the effective date of §§ 36.4300 to 36.4393, inclusive, shall be taken into consideration as if made subsequent thereto.

(g) A loan eligible for insurance may be either guaranteed or insured at the option of the borrower and the lender: *Provided*, That if the Secretary is not advised of the exercise of such option at the time the loan is reported pursuant to § 36.4303 such loan will not be eligible for insurance.

(h) A guaranty is reduced or increased pro rata with any deduction or increase in the amount of the guaranteed indebtedness, but in no event will the amount payable on a guaranty or the percentage of the indebtedness corresponding to that of the original guar-

anty whichever is less. However, on a graduated payment mortgage loan, the percentage of guaranty applicable to the original loan amount pursuant to paragraph (a) of this section shall apply to the loan indebtedness to the extent scheduled deferred interest is added to principal during the graduation period without regard to the original maximum dollar amount of guaranty.

(Authority: 38 U.S.C. 3703(b) and (d))

(i) The amount of any guaranty or the amount credited to a lender's insurance account in relation to any insured loan shall be charged against the original or remainder of the guaranty benefit of the borrower. Complete or partial liquidation, by payment or otherwise, of the veteran's guaranteed or insured indebtedness does not increase the remainder of the guaranty benefit, if any, otherwise available to the veteran. When the maximum amount of guaranty or insurance legally available to a veteran shall have been granted, no further guaranty or insurance is available to the veteran.

(j) Notwithstanding the provisions of paragraph (g) of this section, the Secretary may exclude the amount of guaranty or insurance entitlement used for any guaranteed or insured loan provided:

(1) The property which served as security for the loan has been disposed of by the veteran, or has been destroyed by fire or other natural hazard; and

(2)(i) The loan has been repaid in full or the Secretary has been released from liability as to the loan, or if the Secretary has suffered a loss on said loan, such loss has been paid in full; or

(ii) A veteran-transferee has agreed to assume the outstanding balance on the loan and consented to the use of his or her entitlement to the extent the entitlement of the veteran-transferor had been used originally; or

(3) The loan has been repaid in full, and the loan for which the veteran seeks to use entitlement is secured by the same property which secured the fully repaid loan; or

(4) In a case in which the veteran still owns the property purchased with a VA-guaranteed loan, the Secretary

may, one time only, restore entitlement used on that loan if:

(i) the loan has been repaid in full or, if the Secretary has suffered a loss on the loan, the loss has been paid in full; or

(ii) the Secretary has been released from liability as to the loan, and, if the Secretary has suffered a loss on the loan, the loss has been paid in full.

(k) The Secretary may, in any case involving circumstances deemed appropriate, waive either or both of the requirements set forth in paragraphs (j)(1) and (j)(2)(i) of this section.

(Authority: 38 U.S.C. 3702(b), 3710)

(l)(1) The amount of guaranty entitlement, available and unused, of an eligible unmarried surviving spouse (whose eligibility does not result from his or her own service) is determinable in the same manner as in the case of any veteran, and any entitlement which the decedent (who was his or her spouse) used shall be disregarded. A certificate as to the eligibility of such surviving spouse, issued by the Secretary, shall be a condition precedent to the guaranty or insurance of any loan made to a surviving spouse in such capacity.

(Authority: 38 U.S.C. 3701(a))

(2) An unmarried surviving spouse who was a co-obligor under an existing VA guaranteed, insured or direct loan shall be considered to be a veteran eligible for an interest rate reduction refinancing loan pursuant to 38 U.S.C. 3710(a)(8) or (9)(B)(i).

§ 36.4303 Reporting requirements.

(a) With respect to loans automatically guaranteed under 38 U.S.C. 3703(a)(1), evidence of the guaranty will be issuable to a lender of a class described under 38 U.S.C. 3702(d) if the loan is reported to the Secretary within 60 days following full disbursement

and upon the certification of the lender that:

(1) No default exists thereunder that has continued for more than 30 days;

(2) Except for acquisition and improvement loans as defined in § 36.4301, any construction, repairs, alterations, or improvements effected subsequent to the appraisal of reasonable value, and paid for out of the proceeds of the loan, which have not been inspected and approved upon completion by a compliance inspector designated by the Secretary, have been completed properly in full accordance with the plans and specifications upon which the original appraisal was based; and any deviations or changes of identity in said property have been approved as required in § 36.4304 concerning guaranty or insurance of loans to veterans;

(3) The loan conforms otherwise with the applicable provisions of 38 U.S.C. Chapter 37 and of the regulations concerning guaranty or insurance of loans to veterans.

(Authority: 38 U.S.C. 3703(c)(1))

(b) Loans made pursuant to 38 U.S.C. 3703(a), although not entitled to automatic insurance thereunder, may, when made by a lender of a class described in 38 U.S.C. 3702(d)(1), be reported for issuance of an insurance credit.

(Authority: 38 U.S.C. 3702(d), 3703(a)(2))

(c) Each loan proposed to be made to an eligible veteran by a lender not within a class described in 38 U.S.C. 3702(d) shall be submitted to the Secretary for approval prior to closing. Lenders described in 38 U.S.C. 3702(d) shall have the optional right to submit any loan for such prior approval. The Secretary, upon determining any loan so submitted to be eligible for a guaranty, or for insurance, will issue a certificate of commitment with respect thereto.

(d) A certificate of commitment shall entitle the holder to the issuance of the evidence of guaranty or insurance upon the ultimate actual payment of the full proceeds of the loan for the purposes described in the original report and upon the submission within 60 days thereafter of a supplemental report showing that fact and:

(1) The identity of any property purchased therewith,

(2) That all property purchased or acquired with the proceeds of the loan has been encumbered as required by the regulations concerning guaranty or insurance of loans to veterans,

(3) Except for acquisition and improvement loans as defined in § 36.4301(c), any construction, repairs, alterations, or improvements paid for out of the proceeds of the loan, which have not been inspected and approved subsequent to completion by a compliance inspector designated by the Secretary, have been completed properly in full accordance with the plans and specifications upon which the original appraisal was based; and that any deviations or changes of identity in said property have been approved as required by § 36.4304, and

(4) That the loan conforms otherwise with the applicable provisions of 38 U.S.C. Chapter 37 and the regulations concerning guaranty or insurance of loans to veterans.

(Authority: 38 U.S.C. 3703(c)(1))

(e) Upon the failure of the lender to report in accordance with the provisions of paragraph (d) of this section, the certificate of commitment shall have no further effect, or the amount of guaranty or insurance shall be reduced pro rata, as may be appropriate under the facts of the case: Provided, nevertheless, that if the loan otherwise meets the requirements of this section, said certificate of commitment may be given effect by the Secretary, notwithstanding the report is received after the date otherwise required.

(f) For loans not reported within 60 days, evidence of guaranty will be issued only if the loan report is accompanied by a statement signed by a corporate officer of the lending institution which explains why the loan was reported late. The statement must identify the case or cases in issue and must set forth the specific reason or reasons why the loan was not submitted on time. Upon receipt of such a statement evidence of guaranty will be issued. A pattern of late reporting and the reasons therefore will be considered by VA in taking action under § 36.4349.

(g) Evidence of a guaranty will be issued by the Secretary by appropriate endorsement on the note or other instrument evidencing the obligation, or by a separate certificate at the option of the lender. Notice of credit to an insurance account will be given to the lender. Unused certificates of eligibility issued prior to March 1, 1946, are void. No certificate of commitment shall be issued and no loan shall be guaranteed or insured unless the lender, the veteran, and the loan are shown to be eligible. Evidence of guaranty or insurance will not be issued on any loan for the purchase or construction of residential property unless the veteran, or the veteran's spouse in the case of a veteran who cannot occupy the property because of active duty status with the Armed Forces, certifies in such form as the Secretary shall prescribe that the veteran, or spouse of the active duty veteran, intends to occupy the property as his or her home. Guaranty or insurance evidence will not be issued on any loan for the alteration, improvement, or repair of any residential property or on a refinancing loan unless the veteran, or spouse of an active duty servicemember, certifies that he or she presently occupies the property as his or her home. An exception to this is if the home improvement or refinancing loan is for extensive changes to the property that will prevent the veteran or the spouse of the active duty veteran from occupying the property while the work is being completed. In such a case the veteran or spouse of the active duty veteran must certify that he or she intends to occupy or reoccupy the property as his or her home upon completion of the substantial improvements or repairs. All of the mentioned certifications must take place at the time of loan application and closing except in the case of loans automatically guaranteed, in which case veterans or, in the case of an active duty veteran, the veterans' spouse shall make the required certification only at the time the loan is closed.

(Authority: 38 U.S.C. 3704(c))

(h) Subject to compliance with the regulations concerning guaranty or insurance of loans to veterans, the certificate of guaranty or the evidence of

insurance credit will be issuable within the available entitlement of the veteran on the basis of the loan stated in the final loan report or certification of loan disbursement, except for refinancing loans for interest rate reductions. The available entitlement of a veteran will be determined by the Secretary as of the date of receipt of an application for guaranty or insurance of a loan or of a loan report. Such date of receipt shall be the date the application or loan report is date-stamped into VA. Eligibility derived from the most recent period of service:

(1) Shall cancel any unused entitlement derived from any earlier period of service, and

(2) Shall be reduced by the amount by which entitlement from service during any earlier period has been used to obtain a direct, guaranteed, or insured loan.

(i) On property which the veteran owns at the time of application, or

(ii) As to which the Secretary has incurred actual liability or loss, unless in the event of loss or the incurrence and payment of such liability by the Secretary, the resulting indebtedness of the veteran to the United States has been paid in full. *Provided*, That if the Secretary issues or has issued a certificate of commitment covering the loan described in the application for guaranty or insurance or in the loan report, the amount and percentage of guaranty or the amount of the insurance credit contemplated by the certificate of commitment shall not be subject to reduction if the loan has been or is closed on a date that is not later than the expiration date of the certificate of commitment, notwithstanding that the Secretary in the meantime and prior to the issuance of the evidence of guaranty or insurance shall have incurred actual liability or loss on a direct, guaranteed, or insured loan previously obtained by the borrower. For the purposes of this paragraph, the Secretary will be deemed to have incurred actual loss on a guaranteed or insured loan if the Secretary has paid a guaranty or insurance claim thereon and the veteran's resultant indebtedness to the Government has not been paid in full, and to have incurred actual liability on a guaranteed or insured loan if the Sec-

retary is in receipt of a claim on the guaranty or insurance or is in receipt of a notice of default. In the case of a direct loan, the Secretary will be deemed to have incurred an actual loss if the loan is in default. A loan, the proceeds of which are to be disbursed progressively or at intervals, will be deemed to have been closed for the purposes of this paragraph if the loan has been completed in all respects excepting the actual "payout" of the entire loan proceeds.

(Authority: 38 U.S.C. 3702(a), 3710(c))

(i) Any amounts that are disbursed for an ineligible purpose shall be excluded in computing the amount of guaranty or insurance credit.

(j) Notwithstanding the lender has erroneously, but without intent to misrepresent, made certification with respect to paragraph (a)(1) of this section, the guaranty or insurance will become effective upon the curing of such default and its continuing current for a period of not less than 60 days thereafter. For the purpose of this paragraph a loan will be deemed current so long as the installment is received within 30 days after its due date.

(k) No guaranty or insurance commitment or evidence of guaranty or insurance will be issuable in respect to any loan to finance a contract that:

(1) Is for the purchase, construction, repair, alteration, or improvement of a dwelling or farm residence;

(2) Is dated on or after June 4, 1969;

(3) Provides for a purchase price or cost to the veteran in excess of the reasonable value established by the Secretary; and

(4) Was signed by the veteran prior to the veteran's receipt of notice of such reasonable value; unless such contract includes, or is amended to include, a provision substantially as follows:

It is expressly agreed that, notwithstanding any other provisions of this contract, the purchaser shall not incur any penalty by forfeiture of earnest money or otherwise or be obligated to complete the purchase of the property described herein, if the contract purchase price or cost exceeds the reasonable value of the property established by the Department of Veterans Affairs. The purchaser shall, however, have the privilege and option of proceeding with the consummation of this contract without regard to the amount of

Department of Veterans Affairs

§ 36.4303

the reasonable value established by the Department of Veterans Affairs.

(Authority: 38 U.S.C. 501, 3703(c)(1))

(l) With respect to any loan for which a commitment was made on or after March 1, 1988, the Secretary must be notified whenever the holder receives knowledge of disposition of the residential property securing a VA-guaranteed loan.

(1) If the seller applies for prior approval of the assumption of the loan, then:

(i) A holder (or its authorized servicing agent) who is an automatic lender must examine the creditworthiness of the purchaser and determine compliance with the provisions of 38 U.S.C. 3714. The creditworthiness review must be performed by the party that has automatic authority. If both the holder and its servicing agent are automatic lenders, then they must decide between themselves which one will make the determination of creditworthiness, whether the loan is current and whether there is a contractual obligation to assume the loan, as required by 38 U.S.C. 3714. If the actual loan holder does not have automatic authority and its servicing agent is an automatic lender, then the servicing agent must make the determinations required by 38 U.S.C. 3714 on behalf of the holder. The actual holder will remain ultimately responsible for any failure of its servicing agent to comply with the applicable law and VA regulations.

(A) If the assumption is approved and the transfer of the security is completed, then the notice required by this paragraph shall consist of the credit package (unless previously provided in accordance with paragraph (k)(1)(i)(B) of this section) and a copy of the executed deed and/or assumption agreement as required by VA office of jurisdiction. The notice shall be submitted to the Department with VA receipt for the funding fee provided for in § 36.4312(e)(3) of this part.

(B) If the application for assumption is disapproved, the holder shall notify the seller and the purchaser that the decision may be appealed to the VA office of jurisdiction within 30 days. The holder shall make available to that VA office all items used by the holder in

making the holder's decision in case the decision is appealed to VA. If the application remains disapproved after 60 days (to allow time for appeal to and review by VA), then the holder must refund \$50 of any fee previously collected under the provisions of § 36.4312(d)(8) of this part. If the application is subsequently approved and the sale is completed, then the holder (or its authorized servicing agent) shall provide the notice described in paragraph (k)(1)(i)(A) of this section.

(C) In performing the requirements of paragraphs (k)(1)(i)(A) or (k)(1)(i)(B) of this section, the holder must complete its examination of the creditworthiness of the prospective purchaser and advise the seller no later than 45 days after the date of receipt by the holder of a complete application package for the approval of the assumption. The 45-day period may be extended by an interval not to exceed the time caused by delays in processing of the application that are documented as beyond the control of the holder, such as employers or depositories not responding to requests for verifications, which were timely forwarded, or follow-ups on those requests.

(ii) If neither the holder nor its authorized servicing agent is an automatic lender, the notice to VA shall include:

(A) Advice regarding whether the loan is current or in default;

(B) A copy of the purchase contract; and

(C) A complete credit package developed by the holder which the Secretary may use for determining the creditworthiness of the purchaser.

(D) The notice and documents required by this section must be submitted to the VA office of jurisdiction no later than 35 days after the date of receipt by the holder of a complete application package for the approval of the assumption, subject to the same extensions as provided in paragraph (k)(1)(i) of this section. If the assumption is not automatically approved by the holder or its authorized agent, pursuant to the automatic authority provisions, \$50 of any fee collected in accordance with § 36.4312(d)(8) of this part must be refunded. If the Department of Veterans

Affairs does not approve the assumption, the holder will be notified and an additional \$50 of any fee collected under § 36.4312(d)(8) of this section must be refunded following the expiration of the 30-day appeal period set out in paragraph (k)(l)(i)(B) of this section. If such an appeal is made to the Department of Veterans Affairs, then the review will be conducted at the Department of Veterans Affairs office of jurisdiction by an individual who was not involved in the original disapproval decision. If the application for assumption is approved and the transfer of security is completed, then the holder (or its authorized servicing agent) shall provide the notice required in paragraph (k)(l)(i)(A) of this section.

(2) If the seller fails to notify the holder before disposing of property securing the loan, the holder shall notify the Secretary within 60 days after learning of the transfer. Such notice shall advise whether or not the holder intends to exercise its option to immediately accelerate the loan and whether or not an opportunity will be extended to the transferor and transferee to apply for retroactive approval of the assumption under the terms of this paragraph.

§ 36.4304 Deviations; changes of identity.

A deviation of more than 5 percent between the estimates upon which a certificate of commitment has been issued and the report of final payment of the proceeds of the loan, or a change in the identity of the property upon which the original appraisal was based, will invalidate the certificate of commitment unless such deviation or change be approved by the Secretary. Any deviation in excess of 5 percent or change in the identity of the property upon which the original appraisal was based must be supported by a new or supplemental appraisal of reasonable value: *Provided*, That substitution of materials of equal or better quality

and value approved by the veteran and the designated appraiser shall not be deemed a “change in the identity of the property” within the purview of this section. A deviation not in excess of 5 percent will not require the prior approval of the Secretary.

[17 FR 9668, Oct. 25, 1952]

§ 36.4305 Partial disbursement.

In cases where intervening circumstances make it impracticable to complete the actual paying out of the loan originally proposed, or justify the lender in declining to make further disbursements on a construction loan, evidence of guaranty or of insurance of the loan or the proper pro rata part thereof will be issuable if the loan is otherwise eligible for automatic guaranty or a certificate of commitment was issued thereon: *Provided*,

(a) A report of the loan is submitted to the Secretary within a reasonable time subsequent to the last disbursement, but in no event more than 90 days thereafter, unless report of the facts and circumstances is made and an extension of time obtained from the Secretary.

(b) There has been no default on the loan, except that the existence of a default shall not preclude issuance of a guaranty certificate or insurance advice if a certificate of commitment was issued with respect to the loan.

(c) The Secretary determines that a person of reasonable prudence similarly situated would not make further disbursements in the situation presented.

(d) There has been full compliance with the provisions of 38 U.S.C. Chapter 37 and of the applicable regulations up to the time of the last disbursement.

(e) In the case of a construction loan when the construction is not fully completed, the amount and percentage of the guaranty and the amount of the loan for the purposes of insurance or accounting to the Secretary shall be based upon such portion of the amount disbursed out of the proceeds of the loan which, when added to any other payments made by or on behalf of the veteran to the builder or the contractor, does not exceed 80 percent of the

value of that portion of the construction performed (basing value on the contract price) plus the sum, if any, disbursed by the lender out of the proceeds of the loan for the land on which the construction is situated: *And provided further*, That the lender shall certify as follows:

(1) Any amount advanced for land is protected by title or lien as provided in the regulations concerning guaranty or insurance of loans to veterans; and

(2) No enforceable liens, for any work done or material furnished for that part of the construction completed and for which payment has been made out of the proceeds of the loan, exist or can come into existence.

§ 36.4306 Refinancing of mortgage or other lien indebtedness.

(a) Any loan for the purpose of refinancing (38 U.S.C. 3710(a)(5)) an existing mortgage loan or other indebtedness secured by a lien of record on a dwelling or farm residence owned and occupied or to be reoccupied if the refinancing loan is for the completion of major alterations, repairs or improvements to the property, by an eligible veteran as the veteran's home, or in the case of an eligible veteran unable to occupy the property because of active duty status in the Armed Forces, occupied or to be reoccupied by the veteran's spouse as the spouse's home, shall be eligible for guaranty in an amount as computed under § 36.4302(a) provided that —

(1) The amount of the loan may not exceed an amount equal to 90 percent of the reasonable value of the dwelling or farm residence which will secure the loan, as determined by the Secretary.

(Authority: 38 U.S.C. 3710(e)(1) and 3710(h))

(2) The dollar amount of discount, if any, to be paid by the veteran is reasonable in amount as determined by the Secretary in accordance with § 36.4312(d)(7)(i),

(3) The loan is otherwise eligible for guaranty.

(b) [Reserved]

(c) Nothing shall preclude guaranty of a loan to an eligible veteran having home loan guaranty entitlement to re-

finance under the provisions of 38 U.S.C. 3710(a)(5) a VA guaranteed or insured (or direct) mortgage loan made to him or her which is outstanding on the dwelling or farm residence owned and occupied or to be reoccupied after the completion of major alterations, repairs, or improvements to the property, by the veteran as a home, or in the case of an eligible veteran unable to occupy the property because of active duty status in the Armed Forces, occupied or to be reoccupied by the veteran's spouse as the spouse's home.

(Authority: 38 U.S.C. 3710(e)(1))

(d) A refinancing loan may include contractual prepayment penalties, if any, due the holder of the mortgage or other lien indebtedness to be refinanced.

(e) [Reserved]

(f) Nothing in this section shall preclude the refinancing of the balance due for the purchase of land on which new construction is to be financed through the proceeds of the loan, or the refinancing of the balance due on an existing land sale contract relating to a veteran's dwelling or farm residence.

(g) A veteran may refinance (38 U.S.C. 3710(a)(9)(B)(ii)) an existing loan that was for the purchase of, and is secured by, a manufactured home in order to purchase the lot on which the manufactured home is or will be permanently affixed, provided the following requirements are met:

(1) The refinancing of a manufactured home and the purchase of a lot must be considered as one loan;

(2) The manufactured home upon being permanently affixed to the lot will be considered real property under the laws of the State where it is located;

(3) The loan must be secured by the same manufactured home which is being refinanced and the real property on which the manufactured home is or will be located;

(4) The amount of the loan may not exceed an amount equal to the sum of the balance of the loan being refinanced; the purchase price, not to exceed the reasonable value of the lot; the costs of the necessary site preparation of the lot as determined by the

Secretary; a reasonable discount as authorized in §36.4312(d)(6) with respect to that portion of the loan used to refinance the existing purchase money lien on the manufactured home, and closing costs as authorized in §36.4312.

(5) If the loan being refinanced was guaranteed by VA, the portion of the loan made for the purpose of refinancing an existing purchase money manufactured home loan may be, guaranteed without regard to the outstanding guaranty entitlement available for use by the veteran, and the veteran's guaranty entitlement shall not be charged as a result of any guaranty provided for the refinancing portion of the loan. For the purposes enumerated in 38 U.S.C. 3702(b) the refinancing portion of the loan shall be considered to have been obtained with the guaranty entitlement used to obtain VA-guaranteed loan being refinanced. The total guaranty for the new loan shall be the sum of the guaranty entitlement used to obtain VA-guaranteed loan being refinanced and any additional guaranty entitlement available to the veteran. However, the total guaranty may not exceed the guaranty amount as calculated under §36.4302(a) of this part.

§36.4306a Interest rate reduction refinancing loan.

(a) Pursuant to 38 U.S.C. 3710(a)(8), (a)(9)(B)(i), and (a)(11), a veteran may refinance an existing VA guaranteed, insured, or direct loan to reduce the interest rate payable on the existing loan provided the following requirements are met:

(1) The loan must be secured by the same dwelling or farm residence as the loan being refinanced; and

(2) The veteran must own the dwelling or farm residence securing the loan and

(i) Must occupy the dwelling or residence as his or her home; or

(ii) Must have previously occupied the dwelling or residence as his or her home and must certify, in such form as the Secretary shall require, that he or

she has previously occupied the dwelling or residence; or

(Authority: 38 U.S.C. 3710(a))

(4) The dollar amount of the guaranty of the 38 U.S.C. 3710(a)(8) or (9)(B)(i) loan may not exceed the original dollar amount of guaranty applicable to the loan being refinanced, less any dollar amount of guaranty previously paid as a claim on the loan being refinanced; and

(5) The term of the refinancing loan (38 U.S.C. 3710(a)(8)) may not exceed the original term of the loan being financed plus ten years or the maximum loan term allowed under 38 U.S.C. 3703(d)(1), whichever is less. For manufactured home loans that were previously guaranteed under 38 U.S.C. 3712 the loan term, if being refinanced under 38 U.S.C. 3710(a)(9)(B)(i), may exceed the original term of the loan but may not exceed the maximum loan term allowed under 38 U.S.C. 3703(d)(1).

(Authority: 38 U.S.C. 3710(e)(1))

(b) Notwithstanding any other regulatory provision, the interest rate reduction refinancing loan may be guaranteed without regard to the amount of guaranty entitlement available for use by the veteran, and the amount of the veteran's remaining guaranty entitlement, if any, shall not be charged for an interest rate reduction refinancing loan. The interest rate reduction refinancing loan will be guaranteed with the lesser of the entitlement used by the veteran to obtain the loan being refinanced or the amount of the guaranty as calculated under § 36.4302(a) of this part. The veteran's loan guaranty entitlement originally used for a purpose as enumerated in 38 U.S.C. 3710(a) (1) through (7) and (9)(A) (i) and (ii) and subsequently transferred to an interest rate reduction refinancing loan (38 U.S.C. 3710(a) (8) or (9)(B)(i)) shall be eligible for restoration when the interest rate reduction refinancing loan or subsequent interest rate reduction refinancing loans on the same property meets the requirements of § 36.4302(h).

(Authority: 38 U.S.C. 3703(a))

(c) Title to the estate which is refinanced for the purpose of an interest rate reduction must be in conformity with § 36.4350.

§ 36.4307 Joint loans.

(a) Except as provided in paragraph (b) of this section, the prior approval of the Secretary is required in respect to any loan to be made to two or more borrowers who become jointly and severally liable, or jointly liable therefor, and who will acquire an undivided interest in the property to be purchased or who will otherwise share in the proceeds of the loan, or in respect to any loan to be made to an eligible veteran whose interest in the property owned, or to be acquired with the loan proceeds, is an undivided interest only, unless such interest is at least a 50 percent interest in a partnership. The amount of the guaranty or insurance

credit shall be computed in such cases only on that portion of the loan allocable to the eligible veteran which, taking into consideration all relevant factors, represents the proper contribution of the veteran to the transaction. Such loans shall be secured to the extent required by 38 U.S.C. Chapter 37 and the regulations concerning guaranty or insurance of loans to veterans.

(b) Notwithstanding the provisions of paragraph (a) of this section, the joinder of the spouse of a veteran-borrower in the ownership of residential property shall not require prior approval or preclude the issuance of a guaranty or insurance credit based upon the entire amount of the loan. If both spouses be eligible veterans, either or both may, within permissible maxima, utilize available guaranty or insurance entitlement.

(c) For the purpose of determining the rights and the liabilities of the Secretary with respect to a loan subject to paragraph (a) of this section, credits legally applicable to the entire loan shall be applied as follows:

(1) Prepayments made expressly for credit to that portion of the indebtedness allocable to the veteran (including the gratuity paid pursuant to former provisions of law), shall be applied to such portion of the indebtedness. All other payments shall be applied ratably to those portions of the loan allocable respectively to the veteran and to the other debtors.

(2) Proceeds of the sale or other liquidation of the security shall be applied ratably to the respective portions of the loan, such portion of the proceeds as represents the interest of the veteran being applied to that portion of the loan allocable to such veteran.

[13 FR 7739, Dec. 15, 1948, as amended at 24 FR 2653, Apr. 7, 1959; 40 FR 34590, Aug. 18, 1975]

§ 36.4308 Transfer of title by borrower or maturity by demand or acceleration.

(a) Except as provided by paragraphs (b) or (c) of this section the conveyance of or other transfer of title to property by operation of law or otherwise, after the creation of a lien thereon to secure a loan which is guaranteed or insured in whole or in part by the Secretary,

shall not constitute an event of default, or acceleration of maturity, elective or otherwise, and shall not of itself terminate or otherwise affect the guaranty or insurance.

(b)(1) The Secretary may issue guaranty on loans in which a State, Territorial, or local governmental agency provides assistance to a veteran for the acquisition of a dwelling. Such loans will not be considered ineligible for guaranty if the State, Territorial, or local authority, by virtue of its laws or regulations or by virtue of Federal law, requires the acceleration of maturity of the loan upon the sale or conveyance of the security property to a person ineligible for assistance from such authority.

(2) At the time of application for a loan assisted by a State, Territorial, or local governmental agency, the veteran-applicant must be fully informed and consent in writing to the housing authority restrictions. A copy of the veteran's consent statement must be forwarded with the loan application or the report of a loan processed on the automatic basis.

(Authority: 38 U.S.C. 3703(c))

(c) Any housing loan which is financed under 38 U.S.C. chapter 37, and to which section 3714 of that chapter applies, shall include a provision in the security instrument that the holder may declare the loan immediately due and payable upon transfer of the property securing such loan to any transferee unless the acceptability of the assumption of the loan is established pursuant to section 3714.

(1) A holder may not exercise its option to accelerate a loan upon:

(i) The creation of a lien or other encumbrance subordinate to the lender's security instrument which does not relate to the transfer of rights of occupancy in the property;

(ii) The creation of a purchase money security interest for household appliances;

(iii) A transfer by devise, descent, or operation of law on the death of a joint tenant or tenant by the entirety;

(iv) The granting of a leasehold interest of three years or less not containing an option to purchase;

(v) A transfer to a relative resulting from the death of a borrower;

(vi) A transfer where the spouse or children of the borrower become joint owners of the property with the borrower;

(vii) A transfer resulting from a decree of a dissolution of marriage, legal separation agreement, or from an incidental property settlement agreement by which the spouse of the borrower becomes the sole owner of the property. In such a case the borrower shall have the option of applying directly to the Department of Veterans Affairs regional office of jurisdiction for a release of liability in accordance with §36.4323 of this part; or

(viii) A transfer into an inter vivos trust in which the borrower is and remains a beneficiary and which does not relate to a transfer of rights of occupancy in the property.

(2) The mortgage or deed of trust and the promissory note or bond evidencing a loan to which this paragraph applies shall bear in a conspicuous position in capital letters on the first page of the document in type at least 2½ times larger than the regular type on such page the following warning: "THIS LOAN IS NOT ASSUMABLE WITHOUT THE APPROVAL OF THE DEPARTMENT OF VETERANS AFFAIRS OR ITS AUTHORIZED AGENT". Due to the difficulty in obtaining some commercial type sizes which are exactly 2½ times larger in height than other sizes, minor deviations in size will be permitted based on commercially available type sizes nearest to 2½ times the size of the print on the document. A similar warning in regular size type must appear on every assumption statement provided on a loan to which this paragraph applies.

(Authority: 38 U.S.C. 3704 and 3714)

(d) The term of payment of any guaranteed or insured obligation shall bear a proper relation to the borrower's present and anticipated income and expenses, (except loans pursuant to 38 U.S.C. 3710(a)(8) or (9)(B)(i)). In addition the terms of payment of any guaranteed or insured obligation shall provide for discharge of the obligation at a definite date or dates or intervals, in amount specified on or computable

from the face of the instrument. A loan which is payable on demand, or at sight, or on presentation, or at a time not specified or computable from the language in the note, mortgage, or other loan instrument, or which contemplates periodic renewals at the option of the holder to satisfy the repayment requirements of this section, is not eligible for guaranty or insurance, except as provided in paragraph (f) of this section.

(e) No guaranteed or insured obligation shall contain a provision to the effect that the holder shall have the right to declare the indebtedness due, or to pursue one or more legal or equitable remedies, if holder "shall feel insecure," or upon the occurrence of one or more such conditions optional to the holder, without regard to an act or omission by the debtor, which condition by the terms of the note, mortgage, or other loan instrument would at the option of the holder afford a basis for declaring a default.

(f) Notwithstanding the inclusion in the guaranteed or insured obligation of a provision contrary to the provisions of this section, the right of the holder to payment of the guaranty or insurance shall not be thereby impaired: *Provided,*

(1) Default was declared or maturity was accelerated under some other provision of the note, mortgage, or other loan instrument, or

(2) Activation or enforcement of such provision is warranted under § 36.4317 (a), or

(3) The prior approval of the Secretary was obtained.

(Authority: 38 U.S.C. 3703(c))

(g) The holder of any guaranteed or insured obligation shall have the right, notwithstanding the absence of express provision therefor in the instruments evidencing the indebtedness, to accelerate the maturity or such obligation at any time after the continuance of any default for the period specified in § 36.4316.

(h) If sufficient funds are tendered to bring a delinquency current at any time prior to a judicial or statutory sale or other public sale under power of sale provisions contained in the loan instruments to liquidate any security

for a guaranteed loan, the holder shall be obligated to accept the funds in payment of the delinquency unless:

(1) The prior approval of the Secretary is obtained to do otherwise, or

(2) Reinstatement of the loan would adversely affect the dignity of the lien or be otherwise precluded by law.

A delinquency will include all installment payments (principal, interest, taxes, insurance, advances, etc.) due and unpaid and any accumulated late charges plus any reasonable expenses incurred and paid by the holder if termination proceedings have begun (e.g., advertising costs, foreclosure costs, attorney or trustee fees, recording fees, etc.).

§ 36.4309 Amortization.

(a) All loans, the maturity date of which is beyond 5 years from date of loan or date of assumption by the veteran, shall be amortized. Except as provided in paragraph (e) of this section, the schedule of payments thereon shall be in accordance with any generally recognized plan of amortization requiring approximately equal periodic payments and shall require a principal reduction not less often than annually during the life of the loan. The final installment on any loan shall not be in excess of two times the average of the preceding installments, except that on a construction loan such installment may be for an amount not in excess of 5 per centum of the original principal amount of the loan. The limitations imposed herein on the amount of the final installment shall not apply in the case of any loan extended pursuant to § 36.4314(a).

(b) Any plan of repayment on loans required to be amortized which does not provide for approximately equal periodic payments shall not be eligible

§ 36.4310

unless the plan conforms with the provisions of paragraph (e) of this section, or is otherwise approved by the Secretary.

(c) Every guaranteed or insured loan shall be repayable within the estimated economic life of the property securing the loan.

(d) Subject to paragraph (a) of this section, any amounts which under the terms of a loan do not become due and payable on or before the last maturity date permissible for loans of its class under the limitations contained in 38 U.S.C. Chapter 37 shall automatically fall due on such date. (See § 36.4334.)

(e) A graduated payment mortgage loan, providing for deferrals of interest during the first 5 years of the loan and addition of the deferred amounts to principal shall be eligible, *Provided:*

(1) The loan is for the purpose of acquiring a single-family dwelling unit, including a condominium unit or simultaneously acquiring and improving a previously occupied, existing single-family dwelling unit.

(2)(i) For proposed construction or existing homes not previously occupied (new homes), the maximum loan amount cannot exceed 97.5 percent of the lesser of the reasonable value of the property as of the time the loan is made or the purchase price.

(ii) For previously occupied, existing homes the maximum loan amount must be computed to assure that the principal amount of the loan, including all interest scheduled to be deferred and added to the loan principal, will not exceed the purchase price or reasonable value of the property, whichever is less, as of the time the loan is made;

(3) The increases in the monthly periodic payment amount occur annually on each of the first five annual anniversary dates of the first loan installment due date, at a rate of 7.5 percent over the preceding year's monthly payment amount;

(4) Beginning with the payment due on the fifth annual anniversary date of the first loan installment due date, all remaining monthly periodic payments are approximately equal in amount and amortize the loan fully in accordance with the requirements of this section, and

§ 36.4310 Prepayment.

The debtor shall have the right to prepay at any time, without premium or fee, the entire indebtedness or any part thereof not less than the amount of one installment, or \$100, whichever is less. Any prepayment in full of the indebtedness shall be credited on the date received, and no interest may be charged thereafter. Any partial prepayment made on other than an installment due date need not be credited until the next following installment due date or 30 days after such prepayment, whichever is earlier. The holder and the debtor may agree at any time that any prepayment not previously applied in satisfaction of matured installments shall be reapplied for the purpose of curing or preventing any subsequent default.

[38 FR 25678, Sept. 14, 1973]

§ 36.4311 Interest rates.

(a) In guaranteeing or insuring loans under 38 U.S.C. chapter 37, the Secretary may elect to require that such loans either bear interest at a rate that is agreed upon by the veteran and the lender, or bear interest at a rate not in excess of a rate established by the Secretary. The Secretary may, from time to time, change that election by publishing a notice in the FEDERAL REGISTER. However, the interest rate of a loan for the purpose of an interest rate reduction under 38 U.S.C. 3710(a)(8), (a)(9)(B)(i), or (a)(11) must be less than the interest rate of the VA loan being refinanced. This paragraph does not apply in the case of an adjustable rate mortgage being refinanced under 38 U.S.C. 3710(a)(8), (a)(9)(B)(i), or (a)(11) with a fixed rate loan.

(Authority: 38 U.S.C. 3703, 3710)

(b) For loans bearing an interest rate agreed upon by the veteran and the lender, the veteran may pay reasonable discount points in connection with the loan. The discount points may not be included in the loan amount, except for

interest rate reduction refinancing loans under 38 U.S.C. 3710(a)(8), (a)(9)(B)(i), and (a)(11). For loans bearing an interest rate agreed upon by the veteran and the lender, the provisions of § 36.4312(d)(6) and (d)(7) do not apply.

(Authority: 38 U.S.C. 3703, 3710)

(c) Interest in excess of the rate reported by the lender when requesting evidence of guaranty or insurance shall not be payable on any advance, or in the event of any delinquency or default: *Provided*, that a late charge not in excess of an amount equal to 4 percent on any installment paid more than 15 days after due date shall not be considered a violation of this limitation.

(Authority: 38 U.S.C. 3710)

(d) Adjustable rate mortgage loans which comply with the requirements of this paragraph (d) are eligible for guaranty.

(1) *Interest rate index.* Changes in the interest rate charged on an adjustable rate mortgage must correspond to changes in the weekly average yield on one year (52 weeks) Treasury bills adjusted to a constant maturity. Yields on one year Treasury bills at "constant maturity" are interpolated by the United States Treasury from the daily yield curve. This curve, which relates the yield on the security to its time to maturity, is based on the closing market bid yields on actively traded one year Treasury bills in the over-the-counter market. The weekly average one year constant maturity Treasury bill yields are published by the Federal Reserve Board of the Federal Reserve System. The Federal Reserve Statistical Release Report H. 15 (519) is released each Monday. These one year constant maturity Treasury bill yields are also published monthly in the Federal Reserve Bulletin, published by the Federal Reserve Board of the Federal Reserve System, as well as quarterly in the Treasury Bulletin, published by the Department of the Treasury.

(2) *Frequency of interest rate changes.* Interest rate adjustments must occur on an annual basis, except that the first adjustment may occur no sooner than 12 months nor later than 18 months from the date of the borrower's

first mortgage payment. The adjusted rate will become effective the first day of the month following the adjustment date; the first monthly payment at the new rate will be due on the first day of the following month. To set the new interest rate, the lender will determine the change between the initial (i.e., base) index figure and the current index figure. The initial index figure shall be the most recent figure available before the date of mortgage loan origination. The current index figure shall be the most recent index figure available 30 days before the date of each interest rate adjustment.

(3) *Method of rate changes.* Interest rate changes may only be implemented through adjustments to the borrower's monthly payments.

(4) *Initial rate and magnitude of changes.* The initial contract interest rate of an adjustable rate mortgage shall be agreed upon by the lender and the veteran. The rate must be reflective of adjustable rate lending. Annual adjustments in the interest rate shall be set at a certain spread or margin over the interest rate index prescribed in paragraph (d)(1) of this section. Except for the initial rate, this margin shall remain constant over the life of the loan. Annual adjustments to the contract interest rate shall correspond to annual changes in the interest rate index, subject to the following conditions and limitations:

(i) No single adjustment to the interest rate may result in a change in either direction of more than one percentage point from the interest rate in effect for the period immediately preceding that adjustment. Index changes in excess of one percentage point may not be carried over for inclusion in an adjustment in a subsequent year. Adjustments in the effective rate of interest over the entire term of the mortgage may not result in a change in either direction of more than five percentage points from the initial contract interest rate.

(ii) At each adjustment date, changes in the index interest rate, whether increases or decreases, must be translated into the adjusted mortgage interest rate, rounded to the nearest one-eighth of one percent, up or down. For example, if the margin is 2 percent and

the new index figure is 6.06 percent, the adjusted mortgage interest rate will be 8 percent. If the margin is 2 percent and the new index figure is 6.07 percent, the adjusted mortgage interest rate will be $8\frac{1}{8}$ percent.

(5) *Pre-loan disclosure.* The lender shall explain fully and in writing to the borrower, no later than on the date upon which the lender provides the prospective borrower with a loan application, the nature of the obligation taken. The borrower shall certify in writing that he or she fully understands the obligation and a copy of the signed certification shall be placed in the loan folder and included in the loan submission to VA. Such lender disclosure must include the following items:

(i) The fact that the mortgage interest rate may change, and an explanation of how changes correspond to changes in the interest rate index;

(ii) Identification of the interest rate index, its source of publication and availability;

(iii) The frequency (i.e., annually) with which interest rate levels and monthly payments will be adjusted, and the length of the interval that will precede the initial adjustment; and

(iv) A hypothetical monthly payment schedule that displays the maximum potential increases in monthly payments to the borrower over the first five years of the mortgage, subject to the provisions of the mortgage instrument.

(6) *Annual disclosure.* At least 25 days before any adjustment to a borrower's monthly payment may occur, the lender must provide a notice to the borrower which sets forth the date of the notice, the effective date of the change, the old interest rate, the new interest rate, the new monthly payment amount, the current index and the date it was published, and a description of how the payment adjustment was calculated. A copy of the annual disclosure shall be made a part of the lender's permanent record on the loan.

§36.4312 Charges and fees.

(a) No charge shall be made against, or paid by, the borrower incident to the

making of a guaranteed or insured loan other than those expressly permitted under paragraph (d) or (e) of this section, and no loan shall be guaranteed or insured unless the lender certifies to the Secretary that it has not imposed and will not impose any charges or fees against the borrower in excess of those permissible under paragraph (d) or (e) of this section. Any charge which is proper to make against the borrower under the provisions of this paragraph may be paid out of the proceeds of the loan: *Provided*, That if the purpose of the loan is to finance the purchase or construction of residential property the costs of closing the loan including the pro rata portion of the ground rents, hazard insurance premiums, current year's taxes, and other prepaid items normally involved in financing such transaction may not be included in the loan.

(b) Except as provided in the regulations concerning the guaranty or insurance of loans to veterans, no brokerage or service charge or their equivalent may be charged against the debtor or the proceeds of the loan either initially, periodically, or otherwise.

(c) Brokerage or other charges shall not be made against the veteran for obtaining any guaranty or insurance under 38 U.S.C. chapter 37, nor shall any premiums for insurance on the life of the borrower be paid out of the proceeds of a loan.

(d) The following schedule of permissible fees and charges shall be applicable to all Department of Veterans Affairs guaranteed or insured loans.

(1) The veteran may pay reasonable and customary amounts for any of the following items:

(i) Fees of Department of Veterans Affairs appraiser and of compliance inspectors designated by the Department of Veterans Affairs except appraisal fees incurred for the predetermination of reasonable value requested by others than veteran or lender.

(ii) Recording fees and recording taxes or other charges incident to recording.

(iii) Credit report.

(iv) That portion of taxes, assessments, and other similar items for the current year chargeable to the borrower and an initial deposit (lump-sum

Department of Veterans Affairs

§ 36.4312

payment) for the tax and insurance account.

(v) Hazard insurance required by § 36.4326.

(vi) Survey, if required by lender or veteran; except that any charge for a survey in connection with a loan under §§ 36.4356 through 36.4360a (Condominium Loans) must have the prior approval of the Secretary.

(vii) Title examination and title insurance, if any.

(viii) The actual amount charged for flood zone determinations, including a charge for a life-of-the-loan flood zone determination service purchased at the time of loan origination, if made by a third party who guarantees the accuracy of the determination. A fee may not be charged for a flood zone determination made by a Department of Veterans Affairs appraiser or for the lender's own determination.

(ix) Such other items as may be authorized in advance by the Under Secretary for Benefits as appropriate for inclusion under this paragraph as proper local variances.

(2) A lender may charge and the veteran may pay a flat charge not exceeding 1 percent of the amount of the loan, provided that such flat charge shall be in lieu of all other charges relating to costs of origination not expressly specified and allowed in this schedule.

(3) In cases where a lender makes advances to a veteran during the progress of construction, alteration, improvement, or repair, either under a commitment of the Department of Veterans Affairs to issue a guaranty certificate or insurance credit upon completion, or where the lender would be entitled to guaranty or insurance on such advances when reported under automatic procedure, the lender may make a charge against the veteran of not exceeding 2 percent of the amount of the loan for its services in supervising the making of advances and the progress of construction notwithstanding that the "holdback" or final advance is not actually paid out until after the construction, alteration, improvement, or repair is fully completed: *Provided*, That the major portion (51 percent or more) of the loan proceeds is paid out during the actual progress of the construction, alteration, improvement, or

repair. Such charge may be in addition to the 1 percent charge allowed under paragraph (d)(2) of this section.

(4) In consideration, alteration, improvement or repair loans, including supplemental loans made pursuant to § 36.4355, where no charge is permissible under the provisions of paragraph (d)(3) of this section the lender may charge and the veteran may pay a flat sum not exceeding 1 percent of the amount of the loan. Such charge may be in addition to the 1 percent allowed under paragraph (d)(2) of this section.

(5) The fees and charges permitted under this paragraph are maximums and are not intended to preclude a lender from making alternative charges against the veteran which are not specifically authorized in the schedule provided the imposition of such alternative charges would not result in an aggregate charge or payment in excess of the prescribed maximum.

(6) Allowable discounts. The veteran borrower subject to the limitations set forth in paragraphs (d) (6) and (7) of this section may pay a discount required by a lender when the proceeds of the loan will be used for any of the following purposes:

(i) To refinance existing indebtedness pursuant to 38 U.S.C. 3710(a)(5), (8), (9)(B)(i) or (ii);

(ii) To repair, alter or improve a dwelling owned by the veteran pursuant to 38 U.S.C. 3710(a) (4) or (7) if such loan is to be secured by a first lien;

(iii) To construct a dwelling or farm residence on land already owned or to be acquired by the veteran, provided that the veteran did not or will not acquire the land directly or indirectly from a builder or developer who will be constructing such dwelling or farm residence;

(iv) To purchase a dwelling from a class of sellers which the Secretary determines are legally precluded under all circumstances from paying such a discount if the best interest of the veteran would be so served.

(7) Computation of discounts—(i) Computation of discount—loans secured by a first lien. Unless otherwise approved by the Secretary, the discount, if any, to be paid by the borrower may not exceed the difference between the bid price, rounded to the

lower whole number, and par value for GNMA (Government National Mortgage Association) 90-day forward bid closing price for pass through securities $\frac{1}{2}$ percent less than the face note rate of the loan. Unless the lender and borrower negotiate a firm written commitment for a maximum amount of discount to be paid, the bid price to be used in the computation must be the GNMA 90-day forward bid closing quote for any day 1 to 4 business days prior to loan closing. "Loan closing" is defined for this purpose as the date on which the borrower's 3-day right of rescission commences pursuant to the Truth in Lending Act. If the lender and borrower choose to negotiate a firm discount commitment for a maximum amount of discount to be paid, the bid price to be used in establishing the maximum discount must be the closing quote for the business day prior to the date of the commitment. Lenders negotiating firm commitments must close that loan at a discount no higher than the firm commitment regardless of changes in the maximum allowable Department of Veterans Affairs interest rate. If a lender's commitment expires prior to loan closing, the lender and borrower may negotiate a new firm commitment based on the procedure outlined in this paragraph (d)(7)(i) or may use the procedure for determining the discount based on the GNMA 90-day forward bid closing quote for any day 1 to 4 business days prior to loan closing.

(ii) Computation of discount—unsecured loans or loans secured by less than a first lien. The borrower, subject to the limitations set forth in paragraphs (d) (6) and (7) of this section, may pay a discount required by the lender when the proceeds of the loan will be used to repair, alter, or improve a dwelling owned by the veteran pursuant to 38 U.S.C. 3710(a)(4) or (7) if such loan is unsecured or secured by less than a first lien. No such discount may be charged unless:

(A) The loan is submitted to the Secretary for prior approval;

(B) The dollar amount of the discount is disclosed to the Secretary and the veteran prior to the issuance by the Secretary of the certificate of commitment. Said certificate of commitment shall specify the discount to be

paid by the veteran, and this discount may not be increased once the commitment is issued without the approval of the Secretary;

(C) The discount has been determined by the Secretary to be reasonable in amount.

(iii) A veteran may pay the discount on an acquisition and improvement loan (as defined in § 36.4301 provided:

(A) The veteran pays no discount on the acquisition portion of the loan except in accordance with paragraph (d)(6)(iv) of this section; and

(B) The discount paid on the improvements portion of the loan does not exceed the percentage of discount paid on the acquisition portion of the loan.

Acquisition and improvement loans may be closed either on the automatic or prior approval basis.

(iv) Unless the Under Secretary for Benefits otherwise directs, all powers of the Secretary under paragraphs (d) (6) and (7) of this section are hereby delegated to the officials designated by § 36.4342(b).

(Authority: 38 U.S.C. 3703, 3710; 42 U.S.C. 4001 note, 4012a)

(8) On any loan to which section 3714 of 38 U.S.C. chapter 37 applies, the holder may charge a reasonable fee, not to exceed the lesser of (i) \$300 and the actual cost of any credit report required, or (ii) any maximum prescribed by applicable State law, for processing an application for assumption and changing its records.

(Authority: 38 U.S.C. 3714)

(e) Subject to the limitations set out in paragraph (e)(4) of this section, a fee must be paid to the Secretary.

(1) The fee on loans to veterans shall be as follows:

(i) On all interest rate reduction refinancing loans guaranteed under 38 U.S.C. 3710(a)(8), (a)(9)(B)(i), and (a)(11), the fee shall be 0.50 percent of the total loan amount.

(ii) On all refinancing loans other than those described in paragraph (e)(1)(i) of this section, the funding fee shall be 2.75 percent of the loan amount for loans to veterans whose entitlement is based on service in the Selected Reserve under the provisions of

Department of Veterans Affairs

§ 36.4312

38 U.S.C. 3701(b)(5), and 2 percent of the loan amount for loans to all other veterans; provided, however, that if the veteran is using entitlement for a second or subsequent time, the fee shall be 3 percent of the loan amount.

(iii) Except for loans to veterans whose entitlement is based on service in the Selected Reserve under the provisions of 38 U.S.C. 3701(b)(5), the funding fee shall be 2 percent of the total loan amount for all loans for the purchase or construction of a home on which the veteran does not make a down payment, unless the veteran is using entitlement for a second or subsequent time, in which case the fee shall be 3 percent. On purchase or construction loans on which the veteran makes a down payment of 5 percent or more, but less than 10 percent, the amount of the funding fee shall be 1.50 percent of the total loan amount. On purchase or construction loans on which the veteran makes a down payment of 10 percent or more, the amount of the funding fee shall be 1.25 percent of the total loan amount.

(iv) On loans to veterans whose entitlement is based on service in the Selected Reserve under the provisions of 38 U.S.C. 3701(b)(5), the funding fee shall be 2.75 percent of the total loan amount on loans for the purchase or construction of a home on which the veteran does not make a down payment, unless the veteran is using entitlement for a second or subsequent time, in which case the fee shall be 3 percent. On purchase or construction loans on which veterans whose entitlement is based on service in the Selected Reserve make a down payment of 5 percent or more, but less than 10 percent, the amount of the funding fee shall be 2.25 percent of the total loan amount. On purchase or construction loans on which such veterans make a down payment of 10 percent or more, the amount of the funding fee shall be 2 percent of the total loan amount.

(v) All or part of the fee may be paid in cash at loan closing or all or part of the fee may be included in the loan without regard to the reasonable value of the property or the computed maximum loan amount, as appropriate. In computing the fee, the lender will dis-

regard any amount included in the loan to enable the borrower to pay such fee.

(Authority: 38 U.S.C. 3729)

(2) Subject to the limitations set out in this section, a fee of one-half of one percent of the loan balance must be paid to the Secretary in a manner prescribed by the Secretary by a person assuming a loan to which section 3714 of title 38 U.S. Code applies. The instrument securing such a loan shall contain a provision describing the right of the holder to collect this fee as trustee for the Department of Veterans Affairs. The loan holder shall list the amount of this fee in every assumption statement provided and include a notice that the fee must be paid to the holder immediately following loan settlement. The fee must be transmitted to the Secretary within 15 days of the receipt by the holder of the notice of transfer.

(Authority: 38 U.S.C. 3714, 3729(d))

(3) The lender is required to pay to the Secretary the fee described in paragraph (e)(1) of this section within 15 days after loan closing. Any lender closing a loan, subject to the limitations set out in paragraph (e)(4) of this section who fails to submit timely payment of this fee will be subject to a late charge equal to 4 percent of the total fee due. If payment of the fee described in paragraph (e)(1) of this section is made more than 30 days after loan closing, interest will be assessed at a rate set in conformity with the Department of Treasury's Fiscal Requirements Manual. This interest charge is in addition to the 4 percent late charge, but the late charge is not included in the amount on which interest is computed. This interest charge is to be calculated on a daily basis beginning on the date of closing, although the interest will be assessed only on funding fee payments received more than 30 days after closing.

(4) The lender is required to pay to the Secretary electronically through the Automated Clearing House (ACH) system the fees described in paragraphs (e)(1) and (e)(2) of this section and any late fees and interest due on them. This shall be paid to a collection agent

by operator-assisted telephone, terminal entry, or CPU-to-CPU transmission. The collection agent will be identified by the Secretary. The lender shall provide the collection agent with the following: authorization for payment of the funding fee (including late fees and interest) along with the following information: VA lender ID number; four-digit personal identification number; dollar amount of debit; VA loan number; OJ (office of jurisdiction) code; closing date; loan amount; information about whether the payment includes a shortage, late charge, or interest; veteran name; loan type; sale amount; downpayment; whether the veteran is a reservist; and whether this is a subsequent use of entitlement. For all transactions received prior to 8:15 p.m. on a workday, VA will be credited with the amount paid to the collection agent at the opening of business the next banking day.

(Authority: 38 U.S.C. 3729(a))

(5) The fees described in paragraph (e)(1) and (e)(2) of this section shall not be collected from a veteran who is receiving compensation (or who but for the receipt of retirement pay would be entitled to receive compensation) or from a surviving spouse described in section 3701(b) of title 38, United States Code.

(Authority: 38 U.S.C. 3729(b))

§ 36.4313 Advances and other charges.

(a) A holder may advance any amount reasonably necessary and proper for the maintenance or repair of the security, or for the payment of accrued taxes, special assessments, ground or water rents, or premiums on fire or other casualty insurance against loss of or damage to such property and any such advance so made may be added to the guaranteed or insured indebtedness. A holder may also advance the

one-half of one percent funding fee due on a transfer under 38 U.S.C. 3714 when this is not paid at the time of transfer. All security instruments for loans to which 38 U.S.C. 3714 applies must include a clause authorizing the collection of an assumption funding fee and an advance for this fee if it is not paid at the time of transfer.

(Authority: 38 U.S.C. 3714)

(b) In addition to advances allowable under paragraph (a) of this section, the holder may charge against the proceeds of the sale of the security; against gross amounts collected; in any accounting to the Secretary after payment of a claim under the guaranty, in the computation of a claim under the guaranty, if lawfully authorized by the loan agreement and subject to §36.4321(a), or, in the computation of an insurance loss, any of the following items actually paid:

(1) Any expense which is reasonably necessary for preservation of the security,

(2) Court costs in a foreclosure or other proper judicial proceeding involving the security,

(3) Other expenses reasonably necessary for collecting the debt, or repossession or liquidation of the security,

(4) Reasonable trustee's fees or commissions not in excess of those allowed by statute and in no event in excess of 5 percent of the unpaid indebtedness,

(5) Reasonable amount for legal services actually performed not to exceed 10 percent of the unpaid indebtedness as of the date of the first uncured default, or \$850 whichever is less. In no event may the combined total of the amounts claimed for trustee's fees and legal services (paragraphs (b)(4) and (5) of this section) exceed \$850.

(6) The cost of a credit report(s) on the debtor(s), which is (are) to be forwarded to the Secretary in connection with the claim,

(7) Reasonable and customary costs of property inspections,

(8) Any other expense or fee that is approved in advance by the Secretary.

(Authority: 38 U.S.C. 3720(a)(3))

(c) Any advances or charges enumerated in paragraph (a) or (b) of this section may be included as specified in the

holder's accounting to the Secretary, but they are not chargeable to the debtor unless he or she otherwise be liable therefor.

(d) Advances of the type enumerated in paragraph (a) of this section and any other advances determined to be necessary and proper in order to preserve or protect the security may be authorized by employees designated in § 36.4342(b) in the case of any property constituting the security for a loan acquired by the Secretary or constituting the security for the unpaid balance of the purchase price owing to the Secretary on account of the sale of such property. Such advances shall be secured to the extent legal and practicable by a lien on the property.

(e) Notwithstanding the provisions of paragraph (a) or (b) of this section, holders of condominium loans guaranteed or insured under 38 U.S.C. 3710(a)(6) shall not pay those assessments or charges allocable to the condominium unit which are provided for in the instruments establishing the condominium form of ownership in the absence of the prior approval of the Secretary.

§ 36.4314 Extensions and reamortizations.

(a) Provided the debtor(s) is (are) a reasonable credit risk(s), as determined by the holder based upon review of the debtor's (s') creditworthiness, including a review of a current credit report(s) on the debtor(s), the terms of repayment of any loan may by written agreement between the holder and the debtor(s), be extended in the event of default, to avoid imminent default, or in any other case where the prior approval of the Secretary is obtained. Except with the prior approval of the Secretary, no such extension shall set a rate of amortization less than that sufficient to fully amortize at least 80 percent of the loan balance so extended within the maximum maturity prescribed for loans of its class.

(b) In the event of a partial prepayment pursuant to § 36.4310, the balance of the indebtedness may, by written agreement between the holder and the debtor(s), be reamortized, provided the reamortization schedule will result in full repayment of the loan within the original maturity, and provided the debtor(s) is (are) reasonable credit risk(s), as determined by the holder based upon review of the debtor's (s') creditworthiness, including a review of a current credit report(s) on the debtor(s).

(c) In the event an additional loan is proposed to be made pursuant to § 36.4351 for the repair, alteration, or improvement of real property on which there is an existing loan guaranteed or insured under 38 U.S.C. chapter 37, the terms of repayment of the prior loan may, by written agreement between the holder and the debtor, be recast to combine the schedule of repayments on the two loans, provided the entire indebtedness is repayable within the permissible maximum maturity of the original loan.

(d) Unless the prior approval of the Secretary has been obtained, any extension or reamortization agreed to by a holder which relieves any obligor from liability will release the liability of the Secretary under the guaranty or insurance on the entire loan. However, if such release of liability of an obligor results through operation of law by reason of an extension or other act of forbearance, the liability of the Secretary as guarantor or insurer will not be affected thereby, provided the required lien is maintained and the title holder is and will remain liable for the payment of the indebtedness: *And further provided*, That if such extension or act of forbearance will result in the release of the veteran, all delinquent installments, plus any foreclosure expenses which may have been incurred, shall have been fully paid.

(e) The holder shall promptly forward to the Secretary an advice of the terms of any agreement effecting a reamortization or extension of a guaranteed or insured loan, together with a

§ 36.4315 Notice of default and acceptability of partial payments.

(a) *Reporting of defaults.* The holder of any guaranteed or insured loan shall give notice to the Secretary within 45 days after any debtor:

(1) Is in default by reason of non-payment of any installment for a period of 60 days from the date of first uncured default (see § 36.4301(f)); or

(2) Is in default by failing to comply with any other covenant or obligation of such guaranteed or insured loan which failure persists for a continuing period of 90 days after demand for compliance therewith has been made, except that if the default is due to non-payment of real estate taxes, the notice shall not be required until the failure to pay when due has persisted for a continuing period of 180 days.

(b) *Partial payments.* A partial payment is a remittance on a loan in default (as defined in § 36.4301(g)) of any amount less than the full amount due under the terms of the loan and security instruments at the time the remittance is tendered.

(1) Except as provided in paragraph (b)(2) of this section, or upon the express waiver of the Secretary, the mortgage holder shall accept any partial payment and either apply it to the mortgagor's account or identify it with the mortgagor's account and hold it in a special account pending disposition. When partial payments held for disposition aggregate a full monthly installment, including escrow, they shall be applied to the mortgagor's account.

(2) A partial payment may be returned to the mortgagor, within 10 calendar days from date of receipt of such payment, with a letter of explanation only if one or more of the following conditions exist:

(i) The property is wholly or partially tenant-occupied and rental payments are not being remitted to the holder for application to the loan account;

(ii) The payment is less than one full monthly installment, including escrows and late charge, if applicable, unless the lesser payment amount has been agreed to under a written repayment plan;

(iii) The payment is less than 50 percent of the total amount then due, unless the lesser payment amount has been agreed to under a written repayment plan;

(iv) The payment is less than the amount agreed to in a written repayment plan;

(v) The amount tendered is in the form of a personal check and the holder has previously notified the mortgagor in writing that only cash or certified remittances are acceptable;

(vi) A delinquency of any amount has continued for at least 6 months since the account first became delinquent and no written repayment plan has been arranged;

(vii) Foreclosure has been commenced by the taking of the first action required for foreclosure under local law;

(viii) The holder's lien position would be jeopardized by acceptance of the partial payment.

(3) A failure by the holder to comply with the provisions of this paragraph may result in a partial or total loss of guaranty or insurance pursuant to § 36.4325(b), but such failure shall not constitute a defense to any legal action to terminate the loan.

§ 36.4316 Continued default.

(a) In the event any failure of the debtor to discharge the debtor's obligations under the loan continues for a period of 3 months, or for more than 1 month on an extended loan or on a term loan, the holder may at the holder's option then or thereafter give the notice prescribed in § 36.4317.

(b) The notice prescribed in § 36.4317 may be submitted prior to the time prescribed in paragraph (a) of this section in any case where any material prejudice to the rights of the holder or

§ 36.4317 Notice of intention to foreclose.

(See also § 36.4319.) Except upon the express waiver of the Secretary, a holder shall not begin proceedings in court or give notice of sale under power of sale, or otherwise take steps to terminate the debtor's rights in the security until the expiration of 30 days after delivery by registered mail to the Secretary of a notice of intention to take such action: Provided, That

(a) Immediate action as required under 38 CFR 36.4346 (i), may be taken if the property to be affected thereby has been abandoned by the debtor or has been or may be otherwise subjected to extraordinary waste or hazard, or if there exist conditions justifying the appointment of a receiver for the property (without reference to any contractual provisions for such appointment);

(b) Any right of a holder to repossess personal property may be exercised without prior notice to the Secretary; but notice of any such action taken shall be given by certified mail to the Secretary within ten days thereafter; and

(c) The notice required under this paragraph shall also be provided to the original veteran-borrower and any other liable obligors by certified mail within 30 days after such notice is provided to the Secretary in all cases in which the current owner of the property is not the original veteran-borrower. A failure by the holder to make a good faith effort to comply with the provisions of this subparagraph may result in a partial or total loss of guaranty or insurance pursuant to VA Regulation 36.4325(b), but such failure shall not constitute a defense to any legal action to terminate the loan. A good faith effort will include, but is not limited to:

(1) A search of the holder's automated and physical loan record systems to identify the name and current or last known address of the original veteran and any other liable obligors;

(2) A search of the holder's automated and physical loan record systems to identify sufficient information (e.g., Social Security Number) to perform a routine trace inquiry through a major consumer credit bureau;

(3) Conducting the trace inquiry using an in-house credit reporting terminal;

(4) Obtaining the results of the inquiry;

(5) Mailing the required notices and concurrently providing the Secretary with the names and addresses of all obligors identified and sent notice; and,

(6) Documentation of the holder's records.

§ 36.4318 Refunding of loans in default.

(a) Upon receiving a notice of default or a notice under § 36.4317, the Secretary may within 30 days thereafter require the holder upon penalty of otherwise losing the guaranty or insurance to transfer and assign the loan and the security therefore to the Secretary or to another designated by the Secretary upon receipt of payment in full of the balance of the indebtedness remaining unpaid to the date of such assignment. Such assignment may be made without recourse but the transferor shall not thereby be relieved from the provisions of § 36.4325.

(b) If the obligation is assigned or transferred to a third party pursuant to paragraph (a) of this section the Secretary may continue in effect the guaranty or insurance issued with respect to the previous loan in such manner as to cover the assignee or transferee.

§ 36.4319 Legal proceedings.

(a) When the holder institutes suit or otherwise becomes a party in any legal or equitable proceeding brought on or

in connection with the guaranteed or insured indebtedness, or involving title to, or other lien on, the security, such holder, within the time that would be required if the Secretary were a party to the proceeding, shall deliver to the Secretary, by mail or otherwise, by making such delivery to the loan guaranty officer at the office which granted the guaranty or the insurance, or other office to which the holder has been notified the file is transferred, a copy of every procedural paper filed on behalf of holder, and shall also so deliver, as promptly as possible, a copy of each similar pleading served on holder or filed in the cause by any other party thereto. Notice of, or motion for, continuance and orders thereon are excepted from the foregoing.

(b) A copy of a notice of sale shall be similarly delivered by the holder, or the holder's agent or trustee, to the Secretary at the VA Regional Office of jurisdiction at least 30 days prior to the scheduled liquidation sale, or within 5 days after the date of first publication of the notice, whichever is later. A copy of any other notice of sale or acquisition of the property served on the holder or advice of any sale of which the holder has knowledge shall be similarly delivered to the Secretary, including any such notice of a tax sale or other superior lien or judicial sale. Such notice shall be accompanied by a statement of the account indebtedness and a copy of the liquidation appraisal request, if not previously delivered.

(Authority: 38 U.S.C. 3732)

(c) The procedure prescribed in paragraphs (a) and (b) of this section shall not be applicable in any proceeding to which the Secretary is a party, after the Secretary's appearance shall have been entered therein by a duly authorized attorney.

(d) In any legal or equitable proceeding (including probate and bankruptcy proceedings) to which the Secretary is a party, original process and any other process prior to appearance, proper to be served on the Secretary, shall be delivered to the loan guaranty officer of the regional office of the VA having jurisdiction of the area in which the court is situated. Within the time required by applicable law, or rule of

court, the Secretary will cause appropriate special or general appearance to be entered in the case by an authorized attorney.

(Authority: 38 U.S.C. 3732)

(e) After appearance of the Secretary by attorney all process and notice otherwise proper to serve on the Secretary before or after judgment, if served on the attorney of record, shall have the same effect as if the Secretary were personally served within the jurisdiction of the court.

(Authority: 38 U.S.C. 3732)

(f) If following a default, the holder does not bring appropriate action within 30 days after requested in writing by the Secretary to do so, or does not prosecute such action with reasonable diligence, the Secretary may at the Secretary's option fix a date beyond which no further charges may be included in the computation of the indebtedness for the purposes of accounting between the holder and the Secretary. The Secretary may also intervene in, or begin and prosecute to completion any action or proceeding, in the Secretary's name or in the name of the holder, which the Secretary deems necessary or appropriate. The Secretary shall pay, in advance if necessary, any court costs or other expenses incurred by the Secretary or properly taxed against the Secretary in any such action to which the Secretary is a party, but may charge the same, and also a reasonable amount for legal services, against the guaranteed or insured indebtedness, or the proceeds of the sale of the security to the same extent as the holder (see §36.4313 of this part), or otherwise collect from the holder any such expenses incurred by the Secretary because of the neglect or failure of the holder to take or complete proper action. The rights and remedies herein reserved are without prejudice to any other rights, remedies, or defenses, in law or in equity, available to the Secretary.

§ 36.4320 Sale of security.

(a) Upon receipt by the Secretary of notice of a liquidation sale of any security for a guaranteed or insured loan, the Secretary shall determine the net value of the security and shall notify the holder of the net value and of the regulatory provision which will govern the disposition of the security.

(1) If the net value of the real property securing a guaranteed or insured loan exceeds the unguaranteed portion of the indebtedness, the Secretary shall specify in advance of the liquidation sale the minimum amount which shall be credited to the indebtedness of the borrower on account of the value of the security to be sold, subject to the following:

(i) The specified amount in such cases shall be the lesser of the net value of the property or the total indebtedness.

(ii) If a minimum amount for credit to the indebtedness has been specified in relation to a liquidation sale of real property, and:

(A) The holder acquires the property, or the rights to the property, at the sale for an amount not in excess of such specified amount, the holder shall credit to the indebtedness the amount specified. The holder then may retain the property or, not later than 15 days after the date of sale, advise the Secretary of the holder's election to convey or transfer the property, or the rights to the property, to the Secretary;

(B) The holder acquires the property, or the rights to the property, at the liquidation sale for an amount in excess of the specified amount, the indebtedness shall be credited with the proceeds of the sale. The holder may elect to convey the property to the Secretary under the terms of paragraph (a)(1)(ii)(A) of this section, unless a bid in excess of the specified amount was made pursuant to paragraph (a)(3) of this section.

(Authority: 38 U.S.C. 3732(c))

(C) A third party acquires the property, or the rights to the property, at the liquidation sale for an amount equal to or in excess of that specified, the holder shall credit to the indebtedness the net proceeds of the sale;

(D) A third party acquires the property, or the rights to the property, at the liquidation sale for an amount less than that specified, the holder shall credit to the indebtedness the amount specified.

(iii) If a minimum amount has been specified by the Secretary, the Secretary's liability under loan guaranty shall be the total indebtedness less the amount credited to the indebtedness under paragraph (a)(1)(ii) of this section, not to exceed the Secretary's maximum liability as computed under § 35.4321 of this part.

(2) If the net value of the real property securing a guaranteed or insured loan does not exceed the unguaranteed portion of the indebtedness:

(i) The Secretary shall notify the holder that no minimum amount will be specified for credit to the indebtedness on account of the value of the security to be sold;

(ii) The Secretary may not accept conveyance or transfer of the property;

(iii) The holder shall credit against the indebtedness the net proceeds of the sale, and the Secretary's liability under loan guaranty shall be limited to the total indebtedness less the amount credited to the indebtedness not to exceed the Secretary's maximum liability as computed under § 36.4321 of this part; and

(iv) The liability of the Secretary shall not be subject to adjustment by reason of any subsequent disposition of the property by the holder.

(3) If a minimum bid is required under applicable State law, or decree of foreclosure or order of sale, or other lawful order or decree, and:

(i) Such minimum bid exceeds an amount which has been specified by the Secretary under paragraph (a)(1) of this section; and

(ii) The holder acquires the property at the liquidation sale for an amount not exceeding the amount legally required; the holder may elect to convey the property to the Secretary pursuant to paragraph (a)(1)(ii)(A) of this section. The amount bid at the sale or the total indebtedness, whichever is less, shall govern instead of the specified

amount and for the purpose of determining the Secretary's liability under loan guaranty.

(Authority: 38 U.S.C. 3732)

(b) The holder should not carry out a liquidation sale until the Secretary has furnished the notice required under paragraph (a) of this section. In the event the holder carries out a liquidation sale prior to receiving such notice, the holder shall credit against the indebtedness the greater of:

- (1) The net proceeds of the sale; or
- (2) The amount of the indebtedness or the net value of the property, whichever is less.

The provisions of paragraph (a)(1)(ii)(A) of this section, which extends to the holder the option of conveying or transferring the property to the Secretary, shall not be applicable, and the Secretary's liability under the loan guaranty shall be the total indebtedness less the amount credited to the indebtedness under paragraph (b) (1) or (2) of this section, not to exceed the Secretary's maximum liability as computed under § 36.4321 of this part.

(Authority: 38 U.S.C. 3732)

(c) When a debtor proposes to convey or transfer any real property to a holder to avoid foreclosure or other judicial, contractual, or statutory disposition of the obligation or of the security, the consent of the Secretary to the terms of such proposal shall be obtained in advance of such conveyance or transfer. In consenting to the terms of the debtor's proposal the Secretary shall furnish the notice required under paragraph (a) of this section.

(Authority: 38 U.S.C. 3732)

(d) Upon receipt by the Secretary of notice of a judicial or statutory sale, or other public sale under power of sale contained in the loan instruments, to liquidate any personal property which is security for a guaranteed or insured loan, the Secretary may specify in advance of such sale the minimum amount which shall be credited to the indebtedness of the borrower on account of the value of the security to be sold.

- (1) If a minimum amount has been specified by the Secretary, and

(i) The holder is the successful bidder at the sale for an amount not in excess of such minimum amount, the holder shall sell the property pursuant to paragraph (d)(3) of this section and the amount realized from the resale of the property shall govern, instead of the specified minimum amount, in the final accounting for determining the rights and liabilities of the holder and the Secretary,

(ii) A third party is the successful bidder at the sale for an amount equal to or in excess of that specified, the holder shall credit to the indebtedness the net proceeds of the sale,

(iii) A third party is the successful bidder at the sale for an amount less than that specified, the holder shall credit to the indebtedness the amount specified,

(iv) The holder is the successful bidder at the sale for an amount in excess of the specified amount, the indebtedness shall be credited with the proceeds of the sale or the amount realized from the resale of the property pursuant to paragraph (d)(3) of this section, whichever is the greater, unless the bid in excess of the specified amount was made pursuant to paragraph (d)(4) of this section.

(2) If a minimum amount has not been specified by the Secretary under paragraph (d)(1) of this section, the holder shall credit against the indebtedness the net proceeds of the sale except as provided in paragraph (d)(4) of this section.

(3) If personal property has been repossessed or otherwise acquired by a holder and no public sale is proposed or required to be held to entitle the holder to effect a further disposition of such property, or if the holder is the successful bidder at the sale of personal property as provided in paragraph (d)(1) of this section, the holder shall sell the property within a reasonable time. The holder shall submit to the Secretary a written advice setting forth the price, terms, conditions and the expenses of the proposed sale at least 10 days in advance, and the Secretary shall either assent to such sale in which event the holder shall credit against the indebtedness the net proceeds of the sale or,

Department of Veterans Affairs

§ 36.4320

upon agreement to indemnify the holder to the extent of any increased or resultant loss, the Secretary may specify the minimum net price for which the security may be sold. If such amount has been specified, the holder shall sell the personal property within a reasonable time in the open market for the best price obtainable: *Provided, that* the prior approval of the Secretary shall be obtained if the property is to be sold for a net amount less than the specified amount, or if the property is to be sold on terms other than all cash. The ultimate net amount realized by the holder from such sale shall be reported by the holder to the Secretary in an accounting which will determine their respective rights and liabilities.

(4) If a minimum bid is required under applicable State law, or decree of foreclosure or order of sale, or other lawful order or decree, the holder may bid an amount not exceeding such amount legally required. If an amount has been specified by the Secretary and the holder is the successful bidder for an amount not exceeding the amount legally required, such specified amount shall govern for the purposes of this paragraph and for the purpose of computing the ultimate loss under the guaranty or insurance. In the event no amount is specified and the holder is the successful bidder for an amount not exceeding the amount legally required, the amount paid or payable by the Secretary under the guaranty shall not be subject to any adjustment by reason of such bid.

(Authority: 38 U.S.C. 3732)

(e) If the Secretary has specified an amount as provided in this section, and the holder learns of any material damage to the property occurring prior to the foreclosure sale or to the acceptance of a deed in lieu of foreclosure or prior to any other event to which such specified amount is applicable, the holder shall promptly advise the Secretary of such damage.

(f) The holder in accounting to the Secretary in connection with the disposition of any property in accordance with paragraph (a), (b), or (d) of this section, may include as a part of the indebtedness all actual expenses or costs of the proceedings, paid by the

holder, within the limits defined in §36.4313 of this part. In connection with the conveyance or transfer of property to the Secretary the holder may include in accounting to the Secretary the following expense items if actually paid by the holder, in addition to the consideration payable for the property under paragraph (g) of this section:

(Authority: 38 U.S.C. 3732)

(1) State and documentary stamp taxes as may be required.

(2) The customary cost of obtaining evidence of title in favor of the Secretary as specified in paragraph (h)(5) of this section but not including title evidence obtained incident to the making of the loan or any expenses incurred to clear title defects.

(3) Amount expended for taxes, special assessments, including such payments which are specified in paragraph (h)(4) of this section.

(4) Recording fees.

(5) Any other expenditures in connection with the property which are approved by the Secretary.

(g) In the event a holder elects to convey or transfer the property to the Secretary pursuant to paragraph (a), (b), or (c) of this section, the consideration to be paid by the Secretary in return for the property shall be the specified amount: *Provided, That* if a claim under the guaranty was previously paid, the consideration payable for the property shall be an amount equal to the indebtedness (less the amount previously paid on the guaranty) or the specified amount, whichever is less. If no claim under the guaranty was previously paid, the holder may, pursuant to §36.4321(b) submit a claim within the maximum guaranty liability for the difference between the specified amount and an amount equal to the indebtedness. In the case of an insured loan, the holder may submit a claim for the difference between an amount equal to the indebtedness and the specified amount pursuant to §36.4374.

(h) The conveyance or transfer of any property to the Secretary pursuant to paragraphs (a), (b), or (c) of this section shall be subject to the following provisions:

(1) If the holder's notice to the Secretary electing to convey or transfer

the property precedes the acquisition of the property by the holder and the holder then acquires the property, the holder shall promptly after such acquisition advise the Secretary of the acquisition. Such advice, or the notice of election if given subsequent to acquisition, shall state the amount of the successful bid (if the property was acquired by the holder at public sale) and shall state the insurance coverage then in force, specifying for each policy, the name of the insurance company, the hazard covered, the amount, and the expiration date.

(2) The holder may cancel any insurance in force when the holder acquires the property, provided the holder has obtained the prior approval of the Secretary. Coincident with the notice of election to convey or transfer the property to the Secretary or with the acquisition of the property by the holder, following such notice, whichever is later, the holder shall obtain endorsements on all such insurance policies naming the Secretary as an assured, as his/her interest may appear. Such insurance policies shall be forwarded to the Secretary at the time of the conveyance or transfer of the property to the Secretary or as soon after that time as feasible.

(3) Occupancy of the property by anyone properly in possession by virtue of and during a period of redemption, or by anyone else unless under a claim of title which makes the title sought to be conveyed by the holder of less dignity or quality than that required by this section, shall not preclude the holder from conveying or transferring the property to the Secretary. Except with the prior approval of the Secretary, the holder shall not rent the property to a new tenant, nor extend the term of an existing tenancy on other than a month-to-month basis.

(4) Any taxes, special assessments or ground rents due and payable within 30 days after date of conveyance or transfer to the Secretary shall be paid by the holder if bills therefor are obtainable before such conveyance or transfer.

(5) Each conveyance or transfer of real property to the Secretary pursuant to this section shall be acceptable if the holder thereby covenants or

warrants against the acts of the holder and those claiming under the holder (e.g., by special warranty deed) and if it vests in the Secretary or will entitle the Secretary to such title as is or would be acceptable to prudent lending institutions, informed buyers, title companies, and attorneys, generally, in the community in which the property is situated. Any title so acceptable will not be unacceptable to the Secretary by reason of any of the limitations on the quantum or quality of the property or title stated in §36.4350(b) of this part:

Provided, That (i) at the time of conveyance or transfer to the Secretary there has been no breach of any conditions affording a right to the exercise of any reverter, except that title will not be unacceptable to the Secretary by reason of a violation of a restriction based on race, color, creed, or national origin, whether or not such restriction provides for reversion or forfeiture of title or a lien for liquidated damages in the event of a breach.

(ii) With respect to any such limitations which came into existence subsequent to the making of the loan, full compliance was had with the requirements of §36.4324 of this part. The acceptability of a conveyance or transfer pursuant to the requirements of this paragraph will be established by delivery to the Secretary of any of the following evidence of title issued by an institution or person satisfactory to the Secretary, in form satisfactory to him/her showing that title to the property of the quality specified in this paragraph is or will be vested in the Secretary:

(A) A title policy insuring the Secretary in an amount approximately equal to the consideration for the property, or a commitment for such title policy; or

(B) A certificate of record title; or

(C) An abstract of title accompanied by a legal opinion as to the quality of such title of record; or

(D) A Torrens or similar title certificate; or

(E) Such other evidence of title as the Secretary may approve.

In lieu of such title evidence, the Secretary will accept a conveyance or

transfer with general warranty with respect to the title from a holder described in 38 U.S.C. 3702(d) or from a holder of financial responsibility satisfactory to the Secretary. In any case where the holder does not deliver evidence of title of the character specified in this paragraph, the holder to aid the Secretary in determination of acceptability of title shall without expense to the Secretary furnish such evidence of title, including survey, if any, as may have been obtained by the holder incident to the making of the loan or attendant to the foreclosure.

(6) Except with respect to matters covered by any covenants or warranties of the holder, the acceptance by the Secretary of a conveyance or transfer by the holder shall conclude the responsibility of the holder to the Secretary under the regulations of this subpart with respect to the title and in the event of the subsequent discovery of title defects, the Secretary shall have no recourse against the holder with respect to such title other than by reason of such covenants and warranties.

(7) As between the holder and the Secretary, the responsibility for any loss due to damage to or destruction of the property or due to personal injury sustained in respect to such property shall be governed by the provisions of this paragraph and paragraph (h)(10) of this section. Ordinary wear and tear excepted, the holder shall bear such risk of loss from the date of acquisition by the holder to the date such risk of loss is assumed by the Secretary. Such risk of loss is assumed by the Secretary from the date of receipt of the holder's election to convey or transfer the property to the Secretary or, in the event of receipt of notice of such election prior to acquisition, from the date of the Secretary's receipt of notice of acquisition by the holder:

Provided, That if custody over the property has not been delivered by the holder to the Secretary on the date when the Secretary otherwise would have assumed the risk of loss, the Secretary's assumption of the risk of loss will be deferred until such custody over the property is delivered, or until the property has been conveyed or transferred to the Secretary. The amount of

any loss chargeable to the holder may be deducted from the amount payable by the Secretary at the time the property is transferred. In any case where pursuant to the VA regulations rejection of the title is legally proper, the Secretary may surrender custody of the property as of the date specified in the Secretary's notice to the holder. The Secretary's assumption of such risk shall terminate upon such surrender.

(8) The holder shall not be liable to the Secretary for any portion of the paid or unpaid taxes, special assessments, ground rents, insurance premiums, or other similar items.

(9) The Secretary shall be entitled to all rentals and other income collected from the property and to any insurance proceeds or refunds subsequent to the date of acquisition by the holder.

(10) In respect to a property which was the security for a condominium loan guaranteed or insured 38 U.S.C. 3710(a)(6) the responsibility for any loss due to damage to or destruction of the property or due to personal injury sustained in respect to such property shall in no event pass to the Secretary until the Secretary expressly assumes such responsibility or until conveyance of the property to the Secretary, whichever first occurs. The holder shall have the right to convey such property to the Secretary only if the property (including elements of the development or project owned in common with other unit owners) is undamaged by fire, earthquake, windstorm, flooding or boiler explosion. The absence of a right in the holder to convey such property which is so damaged shall not preclude a conveyance, if the Secretary agrees in a given case to such a conveyance upon completion of repairs within a specified period of time and such repairs are so completed and the conveyance is otherwise in order.

(i)(1) The terms "date of sale" or "date of acquisition" as used in this section are defined as the date of the event (e.g., sale, confirmation of sale when required under local practice, delivery of deed in case of voluntary conveyance, etc.) which fixes the rights of the parties in the property.

(2) The term “property” or “real property” as used in this section shall include

(i) A leasehold estate which at the time of closing the loan was not less duration than prescribed by § 36.4350(a)(2) of this part, and

(ii) The rights derived by the holder through a foreclosure sale of real estate whether or not such rights constitute an estate in real property under local law.

(j) Except as provided in paragraph (h)(6) of this section, the provisions of this section shall not be in derogation of any rights which the Secretary may have under § 36.4325 of this part. The Under Secretary for Benefits, or the Director, Loan Guaranty Service, may authorize any deviation from the provisions of this section, within the limitations prescribed in 38 U.S.C. Chapter 37, which may be necessary or desirable to accomplish the objectives of this section if such deviation is made necessary by reason of any laws or practice in any State or Territory or the District of Columbia: *Provided, that* no such deviation shall impair the rights of any holder not consenting to the deviation with respect to loans made or approved prior to the date the holder is notified of such action.

§ 36.4321 Computation of guaranty claims; subsequent accounting.

(a) Subject to the limitation that the total amounts payable shall in no event exceed the amount originally guaranteed, the amount payable on a claim for the guaranty shall be the percentage of the loan originally guaranteed applied to the indebtedness computed as of the earliest of the following dates:

(1) The date of the liquidation sale; or,

(2) The cutoff date established under paragraph (f) of § 36.4319 of this part; or,

(3) The cutoff date established under paragraph (b) of this section.

Deposits or other credits or setoffs legally applicable to the indebtedness on the date of computation shall be applied in reduction of the indebtedness on which the claim is based. Any escrowed or earmarked funds not subject to superior claims of third persons must likewise be so applied.

(b) In any case in which there is a delay in the liquidation sale caused by:

(1) The holder of the loan extending forbearance in excess of 30 days at the request of the Secretary, the cutoff date for computation of the indebtedness shall be 30 days after the date the Secretary determines the liquidation sale would have taken place if there had been no such delay, provided: the net value of the real property securing the loan does not exceed the unguaranteed portion of the indebtedness as of the actual liquidation sale date *and* such net value will exceed the unguaranteed portion of the indebtedness as of the cutoff date;

(2) The Secretary, including the Secretary's failure to provide the holder with advice as to the net value of the security within two working days prior to a scheduled liquidation sale but excluding forbearance exercised at the request of the Secretary, with respect to a holder which has complied with the provisions of § 36.4319(b) of this part, the cutoff date for computation of the indebtedness shall be the date the liquidation sale would have taken place if there had been no such delay;

(3) A voluntary case commenced under Title 11, United States Code (relating to bankruptcy), the cutoff date for computation of the indebtedness shall be 30 days after the date the Secretary determines the liquidation sale would have taken place if there had been no such delay, provided: the net value of the real property securing the loan does not exceed the unguaranteed portion of the indebtedness as of the actual liquidation sale date *and* such net value will exceed the unguaranteed portion of the indebtedness as of the cutoff date.

(c) Adjustment of cutoff dates:

(1) Any cutoff date established under § 36.4319(f) of this part or paragraph (b)

Department of Veterans Affairs

§ 36.4323

of this section will be adjusted by a period of months corresponding to the number of installment payments, if any, received by the holder and credited to the indebtedness after the cutoff date is established.

(2) When a cutoff date is established under paragraph (b)(2) of this section, the actual liquidation sale date will be used for purposes of computing the indebtedness in any subsequent accounting between the holder and the Secretary; if an earlier cutoff date is in effect at the time delay in a liquidation sale is caused by the Secretary, such date will not be modified by application of the provisions of paragraph (b)(2) of this section, but will be extended by an interval corresponding to the delay in the liquidation sale caused by the Secretary for purposes of computing the indebtedness in any subsequent accounting between the holder and the Secretary.

(3) Any cutoff date established under § 36.4319 of this part or paragraph (b) of this section will be considered to be the liquidation sale date. Such date will be modified in accordance with paragraph (b) of this section if the provisions of that paragraph are applicable after such date has been established.

(Authority: 38 U.S.C. 501)

(d) Credits accruing from the proceeds of a sale or other disposition of the security subsequent to the date of computation, and prior to the submission of this claim, shall be reported to the Secretary incident to such submission, and the amount payable on the claim shall in no event exceed the remaining balance of the indebtedness.

(Authority: 38 U.S.C. 501)

(e) The claimant shall be deemed to have received as trustee for the benefit of the United States any amounts received on account of the indebtedness after the date of the claim, from the proceeds of a sale of the security or otherwise, to the extent such credits exceed the balance of the indebtedness unsatisfied by the payment of the guaranty. The claimant shall immediately pay such amounts to the Secretary to

the extent of the debtor's liability to the Secretary as guarantor.

§ 36.4322 Computation of indebtedness.

In computing the indebtedness for the purpose of filing a claim for payment of a guaranty or for payment of an insured loss, or in the event of a transfer of the loan under § 36.4318 (a), or other accounting to the Secretary, the holder shall not be entitled to treat repayments theretofore made as liquidated damages, or rentals, or otherwise than as payments on the indebtedness, notwithstanding any provision in the note, or mortgage, or otherwise, to the contrary.

[13 FR 7278, Nov. 27, 1948]

§ 36.4323 Subrogation and indemnity.

(a) The Secretary shall be subrogated to the contract and the lien or other rights of the holder to the extent of any sum paid on a guaranty or on account of an insured loss, which right shall be junior to the holder's rights as against the debtor or the encumbered property until the holder shall have received the full amount payable under the contract with the debtor. No partial or complete release by a creditor shall impair the rights of the Secretary with respect to the debtor's obligation.

(b) The holder, upon request, shall execute, acknowledge and deliver an appropriate instrument tendered for that purpose, evidencing any payment received from the Secretary and the Secretary's resulting right of subrogation.

(c) The Secretary shall cause the instrument required by paragraph (b) of this section to be filed for record in the office of the recorder of deeds, or other appropriate office of the proper county, town or State, in accordance with the applicable State law. The filing or failure to file such instrument for record shall have the legal results prescribed by the applicable law of the State where the real or personal property is situated, with respect to filing or failure to so file mortgages and other lien instruments and assignments thereof.

The references herein to “filing for record” include “registration” or any similar transaction, by whatever name designated when title to the encumbered property has been “registered” pursuant to a Torrens or other similar title registration system provided by law.

(d) As a condition to paying a claim for an insured loss the Secretary may require that the loan, including any security or judgment held therefor, be assigned to the extent of such payment, and if any claim has been filed in bankruptcy, insolvency, probate, or similar proceedings such claim may likewise be required to be so assigned.

(e) Any amounts paid by the Secretary on account of the liabilities of any veteran guaranteed or insured under the provisions of 38 U.S.C. chapter 37 shall constitute a debt owing to the United States by such veteran.

(Authority: 38 U.S.C. 3732)

(1) Prior to a liquidation sale, an official authorized to act for the Secretary under provisions of §36.4342 of this part may approve a complete release of the Secretary's right to collect a debt owing to the United States under this paragraph and/or under paragraph (a) of this section provided such official determines:

(i) The loan default was caused by circumstances beyond the control of the obligor;

(ii) There are no indications of fraud, misrepresentation or bad faith on the part of the obligor in obtaining the loan or in connection with the loan default;

(iii) The obligor cooperated with VA in exploring all realistic alternatives to termination of the loan through foreclosure; and, either

(iv) Review of the obligor's current financial situation and prospective earning potential and obligations indicates there are no realistic prospects that the obligor could repay all or part of the anticipated debt within six years of the liquidation sale while providing the necessities of life for himself or herself and his or her family; or,

(v) In consideration for a release of the Secretary's collection rights the obligor completes, or VA is enabled to authorize, an action which reduces the

Government's claim liability sufficiently to offset the amount of the anticipated indebtedness which would otherwise be established pursuant to this paragraph and likely be collectable by VA after foreclosure in view of the obligor's financial situation; such actions would include termination of the loan by means of a deed in lieu of foreclosure, private sale of the property for less than the indebtedness with a reduced claim paid by VA for the balance due the loan holder or enabling VA to authorize the holder to elect a more expeditious foreclosure procedure when such an election would result in the legal release of the obligor's liability.

(2) Prior to a liquidation sale, an official authorized to act for the Secretary under provisions of section 4342 of this part may approve a partial release of the Secretary's right to collect a debt owing to the United States under this paragraph and/or under paragraph (a) of this section provided such official determines:

(i) The loan default was caused by circumstances beyond the control of the obligor;

(ii) There are no indications of fraud, misrepresentation or bad faith on the part of the obligor in obtaining the loan or in connection with the loan default;

(iii) The obligor cooperated with VA in exploring all realistic alternatives to termination of the loan through foreclosure;

(iv) Review of the obligor's current financial situation and prospective earning potential and obligations indicates there are no realistic prospects that the obligor could repay all of the anticipated debt within six years of the liquidation sale while providing the necessities of life for himself or herself and his or her family; and,

(v) The obligor executes a written agreement acknowledging his or her liability to VA under this paragraph and executes a promissory note which provides for regular amortized monthly payments of an amount determined by VA in accordance with paragraph (e)(3) of this section including interest on the total amount payable at the rate in effect for Loan Guaranty liability accounts at the time of execution, or, the

obligor agrees to other terms of repayment acceptable to VA including payment of a lump sum in settlement of his or her obligation under this paragraph;

(3) For purposes of this paragraph a review of an obligor's financial situation will take into consideration:

(i) The obligor's current and anticipated family income based on employment skills and experience;

(ii) The obligor's current short-term and long-term financial obligations, including the obligation to repay the Government which must be afforded consideration at least equal to his or her consumer debt obligations;

(iii) A current credit report on the obligor;

(iv) The obligor's assets and net worth; and,

(v) The required balance available for family support used in underwriting VA guaranteed loans in the area.

The amount of indebtedness established will be such that the obligor's financial situation permits repayment of the debt to the Government in regular monthly installments of principal plus interest over a five year period commencing within one year after the date the promissory note is executed, except in those cases in which a lump sum settlement appears to be in the best interest of the Government or in which it appears the obligor may reasonably expect significant changes in his or her financial situation which would permit higher payments to be made during later periods of the life of the note.

(4) Determinations made under paragraphs (e)(2) and (e)(3) of this section are intended for the benefit of the Government in reducing the amount of claim payable by VA and/or avoiding the establishment of uncollectable debts owing to the United States. Such determinations are discretionary on the part of VA and shall not constitute a defense to any legal action to terminate the loan nor vest any appellate right in an obligor which would require further review of the case.

(f) Whenever any veteran disposes of residential property securing a guaranteed or insured loan obtained by him or her under 38 U.S.C. chapter 37, and for

which the commitment to make the loan was made prior to March 1, 1988, the Secretary, upon application made by such veteran, shall issue to the veteran a release relieving him or her of all further liability to the Secretary on account of such loan (including liability for any loss resulting from any default of the transferee or any subsequent purchaser of such property) if the Secretary has determined, after such investigation as may be deemed appropriate, that there has been compliance with the conditions prescribed in 38 U.S.C. 3713. The assumption of full liability for repayment of the loan by the transferee of the property must be evidenced by an agreement in writing in such form as the Secretary may require. Release of the veteran from liability to the Secretary will not impair or otherwise affect the Secretary's guaranty or insurance liability on the loan, or the liability of the veteran to the holder. Any release of liability granted to a veteran by the Secretary shall inure to the spouse of such veteran. The release of the veteran from liability to the Secretary will constitute the Secretary's prior approval to a release of the veteran from liability on the loan by the holder thereof.

(Authority: 38 U.S.C. 3713)

(g) If, on or after July 1, 1972, any veteran disposes of residential property securing a guaranteed or insured loan obtained under 38 U.S.C. Chapter 37, without receiving a release from liability with respect to such loan under 38 U.S.C. 3713 and a default subsequently occurs which results in liability of the veteran to the Secretary on account of the loan, the Secretary may relieve the veteran of such liability if he determines that:

(1) A transferee either immediate or remote is legally liable to the Secretary for the debt of the original veteran-borrower established after the termination of the loan, and

(2) The original loan was current at the time such transferee acquired the property, and

(3) The transferee who is liable to the Secretary is found to have been a satisfactory credit risk at the time he or she acquired the property.

(h) If a veteran or any other person disposes of residential property securing a guaranteed or insured loan for which a commitment was made on or after March 1, 1988, and the veteran or other person notifies the loan holder in writing before disposing of the property, the veteran or other person shall be relieved of all further liability to the Secretary with respect to the loan (including liability for any loss resulting from any default of the purchaser or any subsequent owner of the property) and the application for assumption shall be approved if the holder determines that:

(1) The proposed purchaser is credit-worthy;

(2) The proposed purchaser is contractually obligated to assume the loan and the liability to indemnify the Department of Veterans Affairs for the amount of any claim paid under the guaranty as a result of a default on the loan, or has already done so; and,

(3) The payments on the loan are current.

Should these requirements be satisfied, the holder may also release the veteran or other person from liability on the loan. This does not apply if the approval for the assumption is granted upon special appeal to avoid immediate foreclosure.

§ 36.4324 Release of security.

(a) Except upon full payment of the indebtedness the holder shall not release a lien or other right in or to real property held as security for a guaranteed or insured loan, or grant a fee or other interest in such property, without the prior approval of the Secretary, unless in the opinion of the holder such release does not involve a decrease in the value of the security in excess of \$2,500. *Provided*, That the aggregate of the reduction in the original value of the security resultant from such releases without the Secretary's prior approval does not exceed \$2,500.

(b) Holder may release from the lien personal property including crops without the prior approval of the Secretary.

(c) Except upon full payment of the indebtedness or upon the prior approval of the Secretary, the holder shall not release a lien under paragraph (a) or (b) of this section unless the consideration received for the release is commensurate with the fair market value of the property released and the entire consideration is applied to the indebtedness, or if encumbrance on other property is accepted in lieu of that released it shall be the holder's duty to acquire such lien on property of substantially equal value which is reasonably capable of serving the purpose for which the property released was utilized.

(d) Failure of the holder to comply with the provisions of this section shall not in itself affect the validity of the title of a purchaser to the property released.

(e) The holder shall notify the Secretary of any such release or substitution of security within 30 days after completion of such transaction.

(f) The release of the personal liability of any obligor on a guaranteed or insured obligation resultant from the act or omission of any holder without the prior approval of the Secretary shall release the obligation of the Secretary as guarantor or insurer, except when such act or omission consists of (1) failure to establish the debt as a valid claim against the assets of the estate of any deceased obligor, provided no lien for the guaranteed or insured debt is thereby impaired or destroyed; or (2) an election and appropriate prosecution of legally available effective remedies with respect to the repossession or the liquidation of the security in any case, irrespective of the identity or the survival of the original or of any subsequent debtor, if holder shall have given such notice as required by § 36.4317 of this part and if, after receiving such notice, the Secretary shall have failed to notify the holder within 15 days to proceed in such manner as to effectively preserve the personal liability of the parties liable, or such of them as the Secretary indicates in

such notice to the holder; or (3) the release of an obligor, or obligors, from liability on an obligation secured by a lien on property, which release is an incident of and contemporaneous with the sale of such property to an eligible veteran who assumed such obligation, which assumed obligation is guaranteed on the assuming veteran's account pursuant to 38 U.S.C. chapter 37; or (4) the release of an obligor or obligors as provided in §36.4314(d) of this part; or, the release of an obligor, or obligors, incident to the sale of property securing the loan which the holder is authorized to approve under the provisions of 38 U.S.C. 3714.

§36.4325 Partial or total loss of guaranty or insurance.

(a) Subject to the incontestable provisions of 38 U.S.C. 3721 as to loans guaranteed or insured on or subsequent to July 1, 1948, there shall be no liability on account of a guaranty or insurance, or any certificate or other evidence thereof, with respect to a transaction in which a signature to the note, the mortgage, or any other loan papers, or the application for guaranty or insurance is a forgery; or in which the certificate of discharge or the certificate of eligibility is counterfeited, or falsified, or is not issued by the Government.

(1) Except as to a holder who acquired the loan instrument before maturity, for value, and without notice, and who has not directly or by agent participated in the fraud, or in the misrepresentation hereinafter specified, any wilful and material misrepresentation or fraud by the lender, or by a holder, or the agent of either, in procuring the guaranty or the insurance credit, shall relieve the Secretary of liability, or, as to loans guaranteed or insured on, or subsequent to July 1, 1948, shall constitute a defense against liability on account of the guaranty or insurance of the loan in respect to which the wilful misrepresentation, or the fraud, is practiced: *Provided*, That if a misrepresentation, although mate-

rial, is not made wilfully, or with fraudulent intent, it shall have only the consequences prescribed in paragraphs (b) and (c) of this section.

(2) [Reserved]

(b) In taking security required by 38 U.S.C. chapter 37 and the regulations concerning guaranty or insurance of loans to veterans, a holder shall obtain the required lien on property the title to which is such as to be acceptable to prudent lending institutions, informed buyers, title companies, and attorneys, generally, in the community in which the property is situated: *Provided*, That a title will not be unacceptable by reason of any of the limitations on the quantum or quality of the property or title stated in §36.4350(b) and if such holder fails in this respect or fails to comply with 38 U.S.C. chapter 37 and the regulations concerning guaranty or insurance of loans to veterans with respect to:

(1) Obtaining and retaining a lien of the dignity prescribed on all property upon which a lien is required by 38 U.S.C. chapter 37 or the regulations concerning guaranty or insurance of loans to veterans,

(2) Inclusion of power to substitute trustees (§36.4327),

(3) The procurement and maintenance of insurance coverage (§36.4326),

(4) Advice to Secretary as to default (§36.4315),

(5) Notice of intention to begin action (§36.4317),

(6) Notice to the Secretary in any suit or action, or notice of sale (§36.4319),

(7) The release, conveyance, substitution, or exchange of security (§36.4324),

(8) Lack of legal capacity of a party to the transaction incident to which the guaranty or the insurance is granted (§36.4328),

(9) Failure of the lender to see that any escrowed or earmarked account is expended in accordance with the agreement,

(10) The taking into consideration of limitations upon the quantum or quality of the estate or property (§36.4350(b)),

(11) Any other requirement of 38 U.S.C. chapter 37 or the regulations concerning guaranty or insurance of

loans to veterans which does not by the terms of said chapter or the regulations concerning guaranty or insurance of loans to veterans result in relieving the Secretary of all liability with respect to the loan,

no claim on the guaranty or insurance shall be paid on account of the loan with respect to which such failure occurred, or in respect to which an unwillful misrepresentation occurred, until the amount by which the ultimate liability of the Secretary would thereby be increased has been ascertained. The burden of proof shall be upon the holder to establish that no increase of ultimate liability is attributable to such failure or misrepresentation. The amount of increased liability of the Secretary shall be offset by deduction from the amount of the guaranty or insurance otherwise payable, or if consequent upon loss of security shall be offset by crediting to the indebtedness the amount of the impairment as proceeds of the sale of security in the final accounting to the Secretary. To the extent the loss resultant from the failure or misrepresentation prejudices the Secretary's right of subrogation acceptance by the holder of the guaranty or insurance payment shall subordinate the holder's right to those of the Secretary.

(c) If after the payment of a guaranty or an insurance loss, or after a loan is transferred pursuant to § 36.4318 (a), the fraud, misrepresentation or failure to comply with the regulations in this subpart as provided in this section is discovered and the Secretary determines that an increased loss to the government resulted therefrom the transferor or person to whom such payment was made shall be liable to the Secretary for the amount of the loss caused by such misrepresentation or failure.

§ 36.4326 Hazard insurance.

The holder shall require insurance policies to be procured and maintained in an amount sufficient to protect the security against the risks or hazards to which it may be subjected to the extent customary in the locality. All moneys received under such policies

covering payment of insured losses shall be applied to restoration of the security or to the loan balance. Flood insurance will be required on any building or personal property securing a loan at any time during the term of the loan that such security is located in an area identified by the Federal Emergency Management Agency as having special flood hazards and in which flood insurance has been made available under the National Flood Insurance Act, as amended. The amount of flood insurance must be at least equal to the lesser of the outstanding principal balance of the loan or the maximum limit of coverage available for the particular type of property under the National Flood Insurance Act, as amended. The Secretary cannot guarantee a loan for the acquisition or construction of property located in an area identified by the Federal Emergency Management Agency as having special flood hazards unless the community in which such area is situated is then participating in the National Flood Insurance Program.

If such requirement, condition, or limitation is of an administrative or procedural (not substantive) nature, any employee designated in § 36.4342 is hereby authorized to grant similar relief if he or she finds the failure or error of the lender was due to misunderstanding or mistake and that the interests of the Government are not adversely affected. (1) The proceeds of such loan have been used to pay for the property purchased, constructed, repaired, refinanced, altered, or improved and;

(ii) For the purpose of determining the reasonable value of a graduated payment mortgage loan to purchase a new home, the reasonable value of the property as of the time the loan is made shall be calculated to increase at a rate not in excess of 2.5 percent per year, but in no event may the projected value of the property exceed 115 percent of the initially established reasonable value, and

UNDERWRITING STANDARDS, PROCESSING PROCEDURES, AND LENDER RESPONSIBILITY AND CERTIFICATION

§ 36.4337 Underwriting standards, processing procedures, lender responsibility, and lender certification.

(a) *Use of standards.* Except for refinancing loans guaranteed pursuant to 38 U.S.C. 3710(a)(8), the standards contained in paragraphs (c) through (j) of this section will be used to determine that the veteran's present and anticipated income and expenses, and credit history are satisfactory.

(b) *Waiver of standards.* Use of the standards in paragraphs (c) through (j) of this section for underwriting home loans will be waived only in extraordinary circumstances when the Secretary determines, considering the totality of circumstances, that the veteran is a satisfactory credit risk.

(c) *Methods.* The two primary underwriting tools that will be used in determining the adequacy of the veteran's present and anticipated income are debt-to-income ratio and residual income analysis. They are described in paragraphs (d) through (f) of this section. Ordinarily, to qualify for a loan, the veteran must meet both standards. Failure to meet one standard, however, will not automatically disqualify a veteran. The following shall apply to cases where a veteran does not meet both standards:

(1) If the debt-to-income ratio is 41 percent or less, and the veteran does not meet the residual income standard, the loan may be approved with justification, by the underwriter's supervisor, as set out in paragraph (c)(4) of this section.

(2) If the debt-to-income ratio is greater than 41 percent (unless it is larger due solely to the existence of tax-free income which should be noted in the loan file), the loan may be approved with justification, by the underwriter's supervisor, as set out in paragraph (c)(4) of this section.

(3) If the ratio is greater than 41 percent and the residual income exceeds the guidelines by at least 20 percent, the second level review and statement of justification are not required.

(4) In any case described by paragraphs (c)(1) and (c)(2) of this section, the lender must fully justify the decision to approve the loan or submit the loan to the Secretary for prior approval in writing. The lender's statement must not be perfunctory, but should address the specific compensating factors, as set forth in paragraph (c)(5) of this section, justifying the approval of the loan. The statement must be signed by the underwriter's supervisor. It must be stressed that the statute requires not only consideration of a veteran's present and anticipated income and expenses, but also that the veteran be a satisfactory credit risk. Therefore, meeting both the debt-to-income ratio and residual income standards does not mean that the loan is automatically approved. It is the lender's responsibility to base the loan approval or disapproval on all the factors present for any individual veteran. The veteran's credit must be evaluated based on the criteria set forth in paragraph (g) of this section as well as a variety of compensating factors that should be evaluated.

(5) The following are examples of acceptable compensating factors to be considered in the course of underwriting a loan:

- (i) Excellent long-term credit;
- (ii) Conservative use of consumer credit;
- (iii) Minimal consumer debt;
- (iv) Long-term employment;
- (v) Significant liquid assets;
- (vi) Downpayment or the existence of equity in refinancing loans;
- (vii) Little or no increase in shelter expense;
- (viii) Military benefits;
- (ix) Satisfactory homeownership experience;

(x) High residual income;

(xi) Low debt-to-income ratio;

(xii) Tax credits of a continuing nature, such as tax credits for child care; and

(xiii) Tax benefits of home ownership.

(6) The list in paragraph (c)(5) of this section is not exhaustive and the items are not in any priority order. Valid compensating factors should represent unusual strengths rather than mere satisfaction of basic program requirements. Compensating factors must be relevant to the marginality or weakness.

(d) *Debt-to-income ratio.* A debt-to-income ratio that compares the veteran's anticipated monthly housing expense and total monthly obligations to his or her stable monthly income will be computed to assist in the assessment of the potential risk of the loan. The ratio will be determined by taking the sum of the monthly Principal, Interest, Taxes and Insurance (PITI) of the loan being applied for, homeowners and other assessments such as special assessments, condominium fees, homeowners association fees, etc., and any long-term obligations divided by the total of gross salary or earnings and other compensation or income. The ratio should be rounded to the nearest two digits; e.g., 35.6 percent would be rounded to 36 percent. The standard is 41 percent or less. If the ratio is greater than 41 percent, the steps cited in paragraphs (c)(1) through (c)(6) of this section apply.

(e) *Residual income guidelines.* The guidelines provided in this paragraph for residual income will be used to determine whether the veteran's monthly residual income will be adequate to meet living expenses after estimated monthly shelter expenses have been paid and other monthly obligations have been met. All members of the household must be included in determining if the residual income is sufficient. They must be counted even if the veteran's spouse is not joining in title or on the note, or if there are any other individuals depending on the veteran for support, such as children from a spouse's prior marriage who are not

the veteran's legal dependents. It is appropriate, however, to reduce the number of members of a household to be counted for residual income purposes if there is sufficient verified income not otherwise included in the loan analysis, such as child support being regularly received as discussed in paragraph (e)(4) of this section. In the case of a spouse not to be obligated on the note, verification that he/she has stable and reliable employment as discussed in paragraph (f)(3) of this section would allow not counting the spouse in determining the sufficiency of the residual income. The guidelines for residual income are based on data supplied in the Consumer Expenditure Survey (CES) published by the Department of Labor's Bureau of Labor Statistics. Regional minimum incomes have been developed for loan amounts up to \$79,999 and for loan amounts of \$80,000 and above. It is recognized that the purchase price of the property may affect family expenditure levels in individual cases. This factor may be given consideration in the final determination in individual loan analyses. For example, a family purchasing in a higher-priced neighborhood may feel a need to incur higher-than-average expenses to support a lifestyle comparable to that in their environment, whereas a substantially lower-priced home purchase may not compel such expenditures. It should also be clearly understood from this information that no single factor is a final determinant in any applicant's qualification for a VA-guaranteed loan. Once the residual income has been established, other important factors must be examined. One such consideration is the amount being paid currently for rental or housing expenses. If the proposed shelter expense is materially in excess of what is currently being paid, the case may require closer scrutiny. In such cases, consideration should be given to the ability of the borrower and spouse to accumulate liquid assets, such as cash and bonds, and to the amount of debts incurred while paying a lesser amount for shelter. For example, if an application indicates little or no capital reserves and excessive obligations, it may not be reasonable to conclude that a substantial increase in shelter expenses can be

absorbed. Another factor of prime importance is the applicant's manner of meeting obligations. A poor credit history alone is a basis for disapproving a loan, as is an obviously inadequate income. When one or the other is marginal, however, the remaining aspect must be closely examined to assure that the loan applied for will not exceed the applicant's ability or capacity to repay. Therefore, it is important to remember that the figures provided below for residual income are to be used as a guide and should be used in conjunction with the steps outlined in paragraphs (c) through (j) of this section. The residual income guidelines are as follows:

(1) Table of residual incomes by region (for loan amounts of \$79,999 and below):

TABLE OF RESIDUAL INCOMES BY REGION
[For loan amounts of \$79,999 and below]

Family size *	North-east	Mid-west	South	West
1	390	382	382	425
2	654	641	641	713
3	788	772	772	859
4	888	868	868	967
5	921	902	902	1,004

*For families with more than five members, add \$75 for each additional member up to a family of seven. "Family" includes all members of the household.

(2) Table of residual incomes by region (for loan amounts of \$80,000 and above):

TABLE OF RESIDUAL INCOMES BY REGION
[For loan amounts of \$80,000 and above]

Family size *	North-east	Mid-west	South	West
1	450	441	441	491
2	755	738	738	823
3	909	889	889	990
4	1,025	1,003	1,003	1,117
5	1,062	1,039	1,039	1,158

* For families with more than five members, add \$80 for each additional member up to a family of seven. "Family" includes all members of the household.

(3) *Geographic regions for residual income guidelines:* Northeast—Connecticut, Maine, Massachusetts, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island and Vermont; Midwest—Illinois, Indiana, Iowa, Kansas, Michigan, Minnesota, Missouri, Nebraska, North Dakota, Ohio, South Dakota and Wisconsin; South—Alabama,

Arkansas, Delaware, District of Columbia, Florida, Georgia, Kentucky, Louisiana, Maryland, Mississippi, North Carolina, Oklahoma, Puerto Rico, South Carolina, Tennessee, Texas, Virginia, West Virginia; West—Alaska, Arizona, California, Colorado, Hawaii, Idaho, Montana, Nevada, New Mexico, Oregon, Utah, Washington and Wyoming.

(4) *Military adjustments.* For loan applications involving an active-duty servicemember or military retiree, the residual income figures will be reduced by a minimum of 5 percent if there is a clear indication that the borrower or spouse will continue to receive the benefits resulting from the use of facilities on a nearby military base. (This reduction applies to tables in paragraph (e) of this section.)

(f) *Stability and reliability of income.* Only stable and reliable income of the veteran and spouse can be considered in determining ability to meet mortgage payments. Income can be considered stable and reliable if it can be concluded that it will continue during the foreseeable future.

(1) *Verification.* Income of the borrower and spouse which is derived from employment and which is considered in determining the family's ability to meet the mortgage payments, payments on debts and other obligations, and other expenses must be verified. If the spouse is employed and will be contractually obligated on the loan, the combined income of both the veteran and spouse is considered when the income of the veteran alone is not sufficient to qualify for the amount of the loan sought. In other than community property states, if the spouse will not be contractually obligated on the loan, Regulation B (12 CFR part 202), promulgated by the Federal Reserve Board pursuant to the Equal Credit Opportunity Act, prohibits any request for, or consideration of, information concerning the spouse (including income, employment, assets, or liabilities), except that if the applicant is relying on alimony, child support, or maintenance payments from a spouse or former spouse as a basis for repayment of the loan, information concerning such spouse or former spouse may be requested and considered (see paragraph

(f)(4) of this section). In community property states, information concerning a spouse may be requested and considered in the same manner as that for the applicant. The standards applied to income of the veteran are also applicable to that of the spouse. There can be no discounting of income on account of sex, marital status, or any other basis prohibited by the Equal Credit Opportunity Act. Income claimed by an applicant that is not or cannot be verified cannot be considered when analyzing the loan. If the veteran or spouse has been employed by a present employer for less than 2 years, a 2-year history covering prior employment, schooling, or other training must be secured. Any periods of unemployment must be explained. Employment verifications and pay stubs must be no more than 120 days (180 days for new construction) old to be considered valid. For loans closed automatically, this requirement will be considered satisfied if the date of the employment verification is within 120 days (180 days for new construction) of the date the note is signed. For prior approval loans, this requirement will be considered satisfied if the verification of employment is dated within 120 days of the date the application is received by VA.

(2) *Active-duty, Reserve, or National Guard applicants.* (i) In the case of an active-duty applicant, a military Leave & Earnings Statement is required and will be used instead of an employment verification. The statement must be no more than 120 days old (180 days for new construction) and must be the original or a lender-certified copy of the original. For loans closed automatically, this requirement is satisfied if the date of the Leave & Earnings Statement is within 120 days (180 days for new construction) of the date the note is signed. For prior approval loans, this requirement will be considered satisfied if the verification of employment is dated within 120 days of the date the application is received by VA.

(ii) For servicemembers within 12 months of release from active duty, or members of the Reserves or National Guard within 12 months of release, one of the following is also required:

(A) Documentation that the servicemember has in fact already reenlisted or extended his/her period of active duty or Reserve or National Guard service to a date beyond the 12-month period following the projected closing of the loan.

(B) Verification of a valid offer of local civilian employment following release from active duty. All data pertinent to sound underwriting procedures (date employment will begin, earnings, etc.) must be included.

(C) A statement from the servicemember that he/she intends to reenlist or extend his/her period of active duty or Reserve or National Guard service to a date beyond the 12 month period following the projected loan closing date, and a statement from the servicemember's commanding officer confirming that the servicemember is eligible to reenlist or extend his/her active duty or Reserve or National Guard service as indicated and that the commanding officer has no reason to believe that such reenlistment or extension will not be granted.

(D) Other unusually strong positive underwriting factors, such as a downpayment of at least 10 percent, significant cash reserves, or clear evidence of strong ties to the community coupled with a nonmilitary spouse's income so high that only minimal income from the active duty servicemember or member of the Reserves or National Guard is needed to qualify.

(iii) Each active-duty member who applies for a loan must be counseled through the use of VA Form 26-0592, Counseling Checklist for Military Homebuyers. Lenders must submit a signed and dated VA Form 26-0592 with each prior approval loan application or automatic loan report involving a borrower on active duty.

(3) *Income reliability.* Income received by the borrower and spouse is to be used only if it can be concluded that the income will continue during the foreseeable future and, thus, should be properly considered in determining ability to meet the mortgage payments. If an employer puts N/A or otherwise declines to complete a verification of employment statement regarding the probability of continued employment, no further action is required

of the lender. Reliability will be determined based on the duration of the borrower's current employment together with his or her overall documented employment history. There can be no discounting of income solely because it is derived from an annuity, pension or other retirement benefit, or from part-time employment. However, unless income from overtime work and part-time or second jobs can be accorded a reasonable likelihood that it is continuous and will continue in the foreseeable future, such income should not be used. Generally, the reliability of such income cannot be demonstrated unless the income has continued for 2 years. The hours of duty and other work conditions of the applicant's primary job, and the period of time in which the applicant was employed under such arrangement, must be such as to permit a clear conclusion as to a good probability that overtime or part-time or secondary employment can and will continue. Income from overtime work and part-time jobs not eligible for inclusion as primary income may, if properly verified for at least 12 months, be used to offset the payments due on debts and obligations of an intermediate term, i.e., 6 to 24 months. Such income must be described in the loan file. The amount of any pension or compensation and other income, such as dividends from stocks, interest from bonds, savings accounts, or other deposits, rents, royalties, etc., will be used as primary income if it is reasonable to conclude that such income will continue in the foreseeable future. Otherwise, it may be used only to offset intermediate-term debts, as described in this paragraph. Also, the likely duration of certain military allowances cannot be determined and, therefore, will be used only to offset intermediate-term debts, as described in this paragraph. Such allowances are: Pro-pay, flight or hazard pay, and overseas or combat pay, all of which are subject to periodic review and/or testing of the recipient to ascertain whether eligibility for such pay will continue. Only if it can be shown that such pay has continued for a prolonged period and can be expected to continue because of the nature of the recipient's assigned duties, will such income be considered

as primary income. For instance, flight pay verified for a pilot can be regarded as probably continuous and, thus, should be added to the base pay. Income derived from service in the Reserves or National Guard may be used if the applicant has served in such capacity for a period of time sufficient to evidence good probability that such income will continue beyond 12 months. The total period of active and reserve service may be helpful in this regard. Otherwise, such income may be used to offset intermediate-term debts. There are a number of additional income sources whose contingent nature precludes their being considered as available for repayment of a long-term mortgage obligation. Temporary income items such as VA educational allowances and unemployment compensation do not represent stable and reliable income and will not be taken into consideration in determining the ability of the veteran to meet the income requirement of the governing law. As required by the Equal Opportunity Act Amendments of 1976, Public Law 94-239, income from public assistance programs is used to qualify for a loan if it can be determined that the income will probably continue for 3 years or more.

(4) *Tax-exempt income.* Special consideration can be given to verified non-taxable income once it has been established that such income is likely to continue (and remain untaxed) into the foreseeable future. Such income includes certain military allowances, child support payments, workers' compensation benefits, disability retirement payments and certain types of public assistance payments. In such cases, current income tax tables may be used to determine an amount which can be prudently employed to adjust the borrower's actual income. This adjusted or "grossed up" income may be used to calculate the monthly debt-to-income ratio, provided the analysis is documented. Only the borrower's actual income may be used to calculate the residual income. Care should be exercised to ensure that the income is in fact tax-exempt.

(5) *Alimony, child support, maintenance, workers' compensation, foster care payments.* (i) If an applicant chooses to

reveal income from alimony, child support or maintenance payments (after first having been informed that any such disclosure is voluntary pursuant to the Federal Reserve Board's Regulation B), such payments are considered as income to the extent that the payments are likely to be consistently made. Factors to be considered in determining the likelihood of consistent payments include, but are not limited to: Whether the payments are received pursuant to a written agreement or court decree; the length of time the payments have been received; the regularity of receipt; the availability of procedures to compel payment; and the creditworthiness of the payor, including the credit history of the payor when available under the Fair Credit Reporting Act or other applicable laws. However, the Fair Credit Reporting Act (15 U.S.C. 1681(b)) limits the permissible purposes for which credit reports may be ordered, in the absence of written instructions of the consumer to whom the report relates, to business transactions involving the subject of the credit report or extensions of credit to the subject of the credit report.

(ii) If the applicant chooses to reveal income related to workers' compensation, it will be considered as income to the extent it can be determined such income will continue.

(iii) Income received specifically for the care of any foster child(ren) may be counted as income if documented. Generally, however, such foster care income is to be used only to balance the expenses of caring for the foster child(ren) against any increased residual income requirements.

(6) *Military quarters allowance.* With respect to off-base housing (quarters) allowances for service personnel on active duty, it is the policy of the Department of Defense to utilize available on-base housing when possible. In order for a quarters allowance to be considered as continuing income, it is necessary that the applicant furnish written authorization from his or her commanding officer for off-base housing. This authorization should verify that quarters will not be made available and that the individual should make permanent arrangements for nonmilitary housing. A Department of

Defense form, DD Form 1747, Status of Housing Availability, is used by the Family Housing Office to advise personnel regarding family housing. The applicant's quarters allowance cannot be considered unless item b (Permanent) or d is completed on DD Form 1747, dated October 1990. Of course, if the applicant's income less quarters allowance is sufficient, there is no need for assurance that the applicant has permission to occupy nonmilitary housing provided that a determination can be made that the occupancy requirements of the law will be met. Also, authorization to obtain off-base housing will not be required when certain duty assignments would clearly qualify service personnel with families for quarters allowance. For instance, off-base housing authorizations need not be obtained for service personnel stationed overseas who are not accompanied by their families, recruiters on detached duty, or military personnel stationed in areas where no on-base housing exists. In any case in which no off-base housing authorization is obtained, an explanation of the circumstances justifying its omission must be included with the loan application except when it has been established by the VA facility of jurisdiction that the waiting lists for on-base housing are so long that it is improbable that individuals desiring to purchase off-base housing would be precluded from doing so in the foreseeable future. If stations make such a determination, a release shall be issued to inform lenders.

(7) *Automobile (or similar) allowance.* Generally, automobile allowances are paid to cover specific expenses related to an applicant's employment, and it is appropriate to use such income to offset a corresponding car payment. However, in some instances, such an allowance may exceed the car payment. With proper documentation, income from a car allowance which exceeds the car payment can be counted as effective income. Likewise, any other similar type of allowance which exceeds the specific expense involved may be added to gross income to the extent it is documented to exceed the actual expense.

(8) *Commissions.* When all or a major portion of the veteran's income is de-

rived from commissions, it will be necessary to establish the stability of such income if it is to be considered in the loan analysis for the repayment of the mortgage debt and/or short-term obligations. In order to assess the value of such income, lenders should obtain written verification of the actual amount of commissions paid to date, the basis for the payment of such commissions and when commissions are paid; i.e., monthly, quarterly, semi-annually, or annually. Lenders should also obtain signed and dated individual income tax returns, plus applicable schedules, for the previous 2 years, or for whatever additional period is deemed necessary to properly demonstrate a satisfactory earnings record. The length of the veteran's employment in the type of occupation for which commissions are paid is also an important factor in the assessment of the stability of the income. If the veteran has been employed for a relatively short time, the income should not normally be considered stable unless the product or service was the same or closely related to the product or service sold in an immediate prior position. Generally, income from commissions is considered stable when the applicant has been receiving such income for at least 2 years. Less than 2 years of income from commissions cannot usually be considered stable. When an applicant has received income from commissions for less than 1 year, it will rarely be possible to demonstrate that the income is stable for qualifying purposes; such cases would require in-depth development.

(9) *Self-employment.* Generally, income from self-employment is considered stable when the applicant has been in business for at least 2 years. Less than 2 years of income from self-employment cannot usually be considered stable unless the applicant has had previous related employment and/or extensive specialized training. When an applicant has been self-employed less than 1 year, it will rarely be possible to demonstrate that the income is stable for qualifying purposes; such cases would require in-depth development. The following documentation is required for all self-employed borrowers:

(i) A profit-and-loss statement for the prior fiscal year (12-month accounting cycle), plus the period year to date since the end of the last fiscal year (or for whatever shorter period records may be available), and balance sheet based on the financial records. The financial statement must be sufficient for a loan underwriter to determine the necessary information for loan approval and an independent audit (on the veteran and/or the business) by a Certified Public Accountant will be required if necessary for such determination; and

(ii) Copies of signed individual income tax returns, plus all applicable schedules for the previous 2 years, or for whatever additional period is deemed necessary to properly demonstrate a satisfactory earnings record, must be obtained. If the business is a corporation or partnership, copies of signed Federal business income tax returns for the previous two years plus all applicable schedules for the corporation or partnership must be obtained; and

(iii) If the business is a corporation or partnership, a list of all stockholders or partners showing the interest each holds in the business will be required. Some cases may justify a written credit report on the business as well as the applicant. When the business is of an unusual type and it is difficult to determine the probability of its continued operation, explanation as to the function and purpose of the business may be needed from the applicant and/or any other qualified party with the acknowledged expertise to express a valid opinion.

(10) *Recently discharged veterans.* Loan applications received from recently discharged veterans who have little or no employment experience other than their military occupation and from veterans seeking VA-guaranteed loans who have retired after 20 years of active military duty require special attention. The retirement income of the latter veterans in many cases may not be sufficient to meet the statutory income requirements for the loan amount sought. Many have obtained full-time employment and have been employed in their new jobs for a very short time.

(i) It is essential in determining whether veterans in these categories qualify from the income standpoint for the amount of the loan sought, that the facts in respect to their present employment and retirement income be fully developed, and that each case be considered on its individual merits.

(ii) In most cases the veteran's current income or current income plus his or her retirement income is sufficient. The problem lies in determining whether it can be properly concluded that such income level will continue for the foreseeable future. If the veteran's employment status is that of a trainee or an apprentice, this will, of course, be a factor. In cases of the self-employed, the question to be resolved is whether there are reasonable prospects that the business enterprise will be successful and produce the required income. Unless a favorable conclusion can be made, the income from such source should not be considered in the loan analysis.

(iii) If a recently discharged veteran has no prior employment history and the veteran's verification of employment shows he or she has not been on the job a sufficient time in which to become established, consideration should be given to the duties the veteran performed in the military service. When it can be determined that the duties a veteran performed in the service are similar or are in direct relation to the duties of the applicant's present position, such duties may be construed as adding weight to his or her present employment experience and the income from the veteran's present employment thus may be considered available for qualifying the loan, notwithstanding the fact that the applicant has been on the present job only a short time. This same principle may be applied to veterans recently retired from the service. In addition, when the veteran's income from retirement, in relation to the total of the estimated shelter expense, long-term debts and amount available for family support, is such that only minimal income from employment is necessary to qualify from the income standpoint, it would be proper to resolve the doubt in favor of the veteran. It would be erroneous, however, to give consideration to a veteran's income

from employment for a short duration in a job requiring skills for which the applicant has had no training or experience.

(iv) To illustrate the provisions of paragraph (f)(10), it would be proper to use short-term employment income in qualifying a veteran who had experience as an airplane mechanic in the military service and the individual's employment after discharge or retirement from the service is in the same or allied fields; e.g., auto mechanic or machinist. This presumes, however, that the verification of employment included a statement that the veteran was performing the duties of the job satisfactorily, the possibility of continued employment was favorable and that the loan application is eligible in all other respects. An example of non-qualifying experience is that of a veteran who was an Air Force pilot and has been employed in insurance sales on commission for a short time. Most cases, of course, fall somewhere between those extremes. It is for this reason that the facts of each case must be fully developed prior to closing the loan automatically or submitting the case to VA for prior approval.

(11) *Employment of short duration.* The provisions of paragraph (f)(7) of this section are similarly applicable to applicants whose employment is of short duration. Such cases will entail careful consideration of the employer's confirmation of employment, probability of permanency, past employment record, the applicant's qualifications for the position, and previous training, including that received in the military service. In the event that such considerations do not enable a determination that the income from the veteran's current position has a reasonable likelihood of continuance, such income should not be considered in the analysis. Applications received from persons employed in the building trades, or in other occupations affected by climatic conditions, should be supported by documentation evidencing the applicant's total earnings to date and covering a period of not less than 1 year as well as signed and dated copies of complete income tax returns, including all schedules for the past 2 years or for whatever additional period is deemed nec-

essary to properly demonstrate a satisfactory earnings record. If the applicant works out of a union, evidence of the previous year's earnings should be obtained together with a verification of employment from the current employer.

(12) *Rental income—(i) Multi-unit subject property.* When the loan pertains to a structure with more than a one-family dwelling unit, the prospective rental income will not be considered unless the veteran can demonstrate a reasonable likelihood of success as a landlord, and sufficient cash reserves are verified to enable the veteran to carry the mortgage loan payments (principal, interest, taxes, and insurance) without assistance from the rental income for a period of at least 6 months. The determination of the veteran's likelihood of success as a landlord will be based on documentation of any prior experience in managing rental units or other collection activities. The amount of rental income to be used in the loan analysis will be based on 75 percent of the amount indicated on the lease or rental agreement, unless a greater percentage can be documented.

(ii) *Rental of existing home.* Proposed rental of a veteran's existing property may be used to offset the mortgage payment on that property, provided there is no indication that the property will be difficult to rent. If available, a copy of the rental agreement should be obtained. It is the responsibility of the loan underwriter to be aware of the condition of the local rental market. For instance, in areas where the rental market is very strong the absence of a lease should not automatically prohibit the offset of the mortgage by the proposed rental income.

(iii) *Other rental property.* If income from rental property will be used to qualify for the new loan, the documentation required of a self-employed applicant should be obtained together with evidence of cash reserves equaling 3 months PITI on the rental property. As for any self-employed earnings (see paragraph (f)(7) of this section), depreciation claimed may be added back in as income. In the case of a veteran who has no experience as a landlord, it is unlikely that the income from a rental

property may be used to qualify for the new loan.

(13) *Taxes and other deductions.* Deductions to be applied for Federal income taxes and Social Security may be obtained from the Employer's Tax Guide (Circular E) issued by the Internal Revenue Service (IRS). (For veterans receiving a mortgage credit certificate (MCC), see paragraph (f)(14) of this section.) Any State or local taxes should be estimated or obtained from charts similar to those provided by IRS which may be available in those states with withholding taxes. A determination of the amount paid or withheld for retirement purposes should be made and used when calculating deductions from gross income. In determining whether a veteran-applicant meets the income criteria for a loan, some consideration may be given to the potential tax benefits the veteran will realize if the loan is approved. This can be done by using the instructions and worksheet portion of IRS Form W-4, Employee's Withholding Allowance Certificate, to compute the total number of permissible withholding allowances. That number can then be used when referring to IRS Circular E and any appropriate similar State withholding charts to arrive at the amount of Federal and State income tax to be deducted from gross income.

(14) *Mortgage credit certificates.* (i) The Internal Revenue Code (26 U.S.C.) as amended by the Tax Reform Act of 1984, allows states and other political subdivisions to trade in all or part of their authority to issue mortgage revenue bonds for authority to issue MCCs. Veterans who are recipients of MCCs may realize a significant reduction in their income tax liability by receiving a Federal tax credit for a percentage of their mortgage interest payment on debt incurred on or after January 1, 1985.

(ii) Lenders must provide a copy of the MCC to VA with the home loan application. The MCC will specify the rate of credit allowed and the amount of certified indebtedness; i.e., the indebtedness incurred by the veteran to acquire a principal residence or as a qualified home improvement or rehabilitation loan.

(iii) For credit underwriting purposes, the amount of tax credit allowed to a veteran under an MCC will be treated as a reduction in the monthly Federal income tax. For example, a veteran having a \$600 monthly interest payment and an MCC providing a 30-percent tax credit would receive a \$180 (30 percent×\$600) tax credit each month. However, because the annual tax credit, which amounts to \$2,160 (12×\$180), exceeds \$2,000 and is based on a 30-percent credit rate, the maximum tax credit the veteran can receive is limited to \$2,000 per year (Pub. L. 98-369) or \$167 per month (\$2,000/12). As a consequence of the tax credit, the interest on which a deduction can be taken will be reduced by the amount of the tax credit to \$433 (\$600−\$167). This reduction should also be reflected when calculating Federal income tax.

(iv) For underwriting purposes, the amount of the tax credit is limited to the amount of the veteran's maximum tax liability. If, in the example in paragraph (f)(14)(iii) of this section, the veteran's tax liability for the year were only \$1,500, the monthly tax credit would be limited to \$125 (\$1,500/12).

(g) *Credit.* The conclusion reached as to whether or not the veteran and spouse are satisfactory credit risks must also be based on a careful analysis of the available credit data. Regulation B (12 CFR part 202), promulgated by the Federal Reserve Board pursuant to the Equal Credit Opportunity Act, requires that lenders, in evaluating creditworthiness, shall consider, on the applicant's request, the credit history, when available, of any account reported in the name of the applicant's spouse or former spouse which the applicant can demonstrate accurately reflects the applicant's creditworthiness. In other than community property states, if the spouse will not be contractually obligated on the loan, Regulation B prohibits any request for or consideration of information about the spouse concerning income, employment, assets or liabilities. In community property states, information concerning a spouse may be requested and considered in the same manner as that for the applicant.

(1) *Adverse data.* If the analysis develops any derogatory credit information

and, despite such facts, it is determined that the veteran and spouse are satisfactory credit risks, the basis for the decision must be explained. If a veteran and spouse have debts outstanding which have not been paid timely, or which they have refused to pay, the fact that the outstanding debts are paid after the acceptability of the credit is questioned or in anticipation of applying for new credit does not, of course, alter the fact that the record for paying debts has been unsatisfactory. With respect to unpaid debts, lenders may take into consideration a veteran's claim of bona fide or legal defenses. Such defenses are not applicable when the debt has been reduced to judgment. Where a collection account has been established, if it is determined that the borrower is a satisfactory credit risk, it is not mandatory that such an account be paid off in order for a loan to be approved. Court-ordered judgments, however, must be paid off before a new loan is approved.

(2) *Bankruptcy.* When the credit information shows that the borrower or spouse has been discharged in bankruptcy under the "straight" liquidation and discharge provisions of the bankruptcy law, this would not in itself disqualify the loan. However, in such cases it is necessary to develop complete information as to the facts and circumstances concerning the bankruptcy. Generally speaking, when the borrower or spouse, as the case may be, has been regularly employed (not self-employed) and has been discharged in bankruptcy within the last one to two years, it probably would not be possible to determine that the borrower or spouse is a satisfactory credit risk unless both of the following requirements are satisfied:

(i) The borrower or spouse has obtained credit subsequent to the bankruptcy and has met the credit payments in a satisfactory manner over a continued period; and

(ii) The bankruptcy was caused by circumstances beyond the control of the borrower or spouse, e.g., unemployment, prolonged strikes, medical bills not covered by insurance. Divorce is not generally viewed as beyond the control of the borrower and/or spouse. The circumstances alleged must be

verified. If a borrower or spouse is self-employed, has been adjudicated bankrupt, and subsequently obtains a permanent position, a finding as to satisfactory credit risk may be made provided there is no derogatory credit information prior to self-employment, there is no derogatory credit information subsequent to the bankruptcy, and the failure of the business was not due to misconduct. If a borrower or spouse has been discharged in bankruptcy within the past 12 months, it will not generally be possible to determine that the borrower or spouse is a satisfactory credit risk.

(3) *Petition under chapter 13 of Bankruptcy Code.* A petition under chapter 13 of the Bankruptcy Code (11 U.S.C.) filed by the borrower or spouse is indicative of an effort to pay their creditors. Some plans may provide for full payment of debts while others arrange for payment of scaled-down debts. Regular payments are made to a court-appointed trustee over a 2- to 3-year period (or up to 5 years in some cases). When the borrowers have made all payments in a satisfactory manner, they may be considered as having reestablished satisfactory credit. When they apply for a home loan before completion of the payout period, favorable consideration may nevertheless be given if at least 12 months' worth of payments have been made satisfactorily and the Trustee or Bankruptcy Judge approves of the new credit.

(4) *Foreclosures.* (i) When the credit information shows that the veteran or spouse has had a foreclosure on a prior mortgage; e.g., a VA-guaranteed or HUD-insured mortgage, this will not in itself disqualify the borrower from obtaining the loan. Lenders and field station personnel should refer to the preceding guidelines on bankruptcies for cases involving foreclosures. As with a borrower who has been adjudicated bankrupt, it is necessary to develop complete information as to the facts and circumstances of the foreclosure.

(ii) When VA pays a claim on a VA-guaranteed loan as a result of a foreclosure, the original veteran may be required to repay any loss to the Government. In some instances VA may waive the veteran's debt, in part or totally, based on the facts and circumstances of

the case. However, guaranty entitlement cannot be restored unless the Government's loss has been repaid in full, regardless of whether or not the debt has been waived, compromised, or discharged in bankruptcy. Therefore, a veteran who is seeking a new VA loan after having experienced a foreclosure on a prior VA loan will in most cases have only remaining entitlement to apply to the new loan. The lender should assure that the veteran has sufficient entitlement for its secondary marketing purposes.

(5) *Federal debts.* An applicant for a Federally-assisted loan will not be considered a satisfactory credit risk for such loan if the applicant is presently delinquent or in default on any debt to the Federal Government, e.g., a Small Business Administration loan, a U.S. Guaranteed Student loan, a debt to the Public Health Service, or where there is a judgment lien against the applicant's property for a debt owed to the Government. The applicant may not be approved for the loan until the delinquent account has been brought current or satisfactory arrangements have been made between the borrower and the Federal agency owed, or the judgment is paid or otherwise satisfied. Of course, the applicant must also be able to otherwise qualify for the loan from an income and remaining credit standpoint. Refinancing under VA's interest rate reduction refinancing provisions, however, is allowed even if the borrower is delinquent on the VA guaranteed mortgage being refinanced. Prior approval processing is required in such cases.

(6) *Absence of credit history.* The fact that recently discharged veterans may have had no opportunity to develop a credit history will not preclude a determination of satisfactory credit. Similarly, other loan applicants may not have established credit histories as a result of a preference for purchasing consumer items with cash rather than credit. There are also cases in which individuals may be genuinely wary of acquiring new obligations following bankruptcy, consumer credit counseling (debt proration), or other disruptive credit occurrence. The absence of the credit history in these cases will not generally be viewed as an adverse

factor in credit underwriting. However, before a favorable decision is made for cases involving bankruptcies or other derogatory credit factors, efforts should be made to develop evidence of timely payment of non-installment debts such as rent and utilities. It is anticipated that this special consideration in the absence of a credit history following bankruptcy would be the rare case and generally confined to bankruptcies that occurred over 3 years ago.

(7) *Consumer credit counseling plan.* If a veteran, or veteran and spouse, have prior adverse credit and are participating in a Consumer Credit Counseling plan, they may be determined to be a satisfactory credit risk if they demonstrate 12 months' satisfactory payments and the counseling agency approves the new credit. If a veteran, or veteran and spouse, have good prior credit and are participating in a Consumer Credit Counseling plan, such participation is to be considered a neutral factor, or even a positive factor, in determining creditworthiness.

(8) *Re-establishment of satisfactory credit.* In circumstances not involving bankruptcy, satisfactory credit is generally considered to be reestablished after the veteran, or veteran and spouse, have made satisfactory payments for 12 months after the date of the last derogatory credit item.

(9) *Long-term v. short-term debts.* All known debts and obligations including any alimony and/or child support payments of the borrower and spouse must be documented. Significant liabilities, to be deducted from the total income in determining ability to meet the mortgage payments are accounts that, generally, are of a relatively long term, i.e., 10 months or over. Other accounts for terms of less than 10 months must, of course, be considered in determining ability to meet family expenses. Certainly, any severe impact on the family's resources for any period of time must be considered in the loan analysis. For example, monthly payments of \$300 on an auto loan with a remaining balance of \$1,500 would be included in those obligations to be deducted from the total income regardless of the fact that the account can be expected to pay out in 5 months. It is clear that the applicant will, in this

case, continue to carry the burden of those \$300 payments for the first, most critical months of the home loan.

(10) *Requirements for verification.* If the credit investigation reveals debts or obligations of a material nature which were not divulged by the applicant, lenders must be certain to obtain clarification as to the status of such debts from the borrower. A proper analysis is obviously not possible unless there is total correlation between the obligations claimed by the borrower and those revealed by a credit report or deposit verification. Conversely, significant debts and obligations reported by the borrower must be dated. If the credit report fails to provide necessary information on such accounts, lenders will be expected to obtain their own verifications of those debts directly from the creditors. Credit reports and verifications must be no more than 120 days old (180 days for new construction) to be considered valid. For loans closed automatically, this requirement will be considered satisfied if the date of the credit report or verification is within 120 days (180 days for new construction) of the date the note is signed. For prior approval loans, this requirement will be considered satisfied if the date of the credit report or verification is within 120 days of the date of the application is received by VA. Of major significance are the applicant's rental history and outstanding or recently retired mortgages, if any, particularly prior VA loans. Lenders should be sure ratings on such accounts are obtained; a written explanation is required when ratings are not available. A determination is necessary as to whether alimony and/or child support payments are required. Verification of the amount of such obligations should be obtained, although documentation concerning an applicant's divorce should not be obtained automatically unless it is necessary to verify the amount of any alimony or child support liability indicated by the applicant. If in the routine course of processing the loan application, however, direct evidence is received (e.g., from the credit report) that an obligation to pay alimony or child support exists (as opposed to mere evidence that the veteran was previously di-

vorced), the discrepancy between the loan application and credit report can and should be fully resolved in the same manner as any other such discrepancy would be handled. When a pay stub or leave-and-earnings statement indicates an allotment, the lender must investigate the nature of the allotment(s) to determine whether the allotment is related to a debt. Debts assigned to an ex-spouse by a divorce decree will not generally be charged against a veteran-borrower.

(11) *Job-related expenses.* Known job-related expenses should be documented. This will include costs for any dependent care, significant commuting costs, etc. When a family's circumstances are such that dependent care arrangements would probably be necessary, it is important to determine the cost of such services in order to arrive at an accurate total of deductions.

(12) *Credit reports.* Credit reports obtained by lenders on VA-guaranteed loan applications must be either a three-file Merged Credit Report (MCR) or a Residential Mortgage Credit Report (RMCR). If used, the RMCR must meet the standards formulated jointly by the Department of Veterans Affairs, Federal National Mortgage Association, Federal Home Loan Mortgage Corporation, Federal Housing Administration, Farmers Home Administration, credit repositories, repository affiliated consumer reporting agencies and independent consumer reporting agencies. All credit reports obtained by the lender must be submitted to VA.

(h) *Borrower's personal and financial status.* The number and ages of dependents have an important bearing on whether income after deduction of fixed charges is sufficient to support the family. Type and duration of employment of both the borrower and spouse are important as an indication of stability of their employment. The amount of liquid assets owned by the borrower or spouse, or both, is an important factor in determining that they have sufficient funds to close the loan, as well as being significant in analyzing the overall qualifications for the loan. (It is imperative that adequate cash assets from the veteran's own resources are verified to allow the

payment (see § 36.4336(a)(3)) of any difference between the sales price of the property and the loan amount, in addition to that necessary to cover closing costs, if the sales price exceeds the reasonable value established by VA.) Verifications must be no more than 120 days old (180 days for new construction) to be considered valid. For loans closed on the automatic basis, this requirement will be considered satisfied if the date of the deposit verification is within 120 days (180 days for new construction) of the date of the veteran's application to the lender. For prior approval loans, this requirement will be considered satisfied if the verification of employment is dated within 120 days of the date the application is received by VA. Current monthly rental or other housing expense is an important consideration when compared to that to be undertaken in connection with the contemplated housing purchase.

(i) *Estimated monthly shelter expenses.* It is important that monthly expenses such as taxes, insurance, assessments and maintenance and utilities be estimated accurately based on property location and type of house; e.g., old or new, large or small, rather than using or applying a "rule of thumb" to all properties alike. Maintenance and utility amounts for various types of property should be realistically estimated. Local utility companies should be consulted for current rates. The age and type of construction of a house may well affect these expenses. In the case of condominiums or houses in a planned unit development (PUD), the monthly amount of the maintenance assessment payable to a homeowners association should be added. If the amount currently assessed is less than the maximum provided in the covenants or master deed, and it appears likely that the amount will be insufficient for operation of the condominium or PUD, the amount used will be the maximum the veteran could be charged. If it is expected that real estate taxes will be raised, or if any special assessments are expected, the increased or additional amounts should be used. In special flood hazard areas, include the premium for any required flood insurance.

(j) *Lender responsibility.* (1) Lenders are fully responsible for developing all credit information; i.e., for obtaining verifications of employment and deposit, credit reports, and for the accuracy of the information contained in the loan application.

(2) Verifications of employment and deposits, and requests for credit reports and/or credit information must be initiated and received by the lender.

(3) In cases where the real estate broker/agent or any other party requests any of this information, the report(s) must be returned directly to the lender. This fact must be disclosed by appropriately completing the required certification on the loan application or report and the parties must be identified as agents of the lender.

(4) Where the lender relies on other parties to secure any of the credit or employment information or otherwise accepts such information obtained by any other party, such parties shall be construed for purposes of the submission of the loan documents to VA to be authorized agents of the lender, regardless of the actual relationship between such parties and the lender, even if disclosure is not provided to VA under paragraph (j)(3) of this section. Any negligent or willful misrepresentation by such parties shall be imputed to the lender as if the lender had processed those documents and the lender shall remain responsible for the quality and accuracy of the information provided to VA.

(5) All credit reports secured by the lender or other parties as identified in paragraphs (j)(3) and (j)(4) of this section shall be provided to VA. If updated credit reports reflect materially different information than that in other reports, such discrepancies must be explained by the lender and the ultimate decision as to the effects of the discrepancy upon the loan application fully addressed by the underwriter.

(k) *Lender certification.* Lenders originating loans are responsible for determining and certifying to VA on the appropriate application or closing form that the loan meets all statutory and regulatory requirements. Lenders will affirmatively certify that loans were made in full compliance with the law

and loan guaranty regulations as prescribed in this section.

(1) *Definitions.* The definitions contained in part 42 of this title and the following definitions are applicable in this section.

(i) *Another appropriate amount.* In determining the appropriate amount of a lender's civil penalty in cases where the Secretary has not sustained a loss or where two times the amount of the Secretary's loss on the loan involved does not exceed \$10,000, the Secretary shall consider:

(A) The materiality and importance of the false certification to the determination to issue the guaranty or to approve the assumption;

(B) The frequency and past pattern of such false certifications by the lender; and

(C) Any exculpatory or mitigating circumstances.

(ii) *Complaint* includes the assessment of liability served pursuant to this section.

(iii) *Defendant* means a lender named in the complaint.

(iv) *Lender* includes the holder approving loan assumptions pursuant to 38 U.S.C. 3714.

(2) *Procedures for certification.* (i) As a condition to VA issuance of a loan guaranty on all loans closed on or after October 27, 1994, and as a prerequisite to an effective loan assumption on all loans assumed pursuant to 38 U.S.C. 3714 on or after November 17, 1997, the following certification shall accompany each loan closing or assumption package:

The undersigned lender certifies that the (loan) (assumption) application, all verifications of employment, deposit, and other income and credit verification documents have been processed in compliance with 38 CFR part 36; that all credit reports obtained or generated in connection with the processing of this borrower's (loan) (assumption) application have been provided to VA; that, to the best of the undersigned lender's knowledge and belief the (loan) (assumption) meets the underwriting standards recited in chapter 37 of title 38 United States Code and 38 CFR part 36; and that all information provided in support of this (loan) (assumption) is true, complete and accurate to the best of the undersigned lender's knowledge and belief.

(ii) The certification shall be executed by an officer of the lender au-

thorized to execute documents and act on behalf of the lender.

(3) Any lender who knowingly and willfully makes a false certification required pursuant to § 36.4337(k)(2) shall be liable to the United States Government for a civil penalty equal to two times the amount of the Secretary's loss on the loan involved or to another appropriate amount, not to exceed \$10,000, whichever is greater.

(l) *Assessment of liability.* (1) Upon an assessment confirmed by the Under Secretary for Benefits, in consultation with the Investigating Official, that a certification, as required in this section, is false, a report of findings of the Under Secretary for Benefits shall be submitted to the Reviewing Official setting forth:

(i) The evidence that supports the allegations of a false certification and of liability;

(ii) A description of the claims or statements upon which the allegations of liability are based;

(iii) The amount of the VA demand to be made; and

(iv) Any exculpatory or mitigating circumstances that may relate to the certification.

(2) The Reviewing Official shall review all of the information provided and will either inform the Under Secretary for Benefits and the Investigating Official that there is not adequate evidence, that the lender is liable, or serve a complaint on the lender stating:

(i) The allegations of a false certification and of liability;

(ii) The amount being assessed by the Secretary and the basis for the amount assessed;

(iii) Instructions on how to satisfy the assessment and how to file an answer to request a hearing, including a specific statement of the lender's right to request a hearing by filing an answer and to be represented by counsel; and

(iv) That failure to file an answer within 30 days of the complaint will result in the imposition of the assessment without right to appeal the assessment to the Secretary.

(m) *Hearing procedures.* A lender hearing on an assessment established pursuant to this section shall be governed

by the procedures recited at 38 CFR 42.8 through 42.47.

(n) *Additional remedies.* Any assessment under this section may be in addition to other remedies available to VA, such as debarment and suspension pursuant to 38 U.S.C. 3704 and part 44 of this title or loss of automatic processing authority pursuant to 38 U.S.C. 3702, or other actions by the Government under any other law including but not limited to title 18 U.S.C. and 31 U.S.C. 3732.

§ 36.4338 Death or insolvency of holder.

(a) Immediately upon the death of the holder and without the necessity of request or other action by the debtor or the Secretary, all sums then standing as a credit balance in a trust, or deposit, or other account to cover taxes, insurance accruals, or other items in connection with the loan secured by the encumbered property, whether stated to be such or otherwise designated, and which have not been credited on the note shall, nevertheless, be treated as a setoff and shall be deemed to have been credited thereon as of the date of the last debit to such account, so that the unpaid balance of the note as of that date will be reduced by the amount of such credit balance:

Provided, That any unpaid taxes, insurance premiums, ground rents, or advances may be paid by the holder of the indebtedness, at the holder's option, and the amount which otherwise would have been deemed to have been credited on the note reduced accordingly. This paragraph shall be applicable whether the estate of the deceased holder is solvent or insolvent.

(b) The provisions of paragraph (a) of this section shall also be applicable in the event of:

(1) Insolvency of holder;

(2) Initiation of any bankruptcy or reorganization, or liquidation proceedings as to the holder, whether voluntary or involuntary;

(3) Appointment of a general or ancillary receiver for the holder's property; or in any case

(4) Upon the written request of the debtor if all secured and due insurance premiums, taxes, and ground rents have been paid, and appropriate provisions made for future accruals.

(c) Upon the occurrence of any of the events enumerated in paragraph (a) or (b) of this section, interest on the note and on the credit balance of the deposits mentioned in paragraph (a) shall be set off against each other at the rate payable on the principal of the note, as of the date of last debit to the deposit account. Any excess credit of interest shall be treated as a set-off against the unpaid advances, if any, and the unpaid balance of the note.

(d) The provisions of paragraphs (a), (b) and (c) of this section shall apply also to corporations. The dissolution thereof by expiration of charter, by forfeiture, or otherwise shall be treated as is the death of an individual as provided in paragraph (a) of this section.

§ 36.4339 Qualification for designated fee appraisers.

To qualify for approval as a designated fee appraiser, an applicant must show to the satisfaction of the Secretary that his or her character, experience, and the type of work in which he or she has had experience for at least 5 years qualifies the applicant to competently appraise and value within a prescribed area the type of property to which the approval relates.

(b) An appraisal made by a designated fee appraiser shall be subject to review and adjustment by the Secretary. The amount determined to be

Assistant Loan Guaranty Officer

The authority hereby delegated to employees of the positions designated in this paragraph may, with the approval of the Under Secretary for Benefits, be redelegated.

(c) Nothing in this section shall be construed (1) to authorize any such employee to exercise the authority vested in the Secretary under 38 U.S.C. 501 or 3703(a)(2) or to sue, or enter appearance for and on behalf of the Secretary, or confess judgment against the Secretary in any court without the Secretary's prior authorization; or (2) to include the authority to exercise those powers delegated to the Under Secretary for Benefits, or the Director, Loan Guaranty Service, under §§ 36.4320(j), 36.4335 or 36.4343:

Provided, That, anything in the regulations concerning guaranty or insurance of loans to veterans to the contrary notwithstanding, any evidence of guaranty or insurance issued on or after July 1, 1948, by any of the employees designated in paragraph (b) of this section or by any employee designated an authorized agent or a loan guaranty agent shall be deemed to have been issued by the Secretary, subject to the defenses reserved in 38 U.S.C. 3721.

§ 36.4343 Cooperative loans.

(a) Any loan, which is (1) related to an enterprise in which more than 10 individuals will participate; or (2) to be made for the purchase or construction of residential units in any housing development, cooperative or otherwise, the title to which development or to the individual units therein is not to be held directly by the veteran-participants, or which contemplates the ownership or maintenance of more than three units or of their major appurtenances in common, to be eligible for guaranty or insurance shall require prior approval of the Under Secretary for Benefits, or the Director, Loan Guaranty Service, who may issue such approval upon such conditions and limitations deemed appropriate, not inconsistent with the provisions of 38 U.S.C. chapter 37 and the regulations concerning guaranty or insurance of loans to veterans.

(b) The issuance of such approval with respect to a residential development under paragraph (a)(2) of this section also shall be subject to such conditions and stipulation as in the judgment of the approving officer are possible and proper to (1) afford reasonable and feasible protection to the rights of the Government as guarantor or insurer, and as subrogee, and to each veteran-participant against loss of his or her respective equity consequent upon the failure of other participants to discharge their obligations; (2) provide for a reasonable and workable plan for the operation and management of the project; (3) limit the personal liability of each veteran-participant to those sums allocable on a proper ratable basis to the purchase, cost, and maintenance of his or her individual unit or participating interest; (4) limit commercial features to those reasonably calculated to promote the economic soundness of the project and the living convenience of the participants, retaining the essential character of a residential project.

(c) No such project, development, or enterprise may be approved which involves an initial grouping of more than 500 veterans, or a cost of more than five million dollars, unless it is conclusively shown to the satisfaction of the approving officer that a greater num-

ber of veterans or dollar amount will assure substantial advantages to the veteran-participants which could not be achieved in a smaller project.

(d) When approved as in this section provided, and upon performance of the conditions indicated in the prior approval, proper guaranty certificate or certificates may be issued in connection with the loan or loans to be guaranteed on behalf of eligible veterans participating in the project, development or enterprise not to exceed in total amount the sum of the guaranties applied for by the individual participants and for which guaranty each participant is then eligible.

(e) In lieu of guaranty as authorized in paragraph (d) of this section, insurance shall be available on application by the lender and all veterans concerned. In such case the insurance credit shall be limited to 15 percent of the obligation of the veteran applicant (subject to available eligibility) and the total insurance credit in respect to the veterans' loans involved in the project shall not exceed 15 percent of the aggregate of the principal sums of the individual indebtedness incurred by the veterans participating in the project for the purpose of acquiring their respective interests therein.

§ 36.4344 Lender Appraisal Processing Program.

(a) *Delegation of authority to lenders to review appraisals and determine reasonable value.* (1) To be eligible for delegation of authority to review VA appraisals and determine the reasonable value of properties to be purchased with VA guaranteed loans, a lender must (i) have automatic processing authority under 38 U.S.C. 3702(d), and (ii) employ one or more staff appraisal reviewers acceptable to the Secretary.

(2) To qualify as a lender's staff appraisal reviewer an applicant must be a full-time member of the lender's permanent staff and may not be employed by, or perform services for, any other mortgagee. The individual must not engage in any private pursuits in which

there will be, or appear to be, any conflict of interest between those pursuits and his/her duties, responsibilities, and performance as a Lender Appraisal Processing Program (LAPP) staff appraisal reviewer. Three years of experience is necessary to qualify as a lender's staff appraisal reviewer. That experience must demonstrate a knowledge of, and the ability to apply industry-accepted principles, methods, practices and techniques of appraising, and the ability to competently determine the value of property within a prescribed geographical area. The individual must demonstrate the ability to review the work of others and to recognize deviations from accepted appraisal principles, practices, and techniques, errors in computations, and unjustifiable and unsupportable conclusions.

(3) Lenders that meet the requirements of 38 U.S.C. 3702(d), and have a staff appraisal reviewer determined acceptable by VA, will be authorized to review appraisals and make reasonable value determinations on properties that will be security for VA guaranteed loans. The lender's authorization will be subject to a one-year probationary period. Additionally, lenders must satisfy initial and subsequent VA office case review requirements prior to being allowed to determine reasonable value without VA involvement. The initial office case review requirement must be satisfied in the VA regional office in whose jurisdiction the lender's staff appraisal reviewer is located before the LAPP authority may be utilized by that lender in any other VA office's jurisdiction. To satisfy the initial office case review requirement, the first five cases of each lender staff appraisal reviewer involving properties in the regional office location where the staff appraisal reviewer is located will be processed by him or her up to the point where he or she has made a reasonable value determination and fully drafted, but not issued, the lender's notification of reasonable value letter to the veteran. At that point, and prior to loan closing, each of the five cases will be submitted to the local VA office. After a staff review of each case, VA will issue a Certificate of Reasonable Value, which the lender may use in closing the loan automatically if it

meets all other requirements of the VA. If these five cases are found to be acceptable by VA, the lender's staff appraisal reviewer will be allowed to fully process subsequent appraisals for properties located in that VA office's jurisdiction without prior submission to VA and issuance by VA of a Certificate of Reasonable Value. Lenders must also satisfy a subsequent VA office case review requirement in each additional VA office location in which they desire to extend and utilize this authority. Under this requirement, the lender must have first satisfied the initial office case review requirement and then must submit to the additional VA office(s) the first case each staff appraisal reviewer processes in the jurisdiction of that office. As provided under the initial office case review requirement, VA office personnel will issue a Certificate of Reasonable value for this case and subsequently determine the acceptability of the lender's staff appraisal reviewer's processing. If VA finds this first case to be acceptable, the lender's staff appraisal reviewer will be allowed to fully process subsequent cases in that additional VA office's jurisdiction without prior submission to VA. The initial and subsequent office case review requirements may be expanded by VA if acceptable performance has not been demonstrated. After satisfaction of the initial and subsequent office case review requirements, routine reviews of LAPP cases will be made by VA staff based upon quality control procedures established by the Chief Benefits Director. Such review will be made on a random sampling or performance related basis. During the probationary period a high percentage of reviews will be made by VA staff.

(4) The following certification by the lender's nominated staff appraisal reviewer must be provided with the lender's application for delegation of LAPP authority:

I hereby acknowledge and represent that by signing the Uniform Residential Appraisal Report (URAR), FHLMC (Federal Home Loan Mortgage Corporation) Form 70/FNMA (Federal Notice Mortgage Association) Form 1004, I am certifying, in all cases, that I have personally reviewed the appraisal

report. In doing so I have considered and utilized recognized professional appraisal techniques, have found the appraisal report to have been prepared in compliance with applicable VA requirements, and concur with the recommendations of the fee appraiser, who was assigned by VA to the case. Furthermore, in those cases where clarifications or corrections have been requested from the VA fee appraiser there has been no pressure or influence exerted on that appraiser to remove or change information that might be considered detrimental to the subject property, or VA's interests, or to reach a predetermined value for that property. *Signature of Staff Appraisal Reviewer.*

(5) Other certifications required from the lender will be specified with particularity in the separate instructions issued by the Secretary, as noted in § 36.4344(b).

(b) *Instructions for LAPP Procedures.* The Secretary will publish separate instructions for processing appraisals under the Lenders Appraisal Processing Program. Compliance with these regulations and the separate instructions issued by the Secretary is deemed by VA to be the minimum exercise of due diligence in processing LAPP cases. Due diligence is considered by VA to represent that care, as is to be properly expected from, and ordinarily exercised by, reasonable and prudent lenders who would be dependent on the property as security to protect its investment.

(c) *VA minimum property requirements.* Lenders are responsible for determining that the property meets VA minimum property requirements. The separate instructions issued by the Secretary will set forth the lender's ability to adjust, remove, or alter the fee appraiser's or fee compliance inspector's recommendations concerning VA minimum property requirements. Condominiums, planned-unit developments and leasehold estates must have been determined acceptable by VA. A condominium or planned-unit development which is acceptable to the Department of Housing and Urban Development or the Department of Agriculture may also be acceptable to VA.

(d) *Adjustment of value recommendations.* The amount of authority to upwardly adjust the fee appraiser's estimated market value during the lender staff appraisal reviewer's initial review of the appraisal report or to sub-

sequently process an appeal of the lender's established reasonable value will be specified in the separate instructions issued by VA as noted in § 36.4344(b). The amount specified must not in any way be considered an administrative adjustment figure which may be applied indiscriminately and without valid basis or justification with the sole purpose of reaching an amount necessary to complete the sale or mortgage transaction.

(1) *Adjustment during initial review.* Any adjustment during the staff appraisal reviewer's initial review of the appraisal report must be fully and clearly justified in writing on the appraisal report form or, if necessary, on an addendum. The basis for the adjustment must be adequate and reasonable by professional appraisal standards. If real estate market or other valid data was utilized in arriving at the decision to make the adjustment, such data must be attached to the appraisal report. All adjustments, comments, corrections, justifications, etc., to the appraisal report must be made in a contrasting color, be clearly legible, and signed and dated by the staff appraisal reviewer.

(2) *Processing appeals.* The authority provided under 38 U.S.C. 3731(d) which permits a lender to obtain a VA fee panel appraiser's report which VA is obligated to consider in an appeal of the established reasonable value shall not apply to cases processed under the authority provided by this section. All appeals of VA fee appraisers' estimated market values or lenders' reasonable value determinations above the amount specified in the separate instructions issued by VA must be submitted, along with the lender's recommendations, if any, to VA for processing and final determination. Unless otherwise authorized in the separate instructions lenders must also submit appeals, regardless of the amount, to VA in all cases where the staff appraisal reviewer has made an adjustment during their initial review of the appraisal report to the fee appraiser's market value estimate. The fee appraiser's estimated market value or lender's reasonable value determination may be increased only when such increase is clearly warranted and fully

supported by real estate market or other valid data considered adequate and reasonable by professional appraisal standards and the lender's staff appraisal reviewer clearly and fully justifies the reasoning and basis for the increase in writing on the appraisal report form or an addendum. The staff appraisal reviewer must date and sign the written justification and must cite within it the data used in arriving at the decision to make the increase. All such data shall be attached to the appraisal report form and any addendum.

(e) *Notification.* It will be the responsibility of the lender to notify the veteran borrower in writing of the determination of reasonable value and related conditions specific to the property and to provide the veteran with a copy of the appraisal report. Any delay in processing the notification of value must be documented. Any delay of more than five work days between the date of the lender's receipt of the fee appraiser's report and date of the notification of value to the veteran, without reasonable and documented extenuating circumstances, will not be acceptable. A copy of the lender notification letter to the veteran and the appraisal report must be forwarded to the VA office of jurisdiction at the same time the veteran is notified. In addition, the original appraisal report, related appraisal documentation, and a copy of the reasonable value determination notification to the veteran must be submitted to the VA with the request for loan guaranty.

(f) *Indemnification.* When the Secretary has incurred a loss as a result of a payment of claim under guaranty and in which the Secretary determines an increase made by the lender under § 36.4344(d) or (f) was unwarranted, or arbitrary and capricious, the lender shall indemnify the Secretary to the extent the Secretary determines such loss was caused, or increased, by the increase in value.

(g) *Affiliations.* A lender affiliated with a real estate firm builder, land developer or escrow agent as a subsidiary division, investment or any other entity in which it has a financial interest or which it owns may not use this authority for any cases involving the affiliate unless the lender demonstrates

to the Secretary's satisfaction that the lender and its affiliate(s) are essentially separate entities that operate independently of each other, free of all cross-influences (e.g., a formal corporate agreement exists which specifically sets forth this fact).

(h) *Quality Control Plans.* The lender must have an effective self-policing or quality control system to ensure the adequacy and quality of their LAPP staff appraisal reviewer's processing and, that its activities do not deviate from high standards of integrity. The quality control system must include frequent, periodic audits that specifically address the appraisal review activity. These audits may be performed by an independent party, or by the lender's independent internal audit division which reports directly to the firm's chief executive officer. The lender must agree to furnish findings and information under this system to VA on demand. While the quality control personnel need not be appraisers, they should have basic familiarity with appraisal theory and techniques and the ability to prescribe appropriate corrective action(s) in the appraisal review process when discrepancies or problems are identified. The basic elements of the system will be described in separate instructions issued by the Secretary. Copies of the lender's quality control plan or self-policing system evidencing appraisal related matters must be provided to the VA office of jurisdiction with the lender's application for LAPP authority.

(i) *Fees.* The Secretary may require mortgagees to pay an application fee and/or annual fees, including additional fees for each branch office authorized to process cases under the authority delegated under this section, in such amounts and at such times as the Secretary may require.

(j) *Withdrawal of lender authority.* The authority for a lender to determine reasonable value may be withdrawn by the Loan Guaranty Officer when proper cause exists. A lender's authority to make reasonable value determinations shall be withdrawn when the lender no longer meets the basic requirements for delegating the authority, or when it can be shown that the lender's reasonable value determinations have not

been made in accordance with VA regulations, requirements, guidelines, instructions or applicable laws, or when there is adequate evidence to support reasonable belief by VA that a particular unacceptable act, practice, or performance by the lender or the lender's staff has occurred. Such acts, practices or performance include, but are not limited to: Demonstrated technical incompetence (i.e., conduct which demonstrates an insufficient knowledge of industry accepted appraisal principles, techniques and practices; or the lack of technical competence to review appraisal reports and make value determinations in accordance with those requirements); substantive or repetitive errors (i.e., any error(s) of a nature that would materially or significantly affect the determination of reasonable value or condition of the property; or a number or series of errors that, considered individually, may not significantly impact the determination of reasonable value or property condition, but which when considered in the aggregate would establish that appraisal reviews or LAPP case processing are being performed in a careless or negligent manner), or continued instances of disregard for VA requirements after they have been called to the lender's attention.

(1) Withdrawal of authority by the Loan Guaranty Officer may be either for an indefinite or a specified period of time. For any withdrawal longer than 90 days a reapplication for lender authority to process appraisals under these regulations will be required. Written notice will be provided at least 30 days in advance of withdrawal unless the Government's interests are exposed to immediate risk from the lender's activities in which case the withdrawal will be effected immediately. The notice will clearly and specifically set forth the basis and grounds for the action. There is no right to a formal hearing to contest the withdrawal of LAPP processing privileges. However, if within 15 days after receiving notice the lender requests an opportunity to contest the withdrawal, the lender may submit, in person, in writing, or through a representative, information and argument to the Loan Guaranty Officer in opposition to the withdrawal.

The Loan Guaranty Officer will make a recommendation to the Regional Office Director who shall make the determination as to whether the action should be sustained, modified or rescinded. The lender will be informed in writing of the decision.

(2) The lender has the right to appeal the Regional Office Director's decision to the Chief Benefits Director. In the event of such an appeal, the Chief Benefits Director will review all relevant material concerning the matter and make a determination that shall constitute final agency action. If the lender's submission of opposition raises a genuine dispute over facts material to the withdrawal of LAPP authority, the lender will be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses and confront any witness the Veterans Benefits Administration presents. The Chief Benefits Director will appoint a hearing officer or panel to conduct the hearing. When such additional proceedings are necessary, the Chief Benefits Director shall base the determination on the facts as found, together with any information and argument submitted by the lender.

(3) In actions based upon a conviction or civil judgment, or in which there is no genuine dispute over material facts, the Chief Benefits Director shall make a decision on the basis of all the information in the administrative record, including any submission made by the lender.

(4) Withdrawal of the LAPP authority will require that VA make subsequent determinations of reasonable value for the lender. Consequently, VA staff will review each appraisal report and issue a Certificate of Reasonable Value which can then be used by the lender to close loans on either the prior VA approval or automatic basis.

(5) Withdrawal by VA of the lender's LAPP authority does not prevent VA from also withdrawing automatic processing authority or taking debarment or suspension action based upon the same conduct by the lender.

§ 36.4345 Waivers, consents, and approvals; when effective.

No waiver, consent, or approval required or authorized by the regulations concerning guaranty or insurance of loans to veterans shall be valid unless in writing signed by the Secretary or the subordinate officer to whom authority has been delegated by the Secretary.

[13 FR 7281, Nov. 27, 1948]

§ 36.4346 Servicing procedures for holders.

(a) *Establishment of loan servicing program.* The holder of a loan guaranteed or insured by the Secretary shall develop and maintain a loan servicing program which follows accepted industry standards for servicing of similar type conventional loans. The loan servicing program established pursuant to this section may employ different servicing approaches to fit individual borrower circumstances and avoid establishing a fixed routine. However, it must incorporate each of the provisions specified in paragraphs (b) through (l) of this section.

(b) *Procedures for providing information.* (1) Loan holders shall establish procedures to provide loan information to borrowers, arrange for individual loan consultations upon request and maintain controls to assure prompt responses to inquiries. One or more of the following means of making information readily available to borrowers is required.

(i) An office staffed with trained servicing personnel with access to loan account information located within 200 miles of the property.

(ii) Toll-free telephone service or acceptance of collect telephone calls at an office capable of providing needed information.

(2) All borrowers must be informed of the system available for obtaining answers to loan inquiries, the office from which the needed information may be obtained, and reminded of the system at least annually.

(c) *Statement for income tax purposes.* Within 60 days after the end of each calendar year, the holder shall furnish to the borrower a statement of the interest paid and, if applicable, a state-

ment of the taxes disbursed from the escrow account during the preceding year. At the borrower's request, the holder shall furnish a statement of the escrow account sufficient to enable the borrower to reconcile the account.

(d) *Change of servicing.* Whenever servicing of a loan guaranteed or insured by the Secretary is transferred from one holder to another, notice of such transfer by both the transferor and transferee, the form and content of such notice, the timing of such notice, the treatment of payments during the period of such transfer, and damages and costs for failure to comply with these requirements shall be governed by the pertinent provisions of the Real Estate Settlement Procedures Act as administered by the Department of Housing and Urban Development.

(e) *Escrow accounts.* A holder of a loan guaranteed or insured by the Secretary may collect periodic deposits from the borrower for taxes and/or insurance on the security and maintain a tax and insurance escrow account provided such a requirement is authorized under the terms of the security instruments. In maintaining such accounts, the holder shall comply with the pertinent provisions of the Real Estate Settlement Procedures Act.

(f) *System for servicing delinquent loans.* In addition to the requirements of the Real Estate Settlement Procedures Act, concerning the duties of the loan servicer to respond to borrower inquiries, to protect the borrower's credit rating during a payment dispute period, and to pay damages and costs for noncompliance, holders shall establish a system for servicing delinquent loans which ensures that prompt action is taken to collect amounts due from borrowers and minimize the number of loans in a default status. The holder's servicing system must include the following:

(1) An accounting system which promptly alerts servicing personnel when a loan becomes delinquent;

(2) A collection staff which is trained in techniques of loan servicing and counseling delinquent borrowers to advise borrowers how to cure delinquencies, protect their equity and credit rating and, if the default is insoluble, pursue alternatives to foreclosure;

(3) Procedural guidelines for individual analysis of each delinquency;

(4) Instructions and appropriate controls for sending delinquent notices, assessing late charges, handling partial payments, maintaining servicing histories and evaluating repayment proposals;

(5) Management review procedures for evaluating efforts made to collect the delinquency and the response from the borrower before a decision is made to initiate action to liquidate a loan;

(6) Procedures for reporting delinquencies of 90 days or more and loan terminations to major consumer credit bureaus as specified by the Secretary and for informing borrowers that such action will be taken; and

(7) Controls to ensure that all notices required to be given to the Secretary on delinquent loans are provided timely and in such form as the Secretary shall require.

(g) *Collection actions.* (1) Holders shall employ collection techniques which provide flexibility to adapt to the individual needs and circumstances of each borrower. A variety of collection techniques may be used based on the holder's determination of the most effective means of contact with borrowers during various stages of delinquency. However, at a minimum the holder's collection procedures must include the following actions:

(i) A written delinquency notice to the borrower(s) requesting immediate payment if a loan installment has not been received within 17 days after the due date. This notice must be mailed no later than the 20th day of the delinquency and state the amount of the payment and of any late charges that are due.

(ii) An effort, concurrent with the written delinquency notice to establish contact with the borrower(s) by telephone. When talking with the borrower(s), the holder should attempt to determine why payment was not made and emphasize the importance of remitting loan installments as they come due.

(iii) A letter to the borrower(s) if payment has not been received within 30 days after it is due and telephone contact could not be made. This letter should emphasize the seriousness of the

delinquency and the importance of taking prompt action to resolve the default. It should also notify the borrower(s) that the loan is in default, state the total amount due and advise the borrower(s) how to contact the holder to make arrangements for curing the default.

(iv) In the event the holder has not established contact with the borrower(s) and has not determined the financial circumstances of the borrower(s) or established a reason for the default or obtained agreement to a repayment plan from the borrower(s), then a face-to-face interview with the borrower(s) or a reasonable effort to arrange such a meeting is required.

(2) The holder must provide a valid explanation of any failure to perform these collection actions when reporting loan defaults to the Secretary. A pattern of such failure may be a basis for sanctions under 38 CFR 44.205 and 44.305.

(h) *Conducting interviews with delinquent borrowers.* When personal contact with the borrower(s) is established, the holder shall solicit sufficient information to properly evaluate the prospects for curing the default and whether the granting of forbearance or other relief assistance would be appropriate. At a minimum, the holder must make a reasonable effort to establish the following:

(1) The reason for the default and whether the reason is a temporary or permanent condition;

(2) The present income and employment of the borrower(s);

(3) The current monthly expenses of the borrower(s) including household and debt obligations;

(4) The current mailing address and telephone number of the borrower(s); and

(5) A realistic and mutually satisfactory arrangement for curing the default.

(i) *Property inspections.* (1) The holder shall make an inspection of the property securing the loan whenever it becomes aware that the physical condition of the security may be in jeopardy. Unless a repayment agreement is in effect, a property inspection shall also be made at the following times:

Department of Veterans Affairs

§ 36.4348

(i) Before the 60th day of delinquency or before initiating action to liquidate a loan, whichever is earlier; and,

(ii) At least once each month after liquidation proceedings have been started unless servicing information shows the property remains owner-occupied.

(2) Whenever a holder obtains information which indicates that the property securing the loan is abandoned, it shall make appropriate arrangements to protect the property from vandalism and the elements. Thereafter, the holder shall schedule inspections at least monthly to prevent unnecessary deterioration due to vandalism, or neglect. With respect to any loan more than 30 days delinquent, a property abandonment must be reported to the Secretary and appropriate action initiated under § 36.4317(a) within 15 days after the holder confirms the property is abandoned.

(j) *Collection records.* The holder shall maintain individual file records of collection action on delinquent loans and make such records available to the Secretary for inspection on request. Such collection records shall show:

(1) The dates and content of letters and notices which were mailed to the borrower(s);

(2) Dated summaries of each personal servicing contact and the result of same;

(3) The indicated reason(s) for default; and,

(4) The date and result of each property inspection.

(k) *Reporting to the Secretary.* A summary of collection efforts, the information obtained through such efforts and the holder's evaluation of the reason for the default and prospects for resolution of the default must be included in any notice provided to the Secretary pursuant to §§ 36.4315 and 36.4317.

(l) *Quality control procedures.* No later than 180 days after the effective date of this regulation, each loan holder shall establish internal controls to periodically assess the quality of the servicing performed on loans guaranteed by the Secretary and assure that all requirements of this section are being met. Those procedures must provide for a review of the holder's servicing activities at least annually and include an eval-

uation of delinquency and foreclosure rates on loans in its portfolio which are guaranteed by the Secretary. As part of its evaluation of delinquency and foreclosure rates, the holder shall:

(1) Collect and maintain appropriate data on delinquency and foreclosure rates to enable the holder to evaluate effectiveness of its collection efforts;

(2) Determine how its VA delinquency and foreclosure rates compare with rates in reports published by the industry, investors and others; and,

(3) Analyze significant variances between its foreclosure and delinquency rates and those found in available reports and publications and take appropriate corrective action.

(m) Holders shall provide available statistical data on delinquency and foreclosure rates and their analysis of such data to the Secretary upon request.

§ 36.4347 Minimum property and construction requirements.

No loan for the purchase or construction of residential property shall be eligible for guaranty or insurance unless such property complies or conforms with those standards of planning, construction, and general acceptability that may be applicable thereto and prescribed by the Secretary pursuant to 38 U.S.C. 3704(a).

§ 36.4348 Authority to close loans on the automatic basis.

(a) Supervised lenders of the classes described in 38 U.S.C. 3702(d) (1) and (2) are authorized by statute to process VA guaranteed home loans on the automatic basis. This category of lenders includes any Federal land bank, national bank, State bank, private bank, building and loan association, insurance company, credit union or mortgage and loan company that is subject to examination and supervision by an agency of the United States or of any State or by any State.

(b) Non-supervised lenders of the class described in 38 U.S.C. 3702(d)(3)

must apply to the Secretary for authority to process loans on the automatic basis. Each of the minimum requirements listed below must be met by applicant lenders.

(1) *Experience.* The firm must meet one of the following experience requirements:

(i) The firm must have been actively engaged in originating VA loans for at least two years, have a VA Lender ID number and have originated and closed a minimum of ten VA loans within the past two years, excluding interest rate reduction refinance loans (IRRRLs), that have been properly documented and submitted in compliance with VA requirements and procedures; or

(ii) The firm must have a VA ID number and, if active for less than two years, have originated and closed at least 25 VA loans, excluding IRRRLs, that have been properly documented and submitted in compliance with VA requirements and procedures; or

(iii) Each principal officer of the firm, who is actively involved in managing origination functions, must have a minimum of two recent years' management experience in the origination of VA loans. This experience may be with the current or prior employer. For the purposes of this requirement, principal officer is defined as president or vice president; or

(iv) If the firm has been operating as an agent for a non-supervised automatic lender (sponsoring lender), the firm must submit documentation confirming that it has a VA Lender ID number and has originated a minimum of ten VA loans, excluding IRRRLs, over the past two years. If active for less than two years, the agent must have originated at least 25 VA loans. The required documentation is a copy of the VA letter approving the firm as an agent for the sponsoring lender; a copy of the corporate resolution, describing the functions the agent was to perform, submitted to VA by the sponsoring lender; and a letter from a senior officer of the sponsoring lender indicating the number of VA loans submitted by the agent each year and that the loans have been properly documented and submitted in compliance with VA requirements and procedures.

(2) *Underwriter.* A senior officer of the firm must nominate a full-time qualified employee(s) to act in the firm's behalf as underwriter(s) to personally review and make underwriting decisions on VA loans to be closed on the automatic basis.

(i) Nominees for underwriter must have a minimum of three years experience in processing, pre-underwriting or underwriting mortgage loans. At least one recent year of this experience must have included making underwriting decisions on VA loans. (Recent is defined as within the past three years.) A VA nomination and current resume, outlining the underwriter's specific experience with VA loans, must be submitted for each underwriter nominee.

(ii) Alternatively, if an underwriter does not have the experience outlined above, the underwriter must submit documentation verifying that he or she is a current Accredited Residential Underwriter (ARU) as designated by the Mortgage Bankers Association (MBA).

(iii) If an underwriter is not located in the lender's corporate office, then a senior officer must certify that the underwriter reports to and is supervised by an individual who is not a branch manager or other person with production responsibilities.

(iv) All VA-approved underwriters must attend a 1-day (eight-hour) training course on underwriter responsibilities, VA underwriting requirements, and VA administrative requirements, including the usage of VA forms, within 90 days of approval (if VA is unable to make such training available within 90 days, the underwriter must attend the first available training). Immediately upon approval of a VA underwriter, the office of jurisdiction will contact the underwriter to schedule this training at a VA regional office (VARO) of the underwriter's choice. This training is required for all newly approved VA underwriters, including those who qualified for approval based on an ARU designation, as well as VA-approved underwriters who have not underwritten VA-guaranteed loans in the past 24 months. Furthermore, and at the discretion of any VARO in whose jurisdiction the lender is originating VA loans, VA-approved underwriters who consistently approve loans that do

not meet VA credit standards may be required to retake this training.

(3) *Underwriter certification.* The lender must certify that all underwriting decisions as to whether to accept or reject a VA loan will be made by a VA-approved underwriter. In addition each VA-approved underwriter will be required to certify on each VA loan that he or she approves that the loan has been personally reviewed and approved by the underwriter.

(4) *Financial requirements.* Each application must include the most recent annual financial statement audited and certified by a certified public accountant (CPA). If the date of the annual financial statement precedes that of the application by more than six months, the lender must also attach a copy of its latest internal financial statement. Lenders are required to meet either the working capital or the minimum net worth financial requirement as defined below.

(i) *Working capital.* A minimum of \$50,000 in working capital must be demonstrated.

(A) Working capital is a measure of a firm's liquidity, or the ability to pay its short-term debts. Working capital is defined as the excess of current assets over current liabilities. Current assets are defined as cash or other liquid assets convertible into cash within a 1-year period. Current liabilities are defined as debts that must be paid within the same 1-year time frame.

(B) The VA determination of whether a lender has the required minimum working capital is based on the balance sheet of the lender's annual audited financial statement. Therefore, either the balance sheet must be classified to distinguish between current and fixed assets and between current and long-term liabilities or the information must be provided in a footnote to the statement.

(ii) *Net worth.* Lenders must show evidence of a minimum of \$250,000 in adjusted net worth. Net worth is a measure of a firm's solvency, or its ability to exist in the long run, quantified by the payment of long-term debts. Net worth as defined by generally accepted accounting principles (GAAP) is total assets minus total liabilities. Adjusted net worth for VA purposes is the same

as the adjusted net worth required by the Department of Housing and Urban Development (HUD), net worth less certain unacceptable assets including:

(A) Any assets of the lender pledged to secure obligations of another person or entity.

(B) Any asset due from either officers or stockholders of the lender or related entities, in which the lender's officers or stockholders have a personal interest, unrelated to their position as an officer or stockholder.

(C) Any investment in related entities in which the lender's officers or stockholders have a personal interest unrelated to their position as an officer or stockholder.

(D) That portion of an investment in joint ventures, subsidiaries, affiliates and/or other related entities which is carried at a value greater than equity, as adjusted. "Equity as adjusted" means the book value of the related entity reduced by the amount of unacceptable assets carried by the related entity.

(E) All intangibles, such as goodwill, covenants not to compete, franchisee fees, organization costs, etc., except unamortized servicing costs carried at a value established by an arm's-length transaction and presented in accordance with generally accepted accounting principles.

(F) That portion of an asset not readily marketable and for which appraised values are very subjective, carried at a value in excess of a substantially discounted appraised value. Assets such as antiques, art work and gemstones are subject to this provision and should be carried at the lower of cost or market.

(G) Any asset that is principally used for the personal enjoyment of an officer or stockholder and not for normal business purposes. Adjusted net worth must be calculated by a CPA using an audited and certified balance sheet from the lender's latest financial statements. "Personal interest" as used in this section indicates a relationship between the lender and a person or entity in which that specified person (e.g., spouse, parent, grandparent, child, brother, sister, aunt, uncle or in-law) has a financial interest in or is employed in a management position by the lender.

(5) *Lines of credit.* The lender applicant must have one or more lines of credit aggregating at least \$1 million. The identity of the source(s) of warehouse lines of credit must be submitted to VA and the applicant must agree that VA may contact the named source(s) for the purpose of verifying the information. A line of credit must be unrestricted, that is, funds are available upon demand to close loans and are not dependent on prior investor approval. A letter from the company(ies) verifying the unrestricted line(s) of credit must be submitted with the application for automatic authority.

(6) *Permanent investors.* If the lender customarily sells loans it originates, it must have a minimum of two permanent investors. The names, addresses and telephone numbers of the permanent investors must be submitted with the application.

(7) *Liaison.* The lender applicant must designate an employee and an alternate to be the primary liaison with VA. The liaison officers should be thoroughly familiar with the lender's entire operation and be able to respond to any query from VA concerning a particular VA loan or the firm's automatic authority.

(8) *Other considerations.* All applications will also be reviewed in light of the following considerations:

(i) There must be no factors that indicate that the firm would not exercise the care and diligence required of a lender originating and closing VA loans on the automatic basis; and

(ii) In the event the firm, any member of the board of directors, or any principal officer has ever been debarred or suspended by any Federal agency or department, or any of its directors or officers has been a director or officer of any other lender or corporation that was so debarred or suspended, or if the lender applicant ever had a servicing contract with an investor terminated for cause, a statement of the facts must be submitted with the application for automatic authority.

(9) *Quality control system.* In order to be approved as a non-supervised lender for automatic-processing authority, the lender must implement a written quality control system which ensures

compliance with VA requirements. The lender must agree to furnish findings under its systems to VA on demand. The elements of the quality control system must include the following:

(i) *Underwriting policies.* Each office of the lender shall maintain copies of VA credit standards and all available VA underwriting guidelines.

(ii) *Corrective measures.* The system should ensure that effective corrective measures are taken promptly when deficiencies in loan origination's are identified by either the lender or VA. Any cases involving major discrepancies which are discovered under the system must be reported to VA.

(iii) *System integrity.* The quality control system should be independent of the mortgage loan production function.

(iv) *Scope.* The review of underwriting decisions and certifications must include compliance with VA underwriting requirements, sufficiency of documentation and soundness of underwriting judgments.

(v) *Appraisal quality.* For lenders approved for the Lender Appraisal Processing Program (LAPP), the quality control system must specifically contain provisions concerning the adequacy and quality of real property appraisals. While the lender's quality control personnel need not be appraisers, they should have basic familiarity with appraisal theory and techniques so that they can select appropriate cases for review if discretionary sampling is used, and prescribe appropriate corrective action(s) in the appraisal review process when discrepancies or problems are identified. Copies of the lender's quality control plan or self-policing system evidencing appraisal related matters must be provided to the VA office of jurisdiction.

(10) *Courtesy closing.* The lender-applicant must certify to VA that it will not close loans on an automatic basis as a courtesy or accommodation for other mortgage lenders, whether or not such lenders are themselves approved to close on an automatic basis without the express approval of VA. However, a lender with automatic authority may close loans for which information and supporting credit data have been developed on its behalf by a duly authorized agent.

(11) *Probation.* Lenders meeting these requirements will be approved to close VA loans on an automatic basis for a 1-year period. At the end of this period, the lender's quality of underwriting, the completeness of loan submissions, compliance with VA requirements and procedures, and the delinquency and foreclosure rates will be reviewed.

(12) *Extensions of automatic authority.* When a lender wants its automatic authority extended to another State, the request must be submitted, with the fee designated in paragraph (e)(5) of this section, to the VA regional office having jurisdiction in the State where the lender's corporate office is located.

(i) When a lender wants its automatic authority to include loans involving a real estate brokerage and/or a residential builder or developer in which it has a financial interest, owns, is owned by, or with which it is affiliated, the following documentation must be submitted:

(A) A corporate resolution from the lender and each affiliate indicating that they are separate entities operating independently of each other. The lender's corporate resolution must indicate that it will not give more favorable underwriting consideration to its affiliate's loans, and the affiliate's corporate resolution must indicate that it will not seek to influence the lender to give their loans more favorable underwriting consideration.

(B) Letters from permanent investors indicating the percentage of all VA loans based on the affiliate's production originated by the lender over a 1-year period that are past due 90 days or more. This delinquency ratio must be no higher than the national average for the same period for all mortgage loans.

(ii) When a lender wants its automatic authority extended to additional States, the lender must indicate how it plans to originate VA loans in those States. Unless a lender proposes a telemarketing plan, VA requires that a lender have a presence in the State, that is, a branch office, an agent relationship, or that it is a reasonable distance from one of its offices in an adjacent State, i.e., 50 miles. If the request is based on an agency relationship, the documentation outlined in paragraph

(b)(13) must be submitted with the request for extension.

(13) *Use of agents.* A lender using an agent to perform a portion of the work involved in originating and closing a VA-guaranteed loan on an automatic basis must take full responsibility by certification for all acts, errors and omissions of the agent or other entity and its employees for the work performed. Any such acts, errors or omissions will be treated as those of the lender and appropriate sanctions may be imposed against the lender and its agent. Lenders requesting an agent must submit the following documentation to the VA regional office having jurisdiction for the lender's corporate office:

(i) A corporate resolution certifying that the lender takes full responsibility for all acts, errors and omissions of the agent that it is requesting. The corporate resolution must also identify the agent's name and address, and the geographic area in which the agent will be originating and/or closing VA loans; whether the agent is authorized to issue interest rate lock-in agreements on behalf of the lender; and outline the functions the agent is to perform. Alternatively, the lender may submit a blanket corporate resolution which sets forth the functions of any and all agents and identifies individual agents by name, address, and geographic area in separate letters which refer to the blanket resolution.

(ii) When the VA regional office having jurisdiction for the lender's corporate office acknowledges receipt of the lender's request in writing, the agent is thereby authorized to originate VA loans on the lender's behalf.

(Authority: 38 U.S.C. 501(a), 3702(d))

(c) A lender approved to close loans on the automatic basis who subsequently fails to meet the requirements of this section must report to VA the circumstances surrounding the deficiency and the remedial action to be taken to cure it. Failure to advise VA in a timely manner could result in a lender's loss of its approval to close VA loans on the automatic basis.

(Authority: 38 U.S.C. 501(a), 3702(d))

(d) *Annual recertification.* Non-supervised lenders of the class described in 38 U.S.C. 3702(d)(3) must be recertified annually for authority to process loans on the automatic basis. The following minimum annual recertification requirements must be met by each lender approved for automatic authority:

(1) *Financial requirements.* A lender must submit, within 120 days following the end of its fiscal year, an audited and certified financial statement with a classified balance sheet or a separate footnote for adjusted net worth to VA Central Office (264) for review. The same minimum financial requirements described in §36.4348(b)(5) must be maintained and verified annually in order to be recertified for automatic authority.

(2) *Processing annual lender data.* The VA regional office having jurisdiction for the lender's corporate office will mail an annual notice to the lender requesting current information on the lender's personnel and operation. The lender is required to complete the form and return it with the appropriate annual renewal fees to the VA regional office.

(Authority: 38 U.S.C. 501(a), 3702(d))

(e) *Lender fees.* To participate as a VA automatic lender, non-supervised lenders of the class described in 38 U.S.C. 3702(d)(3) shall pay fees as follows:

- (1) \$500 for new applications;
- (2) \$200 for reinstatement of lapsed or terminated automatic authority;
- (3) \$100 for each underwriter approval;
- (4) \$100 for each agent approval;
- (5) A minimum fee of \$100 for any other VA administrative action pertaining to a lender's status as an automatic lender;
- (6) \$200 annually for certification of home offices; and
- (7) \$100 annually for each agent renewal.

(f) Supervised lenders of the classes described in paragraphs (d)(1) and (d)(2) of 38 U.S. Code 3702 participating in VA's Loan Guaranty Program shall pay fees as follows:

- (1) \$100 fee for each agent approval; and

- (2) \$100 annually for each agent renewal.

(Authority: 38 U.S.C. 501(a) and 3703(c)(1))

(g) Lenders participating in VA's Lender Appraisal Processing Program shall pay a fee of \$100 for approval of each staff appraisal reviewer.

§36.4349 Withdrawal of authority to close loans on the automatic basis.

(a)(1) As provided in 38 U.S.C. 3702(e), the authority of any lender to close loans on the automatic basis may be withdrawn by the Secretary at any time upon 30 days notice. The automatic processing authority of both supervised and non-supervised lenders may be withdrawn for engaging in practices which are imprudent from a lending standpoint or which are prejudicial to the interests of veterans or the Government but are of a lesser degree than would warrant complete suspension or debarment of the lender from participation in the program.

(2) Automatic-processing authority may be withdrawn at any time for failure to meet basic qualifying and/or annual recertification criteria.

(i) *Non-supervised lenders.* (A) Automatic authority may be withdrawn for lack of a VA-approved underwriter, failure to maintain \$50,000 in working capital or \$250,000 in adjusted net worth, or failure to file required financial information.

(B) During the 1-year probationary period for newly approved lenders, automatic authority may be temporarily or permanently withdrawn for any of the reasons set forth in this section regardless of whether deficiencies previously have been brought to the attention of the probationary lender.

(ii) *Supervised lenders.* Automatic authority will be withdrawn for loss of status as an entity subject to examination and supervision by a Federal or State supervisory agency as required by 38 U.S.C. 3702(d).

(Authority: 38 U.S.C. 501(a), 3702(d))

- (3) Automatic processing authority may also be withdrawn for any of the

causes for debarment set forth at § 44.305 of this title.

(b) Authority to close loans on the automatic basis may also be temporarily withdrawn for a period of time under the following schedule.

(1) Withdrawal for 60 days:

(i) Automatic loan submissions show deficiencies in credit underwriting, such as use of unstable sources of income to qualify the borrower, ignoring significant adverse credit items affecting the applicant's creditworthiness, etc., after such deficiencies have been repeatedly called to the lender's attention;

(ii) Employment or deposit verifications are handcarried by applicants or otherwise improperly permitted to pass through the hands of a third party;

(iii) Automatic loan submissions are consistently incomplete after such deficiencies have been repeatedly called to the lender's attention by VA; or

(iv) There are continued instances of disregard of VA requirements after they have been called to the lender's attention.

(2) Withdrawal for 180 days:

(i) Loans are closed automatically which conflict with VA credit standards and which would not have been made by a lender acting prudently;

(ii) The lender fails to disclose to VA significant obligations or other information so material to the veteran's ability to repay the loan that undue risk to the Government results;

(iii) Employment or deposit verifications are allowed to be handcarried by applicant or otherwise mishandled, resulting in the submission of significant misinformation to VA;

(iv) Substantiated complaints are received that the lender misrepresented VA requirements to veterans to the detriment of their interests (e.g., veteran was dissuaded from seeking a lower interest rate based on lender's incorrect advice that such options were precluded by VA requirements);

(v) Closing documentation shows instances of improper charges to the veteran after the impropriety of such charges has been called to the lender's attention by VA, or refusal to refund such charges after notification by VA; or

(vi) There are other instances of lender actions which are prejudicial to the interests of veterans such as deliberate delays in scheduling loan closings.

(3) Withdrawal for a period of from one year to three years:

(i) The lender fails to properly disburse loans (e.g., loan disbursement checks returned due to insufficient funds);

(ii) There is involvement by the lender in the improper use of a veteran's entitlement (e.g., knowingly permitting the veteran to violate occupancy requirements, lender involvement in sale of veteran's entitlement, etc.).

(4) A continuation of actions that have led to previous withdrawal of automatic authority justifies withdrawal of automatic authority for the next longer period of time.

(5) Withdrawal of automatic processing authority does not prevent a lender from processing VA guaranteed loans on the prior approval basis.

(6) Action by VA to remove a lender's automatic authority does not prevent VA from also taking debarment or suspension action based on the same conduct by the lender.

(7) VA field facilities are authorized to withdraw automatic privileges for 60 days, based on any of the violations set forth in paragraphs (b)(1) through (b)(3) of this section, for nonsupervised lenders without operations in other stations' jurisdictions. All determinations regarding withdrawal of automatic authority for longer periods of time or multi-jurisdictional lenders must be made in Central Office.

(c) VA will provide 30 days notice of a withdrawal of automatic authority in order to enable the lender to either close or obtain prior approval for a loan on which processing has begun. There is no right to a formal hearing to contest the withdrawal of automatic processing privileges. However, if within 15 days after receiving notice the lender requests an opportunity to contest the withdrawal, the lender may submit in person, in writing, or through a representative, information and argument in opposition to the withdrawal.

(d) If the lender's submission in opposition raises a dispute over facts material to the withdrawal of automatic authority, the lender will be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witnesses VA presents. The Under Secretary for Benefits will appoint a hearing officer or panel to conduct the hearing.

(e) A transcribed record of the proceedings shall be made available at cost to the lender, upon request, unless the requirement for a transcript is waived by mutual agreement.

(f) In actions based upon a conviction or civil judgment, or in which there is no genuine dispute over material facts, the Under Secretary for Benefits shall make a decision on the basis of all the information in the administrative record, including any submission made by the lender.

(g) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact will be prepared by the hearing officer or panel. The Under Secretary for Benefits shall base the decision on the facts as found, together with any information and argument submitted by the lender and any other information in the administrative record.

§ 36.4350 Estate of veteran in real property.

(a) The estate in the realty acquired by the veteran, wholly or partly with the proceeds of a guaranteed or insured loan, or owned by him and on which construction, or repairs, or alterations or improvements are to be made, shall be not less than:

(1) A fee simple estate therein, legal or equitable; or

(2) A leasehold estate running or renewable at the option of the lessee for a period of not less than 14 years from

the maturity of the loan, or to any earlier date at which the fee simple title will vest in the lessee, which is assignable or transferable, if the same be subjected to the lien; however, a leasehold estate which is not freely assignable and transferable will be considered an acceptable estate if it is determined by the Under Secretary for Benefits, or the Director, Loan Guaranty Service, (i) that such type of leasehold is customary in the area where the property is located, (ii) that a veteran or veterans will be prejudiced if the requirement for free assignability is adhered to and, (iii) that the assignability and other provisions applicable to the leasehold estate are sufficient to protect the interests of the veteran and the Government and are otherwise acceptable; or

(3) A life estate, provided that the remainder and reversionary interests are subjected to the lien; or

(4) A beneficial interest in a revocable Family Living Trust that ensures that the veteran, or veteran and spouse, have an equitable life estate, provided the lien attaches to any remainder interest and the trust arrangement is valid under State law.

The title to such estate shall be such as is acceptable to informed buyers, title companies, and attorneys, generally, in the community in which the property is situated, except as modified by paragraph (b) of this section.

(b) Any such property or estate will not fail to comply with the requirements of paragraph (a) of this section by reason of the following:

(1) Encroachments;

(2) Easements;

(3) Servitudes;

(4) Reservations for water, timber, or subsurface rights;

(5) Sale and lease restrictions:

(i) Except as to condominiums, the right in any grantor or cotenant in the chain of title, or a successor of either, to purchase for cash, which right was established by an instrument recorded prior to December 1, 1976, and by the terms thereof is exercisable only if:

(A) An owner elects to sell,

(B) The option price is not less than the price at which the then owner is willing to sell to another, and

(C) Exercised within 30 days after notice is mailed by registered mail to the address of optionee last known to the then owner of the then owner's election to sell, stating the price and the identity of the proposed vendee;

(ii) A condominium estate established by the filing for record of the Master Deed, or other enabling document before December 1, 1976 will not fail to comply with the requirements of paragraph (a) of this section by reason of:

(A) Prohibition against leasing a unit for a period of less than 6 months.

(B) The existence of a right of first option to purchase or right to provide a substitute buyer reserved to the condominium association provided such option or right is exercisable only if:

(1) An owner elects to sell,

(2) The option price is not less than the price at which the then owner is willing to sell to another,

(3) The terms and conditions under which the option price is to be paid are identical to or are not less favorable to the owner than the terms and conditions under which the owner was willing to sell to the owner's prospective buyer, and

(4) Notice of the association's decision to exercise the option must be mailed to the owner by registered or certified mail within 30 days after notice is mailed by registered or certified mail to the address of the association last known to the owner of the owner's election to sell, stating the price, terms of sale, and the identity of the proposed vendee;

(iii) Any property subject to a restriction on the owner's right to convey to any party of the owner's choice, which restriction is established by a document recorded on or after December 1, 1976, will not qualify as security for a guaranteed or insured loan. A prohibition or restriction on leasing an individual unit in a condominium will not cause the condominium estate to fail to qualify as security for such loan, provided the restriction is in accordance with § 36.4358(c);

(iv) Notwithstanding the provisions of paragraphs (b)(5) (i), (ii), and (iii) of this section, a property shall not be considered ineligible pursuant to paragraph (a) of this section if:

(A) The veteran obtained the property under a State or local political subdivision program designed to assist low- or moderate-income purchasers, and as a condition the purchaser must agree to one or more of the following restrictions:

(1) If the property is resold within a time period as established by local law or ordinance, after the purchaser acquires title, the purchaser must first offer the property to the government housing agency, or a low- or moderate-income purchaser designated by such agency, provided the option to purchase is exercised within 90 days after notice by the purchaser to the agency of intention to sell;

(2) If the property is resold within a time period as established by local law or ordinance after the purchaser acquires title, a governmental agency may specify a maximum price which the veteran may receive for the property upon resale; or

(3) Such other restriction approved by the Secretary designed to insure either that a property acquired under such program again be made available to low- or moderate-income purchasers, or to prevent a private purchaser from obtaining a windfall profit on the resale of such property, while assuring that the purchaser has a reasonable opportunity to dispose of the property without undue difficulty at a reasonable price.

The sale price of a property under any of the restrictions of paragraph (b)(5)(iv)(A) of this section shall not be less than the lowest of the following: The price designated by the owner as the asking price; the appraised value of the property; or the original purchase price of the property, increased by a factor reflecting all or a reasonable portion of the increased costs of housing or the percentage increase in median income in the area between the date of original purchase and resale, plus the reasonable value or actual costs of any capital improvements made by the owner plus a reasonable real estate commission less the cost of necessary repairs required to place the property in saleable condition; or other reasonable formula approved by the Secretary. The veteran must be fully informed and consent in writing to the

housing restrictions. A copy of the veteran's consent statement must be forwarded with the application for home loan guaranty or the report of a home loan processed on the automatic basis; or

(Authority: 38 U.S.C. 3703(c))

(B) A recorded restriction on title designed to provide housing for older persons, provided that the restriction is acceptable under the provisions of the Fair Housing Act, title VIII of the Civil Rights Act of 1968, as amended by the Fair Housing Amendments Act of 1988, 42 U.S.C. 3601 *et seq.* The veteran must be fully informed and consent in writing to the restrictions. A copy of the veteran's consent statement must be forwarded with the application for home loan guaranty or the report of a home loan processed on the automatic basis;

(Authority: 38 U.S.C. 501, 3703(c)(1))

(6) Building and use restrictions whether or not enforceable by a reverter clause if there has been no breach of the conditions affording a right to an exercise of the reverter;

(7) Any other covenant, condition, restriction, or limitation approved by the Secretary in the particular case. Such approval shall be a condition precedent to the guaranty or insurance of the loan;

Provided, That the limitations on the quantum or quality of the estate or property that are indicated in this paragraph, insofar as they may materially affect the value of the property for the purpose for which it is used, are taken into account in the appraisal of reasonable value required by 38 U.S.C. chapter 37.

(c) The following limitations on the quantum or quality of the estate or property shall be deemed for the purposes of paragraph (b) of this section to have been taken into account in the appraisal of residential property and determined by the Secretary as not materially affecting the reasonable value of such property:

(1) *Building or use restrictions.* Provided, (i) no violation exists, (ii) the proposed use by a veteran does not presage a violation of a condition affording a right of reverter, and (iii) any

right of future modification contained in the building or use restrictions is not exercisable, by its own terms, until at least 10 years following the date of the loan.

(2) *Violations of racial and creed restrictions.* Violations of a restriction based on race, color, creed, or national origin, whether or not such restriction provides for reversion or forfeiture of title or a lien for liquidated damages in the event of a breach.

(3) *Violations of building or use restrictions of record.* Violations of building or use restrictions of record which have existed for more than 1 year, are not the subject of pending or threatened litigation, and which do not provide for a reversion or termination of title, or condemnation by municipal authorities, or, a lien for liquidated damages which may be superior to the lien of the guaranteed or insured mortgage.

(4) *Easements.* (i) Easements for public utilities along one or more of the property lines and easements for drainage or irrigation ditches, provided the exercise of the rights thereof do not interfere with the use of any of the buildings or improvements located on the subject property.

(ii) Mutual easements for joint driveways located partly on the subject property and partly on adjoining property, provided the agreement is recorded in the public records.

(iii) Easements for underground conduits which are in place and which do not extend under any buildings in the subject property.

(5) *Encroachments.* (i) On the subject property by improvements on the adjoining property where such encroachments do not exceed 1 foot within the subject boundaries, provided such encroachments do not touch any buildings or interfere with the use or enjoyment of any building or improvement on the subject property.

(ii) By hedges or removable fences belonging to subject or adjoining property.

(iii) Not exceeding 1 foot on adjoining property by driveways belonging to subject property, provided there exists a clearance of at least 8 feet between the buildings on the subject property and the property line affected by the encroachment.

(6) *Variations of lot lines.* Variations between the length of the subject property lines as shown on the plot plan or other exhibits submitted to Department of Veterans Affairs and as shown by the record or possession lines, provided such variations do not interfere with the current use of any of the improvements on the subject property and do not involve a deficiency of more than 2 percent with respect to the length of the front line or more than 5 percent with respect to the length of any other line.

§36.4351 Loans, first, second, or unsecured.

Loans for the purchase of real property or a leasehold estate as limited in the regulations concerning guaranty or insurance of loans to veterans, or for the alteration, improvement, or repair thereof, and for more than \$1,500 and more than 40 percent of the reasonable value of such property or estate prior thereto shall be secured by a first lien on the property or estate. Loans for such alteration, improvement, or repairs for more than \$1,500 but 40 percent or less of the prior reasonable value of the property shall be secured by a lien reasonable and customary in the community for the type of alteration, improvement, or repair financed. Those for \$1,500 or less need not be secured, and in lieu of the title examination the lender may accept a statement from the borrower that he or she has an interest in the property not less than that prescribed in §36.4350(a).

[43 FR 51016, Nov. 2, 1978]

§36.4352 Tax, special assessment and other liens.

Tax liens, special assessment liens, and ground rents shall be disregarded with respect to any requirement that loans shall be secured by a lien of specified dignity. With the prior approval of the Secretary, Under Secretary for Benefits, or Director, Loan Guaranty Service, liens retained by nongovern-

mental entities to secure assessments or charges for municipal type services and facilities clearly within the public purpose doctrine may be disregarded. In determining whether a loan for the purchase or construction of a home is secured by a first lien the Secretary may also disregard a superior lien created by a duly recorded covenant running with the realty in favor of a private entity to secure an obligation to such entity for the homeowner's share of the costs of the management, operation, or maintenance of property, services or programs within and for the benefit of the development or community in which the veteran's realty is located, if the Secretary determines that the interests of the veteran-borrower and of the Government will not be prejudiced by the operation of such covenant. In respect to any such superior lien to be created after June 6, 1969, the Secretary's determination must have been made prior to the recordation of the covenant.

§36.4353 Combination residential and business property.

If otherwise eligible, a loan for the purchase or construction of a combination of residential property and business property which the veteran proposes to occupy in part as a home will be eligible under 38 U.S.C. 3710, if the property is primarily for residential purposes and no more than one business unit is included in the property.

[40 FR 34594, Aug. 18, 1975]

§36.4354 [Reserved]

§36.4355 Supplemental loans.

(a) Any loan for the alteration, repair, improvement, extension, replacement, or expansion of a home, with respect to which a guaranteed or insured obligation of the borrower is currently outstanding, may be reported for guaranty or insurance coverage, if such loan is made by the holder of the currently outstanding obligation, notwithstanding the fact no guaranty entitlement remains available to the borrower;

Provided, That if no entitlement remains available the maximum amount payable on the revised guaranty shall not exceed the amount payable on the original guaranty on the date of closing the supplemental loan, and the percentage of guaranty shall be based upon the proportion the said maximum amount bears to the aggregate indebtedness, or, in the case of an insured loan, no additional credit to the holder's insurance account may be made: *Provided further*, That the prior approval of the Secretary shall be required if

(1) The loan will be made by a lender who is not the holder of the currently guaranteed or insured obligation; or

(2) The loan will be made by a lender not of a class specified in 38 U.S.C. 3702(d); or

(3) An obligor liable on the currently outstanding obligation will be released from personal liability.

In any case in which the unpaid balance of the prior loan currently outstanding is combined or consolidated with the amount of the supplemental loan, the entire aggregate indebtedness shall be repayable in full within the maximum maturity currently prescribed by statute for the original loan. No supplemental loan for the repair, alteration, or improvement of residential property will be eligible for guaranty or insurance unless such repair, alteration, or improvement substantially protects or improves the basic livability or utility of the property involved.

(b) Such loans shall be secured as required in §36.4351: *Provided*, That a lien of lesser dignity than therein specified will suffice if the lien obtained is immediately junior to the lien of the original guaranteed or insured obligation: *Provided further*, The liens of successive supplemental loans may be of lesser dignity so long as they are immediately junior to the lien of the last previous guaranteed or insured obligation having a lien of required dignity.

(c) Upon providing or extending guaranty or insurance coverage in respect to any such supplemental loan, the rights of the Secretary to the proceeds of the sale of security shall be subordinate to the right of the holder to satisfy therefrom the indebtedness out-

standing on the original and supplemental loans.

§36.4356 Condominium loans—general.

(a) *Authority—applicability of other loan guaranty regulations, 38 CFR Part 36.* A loan to an eligible veteran to purchase a one-family residential unit in a condominium housing development or project shall be eligible for guaranty or insurance to the same extent and on the same terms as other loans under 38 U.S.C. 3710 provided the loan conforms to the provisions of chapter 37, title 38 U.S.C., except for sections 1811 (direct loans), and 1827 (structural defects). The loan must also conform to the otherwise applicable provisions of the regulations concerning the guaranty or insurance of loans to veterans. Sections 36.4353, 36.4355, and 36.4364 shall not be applicable.

(b) *Definitions.* On and after July 1, 1979, the following definitions shall be applicable to each condominium loan entitled to be guaranteed or insured, and shall be applicable to such loans previously guaranteed or insured to the extent that no legal rights vested thereunder are impaired. Whenever used in 38 U.S.C. chapter 37 or the §36.4300 series, unless the context otherwise requires, the terms defined in this paragraph shall have the meaning stated.

(1) *Affiliate of declarant.* Affiliate of declarant means any person or entity which controls, is controlled by, or is under common control with, a declarant.

(i) A person or entity shall be considered to control a declarant if that person or entity is a general partner, officer, director, or employee of the declarant who:

(a) Directly or indirectly or acting in concert with one or more persons, or through one or more subsidiaries, owns, controls, or holds with power to vote, or holds proxies representing, more than 20 percent of the voting shares of the declarant;

(b) Controls in any manner the election of a majority of the directors of the declarant; or

(c) Has contributed more than 20 percent of the capital of the declarant.

(ii) A person or entity shall be considered to be controlled by a declarant if the declarant is a general partner, officer, director, or employee of that person or entity who:

(a) Directly or indirectly or acting in concert with one or more persons or through one or more subsidiaries, owns, controls, or holds with power to vote, or holds proxies representing, more than 20 percent of the voting shares of that person or entity;

(b) Controls in any manner the election of a majority of the directors of that person or entity; or

(c) Has contributed more than 20 percent of the capital of that person or entity.

(2) *Condominium*. Unless otherwise provided by State law, a condominium is a form of ownership in which the buyer receives title to a three dimensional air space containing the individual living unit together with an undivided interest or share in the ownership of common elements (restatement of § 36.4301, Condominium).

(3) *Conversion condominium*. Condominium projects not originally built and sold as condominiums but subsequently converted to the condominium form of ownership.

(4) *Declarant*. Any person who has executed a declaration or an amendment to a declaration to add additional real estate to the project or any successors or assigns of the declarant who offers to sell or sells units in the condominium project and who assumes declarant rights in the project including the right to: Add, convert or withdraw real estate from the condominium project; maintain sales offices, management offices and rental units; exercise easements through the common elements for the purpose of making improvements within the condominium; or exercise control of the owner's association. Declarant is further defined as any sponsor of a project or affiliate of the declarant who is acting on behalf of or exercising the rights of the declarant.

(5) *Existing—declarant in control or marketing units*. A condominium in which all onsite or offsite improvements were completed or the conversion was completed prior to appraisal by the Department of Veterans Affairs, but the declarant is in control of the owners' association and/or is currently marketing units for initial transfer to individual unit owners.

(6) *Existing—resale*. A condominium in which all onsite or offsite improvements were completed, or the conversion was completed prior to appraisal by the Department of Veterans Affairs, and the declarant is no longer in control of the owners' association and/or marketing units for initial transfer to individual unit owners.

(7) *Expandable condominium*. A project which may be increased in size by the declarant. An expandable condominium is constructed in phases (or stages). After each phase is completed and constituted, the common estates are merged. Each unit owner, thereby, gains an individual interest in all of the facilities of the common estate.

(8) *Foreclosure*. Foreclosure shall mean the termination of a lien by either judicial or nonjudicial procedures in accordance with local law or the voluntary transfer of property by a deed-in-lieu of foreclosure or similar procedures.

(9) *High rise condominium*. A condominium project which is a multi-story elevator building.

(10) *Horizontal condominium*. A condominium project in which generally no part of a living unit extends over or under another living unit.

(11) *Low rise condominium*. A condominium project in which all or a part of a living unit extends over or under another living unit, e.g., garden apartment or walk-up project.

(13) *Series condominium*. A number of adjoining but separately constituted

condominiums. An association of owners is established for each project, and each association is responsible for maintenance and upkeep of the common elements in its own project. Cross-easements between the separate condominiums may be created to permit members of the separate condominiums to use the common areas of the other condominiums.

(c) *Project approval.* Prior to Department of Veterans Affairs guaranty of an individual unit loan in a condominium, the legal documentation establishing the condominium project or development must be approved by the Secretary.

§ 36.4357 Acceptable ownership arrangements and documentation.

(a) *Types of condominium ownership.* The following types of basic ownership arrangements are generally acceptable provided they are established in compliance with the applicable condominium law of the jurisdiction(s) in which the condominium is located:

(1) Ownership of units by individual owners coupled with an undivided interest in all common elements.

(2) Ownership of units by individual owners coupled with an undivided interest in general common elements and specified limited common elements.

(3) Individual ownership of units coupled with an undivided interest in the general common elements and/or limited common elements, with title to additional property for common use vested in an association of unit owners, with mandatory membership by unit owners or owners' associations. Any such arrangement must not be precluded by applicable State law.

(Authority: 38 U.S.C. 501, 3710(a)(6))

(b) *Estate of unit owner.* The legal estate of each unit owner must comply with the provisions of § 36.4350. The declaration or equivalent document shall allocate an undivided interest in the common elements to each unit. Such interest may be allocated equally to each unit, may be proportionate to that unit's relative size or value, or may be allocated according to any

other specified criteria provided that the method chosen is equitable and reasonable for that condominium.

(Authority: 38 U.S.C. 501(1), 1803(c)(1), (d)(3), 1810(a)(6))

(c) *Condominium documentation—(1) Compliance with applicable law.* The declaration, bylaws and other enabling documentation shall conform to the laws governing the establishment and maintenance of condominium regimes within the jurisdiction in which the condominium is located, and to all other laws which apply to the condominium.

(2) *Recordation.* The declaration and all amendments or modifications thereof shall be placed of record in the manner prescribed by the appropriate jurisdiction. If recording of plats, plans, or bylaws or equivalent documents and all amendments or modifications thereof is the prevailing practice or is required by law within the jurisdiction where the project is located, then such documents shall be placed of record. If the bylaws are not recorded, then covenants, restrictions and other matters requiring record notice should be contained in the declaration or equivalent document.

(3) *Availability.* The owner's association shall be required to make available to unit owners, lenders and the holders, insurers and guarantors of the first mortgage on any unit, current copies of the declaration, bylaws and other rules governing the condominium, and other books, records and financial statements of the owners' association. The owners' association also shall be required to make available to prospective purchasers current copies of the declaration, bylaws, other rules governing the condominium, and the most recent annual audited financial statement, if such is prepared. "Available" as used in this paragraph (c)(3) shall at least mean available for inspection, upon request, during normal business hours or under other reasonable circumstances.

(4) *Amendments to documents after Department of Veterans Affairs project approval.* While the declarant is in control of the owners' association, amendments to the declaration, bylaws or other enabling documentation must be

Department of Veterans Affairs

§ 36.4358

approved by the Secretary. The declarant should have proposed amendments reviewed prior to recordation. This provision does not apply to amendments which annex additional phases to the condominium regime in accordance with a general plan of development (§§ 36.4360(a)(3) and 36.4360a(b)(6)).

(Authority: 38 U.S.C. 501, 3703(c)(1), 3710(a)(6))

(d) *Real property descriptions in the declaration*—(1) *Clarity—conformity with the law of the jurisdiction.* The description of the units, common elements, any recreational facilities and other related amenities, and any limited common elements shall be clear and in conformity with the law of the jurisdiction where the project is located. Responsibility for maintenance and repair of all portions of the condominium shall be set forth clearly.

(2) *Developmental plan—proposed condominiums.* The declaration or other legally enforceable and binding document must state in a reasonable manner the overall development plan of the condominium, including building types, architectural style and the size of the units for those phases of the condominium which are required to be built. Under the applicable provisions of the declaration or such other legally enforceable and binding document, the development of the required portion of the condominium must be consistent with the overall plan, except that the declarant may reserve the right to change the overall plan or decide not to construct planned units or improvements to the common elements if the declaration sets forth the conditions required to be satisfied prior to the exercise of that right the time within which the right may be exercised, and any other limitations and criteria that would be necessary or appropriate under the particular circumstances. Such conditions, time restraints and other limitations must be reasonable in light of the overall plan for the condominium. In an expandable project, additional phases which are not required to be built may be described in the development plan in very general terms, or the declaration may provide that the declarant makes no assurances concerning the construction, building types, architectural style and

size of the units, etc. of these phases. However, the minimum number of units to be built should be that which would be adequate to reasonably support the common elements. (See § 36.4360(a)(6).)

(2) *Examples of reserved rights of declarant, sponsor, or affiliate of declarant which are usually unacceptable.* Binding the owners' association either directly or indirectly to any of the following agreements is not acceptable unless the owner's association shall have a right of termination thereof which is exercisable without penalty at any time after transfer of control, upon not more than 90 days' notice to the other party thereto:

- (i) Any management contract, employment contract or lease of recreational or parking areas or facilities;

- (i) Easement over and upon the common elements and upon lands appurtenant to the condominium for the purpose of completing improvements for which provision is made in the declaration, but only if access thereto is otherwise not reasonably available.
- (ii) Easement over and upon the common elements for the purpose of making repairs required pursuant to the declaration or contracts of sale made with unit purchasers.

(iii) Right to maintain facilities in the common areas which are identified in the declaration and which are reasonably necessary to market the units. These may include sales and management offices, model units, parking areas, and advertising signs.

(3) *Responsibility for damage to common elements and units.* A provision may be made in the declaration or bylaws for allocation of responsibility for damages resulting from the exercise of any of the above rights.

(4) *Assessments*—(i) *Levy and collection.* The declaration or its equivalent shall describe the authority of the owners' association to levy and enforce the collection of general and special assessments for common expenses and shall describe adequate remedies for failure to pay such common expenses. The common expenses assessed against any unit, with interest, late charges, costs and a reasonable attorney's fee shall be a lien upon such unit in accordance with applicable law. Each such assessment, together with interest, late charges, costs, and attorney's fee, shall also be the personal obligation of the person who was the owner of such unit at the time the assessment fell due. The personal obligation for delinquent assessments shall not pass to successors in title or interest unless assumed by them, or required by applicable law. Common expenses as used in this subdivision shall mean expenditures made or liabilities incurred by or on behalf of the owners' association, together with

any assessments for the creation and maintenance of reserves.

(ii) *Reserves and working capital.* There shall be in new or proposed condominium projects (including conversions) a provision for an adequate reserve fund for the periodic maintenance, repair and replacement of the common elements, which fund shall be maintained out of regular assessments for common expenses. Additionally, a working capital fund must be established for the initial months of the project operations equal to at least a 2 months' estimated common area charge for each unit.

(iii) *Priority of lien.* Any assessment lien must be subordinate to any Department of Veterans Affairs guaranteed mortgage except as provided in §36.4352. A lien for common expense charges and assessments shall not be affected by any sale or transfer of a unit except that a sale or transfer pursuant to a foreclosure of a first mortgage shall extinguish a subordinate lien for common expense charges and assessments which became payable prior to such sale or transfer. Any such sale or transfer pursuant to a foreclosure shall not relieve the purchaser or transferee of a unit from liability for, nor the unit so sold or transferred from the lien of, any common expense charges thereafter becoming due.

(Authority: 38 U.S.C. 501, 3703(c)(1), (d)(3), 3710(a)(6))

(c) *Unit owners' rights and restrictions*—(1) *Obligation to pay expenses.* The declaration or equivalent document shall establish a duty on each unit owner, including the declarant, to pay a proportionate share of common expenses upon being assessed therefor by the owners' association. Such share may be allocated equally to each unit, may be proportionate to that unit's common element interest, relative size or value, or may be allocated according to any other specified criteria provided that the method chosen is equitable and reasonable for that condominium.

(2) *Voting rights.* The declaration or equivalent document shall allocate a portion of the votes in the association

to each unit. Such portion may be allocated equally to each unit, may be proportionate to that unit's common expense liability, common element interest, relative size or value, or may be allocated according to any other specified criteria provided that the method is equitable and reasonable for that condominium. The declaration may provide different criteria for allocations of votes to the units on particular specified matters and may also provide different percentages of required unit owner approvals for such particular specified matters.

(3) *Ingress and egress of unit owners.* There may not be any restriction upon any unit owner's right of ingress and egress to his or her unit.

(4) *Encroachments—units and common elements—(i) Easements for encroachments.* In the event any portion of the common elements encroaches upon any unit or any unit encroaches upon the common elements or another unit as a result of the construction, reconstruction, repair, shifting, settlement, or movement of any portion of the improvements, a valid easement for the encroachment and for the maintenance of the same shall exist so long as the encroachment exists. The declaration may provide, however, reasonable limits on the extent of any easement created by the overlap of units, common elements, and limited common elements resulting from such encroachments; or

(ii) *Monuments as boundaries.* If permitted by the governing law within the jurisdiction where the project is located, the existing physical boundaries of a unit or a common element or the physical boundaries of a unit or a common element reconstructed in substantial accordance with the original plats and plans thereof become its boundaries rather than the metes and bounds expressed in the deed, plat or plan, regardless of settling or lateral movement of the building, or minor variance between boundaries shown on the plats, plans or in the deed and those of the building. The declaration should provide reasonable limits on the extent of any such revised boundary(ies) created by the overlap of units, common elements, and limited common elements resulting from such encroachments.

(5) *Right of first refusal.* The right of a unit owner to sell, transfer, or otherwise convey his or her unit in a condominium shall not be subject to any right of first refusal or similar restriction if the declaration or similar document is recorded on or after December 1, 1976. If the declaration was recorded prior to December 1, 1976, the right of first refusal must comply with § 36.4350(b)(5)(ii); *Provided, however,* restrictions on the basis of age or restrictions established by a State, Territorial, or local government agency as part of a program for providing assistance to low- and moderate-income purchasers shall be governed by § 36.4350(b)(5)(iv).

(Authority: 38 U.S.C. 3703(c))

(6) *Leasing restrictions.* Except as provided in this paragraph, there shall be no prohibition or restriction on a condominium unit owner's right to lease his or her unit. The following restrictions are acceptable:

(i) A requirement that leases have a minimum initial term of up to 1 year, or

(ii) Age restrictions or restrictions imposed by State or local housing authorities which are allowable under § 36.4308(e) or § 36.4350(b)(5)(iv).

(d) *Rights of action.* The owners' association and any aggrieved unit owner should be granted a right of action against unit owners for failure to comply with the provisions of the declaration, bylaws, or equivalent documents, or with decisions of the owners' association which are made pursuant to authority granted the owners' association in such documents. Unit owners should have similar rights of action against the owners' association.

[44 FR 47339, Aug. 13, 1979, as amended at 47 FR 49394, Nov. 1, 1982; 50 FR 5979, Feb. 13, 1985]

§ 36.4359 Miscellaneous legal requirements.

(a) *Declarant transfer of control of owners' association—(1) Standards for transfer of control.* The declarant shall relinquish all special rights, expressed or implied, through which the declarant may directly or indirectly control, direct, modify, or veto any action of

the owners' association, its executive board, or a majority of unit owners, and control of the owners' association shall pass to the owners of units within the project, not later than the earlier of the following:

(i) 120 days after the date by which 75 percent of the units have been conveyed to unit purchasers, or

(ii) The last date of a specified period of time following the first conveyance to a unit purchaser; such period of time is to be reasonable for the particular project. The maximum acceptable period usually will be from 3 to 5 years for single-phased condominium regimes and 5 to 7 years for expandable condominiums.

(iii) On a case basis, modifications or variations of the requirements of paragraphs (a)(1)(i) and (ii) of this section will be acceptable, particularly in circumstances involving very large condominium developments.

(2) *Declarant's unit votes after transfer of control.* The requirements of paragraph (a)(1) of this section shall not affect the declarant's rights, as a unit owner, to exercise the votes allocated to units which declarant owns.

(3) *Unit owners' participation in management.* Declarants should provide for and foster early participation of unit owners in the management of the project.

(b) *Taxes.* Unless otherwise provided by State law, real estate taxes must be assessed and be lienable only against the individual units, together with their undivided interests in the common elements, and not against the multifamily structure. The owners' association usually owns no real estate, so it has no obligation concerning ad valorem taxes. Unless taxes are assessed only against the individual units, a tax lien could amount to more than the value of any particular unit in the structure.

(c) [Reserved]

(d) *Policies for bylaws.* The bylaws of the condominium should be sufficiently detailed for the successful governance of the condominium by unit owners. Among other things, such documents should contain adequate provisions for the election and removal of directors and officers.

(e) *Insurance and related requirements—(1) Insurance.* The holder shall require hazard and flood insurance policies to be procured and maintained in accordance with § 36.4326. Because of the nature of condominiums, additional types of insurance coverages—such as tort liability insurance for injuries sustained on the premises, personal liability insurance for directors and officers managing association affairs, boiler insurance, etc.—should be considered in appropriate circumstances.

(2) *Fidelity bond coverage.* The securing of appropriate fidelity bond coverage is recommended but not required, for any person or entity handling funds of the owners' association, including, but not limited to, employees of the professional managers. Such fidelity bonds should name the association as an obligee, and be written in an amount equal to at least the estimated maximum of funds, including reserve funds, in the custody of the owners' association or the management agent at any given time during the term of the fidelity bond. However, the bond should not be less than a sum equal to 3 months' aggregate assessments on all units plus reserve funds.

§ 36.4360 Documentation and related requirements—flexible condominiums and condominiums with off-site facilities.

(a) *Expandable condominiums.* The following policies apply to condominium regimes which may be increased in size by the declarant:

(1) The declarant's right to expand the regime must be fully described in the declaration. The declaration must contain provisions adequate to ensure that future improvements to the condominium will be consistent with initial improvements in terms of quality of construction. The declarant must build each phase in accordance with an approved general plan for the total development (§ 36.4357(d)(2)) supported by detailed plats and plans of each phase prior to the construction of the particular phase.

(2) The reservation of a right to expand the condominium regime, the method of expansion and the result of an expansion must not affect the statutory validity of the condominium regime or the validity of title to the units.

(3) The declaration or equivalent document must contain a covenant that the condominium regime may not be amended or merged with a successor condominium regime without prior written approval of the Secretary. The declarant may have the proposed legal documentation to accomplish the merger reviewed prior to recordation. However, the Secretary's final approval of the merger will not be granted until the successor condominium has been legally established and construction completed. The declarant may add phases to an expandable condominium regime without the prior approval of the Secretary if the phasing implements a previously approved general plan for the total development. A copy of the amendment to the declaration or other annexation document which adds each phase must be submitted to the Secretary in accordance with § 36.4360a(b)(6).

(4) Liens arising in connection with the declarant's ownership of, and construction of improvements upon, the property to be added must not adversely affect the rights of existing unit owners, or the priority of first mortgages on units in the existing condominium property. All taxes, assessments, mechanic's liens, and other charges affecting such property, covering any period prior to the addition of the property, must be paid or otherwise satisfactorily provided for by the declarant.

(5) The declarant must purchase (at declarant's own expense) a general liability insurance policy in an amount not less than \$1 million for each occurrence, to cover any liability which owners of previously sold units are exposed to as a result of further condominium project development.

(6) Each expandable project shall have a specified maximum number of units which will give each unit owner a minimum percentage of interest in the common elements. Each project shall also have a specified minimum number

of units which will give each unit owner a maximum percentage of interest in the common elements. The minimum number of units to be built should be that which would be adequate to reasonably support the common elements. The maximum number of units to be built should be that which would not overload the capacity of the common facilities. The maximum possible percentage(s) and the minimum possible percentage(s) of undivided interest in the common elements for each type of unit must be stated in the declaration or equivalent document.

(7) The declaration or equivalent document shall set forth clearly the basis for reallocation of unit owner's ownership interests, common expense liabilities and voting rights in the event the number of units in the condominium is increased. Such reallocation shall be according to the applicable criteria set forth in §§ 36.4357(b) and 36.4358(c)(1) and (2).

(8) The declarant's right to expand the condominium must be for a reasonable period of time with a specific ending date. The maximum acceptable period will usually be from 5 to 7 years after the date of recording the declaration. On a case basic, longer periods of expansion rights will be acceptable, particularly in circumstances involving sizable condominium developments.

(b) *Series projects.* (1) Each phase in the series approach is to be considered as a separate project. A separate set of legal documents must be filed for each phase or project that relates to the condominium within its own boundary. The declaration for each phase must describe the particular project as a part of the whole development area, but subject only the one phase to the condominium regime. A separate unit ratio must be established that would relate each unit to all units of the particular condominium for purposes of ownership in the common areas, voting rights and assessment liability. A separate association may be created to govern the affairs of each condominium. Each phase is subject to a separate presale requirement.

(2) In the case of proposed projects, or projects under construction, the declaration should state the number of total units that the developer intends to build on other sections of the development area.

(c) *Other flexible condominiums.* Condominiums containing withdrawable real estate (contractable condominiums) and condominiums containing convertible real estate (portions of the condominium within which additional units or limited common elements, or both, may be created) will be considered acceptable provided the flexible condominium complies with the § 36.4300 series.

§ 36.4360a Appraisal requirements.

(a) *Existing resale condominiums.* Upon acceptance by the local office of the organizational documents, the project and unit(s) proposed as security for guaranteed financing shall be appraised to ensure that they meet MPR's (Minimum Property Requirements) and are safe, sanitary, and structurally sound. The Department of Veterans Affairs MPR's for existing construction apply to all existing resale condominiums including conversions, except that water, heating, ventilating, air conditioning and sewer service may be supplied from a central source.

(Authority: 38 U.S.C. 501, 3703(c)(1), 3710(a)(6), (b)(5))

(b) *Proposed condominiums or existing condominiums with declarant in control or marketing units—(1) Low rise and high rise condominiums.* Low rise and high rise condominiums shall comply with local building codes. Only the alterations, improvements, or repairs to low rise and high rise buildings proposed to be converted to the condominium form of ownership must comply with current local building codes, unless local authorities require total code compliance on the entire structure when a building is being converted to the condominium

form of ownership. In those areas where local standards are nonexistent, inferior to, or in conflict with Department of Veterans Affairs objectives, a certification will be required from a registered professional architect and/or registered engineer certifying that the plans and specifications conform to one of the national building codes which is typical of similar construction methods and standards for condominiums used in the area. Those portions of the condominium conversion which are not being altered, improved or repaired must be appraised in accordance with paragraph (a) of this section.

(2) *Horizontal condominiums.* Department of Veterans Affairs policies and procedures applicable to single-family residential construction shall also apply to horizontal condominiums. Proposed or existing (declarant in control or marketing units) horizontal condominium conversions shall comply with current local building codes for alterations and improvements or repairs made to convert the building to the condominium form of ownership unless local authorities require total code compliance on the entire structure when a building is being converted to the condominium form of ownership. In those areas where local standards are nonexistent, inferior to, or in conflict with Department of Veterans Affairs objectives, a certification will be required from a professional architect and/or registered engineer certifying that the plans and specifications conform to one of the national building codes which is typical of similar construction methods and standards for condominiums used in the area. Those portions of the condominium conversion which are not being altered, improved or repaired must be appraised in accordance with paragraph (a) of this section.

(Authority: 38 U.S.C. 501, 3703(c)(1))

(3) *Unit completion.* All units in the individual project or phase must be substantially completed except for customer preference items, such as interior finishes, appliances or equipment.

(4) *Common element completion.* All amenities of the condominium (to include offsite community facilities), that are to be considered in the unit

value, must be bound legally to the condominium regime. All such amenities as well as the common elements of the project, must be substantially completed and available for use by the unit owners. In large multi-phase projects, the declarant should construct common elements in a manner consistent with the addition of units to support the entire development. The Secretary, in appropriate cases, may approve the placement of adequate funds by the declarant in an escrow or otherwise earmarked account or accept a letter of credit or surety bond to assure completion of amenities and allow closing of VA-guaranteed (or insured) loans. Such funds must be adequate to assure completion of the amenities free and clear of all liens.

(Authority: 38 U.S.C. 501, 3703(c)(1), 3710(a)(6))

(5) *Information brochure/public offering statement.* When units are being sold by the declarant (not applicable to re-sales), an information brochure/public offering statement must be given to veteran buyers prior to the time a downpayment is received and an agreement is signed, unless State law authorized receipt of the downpayment and delivery of the information brochure followed by a period in which purchasers may cancel the purchase agreement without penalty for a specified number of days. Information brochures must be written in simple terms to inform buyers that the association does not provide owner's contents and personal liability policies which are the owner's responsibility. In the event the development is expandable, series, etc., there must be full disclosure of the impact of the total development plan. In expandable, series or other projects with more than one phase, the information brochure must disclose fully later development rights, and the general plans of the declarant for additional phases. If the declarant makes no assurance concerning phases which are not required to be built, the declarant should state that no assurances are given concerning construction, unit sizes, building types, architectural styles, etc. In condominium conversions, the information brochure must list the major structural and mechanical components and the estimated re-

maining useful life of the components. A brief explanation must be furnished in the brochure explaining that certain major structural or mechanical components may require replacement within a specified time period. If the declarant has elected to place funds into a condominium reserve fund for replacement of a major component under the provisions of § 36.4360a(b)(7), the amount of the contribution into the reserve fund must be specified in the information brochure.

(6) *Evidence of proper phasing.* In an expandable or flexible condominium, evidence of the addition of each phase in accordance with a previously approved general plan of development must be submitted to the Secretary prior to the guaranty of the first loan in the added area.

(7) *Additional condominium conversion requirements.* (i) The declarant of a condominium project, which is (A) proposed, (B) under construction, or (C) an existing project with a declarant in control or marketing units not previously occupied, must furnish structural and mechanical common element component statements on the present condition of all accessible structural and mechanical components material to the use and enjoyment of the condominium. These statements must be completed by a registered professional engineer and/or architect prior to the guaranty of the first unit loan in the project. Each statement must also give an estimate of the expected useful life of the roof, elevators, heating and cooling, plumbing and electrical systems assuming normal maintenance. A minimum of 10 years estimated remaining useful life is required on all structural and mechanical components. In the alternative, the declarant may contribute an amount of funds to the condominium reserve fund equal to a minimum of $\frac{1}{10}$ (one-tenth) of the estimated costs of replacement of a major structural or mechanical component (as determined by an independent registered professional architect or engineer) for each year of estimated remaining useful life less than 10 years, e.g. 7 years remaining useful life equals a $\frac{7}{10}$ required declarant contribution to the reserve fund of the component's estimated replacement cost. The noted

statements and remaining useful life requirement are not applicable to existing resale conversion projects when the declarant is no longer marketing units and/or in control of the association. Expandable or series condominium conversions require engineering and architectural statements on each stage or phase.

(ii) In declarant controlled projects, a statement(s) by the local authority(ies) of the adequacy of offsite utilities servicing the site (e.g., sanitary or water) is required. If a local authority(ies) declines to issue such a statement(s), a statement(s) may be obtained from a registered professional engineer. If local authority(ies) declines to issue such a statement(s), a statement(s) may be obtained from a registered professional engineer.

(c) *Presale requirements*—(1) *Proposed construction or existing declarant in control.* Bona fide agreements of sale must have been executed by purchasers other than the declarant (who are obligated contractually to complete the purchase) of 70 percent of the total number of units in the project. Lenders shall certify as to satisfaction of the presale requirement prior to VA guaranty of the first unit loan. When a declarant can demonstrate that a lower percentage would be justified, the Secretary, on an individual case basis, may approve a presale requirement of less than 70 percent. Reduction of the 70 percent presale requirement will be considered when:

(i) Strong initial sales demonstrate a ready market, or

(ii) The declarant will provide cash assets or acceptable bonds for payment of full common area assessments to the owners' association until such assessments are assumed by unit purchasers, or

(iii) Subsequent phases of an overall development are being undertaken in a proven market area, or

(iv) Previous experience in similar projects in the same market area indicates strong market acceptance, or

(v) The development is in a market area that has repeatedly indicated acceptance of such projects.

(2) *Multiphase—proposed or existing declarant in control.* The requirements of paragraph (c)(1) of this section shall

apply to each individual phase of a multiphase development, taking into consideration that each individual phase must be capable of self-support in the event that the developer does not complete all planned phases.

(d) *Warranty.* Except in condominium conversion projects, each CRV (Certificate of Reasonable Value) issued by the Secretary relating to a proposed or existing not previously occupied dwelling unit in a condominium project shall be subject to the express condition that the builder, seller, or the real party in interest in the transaction shall deliver to the veteran purchasing the dwelling unit with the aid of a guaranteed or insured loan a warranty against defects for the unit and common elements. The unit shall be warranted for 1 year from the date of settlement or the date of occupancy (whichever first occurs). The common elements shall be warranted for 2 years from the date each of the common elements is completed and available for use by the unit owners, or 2 years from the date the first unit is conveyed to a unit owner other than the declarant, whichever is later, in the particular phase of the condominium containing the common element. For these purposes, defects shall be those items reasonably requiring the repair, renovation, restoration, or replacement of any of the components constituting the unit or common elements. Items of maintenance relating to the unit or common elements are not covered by the warranty. No certificate of guaranty or insurance credit shall be issued unless a copy of such warranty, duly receipted by the purchaser, is submitted with the loan papers.

(e) *Ownership and operation of offsite facilities*—(1) *Title requirements.* Evidence must be presented that the offsite facility owned by an owners' association with mandatory membership by condominium unit owners or condominium unit owners' associations has been completed and conveyed free of encumbrances by the declarant for the benefit of the unit owners with title insured by an owner's title policy or other acceptable title evidence. Offsite facilities conveyed to a nonprofit corporation are the preferred method of offsite facilities ownership; however,

the Secretary will consider other forms of ownership on an individual case basis.

(2) *Mandatory membership.* The declaration of the condominium (each condominium in a series development) and the legal documentation of the corporation or association which owns the offsite facility must provide the following:

(i) The owner of a condominium unit is automatically a member of the offsite facility corporation or association and that upon the sale of the unit, membership is transferred automatically to the new owner/purchaser. It is also acceptable if each condominium owners' association (in lieu of each individual unit owner) is automatically a member of the offsite facility corporation or association coupled with use rights for each of the unit owners or residents. If membership in an offsite owners' association is voluntary, no credit in the CRV valuation may be given for such offsite amenities.

(ii) Each member of the offsite facility corporation or association must be entitled to a representative vote at meetings of the offsite facility corporation or association. If the individual condominium owners' association is a member of the offsite facility corporation or association, each condominium owners' association must be entitled to a representative vote at meetings of the offsite facility corporation or association.

(iii) Each member must agree by acceptance of the unit deed to pay a share of the expenses of the offsite facility corporation or association as assessed by the corporation or association for upkeep, insurance, reserve fund for replacements, maintenance and operation of the offsite facility. The share of said expenses shall be determined equitably. Failure to pay such assessment must result in a lien against the individual unit in the same manner as unpaid assessments by the association of owners of the condominium. If each condominium owners' association is a member of the offsite facility in lieu of individual unit owners, failure of the condominium owners' association to pay its equitable assessment to the offsite facility must result in an enforceable lien.

(3) *Declarant payment of offsite facility in a series project.* Until the declarant has completed all of the intended condominium phases in a total condominium development or established each condominium regime by filing a separate declaration in a series development, the balance of the total sum of the expenses of the offsite facility not covered by the assessment against the unit owners should be assessed against and be payable by the declarant commencing on the first day of the first month after the first unit is conveyed to a homeowner in the first phase. If this balance is not paid, it must become a lien against those parcels of land in the development area which are owned by the declarant. The collection of such debt and enforcement of such lien may be by foreclosure or such other remedies afforded the corporation or association under local law.

(f) *Professional management.* Many condominiums are small enough and their common areas so minimal that professional management is not necessary. VA does not have a requirement for professional management of condominiums. The powers given to the owners' association by the declaration and bylaws are fundamentally for "use control" and maintenance of the undivided interest all of the owners have in the common areas. These powers normally include management which may, if desired, be delegated to a professional manager. However, if the board of directors wants professional management, the management agreement must be terminable for cause upon 30 days' notice, and run for a reasonable period of from 1 to 3 years and be renewable for consent of the association and the management. (Management contracts negotiated by the declarant should not exceed 2 years.)

(g) *Commercial areas.* With respect to existing and proposed condominiums, commercial areas within condominium developments are acceptable, but such interests will be considered in value.

§ 36.4362 Requirement of construction warranty.

Each certificate of reasonable value issued by the Secretary relating to a proposed or newly constructed dwelling unit, except those covering one-family residential units in condominium housing developments or projects within the purview of §§ 36.4356 through 36.4360a, shall be subject to the express condition that the builder, seller, or the real party in interest in the transaction shall deliver to the veteran constructing or purchasing such dwelling with the aid of a guaranteed or insured loan a warranty, in the form prescribed by the Secretary, that the property has been completed in substantial conformity with the plans and specifications upon which the Secretary based the valuation of the property, including any modifications thereof, or changes or variations therein, approved in writing by the Secretary, and no certificate of guaranty or insurance credit shall be issued unless a copy of such warranty duly receipted by the purchaser is submitted with the loan papers.

§ 36.4363 Nondiscrimination and equal opportunity in housing certification requirements.

(a) Any request for a master certificate of reasonable value on proposed or existing construction, and any request for appraisal of individual existing housing not previously occupied, which is received on or after November 21, 1962, will not be assigned for appraisal prior to receipt of a certification from the builder, sponsor or other seller, in the form prescribed by the Secretary, that neither it nor anyone authorized to act for it will decline to sell any property included in such request to a prospective purchaser because of his or her race, color, religion, sex or national origin.

(b) On requests for appraisal of individual proposed construction received on or after November 21, 1962, the prescribed nondiscrimination certification will be required if the builder is to sell the veteran the lot on which the dwelling is to be constructed, but will not be required if:

- (1) The veteran owns the lot; or

(2) The lot is being acquired by the veteran from a seller other than the builder and there is no identity of interest between the builder and the seller of the lot.

(c) Each builder, sponsor or other seller requesting approval of site and subdivision planning shall be required to furnish a certification, in the form prescribed by the Secretary, that neither it nor anyone authorized to act for it will decline to sell any property included in such request to a prospective purchaser because of his or her race, color, religion, sex or national origin. Site and subdivision analysis will not be commenced by the Department of Veterans Affairs prior to receipt of such certification.

(d) No commitment shall be issued and no loan shall be guaranteed or insured under 38 U.S.C. Chapter 37 unless the veteran certifies, in such form as the Secretary shall prescribe, that

(1) Neither he/she, nor anyone authorized to act for him/her, will refuse to sell or rent, after the making of a bona fide offer, or refuse to negotiate for the sale or rental of, or otherwise make unavailable or deny the dwelling or property covered by this loan to any person because of race, color, religion, sex, or national origin;

(2) He/she recognizes that any restrictive covenant on the property relating to race, color, religion, sex or national origin is illegal and void and any such covenant is specifically disclaimed; and

(3) He/she understands that civil action for preventive relief may be brought by the Attorney General of the United States in any appropriate U.S. District Court against any person responsible for a violation of the applicable law.

§ 36.4364 Correction of structural defects.

(a) The purpose of this section is to specify the types of assistance that the Secretary may render pursuant to 38 U.S.C. 1827 to an eligible borrower who has been unable to secure satisfactory correction of structural defects in a dwelling encumbered by a mortgage securing a guaranteed, insured or direct

Department of Veterans Affairs

§ 36.4364

loan, and the terms and conditions under which such assistance will be rendered.

(b) A written application for assistance in the correction of structural defects shall be filed by a borrower under a guaranteed, insured or direct loan with the Director of the Department of Veterans Affairs office having loan jurisdiction over the area in which the dwelling is located. The application must be filed not later than 4 years after the date on which the first direct, guaranteed or insured mortgage loan on the dwelling was made, guaranteed or insured by the Secretary. A borrower under a direct, guaranteed or insured mortgage loan on the same dwelling which was made, guaranteed or insured subsequent to the first such loan shall be entitled to file an application if it is filed within 4 years of the date on which such first loan was made, guaranteed or insured by the Secretary.

(c) An applicant for assistance under this section must establish that:

(1) The applicant is the owner of a one- to four-family dwelling which was inspected during construction by the Department of Veterans Affairs or the Federal Housing Administration.

(2) The applicant is an original veteran-borrower on an outstanding guaranteed, insured or direct loan secured by a mortgage on such dwelling which was made, guaranteed or insured on or after May 8, 1968. The Secretary may, however, recognize an applicant who is not the original veteran-borrower but who contracted to assume such borrower's personal obligation thereunder, if the Secretary determines that such recognition would be in the best interests of the Government in the particular case.

(3) There exists in such dwelling a structural defect, not the result of fire, earthquake, flood, windstorm, or waste, which seriously affects the livability of the dwelling.

(4) The applicant has made reasonable efforts to obtain correction of such structural defect by the builder, seller, or other person or firm responsible for the construction of the dwelling.

(d) In those instances in which the Secretary determines that assistance under this section is appropriate and necessary the Secretary may take any of the following actions:

(1) Pay such amount as is reasonably necessary to correct the defect, or

(2) Pay the claim of the borrower for reimbursement of the borrower's expenses for correcting or obtaining correction of the defect, or

(3) Acquire title to the property upon terms acceptable to the borrower and the holder of the guaranteed or insured loan.

(e) To the extent of any expenditure made by the Secretary pursuant to paragraph (d) of this section the Secretary shall be subrogated to any legal rights the borrower or applicant described in paragraph (c)(2) of this section may have against the builder, seller, or other persons arising out of the structural defect or defects.

(f) The borrower shall not be entitled, as a matter of right, to receive the assistance in the correction of structural defects provided in this section. Any determination made by the Secretary in connection with a borrower's application for assistance shall be final and conclusive and shall not be subject to judicial or other review. Authority to act for the Secretary under this section is delegated to the Under Secretary for Benefits.

(g) For the purpose of this section, the term "structural defects seriously affecting livability" shall in no event be deemed to include (1) defects of any nature in a dwelling in respect to which the applicant for assistance under this section was the builder or general contractor, or (2) structural features, improvements, amenities, or equipment which were not taken into account in the Secretary's determination of reasonable value.

§ 36.4372 Transfer of insured loans.

(b) Transfers between insurance accounts in a manner or under conditions not provided in paragraph (a) of this section must have the prior approval of the Secretary.

(c) Where loans are transferred with recourse or under a guaranty or repurchase agreement no insurance credit will be transferred or insurance account affected and no reports will be required.

The credit to the insurance account of the transferee will be computed in accordance with § 36.4372(a).

Subject to the provisions of the paragraph (b) of this section and to § 36.4370(b) a supplemental claim for any balance of an insurance loss may be filed at any time within 5 years after the date of the original claim.

§ 36.4392 Certification requirements.

In any case in which §§ 36.4390 through 36.4393 are applicable, as set forth in § 36.4391, no action will be taken by the Department of Veterans Affairs on any request for appraisal relating to proposed construction, site approval of land to be improved by a builder, sponsor or developer for the construction of housing thereon, or for a direct loan fund reservation commitment unless the builder, sponsor or developer has furnished the Department of Veterans Affairs a signed certification in form as follows:

To induce the Department of Veterans Affairs to act on any request submitted by or on behalf of the undersigned for site approval of land to be improved for the construction of housing thereon to be financed with loans guaranteed, insured or made by the Department of Veterans Affairs, or for establishment by the Department of Veterans Affairs of reasonable value relating to proposed construction or for direct loan fund reservation commitments, the undersigned hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work or modification thereof, as defined in the rules and regulations of the Secretary of Labor relating to the land or housing included in its request to the Department of Veterans Affairs the following equal opportunity clause:

During the performance of this contract the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.

(3) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agree-

ment or other contract or understanding, a notice to be provided advising the said labor union or workers' representative of the contractor's commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(4) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations and relevant orders of the Secretary of Labor.

(5) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.

(6) In the event of the contractor's non-compliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations or orders, this contract may be canceled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation or order of the Secretary of Labor, or as otherwise provided by law.

(7) The contractor will include the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: *Provided, however,* That in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

Except in special cases and in subcontracts for the performance of construction work at the site of construction, the clause is not required to be inserted in subcontracts below the second tier. Subcontracts may incorporate by reference the equal opportunity clause.

The undersigned further agrees that it will be bound by the above equal opportunity clause in any federally assisted construction work which it performs itself other than through the permanent work force directly employed by an agency of Government.

The undersigned agrees that it will cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance. The undersigned further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to Part II, Subpart D of Executive Order 11246 and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon the contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of Executive Order 11246.

In addition, the undersigned agrees that if it fails or refuses to comply with these undertakings such failure or refusal shall be a proper basis for cancellation by the Department of Veterans Affairs of any outstanding master certificates of reasonable value or individual certificates of reasonable value relating to proposed construction, except in respect to cases in which an eligible veteran has contracted to purchase a property included on such certificates, and for the rejection of future requests submitted by the undersigned or on his or her behalf for site approval, appraisal services, and direct loan fund reservation commitments until satisfactory assurance of future compliance has been received from the undersigned, and for referral of the case to the Department of Justice for appropriate legal proceedings.

(2)(i) A loan fee of one percent of the total loan amount. All or part of such fee may be paid in cash at loan closing or all or part of the fee may be included in the loan without regard to the reasonable value of the property. In computing the fee, the Department of

§ 36.4507 Refinancing of mortgage or other lien indebtedness.

(a) Loans may be made for the purpose of refinancing (38 U.S.C. 3710(a)(5)) an existing mortgage loan or other indebtedness secured by a lien of record on a dwelling or farm residence owned and occupied by an eligible veteran as the veteran's home, provided that:

(2) The loan is otherwise eligible.

(b) A refinancing loan for an amount which exceeds the sum due the holder of the mortgage or other lien indebtedness (the excess proceeds to be paid to the veteran) may also be made, *Provided, That*:

(1) The loan is otherwise eligible, and

(2) The issuance of a commitment to make any such loan for an amount which exceeds eighty (80) percent of the reasonable value of the veteran's dwelling or farm residence shall require, unless the Under Secretary for Benefits otherwise directs, the approval of the Director, Loan Guaranty Service.

§36.4508 Transfer of property by borrower.

(a) Direct loans for which commitments are made on or after March 1, 1988, are not assumable without the prior approval of the Department of Veterans Affairs or its authorized agent. The following shall apply:

(1) The Department of Veterans Affairs shall include in the mortgage or deed of trust and the promissory note or bond on any loan for which a commitment was made on or after March 1, 1988, the following warning in a conspicuous position in capital letters on the first page of the document in type at least 2½ times larger than the regular type on such page: "THIS LOAN IS NOT ASSUMABLE WITHOUT THE APPROVAL OF THE DEPARTMENT OF VETERANS AFFAIRS OR ITS AUTHORIZED AGENT". Due to the difficulty in obtaining some commercial type sizes which are exactly 2½ times larger in height than other sizes, minor deviations in size will be permitted based on commercially available type sizes nearest to 2½ times the size of the print on the document.

(2) The instrument securing a direct loan for which a commitment is made on or after March 1, 1988, shall include:

(i) A provision that the Department of Veterans Affairs or other holder may declare the loan immediately due and

payable upon transfer of the property securing such loan to any transferee unless the acceptability of the assumption of the loan is established pursuant to section 3714. This option may not be exercised if the transfer is the result of:

(A) The creation of a lien or other encumbrance subordinate to the lender's security instrument which does not relate to a transfer of rights of occupancy in the property;

(B) The creation of a purchase money security interest for household appliances;

(C) A transfer by devise, descent, or operation of law on the death of a joint tenant or tenant by the entirety;

(D) The granting of a leasehold interest of three years or less not containing an option to purchase;

(E) A transfer to a relative resulting from the death of a borrower;

(F) A transfer where the spouse or children of the borrower become a joint owner of the property with the borrower;

(G) A transfer resulting from a decree of a dissolution of marriage, legal separation agreement, or from an incidental property settlement agreement by which the spouse of the borrower becomes the sole owner of the property. In such a case the borrower shall have the option of applying directly to the Department of Veterans Affairs regional office of jurisdiction for a release of liability under 1813(a); or

(H) A transfer into an inter vivos trust in which the borrower is and remains a beneficiary and which does not relate to a transfer of rights of occupancy in the property.

(ii) A provision that a funding fee equal to one-half of one percent of the loan balance as of the date of transfer shall be payable to the Department of Veterans Affairs or its authorized agent. Furthermore, this provision shall provide that if this fee is not paid it shall constitute an additional debt to that already secured by the instrument; and,

(iii) A provision authorizing an assumption processing charge, not to exceed the lesser of \$300 and the actual cost of a credit report or any maximum prescribed by applicable State law.

(Authority: 38 U.S.C. 3714)

(b) Whenever any veteran disposes of residential property securing a direct loan obtained under 38 U.S.C. chapter 37, the Department of Veterans Affairs, upon application made by such borrower, shall issue to the borrower a release relieving the borrower of all further liability to the Department of Veterans Affairs on account of such loan (including liability for any loss resulting from any default of the transferee or any subsequent purchaser of such property) if the Department of Veterans Affairs has determined, after such investigation as it deems appropriate, that there has been compliance with the conditions prescribed in 38 U.S.C. 3713(a) or 1814, as appropriate. The assumption of full liability for repayment of the loan by the transferee of the property must be evidenced by an agreement in writing in such form as the Department of Veterans Affairs may require. Any release of liability granted to a veteran by the Department of Veterans Affairs shall inure to the spouse of such veteran.

(c) If, on or after July 1, 1972, any veteran disposes of the property securing a direct loan obtained under 38 U.S.C. chapter 37, without receiving a release from liability with respect to such loan under 38 U.S.C. 3713(a) and a default subsequently occurs which results in liability of the veteran to the Secretary on account of the loan, the Secretary may relieve the veteran of such liability if the Secretary determines that:

(1) A transferee either immediate or remote is legally liable to the Secretary for the debt of the original veteran-borrower established after the termination of the loan, and

(2) The original loan was current at the time such transferee acquired the property, and

(3) The transferee who is liable to the Secretary is found to have been a satisfactory credit risk at the time the transferee acquired the property.

(a) Any credit on the loan not previously applied in satisfaction of matured installments, other than the gratuity credit required by prior provisions of law to be credited to principal, may be reapplied by the Department of Veterans Affairs at the request of the borrower for the purpose of curing or preventing a default.

(b) The Department of Veterans Affairs shall include in the instruments evidencing or securing the indebtedness provisions relating to the following:

(1) The right of the borrower to prepay at any time without premium or fee, the entire indebtedness or any part thereof: *Provided*, That any such prepayment, other than payment in full, may not be made in any amount less than the amount of one installment, or \$100, whichever is less: *And provided further*, That any prepayment made on other than an installment due date will not be credited until the next following installment due date, but not later than 30 days after such prepayment.

§ 36.4511 Advances after loan closing.

(a) The Department of Veterans Affairs may at any time advance any sum or sums as are reasonably necessary and proper for the maintenance, repair, alteration, or improvement of the security for a loan or for the payment of taxes, assessments, ground or water rights, or casualty insurance thereon: *Provided*, That no advance shall be made for alterations or improvements which are not necessary for the maintenance or repair of the security if such advance will increase the indebtedness to an amount in excess of \$33,000.

(b) All sums disbursed incident to the making of advances under this section shall be added to the indebtedness. Department of Veterans Affairs may require any such advances to be secured ratably and on a parity with the principal indebtedness, or otherwise secured. (a) In addition to the monthly installment payments of principal and interest payable under the terms of the loan agreement, the borrower will be required to make payments monthly to the Secretary in such amounts as may be determined by the Secretary from time to time to be necessary for the purpose of accumulating funds sufficient for the payment of taxes and assessments, ground rents, insurance premiums, and similar levies or charges on the security property. § 36.4513 Foreclosure and liquidation.

In the event of a foreclosure sale or other liquidation of the security for a loan, the Department of Veterans Affairs shall credit upon the indebtedness the greater of:

- (a) The net proceeds of the sale, or
- (b) The current market value of the property as determined by the Department of Veterans Affairs, less the costs and expenses of liquidation.

In no event shall the credit pursuant to paragraph (b) of this section exceed the amount of the gross indebtedness, nor shall such credit be less than the amount legally required to be credited to the indebtedness under local law. If a deed in lieu of foreclosure is accepted, the consideration will be a full and complete release of liability of the obligors, or such lesser amount as may be agreed upon between the obligors and the Department of Veterans Affairs.

(c) The applicant is a satisfactory credit risk and has the ability to repay the obligation proposed to be incurred and that the proposed payments on such obligation bear a proper relationship to present and anticipated income and expenses as determined by use of the credit standards in § 36.4337 of this part.

(Authority: 38 U.S.C. 501)

(d) Private capital is not available in the area at an interest rate not in excess of the rate authorized for guaranteed home loans for a loan for which the veteran is qualified under 38 U.S.C. 3710.

(1) Neither the applicant nor anyone authorized to act for the applicant, will refuse to sell or rent, after the making of a bonafide offer, or refuse to negotiate for the sale or rental of, or otherwise make unavailable or deny the dwelling or property covered by this loan to any person because of race, color, religion, sex, handicap, familial status, or national origin;

(2) The applicant recognizes that any restrictive covenant on the property relating to race, color, religion, sex, handicap, familial status, or national origin is illegal and void and any such covenant is specifically disclaimed; and

(3) The applicant understands that civil action for preventive relief may be brought by the Attorney General of the United States in any appropriate U.S. District Court against any person

(1) A fee simple estate therein, legal or equitable; or

(2) A leasehold estate running or renewable at the option of the lessee for a period of not less than 14 years from the maturity of the loan, or to any earlier date at which the fee simple title will vest in the lessee, which is assignable or transferable, if the same be subjected to the lien; however, a leasehold estate which is not freely assignable and transferable will be considered an acceptable estate if it is determined by the Under Secretary for Benefits, or the Director, Loan Guaranty Service, (i) that such type of leasehold is customary in the area where the property is located; (ii) that a veteran or veterans will be prejudiced if the requirement for free assignability is adhered to and (iii) that the assignability and other provisions applicable to the leasehold estate are sufficient to protect the interests of the veteran and the Government and are otherwise acceptable; or

(3) A life estate, provided that the remainder and reversionary interests are subjected to the lien. The title to such estate shall be such as is acceptable to informed buyers, title companies, and attorneys, generally, in the community in which the property is situated, except as modified by paragraph (b) of this section; or

(4) A beneficial interest in a revocable Family Living Trust that ensures that the veteran, or veteran and spouse, have an equitable life estate, provided the lien attaches to any remainder interest and the trust arrangement is valid under State law.

(b) Any such property or estate will not fail to comply with the requirements in paragraph (a) of this section by reason of the following:

(1) Encroachments;

(2) Easements;

(3) Servitudes;

(4) Reservations for water, timber, or subsurface rights;

(5) Right in any grantor or cotenant in the chain of title, or a successor of either, to purchase for cash, which right by the terms thereof is exercisable only if:

(6) Building and use restrictions whether or not enforceable by a reverter clause if there has been no breach of the conditions affording a right to an exercise of the reverter;

(7) Any other covenant, condition, restriction, or limitation approved by the Department of Veterans Affairs in the particular case.

The limitations on the quantum or quality of the estate or property that are indicated in this paragraph, insofar as they may materially affect the value of the property for the purpose for which it is used, shall be taken into account in the appraisal of reasonable value.

§36.4516 Lien requirements.

(a) Loans for the purchase of a dwelling or for the purchase of a farm on which there is a farm residence shall be secured by a first lien on the property or estate. Loans for the construction of a farm residence or other dwelling shall also be secured by a first lien.

(b) Loans solely for the purpose of energy conservation improvements or

Department of Veterans Affairs

other alterations, improvements, or repairs shall be secured in the following manner:

(1) Loans for \$1,500 or less need not be secured, and in lieu of the title examination a statement may be accepted from the borrower that he or she has an interest in the property not less than that prescribed in § 36.4515(a).

(2) Loans for more than \$1,500 but 40 percent or less of the prior to the improved reasonable value of the property shall be secured by a lien reasonable and customary in the community for the type of alteration, improvement, or repair financed.

(3) Loans for more than \$1,500 and for more than 40 percent of the prior to the improved reasonable value of such property shall be secured by a first lien on the property or estate. However, such a home improvement loan may be secured by a lien immediately subordinate to the lien securing the previous loan extended by the Secretary, if the Department of Veterans Affairs is the holder of all liens of superior priority on the property.

(Authority: 38 U.S.C. 3711(d)(1))

(c) Tax liens, special assessment liens, and ground rent shall be disregarded with respect to any requirement that loans shall be secured by a lien of specified dignity. With the prior approval of the Secretary, Under Secretary for Benefits, or Director, Loan Guaranty Service, liens retained by nongovernmental entities to secure assessments or charges for municipal type services and facilities clearly within the public purpose doctrine may be disregarded. In determining whether a loan for the purchase or construction of a home is secured by a first lien the Secretary may also disregard a superior lien created by a duly recorded covenant running with the realty in favor of a private entity to secure an obligation to such entity for the homeowner's share of the costs of the management, operation, or maintenance of property, services or programs within and for the benefit of the development or community in which the veteran's realty is located, if the Secretary determines that the interests of the veteran-borrower and of the Government will not be prejudiced by the operation

of such covenant. In respect to any such superior lien to be created after June 6, 1969, the Secretary's determination must have been made prior to the recordation of the covenant.

§ 36.4518 Supplementary administrative action.

Notwithstanding any requirement condition, or limitation stated in or imposed by the regulations in this part concerning direct loans to veterans, the Under Secretary for Benefits, or the Director, Loan Guaranty Service, within the limitations and conditions prescribed by the Secretary, may take such action as may be necessary or appropriate to relieve any undue prejudice to a debtor, or other person, which might otherwise result, provided such action shall not impair the vested rights of any person affected thereby. If such requirement, condition, or limitation is of an administrative or procedural nature, such action may be taken by any employee authorized to act under § 36.4520.

§ 36.4519 Eligible purposes and reasonable value requirements.

(a) A loan may be made only for the purpose hereinafter set forth in this paragraph, and the loan may not exceed the reasonable value of the property as established by the Department of Veterans Affairs:

(2) To purchase a farm on which there is a farm residence to be occupied by the veteran as a home;

(3) To construct on land owned by the veteran a farm residence to be occupied by the veteran as a home;

(6) To refinance (38 U.S.C. 3710(a)(5)) existing mortgage loans or other lines which are secured of record on a dwelling or farm residence owned and occupied or to be reoccupied after the completion of major alterations, repairs or improvements to the property, by the veteran as the veteran's home;

Provided, The veteran certifies, in such form as the Secretary may prescribe, that he or she has paid in cash from his or her own resources on account of such purchase, construction, alteration, repair, or improvement a sum equal to the difference, if any, between the purchase price or cost of the property and its reasonable value.

(b) In the case of a loan for the construction of a farm residence or other dwelling on land owned by the veteran, a portion of the loan proceeds may be expended to liquidate an indebtedness secured by a lien against such land, but only if the reasonable value of the land is equal to or in excess of the amount of the indebtedness secured by such lien and if the liquidation of such indebtedness will permit the loan to be secured by a first lien. Except as provided in §36.4507, no portion of the proceeds of a loan for repairs, alterations or improvements to a farm residence or other dwelling may be expended to liquidate a prior lien against the property.

(c) No direct loan may be made for the purpose of an interest rate reduc-

§ 36.4527 Direct housing loans to Native American veterans on trust lands.

(a) The Secretary may make a direct housing loan to a Native American veteran if:

(1) The Secretary has entered into a memorandum of understanding with respect to such loans with the tribal organization that has jurisdiction over the veteran; and

(2) The memorandum is in effect when the loan is made and will remain in effect until the maturity of the subject loan.

(b)(1) Subject to paragraph (b)(2) of this section, each memorandum of understanding entered into by the Secretary with a tribal organization shall provide for the following:

(i) That each Native American veteran who is under the jurisdiction of the tribal organization and to whom the Secretary makes a direct loan under this section

(A) Holds, possesses, or acquires using the proceeds of the loan a meaningful interest in a lot and/or dwelling that is located on trust land; and

(B) Will purchase, construct, or improve a dwelling on the lot using the proceeds of the loan.

(ii) That each Native American veteran obtaining a direct loan under this section will convey to the Secretary by an appropriate instrument the interest referred to in paragraph (A) as security for the direct loan or, if the laws of the tribal organization do not allow the veteran to convey the meaningful interest to the Secretary, the memorandum of understanding may authorize the tribe to serve as Trustee for the Secretary for purposes of protecting the interest of the Secretary as lender.

(iii) That the tribal organization and each Native American veteran obtaining a direct loan under this section will permit the Secretary or his or her designee to enter upon the trust land of

that organization or veteran for the purposes of carrying out such actions as the Secretary or his or her designee determines may be necessary:

(A) To evaluate the advisability of the loan; and

(B) To monitor any purchase, construction, or improvements carried out using the proceeds of the loan.

(C) To protect the improvements from vandalism and the elements,

(D) To make property inspections in conjunction with loan servicing, financial counseling, foreclosure, acquisition, management, repair, and resale of the secured interest.

(iv) That the tribal organization has established standards and procedures that authorize the grantee to legally establish the interest conveyed by a Native American veteran pursuant to subsection (B) and terminate all interest of the veteran in the land and improvements, including:

(A) Procedures for foreclosing the loan in the event of a default;

(B) Procedures for acquiring possession of the veteran's interest in the property; and

(C) Procedures for the resale of the property interest and/or the dwelling purchased, constructed, or improved using the proceeds of the loan.

(v) That the tribal organization agrees to such other terms and conditions with respect to the making of direct loans to Native American veterans under the jurisdiction of the tribal organization as the Secretary and the tribal organization may negotiate in order to ensure that direct loans made under this section are made in a responsible and prudent manner.

(2) The Secretary, or his or her designee, may only enter into a memorandum of understanding with a tribal organization under this section if the Secretary, or designee, determines that the memorandum provides for standards and procedures necessary to reasonably protect the financial interests of the United States.

(c)(1) Except as otherwise provided in this paragraph, and notwithstanding the provisions of section 36.4503 of this title, the principal amount of any loan made under this section may not exceed \$80,000. The original principal amount of any loan made under this

section shall not exceed an amount which bears the same ratio to \$80,000 as the amount of the guaranty to which the veteran would be entitled under 38 U.S.C. 3710 at the time the loan is made bears to \$36,000.

(2) The Secretary may make loans which exceed the amount specified in paragraph (c)(1) of this section in geographic areas in which the Secretary has determined that housing costs are significantly higher than average housing costs nationwide. The Secretary shall determine the maximum loan amounts in such areas. The original principal amount of any such loan shall not exceed an amount which bears the same ratio to the maximum loan amount established by the Secretary as the amount of the guaranty to which the veteran would be entitled under 38 U.S.C. 3710 at the time the loan is made bears to \$36,000.

(3) Loans made under this section shall bear interest at a rate determined by the Secretary after considering yields on comparable mortgages in the secondary market, including bid and ask prices on mortgage-backed securities guaranteed by the Government National Mortgage Association (GNMA).

(4) The minimum requirements for planning, construction, improvement, and general acceptability relating to any direct loan made under this section shall be consistent with the administrative property standards established for loans made or guaranteed under title 38, U.S.C., chapter 37.

(d) Notwithstanding the provisions of §36.4504(b), for loans made under this section, the Native American veteran-borrower shall pay the following loan closing costs to the parties indicated:

(1) A loan fee of 1.25 percent of the total loan amount (2 percent for Reservists who qualify under the provisions of 38 U.S.C. 3701(b)(5)) to the Department of Veterans Affairs. All or part of such fee may be paid in cash at loan closing or all or part of the fee may be included in the loan without regard to the reasonable value of the property or the maximum loan amount. In computing the fee, the Department of Veterans Affairs will disregard any amount included in the loan to enable the borrower to pay such fee.

(2) The fee described in paragraph (d)(1) of this section shall not be collected from a veteran who is receiving compensation (or who but for the receipt of retirement pay would be entitled to receive compensation) or from a surviving spouse described in § 3701(b)(2) of title 38 U.S.C.

(3) If the Secretary designates a third party to process the loan package on VA's behalf, a processing fee to that third party not to exceed \$300 plus the actual cost of any credit report required.

(4) Costs or expenses normally paid by a purchaser or mortgagee incident to loan closing including but not limited to the following:

(i) Fees of the Department of Veterans Affairs designated appraisers and compliance inspectors;

(ii) Recording fees or other charges incident to recordation;

(iii) That portion of assessments and other similar items for the current year chargeable to the borrower; and

(iv) Hazard insurance premiums, if such insurance is available.

(5) Charges or costs payable by the Native American veteran-borrower, except for the loan fee described in paragraph (d)(1) of this section, shall be paid in cash and may not be paid out of the proceeds of the loan. No service or brokerage fee shall be charged against the Native American veteran-borrower by any third party for procuring a direct loan.

(e)(1) The credit underwriting standards of 38 CFR 36.4337 shall apply to loans made under this section except to the extent the Secretary determines that they should be modified on account of the purpose of the program to make available housing to Native American veterans living on trust lands.

(2) The Secretary shall determine the reasonable value of the leasehold or other property interest that will serve as security for a loan made under this section in accordance with § 37.4519, of this chapter, unless the Secretary determines that such requirements are impractical to implement in a geographic area, on particular trust lands, or under circumstances specified by the Secretary.

(f) In connection with the origination of any loan under this section, the Secretary may make advances in cash to provide for repairs, alterations, and improvements and to meet incidental expenses of the loan transaction.

(g) Loans made under this section shall be amortized under a generally recognized plan which provides for equal monthly installments consisting of principal and interest, except for the final installment, which may not be in excess of two times the regular monthly installment. The limitation on the amount of the final installment shall not apply in the case of any loan extended, ballooned and/or reamortized.

(h) The Secretary may:

(1) Take any action that the Secretary determines to be necessary for the custody, management, and protection of properties and the realization or sale of investments under the VA Native American Direct Loan Program;

(2) Determine any necessary expenses and expenditures and the manner in which such expenses and expenditures shall be incurred, allowed, and paid;

SALE OF LOANS, GUARANTEE OF PAYMENT

§ 36.4600 Sale of loans, guarantee of payment.

(a) Whenever loans are sold by the Department of Veterans Affairs, they will be clearly identified as loans sold with or without recourse.

(b) The payment of all loans sold with recourse shall be guaranteed in accordance with the provisions of this section.

(c) Wherever the term "holder" appears in this section it shall mean the purchaser of a loan sold by the Secretary and any subsequent transferee or assignee of such loan. The holder of each loan sold subject to guaranty shall be deemed to have agreed with the Secretary as follows:

(Authority: 38 U.S.C. 501, 3720):

(1) To furnish the Secretary with notice of default within 60 days after a

loan has become two full installments in default.

(Authority: 38 U.S.C. 501, 3720)

(2) To maintain on the real estate a lien of the dignity assigned or transferred to the purchaser by the Secretary.

(3) To maintain insurance in an amount sufficient to protect the security against risks or hazards to which it may be subjected to the extent customary in the locality, and to apply the proceeds of loss payments to the loan balance or the restoration of the security, as the holder may in the holder's discretion deem proper. Flood insurance will be required on any building or personal property securing a loan at any time during the term of the loan that such security is located in an area identified by the Federal Emergency Management Agency as having special flood hazards and in which flood insurance has been made available under the National Flood Insurance Act, as amended. The amount of flood insurance must be at least equal to the lesser of the outstanding principal balance of the loan or the maximum limit of coverage available for the particular type of property under the National Flood Insurance Act, as amended. The notice requirements of 38 CFR 36.4709 shall apply to loans sold pursuant to this section.

(Authority: 42 U.S.C. 4012a, 4104a)

(4) To obtain a consideration equal to the fair market value of any real estate released from the first lien securing the loan, except where the loan will be paid in full, and to apply the entire consideration in reduction of the principal balance of the loan.

(5) To maintain the tax and insurance account as provided for in the loan instruments and to pay accrued taxes, special assessments, ground or water rents and premiums on fire or other insurance properly chargeable to the tax and insurance account.

(6) To submit to the Secretary notice of any suit or action or other legal or equitable proceeding to which the holder is a party (including a copy of every procedural paper filed on behalf of the holder or served on the holder), brought on or in connection with a

loan sold under this section or involving title to, or other lien on, the property securing the loan, within the time that would be required if the Secretary were a party to the proceeding.

(7) To submit to the Secretary for prior approval any proposal to recast or extend the repayment terms of the loan.

(8) To take no action to accelerate the indebtedness or terminate the debtor's interest in the property without the prior approval of the Secretary.

(9) To make advances only for the maintenance and repairs reasonably necessary for the preservation of the security, or for the payment of accrued taxes, special assessments, ground or water rents, premiums on fire or other insurance against loss or damage to the property, or for other purposes approved in advance by the Secretary.

(10) To furnish the Secretary prompt notice of the cancellation of any repurchase endorsement or notice on the note or bond upon the payment in full of any loan sold pursuant to this section or of the release of the Secretary from liability to repurchase the loan.

(11) To maintain adequate accounting records and to provide the Secretary with such data relating to the loan as the Secretary may request incident to the Secretary's determination of the amount payable in connection with a request for the repurchase of the loan.

(12) To service the loans properly in accordance with established practices.

(13) To permit the Secretary to inspect, examine or audit at reasonable times and places the records of loans which are subject to repurchase under this section.

(14) To sell any loan to the Secretary for the amount specified in paragraph (e)(1) of this section upon request of the Secretary if the loan is six (6) full installments or more in default.

(15) To dispose of partial payments in accordance with the provisions of this paragraph. A partial payment is a remittance on a loan in default of any amount less than the full amount due under the terms of the loan and security instruments at the time the remittance is tendered; a default is a failure of a borrower to comply with the terms of a loan agreement.

Department of Veterans Affairs

§ 36.4600

(i) Except as provided in paragraph (c)(15)(ii) of this section, or upon the express waiver of the Secretary, the mortgage holder shall accept any partial payment and either apply it to the mortgagor's account or identify it with the mortgagor's account and hold it in a special account pending disposition. When partial payments held for disposition aggregate a full monthly installment, including escrow, they shall be applied to the mortgagor's account.

(ii) A partial payment may be returned to the mortgagor, within 10 calendar days from date of receipt of such payment, with a letter of explanation only if one or more of the following conditions exist:

(a) The property is wholly or partially tenant-occupied and rental payments are not being remitted to the holder for application to the loan account;

(b) The payment is less than one full monthly installment, including escrows and late charge, if applicable, unless the lesser payment amount has been agreed to under a written repayment plan;

(c) The payment is less than 50 percent of the total amount then due, unless the lesser payment amount has been agreed to under a written repayment plan;

(d) The payment is less than the amount agreed to in a written repayment plan;

(e) The amount tendered is in the form of personal check and the holder has previously notified the mortgagor in writing that only cash or certified remittances are acceptable;

(f) A delinquency of any amount has continued for at least 6 months since the account first became delinquent and no written repayment plan has been arranged.

(g) The loan has been submitted to the Department of Veterans Affairs for repurchase;

(h) The lien position of the security instrument would be jeopardized by acceptance of the partial payment.

(iii) A failure by the holder to comply with the provisions of this paragraph may result in a deduction from the repurchase price pursuant to paragraph (e)(1) of this section.

(Authority: 38 U.S.C. 3720)

NOTE: In any instance in which the holder desires Department of Veterans Affairs prior approval to a proposed action the holder may submit the facts to the Loan Guaranty Officer as provided in paragraph (i) of this section.

(16) To obtain and forward a current credit report(s) on the debtor(s) to the Secretary when requesting that the Secretary repurchase the loan.

(Authority: 38 U.S.C. 3703(c)(1) and 3720)

(d) The Secretary's guaranty liability under this section shall consist of and be limited solely to liability to repurchase the loan from the holder thereof whenever,

(1) The debtor is in default by reason of nonpayment of not less than two full installments and default has continued for three months or more on the date the holder submits its written request for repurchase by the Secretary; or

(2) The property securing the loan has been abandoned by the debtor; or

(3) The debtor has failed to comply with any other covenant or obligation of the loan contract and on the date of the holder's request for repurchase such failure has continued for more than 90 days after the holder's demand for compliance with the covenant or obligation, except that if the failure is due to nonpayment of real estate taxes the failure to pay when due has persisted for a continuing period of 180 days; or

(4) The Secretary determines, upon request of the holder to repurchase any loan, that such repurchase is in the best interests of the Government notwithstanding that the account is ineligible for repurchase under paragraphs (d) (1) through (3) of this section.

(e)(1) A cash payment shall be made to the holder upon the repurchase of a loan by the Secretary and shall be an amount equal to the price paid by the purchaser when the loan was sold by the Secretary, less repayments received by the holder which are properly applicable to the principal balance of the loan, plus any advances made for the purposes described in paragraph (c)(9) of this section, but no payments shall be made for accrued unpaid interest, except that with respect to loans sold by the Secretary after July 15, 1970, payment will be made for unpaid accrued interest from the date of the

first uncured default to the date of the claim for repurchase, but not in excess of interest for 120 days. If, however, there has been a failure of any holder to comply with the provisions of paragraph (c) of this section the Secretary shall be entitled to deduct from the repurchase price otherwise payable such amount as the Secretary determines to be necessary to restore the Secretary to the position the Secretary would have occupied upon repurchase of the loan in the absence of any such failure. Incident to the repurchase by the Secretary, the holder will pay to the Secretary an amount equal to the balance, if any, remaining in the tax and insurance account.

(2) The holder shall be deemed to have received as trustee for the benefit of the Secretary any amounts received on account of the loan indebtedness subsequent to submitting its request to repurchase and shall pay such amounts to the Department of Veterans Affairs upon the assignment and delivery of the note, bond and security instruments to the Department of Veterans Affairs.

(3) The holder may be reimbursed for the cost of a current credit report(s) on the debtor(s) which is (are) forwarded to the Secretary along with the request for repurchase and for any other costs or expenses incurred which are approved in advance by the Secretary as being necessary to protect the Government's interest.

(f) Notwithstanding any other provision of this section, the Secretary shall be released from liability and shall not be obligated to repurchase any loan in respect to which:

(1) An obligor has been released from personal liability by any act or omission of the holder without the prior approval of the Secretary, except that a holder shall not be under any duty to establish the debt as a valid claim against the assets of the estate of any deceased or bankrupt obligor when such failure will not impair the validity or effectiveness of the lien securing the loan; or

(2) The holder has instituted foreclosure action against the property securing the loan without the prior approval of the Secretary, and such action has proceeded to the point where

the judicial sale or sale under the power in the deed of trust has been held or the owner's interest in the property has been terminated by the holder by strict foreclosure, acceptance of a voluntary deed, or by other liquidation action; or

(3) Any material alteration has been made to the note, bond, security instrument, or installment sale contract after sale and delivery of the instruments by the Secretary to the purchaser.

(g)(1) Each employee of the Department of Veterans Affairs heretofore or hereafter appointed to or lawfully filling, any position designated in paragraph (g)(2) of this section is hereby delegated authority within the limitations and conditions prescribed by law to exercise the powers and functions of the Secretary with respect to the sale, assignment, transfer, and repurchase of loans, including, but not limited to the offering of such loans for sale, the acceptance of purchase offers, the assignment or transfer of notes or bonds and security instruments evidencing the loans sold, granting the prior approval of the Secretary under this section, determining the eligibility of the loans for repurchase and to calculate and pay the sum due the holder upon repurchase of the loan by the Department of Veterans Affairs.

(2) Designated positions:

Under Secretary for Benefits.
Director, Loan Guaranty Service.
Director, Regional Office.
Director, Medical and Regional Office Center.
Director, VA Center.
Loan Guaranty Officer.
Assistant Loan Guaranty Officer.

(h) No waiver, consent, or approval required or authorized by this section shall be valid unless in writing signed by an employee of the Department of Veterans Affairs authorized in this section to act for the Secretary.

(i) Whenever prior approval or consent of the Secretary is desired in respect to an action to be taken by a holder of a loan, the holder may address such request to the Loan Guaranty Officer in the Regional Office or Center having jurisdiction over the area in which the real estate security is located.

Department of Veterans Affairs

§ 36.4701

(j) Notwithstanding any requirement, condition, or limitation stated in or imposed by this section concerning the sale and repurchase of loans, the Under Secretary for Benefits, or the Director, Loan Guaranty Service, within the limitations and conditions prescribed by the Secretary may take such action as may be necessary or appropriate to relieve undue prejudice to a holder, debtor or other person, which might otherwise result, as long as such action shall not impair the vested rights of any person affected thereby. If such requirement, condition, or limitation is of an administrative or procedural nature, such action may be taken by an employee authorized to act under paragraph (g) of this section.

(k) This section will apply to all loans sold by the Department of Veterans Affairs after the effective date of this section which were originated or acquired by the Secretary of Veterans Affairs under chapter 37, title 38, U.S.C., or title III of the Servicemen's Readjustment Act of 1944, as amended, except that it shall not apply to direct loans sold pursuant to section 3711(g) of chapter 37, title 38, U.S.C.

(3) Reflects the Director of FEMA's publication of a notice or compendium that:

(i) Affects the area in which the building or mobile home securing the loan is located; or

(ii) By determination of the Director of FEMA, may reasonably require a determination whether the building or mobile home securing the loan is located in a special flood hazard area; or

(4) Results in the purchase of flood insurance coverage by the Secretary or a servicer acting on behalf of the Secretary, on behalf of the borrower under 38 CFR 36.4706.

(b) *Contents of notice.* The written notice must include the following information:

(1) A warning, in a form approved by the Director of FEMA, that the building or the mobile home is or will be located in a special flood hazard area;

(2) A description of the flood insurance purchase requirements set forth in section 102(b) of the Flood Disaster Protection Act of 1973, as amended (42 U.S.C. 4012a(b));

(3) A statement, where applicable, that flood insurance coverage is available under the NFIP and may also be available from private insurers; and

(4) A statement whether Federal disaster relief assistance may be available in the event of damage to the building or mobile home caused by flooding in a Federally declared disaster.

(c) *Timing of notice.* The Secretary shall provide the notice required by paragraph (a) of this section to the borrower within a reasonable time before the completion of the transaction, and to the servicer as promptly as practicable after the Secretary provides notice to the borrower and in any event no later than the time the Secretary provides other similar notices to the servicer concerning hazard insurance and taxes. Notice to the servicer may be made electronically or may take the form of a copy of the notice to the borrower.

(d) *Record of receipt.* The Secretary shall retain a record of the receipt of the notices by the borrower and the servicer for the period of time the Secretary owns the loan.

(e) *Alternate method of notice.* Instead of providing the notice to the borrower required by paragraph (a) of this section, the Secretary may obtain satisfactory written assurance from a seller or lessor that, within a reasonable time before the completion of the sale or lease transaction, the seller or lessor has provided such notice to the purchaser or lessee. The Secretary shall retain a record of the written assurance from the seller or lessor for the period of time the Secretary owns the loan.

(f) *Use of prescribed form of notice.* The Secretary will be considered to be in compliance with the requirement for notice to the borrower of this section by providing written notice to the borrower containing the language presented in appendix A to this part within a reasonable time before the completion of the transaction. The notice presented in appendix A to this part satisfies the borrower notice requirements of the Act.

The Director of FEMA has designated the insurance provider to receive the Secretary's notice of the servicer's identity. This notice may be provided electronically if electronic transmission is satisfactory to the Director of FEMA's designee.

(b) *Transfer of servicing rights.* The Secretary shall notify the Director of FEMA (or the Director's designee) of any change in the servicer of a loan described in paragraph (a) of this section within 60 days after the effective date of the change. This notice may be provided electronically if electronic transmission is satisfactory to the Director of FEMA's designee. APPENDIX A TO PART 36—SAMPLE FORM OF NOTICE OF SPECIAL FLOOD HAZARDS AND AVAILABILITY OF FEDERAL DISASTER RELIEF ASSISTANCE

We are giving you this notice to inform you that:

The building or mobile home securing the loan for which you have applied is or will be located in an area with special flood hazards. The area has been identified by the Director of the Federal Emergency Management Agency (FEMA) as a special flood hazard area using FEMA's Flood Insurance Rate Map or the Flood Hazard Boundary Map for the following community: _____. This area has at least a one percent (1%) chance of a flood equal to or exceeding the base flood elevation (a 100-year flood) in any given year. During the life of a 30-year mortgage loan, the risk of a 100-year flood in a special flood hazard area is 26 percent (26%).

Federal law allows a lender and borrower jointly to request the Director of FEMA to review the determination of whether the property securing the loan is located in a special flood hazard area. If you would like

Department of Veterans Affairs

§ 39.1

to make such a request, please contact us for further information.

— The community in which the property securing the loan is located participates in the National Flood Insurance Program (NFIP). Federal law will not allow us to make you the loan that you have applied for if you do not purchase flood insurance. The flood insurance must be maintained for the life of the loan. If you fail to purchase or renew flood insurance on the property, Federal law authorizes and requires us to purchase the flood insurance for you at your expense.

- Flood insurance coverage under the NFIP may be purchased through an insurance agent who will obtain the policy either directly through the NFIP or through an insurance company that participates in the NFIP. Flood insurance also may be available from private insurers that do not participate in the NFIP.

- At a minimum, flood insurance purchased must cover the lesser of:

- (1) the outstanding principal balance of the loan; or

- (2) the maximum amount of coverage allowed for the type of property under the NFIP.

Flood insurance coverage under the NFIP is limited to the overall value of the property securing the loan minus the value of the land on which the property is located.

- Federal disaster relief assistance (usually in the form of a low-interest loan) may be available for damages incurred in excess of your flood insurance if your community's participation in the NFIP is in accordance with NFIP requirements.

— Flood insurance coverage under the NFIP is not available for the property securing the loan because the community in which the property is located does not participate in the NFIP. In addition, if the non-participating community has been identified for at least one year as containing a special flood hazard area, properties located in the community will not be eligible for Federal disaster relief assistance in the event of a Federally-declared flood disaster.
